You can use me as much as you want until Mommy comes home.
Hey Saya... Can I do you in the ass next?

So please, stay with me forever, Stepfather.

The Evening Sky and a Stepfather's Love

まやふふ（賢）

I first met Saya half a year ago.
Her nervous, awkward and yet polite greeting was very childlike and sweet.
Saya lost her father when she was only five, and I wasn't sure if I could fill his shoes...
Maybe living with just her mother made her lonely, but Saya turned out to be surprisingly needy and got attached to me very quickly.
Or, so it seemed...
When it was the three of us, she stayed far away from me.
My wife started to get worried that I wasn't getting along with Saya.
Could you help me with my homework, Step-father?

Saya.
Besides, we had only been a family for a month...
I told her that Saya was just being shy.
The bath's ready. How about you go in?
Taking a bath alone is boring.
Hm...
Whoa! She's completely exposed...
I totally understand! I also thought taking baths sucked when I was a kid and brought a manga to read.
Reading while in the bath? Maybe I'll try it too.
Ah! No can do, kiddo! When Yuumi comes back, she'll yell at me for teaching you weird stuff.

Are you done with work, Step-father?
Hm? Yeah, I just sent the last file a minute ago.
Then let's go in to-gether.
Pretty please?
Saya will sometimes act just like my wife and make my heart skip a beat...
But still... What kind of fifth-grader girl takes a bath with her father?
Uhh... You're already a fifth-grader, Saya...
But my daddy always came in with me.
Yeah, but... you were very little back then...

Boing
Saya is so delicate and pretty...
Hm? Is something wrong, Stepfather?
Whoa!
Flip
This might be the first time I'm seeing a little girl's body this up close.
Boing

Fuck... It's not going down...
ガァ…
ボボボ…
It's nothing. You go in first.
Okay.
チャプン…

You're always gazing at the sky, Saya.
But if you don't close the window, God will peep on you.
Okay, I'll close it.
Will God get angry at me if I do this? Or will he be happy since he's a perv?
Twitch...
C-Cut that out... That's very immodest.
God must be a real pervert, huh.

Ah...
Huh?
You can't wear a towel in the bathtub.
Okay, you're right.
How about now?
Huh?
Your pee-pee...
Twitch
Er... But you see...
...She's just a child. She has no idea what an erection is anyway, right...?

You see, when a boy becomes an adult...
I'm so happy...
Did I manage to turn you on?
Huh?
Ah... Aah...
I thought you weren't into me at all.
I'm so glad...
Rub
Squeeze-

Y-You have to be kidding me...
An elementary school girl is sucking my...
My last stepfather taught me.
Also, you're letting all your thoughts spill out right now.
Saya... Wh-Where did you learn to do this sort of stuff?
The way you use your tongue...
feels better than when Yuumi does it...
Shit, this is way too hot...
Aah... I have to think of a distraction...

I can make my throat even tighter.
Wh-Whoa...
Y-Your previous one?

That would make it... two years ago?
Saya did this when she was just in third grade?
The man my mommy used to date. They didn't go as far as marriage, but I still called him my "stepfather".

It's too thick for me to drink...
Mommy's been too busy to have sex with you, right?
Drip
Gulp
S-Saya... You...
I always fall in love with the same guys as Mommy.
Rub

Rub
But among them all, I love you the most.
You're cool, gentle, and your hands are so nice and big.
I especially like your smell.
It's the same sharp manly smell as my late daddy. ♥

My last stepfather told me to act like we didn't get along.
Slurp
That's how we weren't found out.
Mommy can be a little dull, can't she?
Aah... Aah...
I love you, Stepfather.
Haah...
Haah...
Haah...
Ever since then, Saya tempted me for sex at every opportunity.
She did anything that would make me happy.

Rather than being put off, Saya welcomed it and enjoyed it all.
Hah...
She let me verbally abuse her or tie her up and fuck her violently.
Hah...
She let me fuck her tiny ass.
She let me fuck her with her glasses on, something my wife hated doing.
Ahn♡
I had become Saya's captive.
Step-father, Mommy will be home any minute now...
Ahn♡♡
Though I was envious of the man who trained Saya when she was younger.

Don't glare at me like that.
You can't fool me, Saya.
I know you get off from the danger of being found out.
Th-That's not...
I know that you're about to cum when your feet start wriggling like that.

Aah... Aaah... Aaah...
You're such a bad girl, being aroused by getting teased.

Aah... Aahn...
Ahn!

That made me really happy, Saya.
What do you mean?
Kahah

Ah Ah
Aah
That was the first time you called me "Daddy".
I finally feel like I've become your real father.
Aah Hm
Aah...
.....
It turns me on...
Huh?
I get really turned on when I have sex while thinking of my late daddy.
It feels like Daddy's come back home... Like he's embracing me in his arms...

It feels like I'm having sex with Daddy...
You know, it's been a while since we all had dinner together.
...That's why I call you my stepfather, not my daddy.
I'm sorry.

You should take this chance to have a good chat with your stepfather.
...Okay.
Are you doing your homework, Saya? Do you need help with anything?
...Nah.
...

Hey
?!
Squeeze
Mgh...

Stop!
Stop... it...
Grit
Don't touch me!
No... You're my stepfather, not my daddy.
So how about it? There'll be hell to pay if your mom notices.
But only if you start calling me "Daddy" from now on.
Alright, I'll stop.
Urk!

No... Don't...
Stop...

You should go watch a movie with your stepfather tomorrow.
Saya?

Hah!

You see...
I just want you two to start getting along.
So...
Your late daddy up in the sky probably wants the same.
Just forget about your daddy already...

W-Wait! You're acting weird today, Step-father!
You're scaring me!
Argh!
Just forget about him.
H-Him?
You mean Daddy?
You'll only look at me when we're having sex.

When you cum, call my name.
Your daddy is up in the sky.
He'll never come back, even if you call for him. And besides...
Aaah! St- Stop it!
Nooo!
if he saw his dear daughter in such a state,
AAAAHn!
he'd only be sad!

Why is everyone telling me to forget him?
The piggyback rides, our walks, his smell...
His surprise presents...
The times he patted my head with his big hands...
Our family drives...
That's how it was supposed to stay forever...
Even without any sex,
I was always happy...
Haah!
I'll do all of that for you.
Aah!
Ahn!
Aah!
God's just a jerk...
A huge, huge jerk...

Hah
I'll do everything you want me to.
The piggy-back rides, the driving, and sex.
Hah
Hah
Really? You'll stay with me forever? You won't leave me all alone?
Hah
ぬぷっ

Yeah. I'll be with you forever... so don't look so sad.

Do your best!

Thanks...

Nice weather today... Saya.

Yeah, the weather's great, Father.
Um... After you throw away the clothes you ripped yesterday, I want a piggyback ride.
Like a normal, happy father and daughter...
And then, we'll have ice cream at the park together.
CAP
And after that...
