Looks like you're getting the hang of your new job!

Ah, Mary-san

No, I'm still pretty inexperienced ...

HEY!

Though you sometimes don't pay attention

You pick things up fast

Oh, is that so...?

Ha
Ha
Ha

Wah

If you don't go back, I'm telling Master

You should return to your room

Isn't it time to study yet?

No, it's boring in there

Ah

Little Miss

Hiya

Right

...
Yeah

Be
a good
girl

Go back
to your
room

You
shouldn't
bother
Mary
like this

Excuse
us,
Sir
...

You
shouldn't
be here

Oh,
Daddy!

Oh,
there
you are

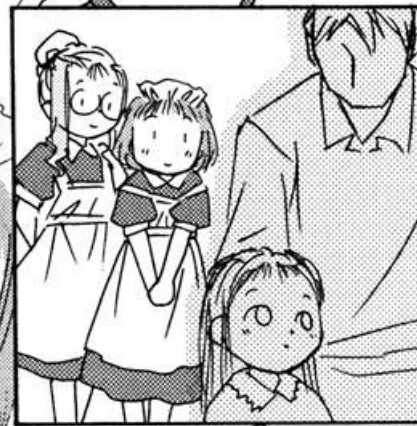

Well, if
that's all,
then I'm
relieved

Heyhey
What's
wrong with
just saying
that?!

What
are you
aiming
for!?

Wow, is
that the Master?

He's so young
and handsome
....

Eh
?

Well, I know
it's hard to keep
the house running,
so I'm happy if you
give me a lot of
work...

Y...
Yes
...

I don't think
anything is
going to
happen soon,
so just keep
it in mind
for now

Yes
?

Hey
...
Daisy-
chan

There are
jobs with
a better salary.

Do you think
you are ready
to give them
a try?

What
do you
mean
by that,
Mary-
san?

A maid
with such a
simple pure
wish
...

And he had
lost his wife

It's all so
convenient
right?

About Mary-san ...

Ah... ah...

Mary disappeared from the Mansion

... Oh?

A few days after that conversation

I asked some other people ...

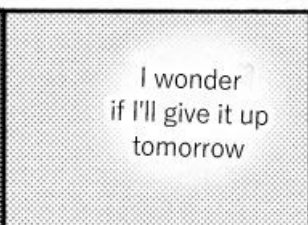

I can't say more...

It's best not to stick your nose where it doesn't belong

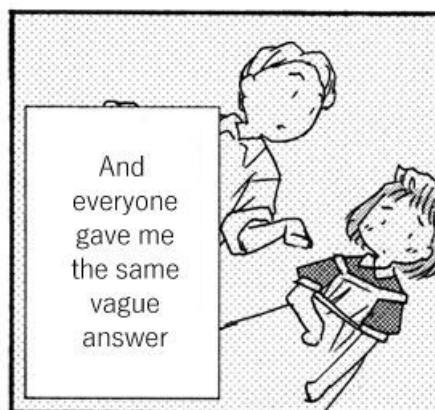

Something else?

That girl is charge of something else now

I wonder if I'll give it up tomorrow

I don't want to make a mistake and make things awkward

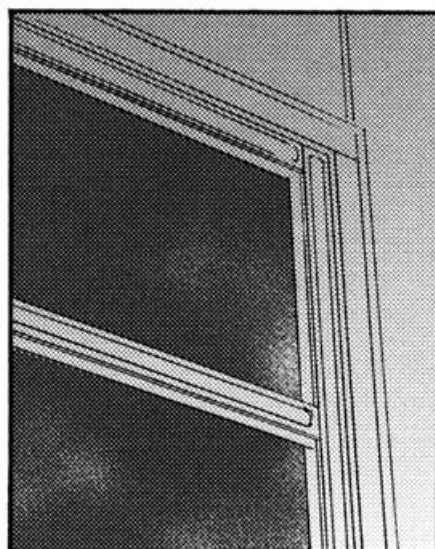

And everyone gave me the same vague answer

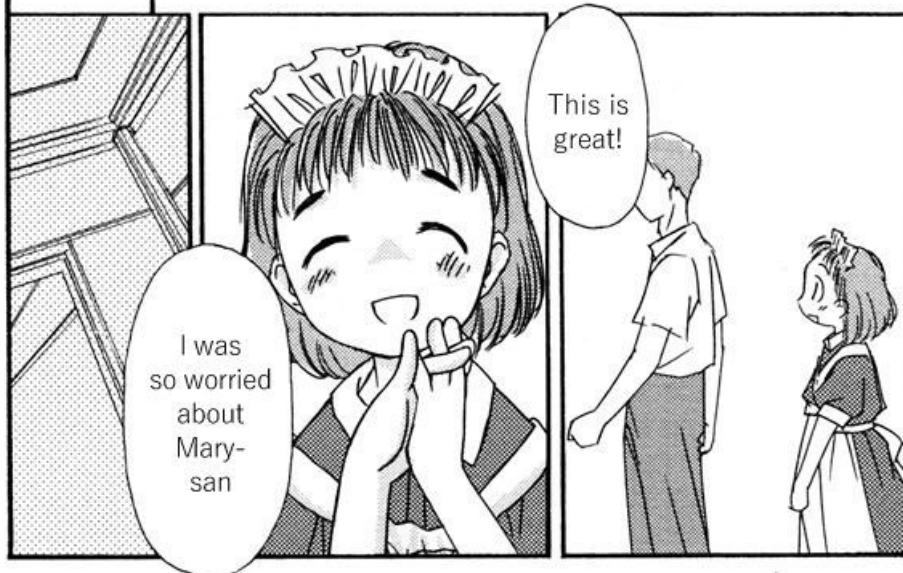

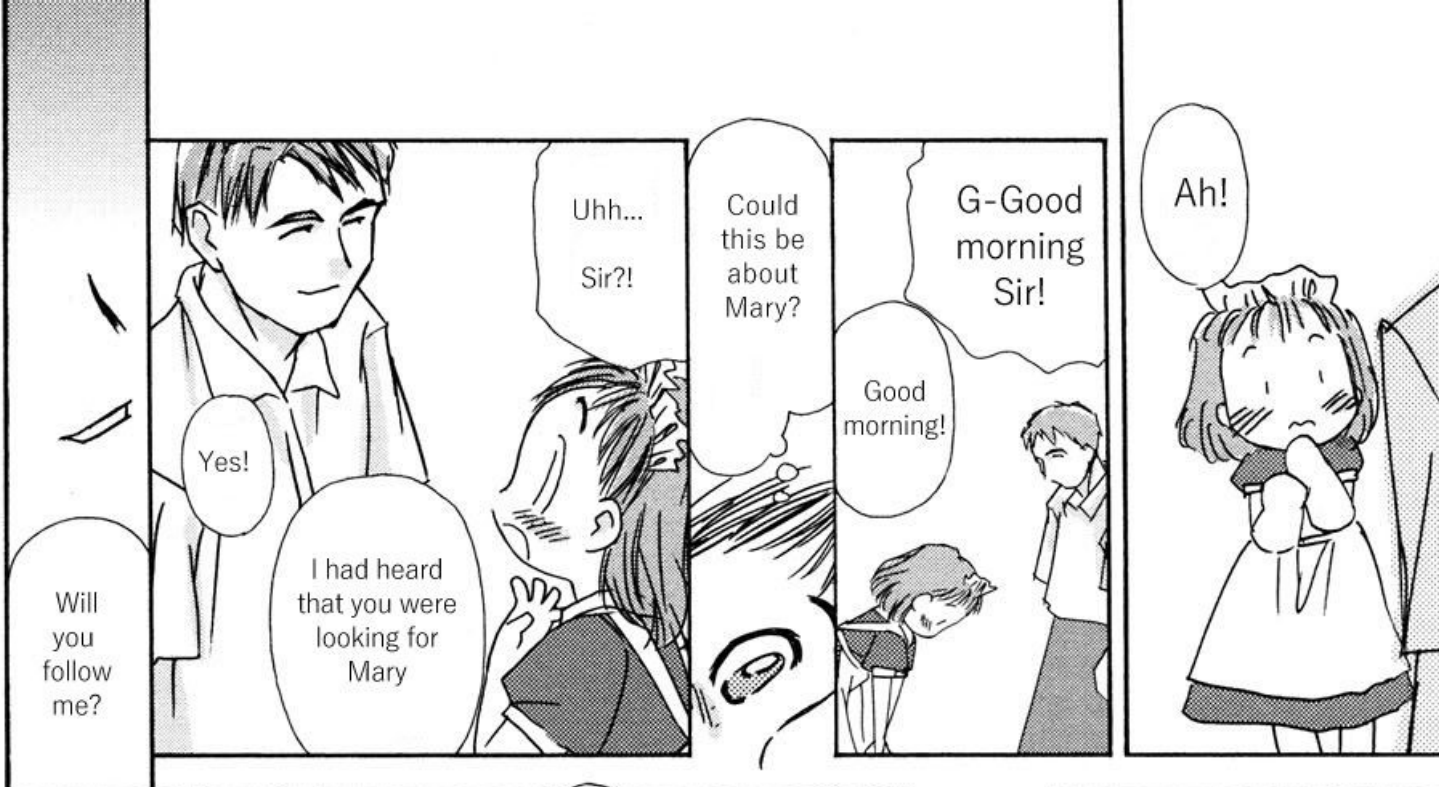

Somehow I had a nice dream

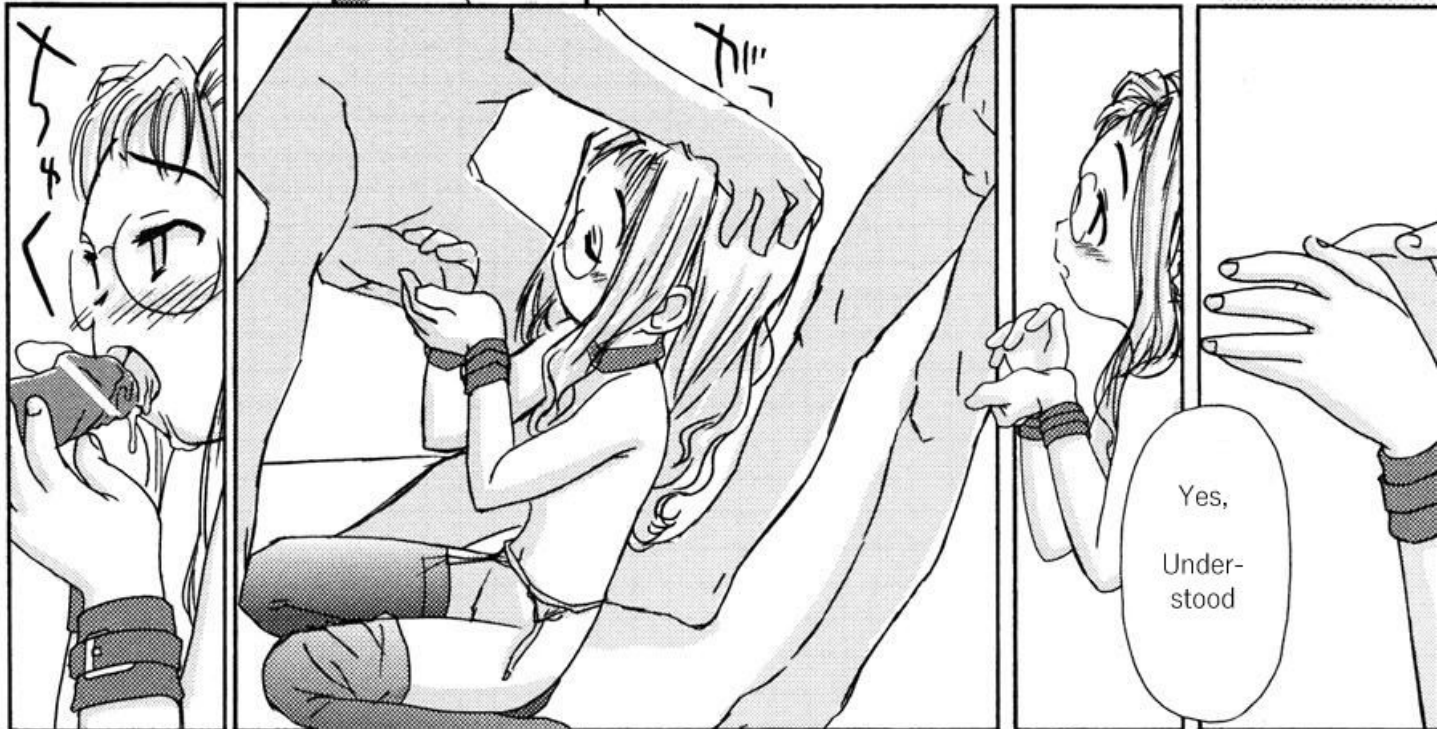

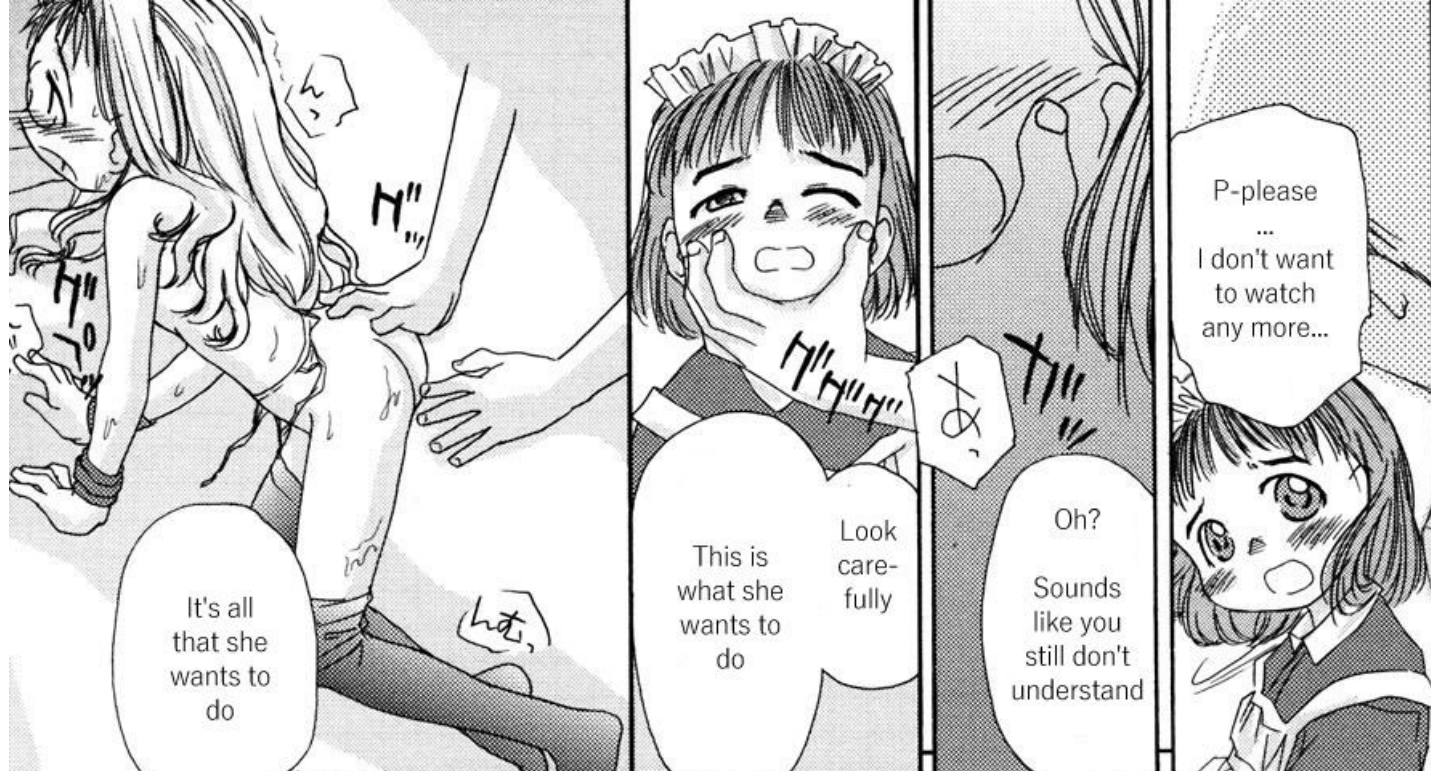

Yawn

Your juices
are dripping
out even
more than
before
...

... Oh,
you're
letting
it spill

Gack
Gack!

You're
shaking
...
Are
you still
scared?

...
How
about
that?

Or is your
body feeling
so lonely with
all that waiting
...
That it's starting
to throb
and ache

Ah ...

...
It seems
like she
is ready
now

It's
alright
...

Oh, she's
adorable...

Even if
it's her first
time, it should
be fine if she
is this
wet, right?

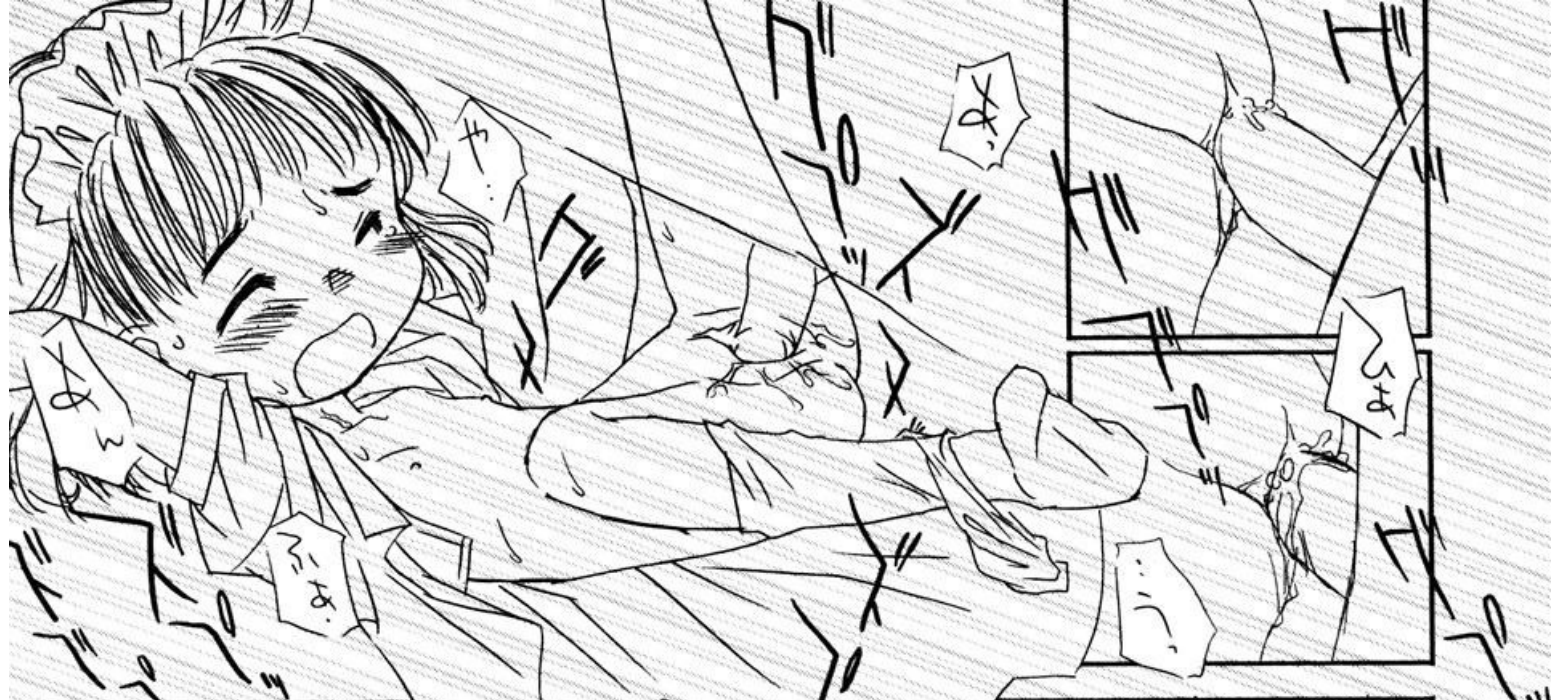

Is it
okay to
do her?

You see,
your nipples
are becoming
so stiff

I under-
stand
you

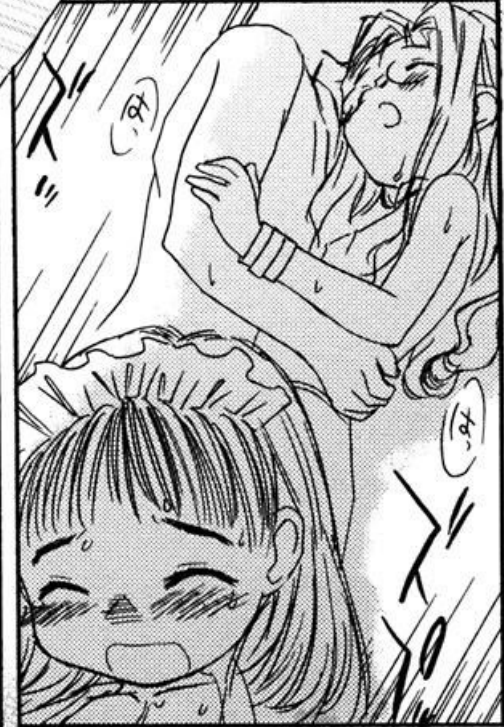

You may
take her as
you want,
so long as
she doesn't
break

... Well,
that kind of
thing doesn't
really matter
any more
...

Why is
Master
doing
nothing
....

My head
is going
blank...

Little Miss !?

Father ...

~~~~~

Thar's right

Do you want me to do it with you?

Father, is it Daisy's first time today?

... Oh?

Why are you here?

Don't, Little Miss! Don't come to a place like this

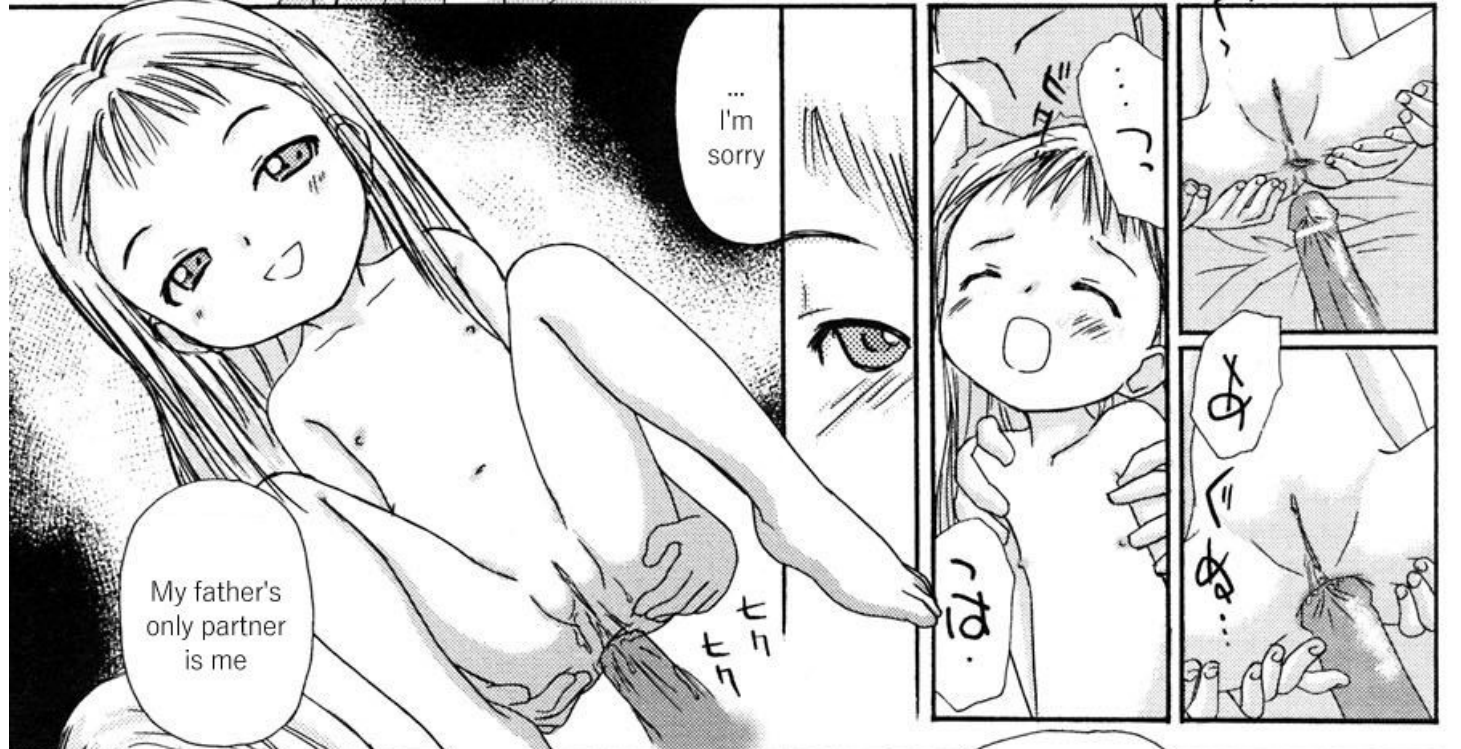

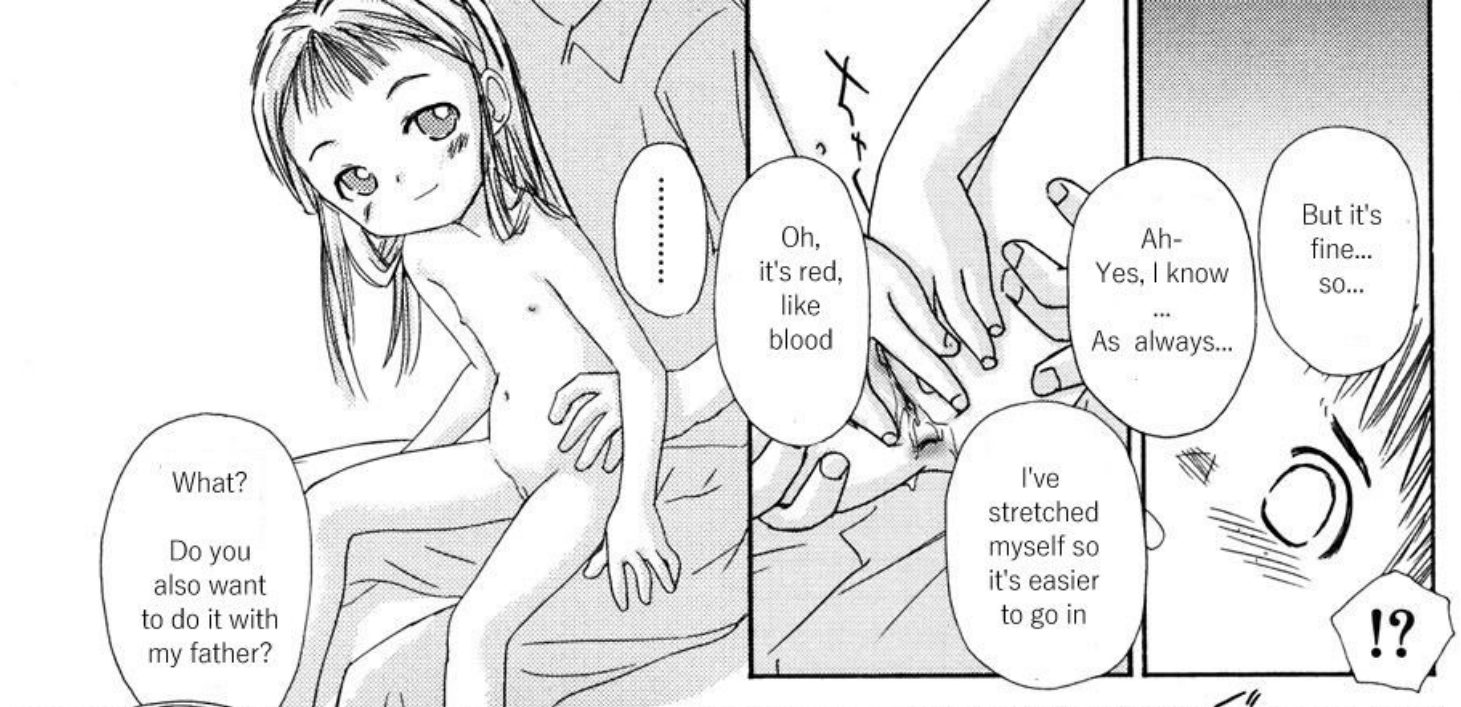

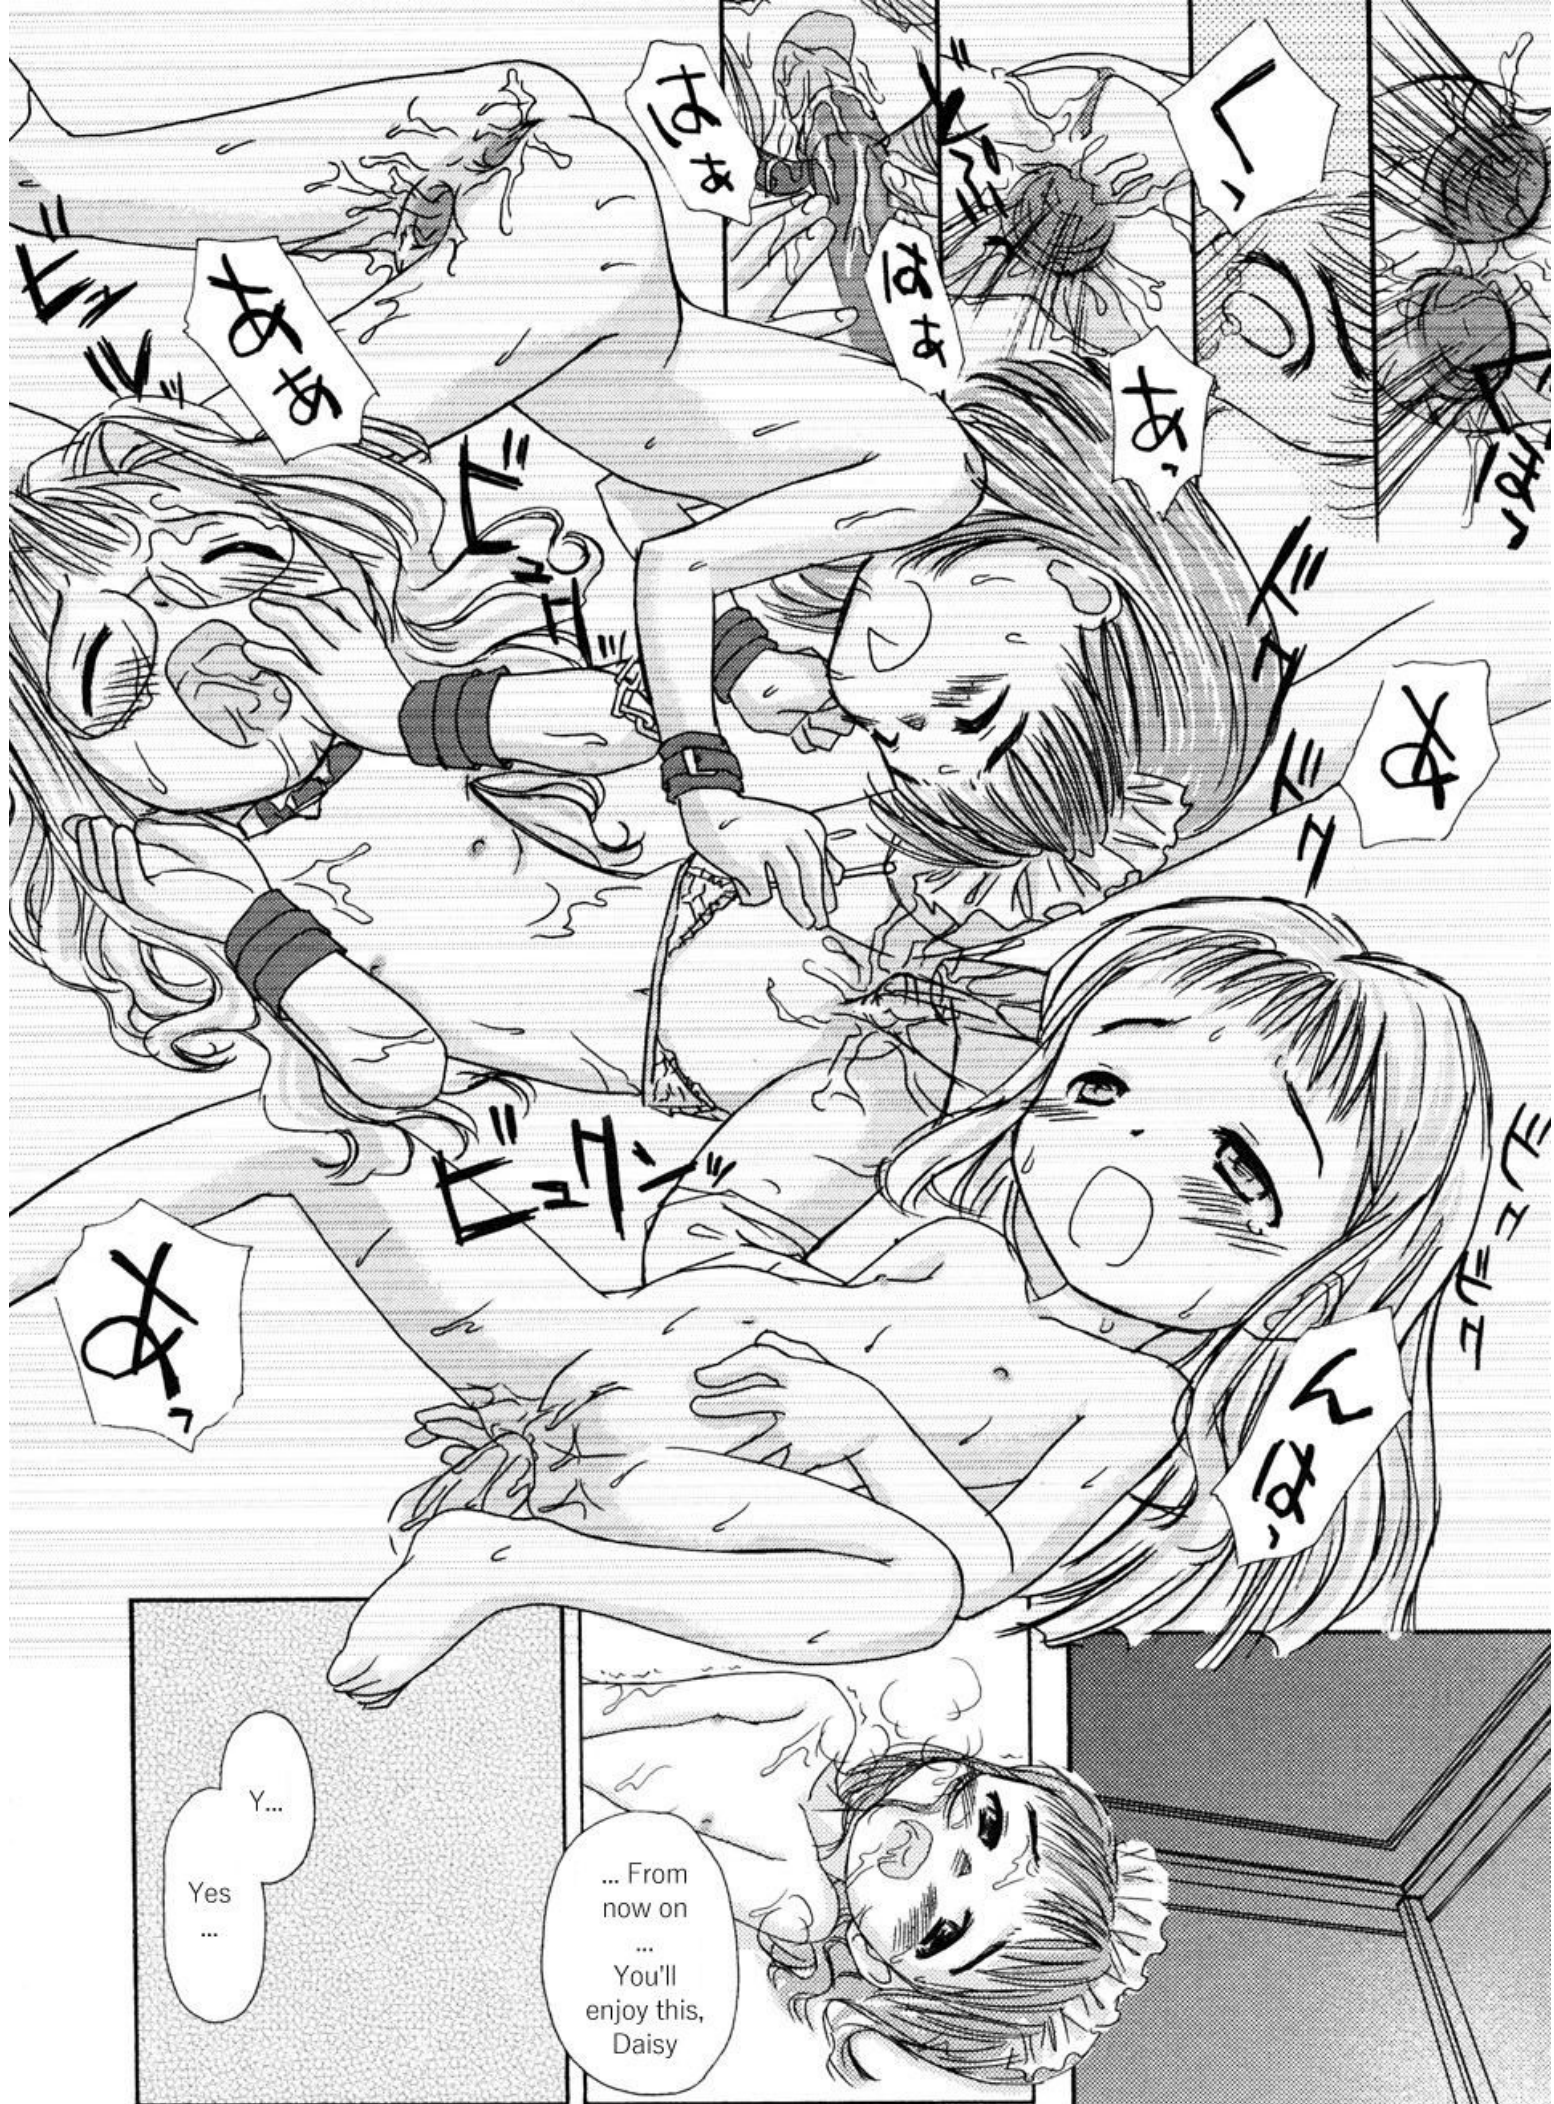

It seems my belly is starting to become noticable ...

Uh-huh

After all, I'm only for my father's use ....

Y...  
Yes  
...

... From  
now on  
...  
You'll  
enjoy this,  
Daisy
