Girls Who aren't Even
Otaku Came to Have Fun
Participating in the 3rd
Day of Comiket as a Circle

サークル参加で アズにやって来た

Hibino Saaya
(B 89 W 65 H 79)

Gets on well with Megu and Mirai.

She became interested in Comiket after hearing about what happened last year. She's just a perverted girl. Her trademark is her very short hair.

She may not look like it (?), but she's had way more boys than the other two, so she's revered as Anego-san by them (Though they're the same age).

Her favorite phrases are "Ah, oh wow!" and "Totally awesome".

Her physical performance is exceptional. School marathons are the only thing she puts her heart into.

Jounouchi Mirai
(B 88 W 63 H 80)

Best friends with Migu since childhood. Influenced by Megu's sexual awakening, she started to be interested in it herself as well. She entered the 3rd day of Comiket's sex festival just like Megu. And according to herself, as if thanks to that, her breasts filled in quite a lot over the year.

Her favorite phrase is "cray cray".

She's actually quiet and her voice is cute, so boys around her whisper that if she acted more proper, she'd be pretty popular.

By the way, pale-peach isn't her natural hair color.

Takahashi Megu
(B 84 W 62 H 78)

BFF with Mirai.

A middle school girl in puberty, who's extremely interested in sexual stuff.

She's not an otaku or anything, but she found out about last year's winter Comiket and thought that if it were with virgin otakus, she could have a whole lot of sex. Such a casual idea is all it took to get her participate in it. She did all sorts of sexual things and became the talk of the venue.

Her favorite phrases are "It's fine, ain't it?" and "I feel you".

She fools around, saying that her dream is to become a sporty talent and she's equally popular with boys and girls from her class.

She's pretty easily moved by emotions and she's sentimental.

あらすじ

去年、オタでもないJCのメグとみらいは興味本意で、オタの祭典「コミケ」に乗り込んだ。

その乗り込んだ理由とは性欲に従順なオタク男子達はきっとセックスやりたくてやりたくてたまらない元気な子ばかりだろきっと！だからエッチしまくれるんじゃない？というなんとも身勝手な理由であったがこれが意外にも大性交、...いや大成功してしまった。

4 今年はずを聞きつけた女子「さあや」とともにサークル参加することになり、今年もコミケが開催される…。

Aku Memin-sensei
(B 74 W 56 H 72)

Comiket expert, extremely popular porn author from by-the-wall.

She proclaimed that schlicking to her own manga is her daily routine and won popularity in a thread of a certain BBS.

She got involved with Megu and Miura the last time and had a hard time, but ever since then her works are even more lively, and she's become even more popular. She's been relocated to in-front-of-the-shutter this Comiket.

By the way, she gets mad when called Akume Min.
