TRANSLATOR NOTES

Hello fellow intellectuals!

I've only recently started learning Japanese, even if I've been a weeb all my life. This is my first time translating a doujin but I couldn't stand that my favourite series didn't have a translation months after its release.

This is yet another "creepy old dude" story by Kahlua Suzuki, but somehow it's my favourite so far (probably because of how it ends).

I just hope that the next one comes out sooner this time.

Hope you enjoy my translation. Have fun!
