

呪いの鎖

BAD END STORY I

Background Setting

1500 years after the Succui King was sealed, Lilina, a young girl who dreamt to become the best adventurer accidentally wore a curse tool of a succubus -- the Cursed Armor!

What makes things worse, under the effect of the curse, she soon became a victim of a crime of rape by another succubus tool user. Luckily, a master of the art of hypnosis -- Dragonsong saved her and brought the owner of that succubus curse tool -- Beryl to justice. Lilina fell in love with Dragonsong. To please Lilina, Dragonsong gave Lilina an Empire granted admission notice of the Magic Academy. He then went to the Academy as a teacher.

To everyone's surprise, the deputy principal's true identity is Beryl! The admission notice was a trap!

After the Devil Eye put the old principal under control, the entire academy was turned into a place that produces Lust Energy.

There was a man who was there helping her all along -- the dean of the academy, Ross.

Completely in the dark, Lilina had been receiving hypnosis training from Ross so that Beryl could keep brainwashing Lilina.

During the training, Ross slowly became attracted by Lilina's charm of being a sex slave. On the other hand, Beryl's abnormal persistence to Lilina also aroused his interest.

Through controlling Lilina to cheat on Dragonsong, Ross firmly believed that Lilina had a soul that desires to be dominated -- a perfect Living Doll. Ross decided to make a gamble.

As Ross expected, the Living Doll spell worked! After learning all her secrets, Ross developed his ambition to a higher level.

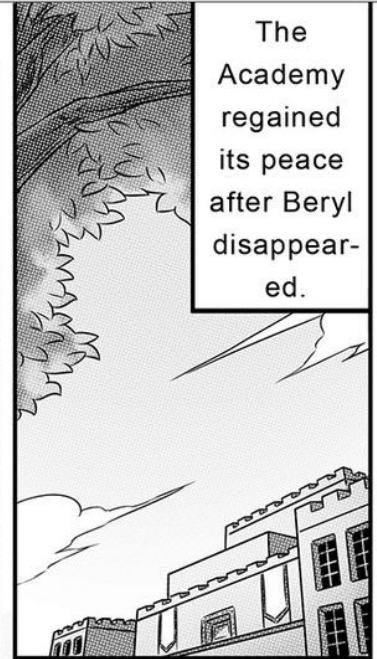

He wanted to sabotage Beryl's plan and make Lilina one of his property.

To avoid Beryl, Ross temporarily dismissed the Living Doll spell, then secretly helped Lilina learn the existence of Beryl while restoring her power. Beryl was defeated and expelled away.

In the end, Ross controlled the Living Doll Lilina to repress the Cursed Armor and killed the old principle.

Ross became
the new
principal.

The
Academy
regained
its peace
after Beryl
disappear-
ed.

Ten days later...

Lilina, who became
a sex doll, started to
live a licentious life
under Ross's control.

Besides
controlling
living
dolls...

Ross uses a
special crystal
and lust magic
to drain lust
energy from
Lilina.

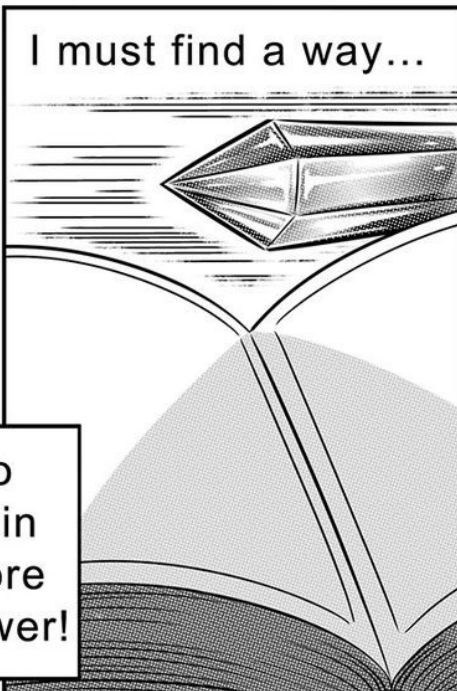

Lust energy can also be used
to enhance Lilina's power...

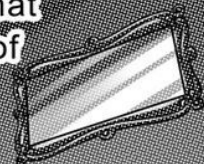

I must find a way...

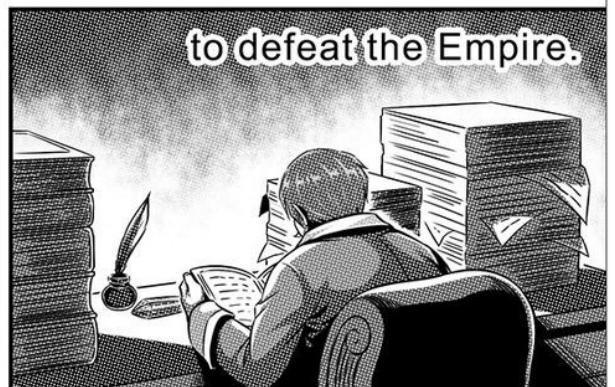

to
gain
more
power!

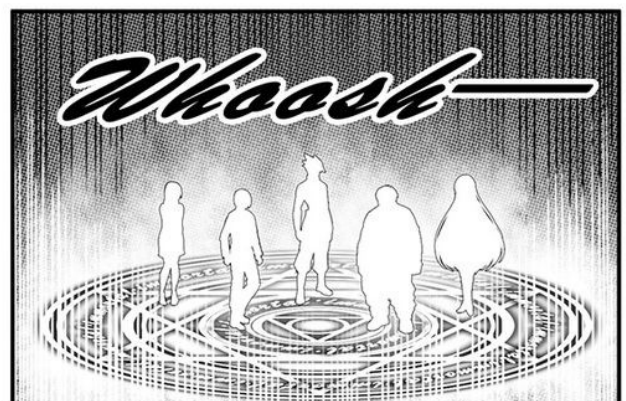

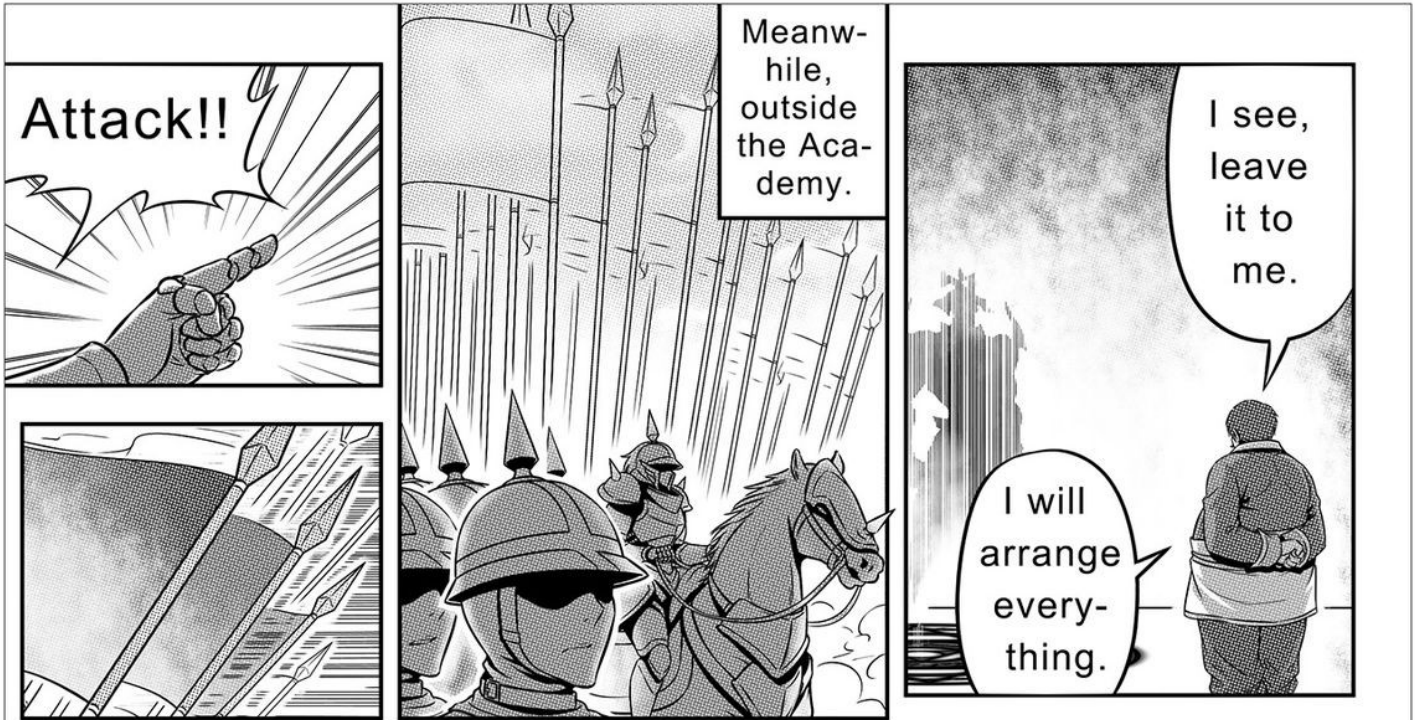

However, Ross is
fully aware that
this amount of
energy isn't
even half
enough...

to defeat the Empire.

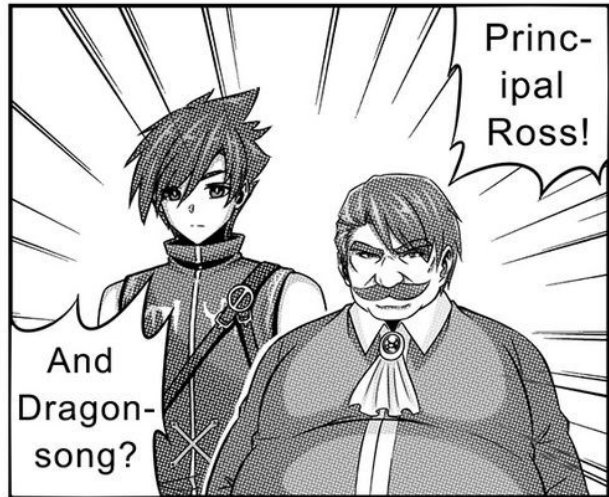

—Haaa...haa...
Principal Ross
is here anyway.

Everything
is going to
be all right.

Mmmmm!

Princ-
ipal
Ross!

And
Dragon-
song?

Why did the
living doll
spell get
removed?

Lilina seems fine.

?

Next...

!!

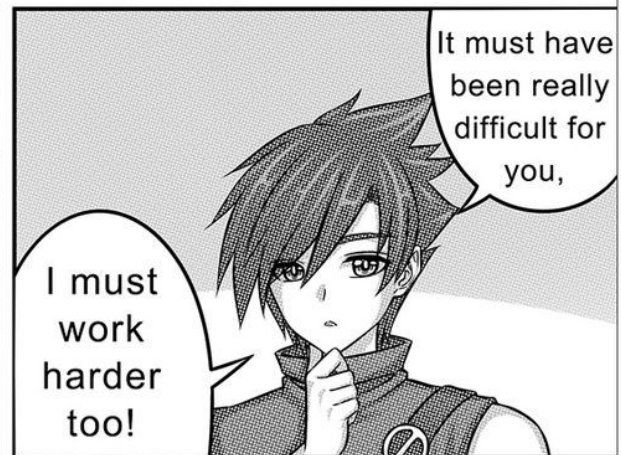

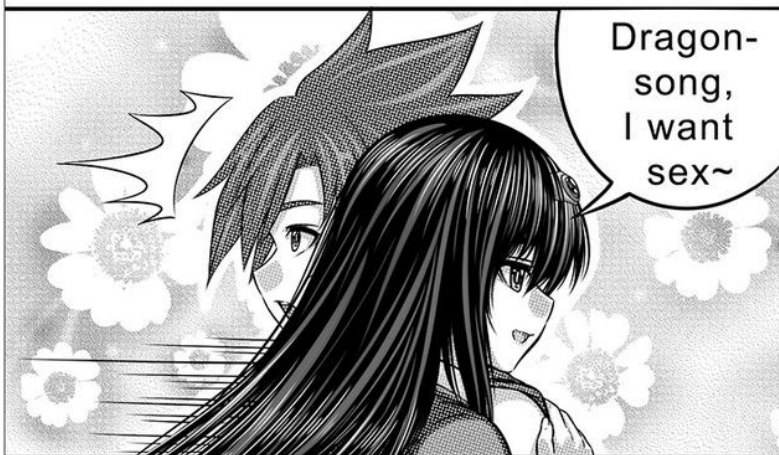

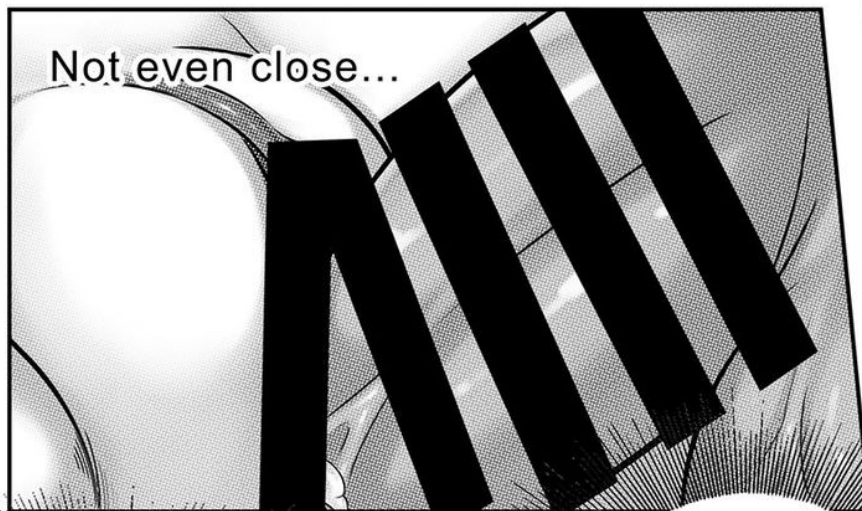

Not enough...

Not even close...

Not enough...

This wouldn't
be happening if
Ross was making
love to me...

DragonSong
is doing his best,
but I'm not
enjoying it
at all.

If Ross was making love to me--

making love to me--

Aaa...Ross...

Aaa~~

Principal Ross~~

Lilina!

Lilina!

I...
I'm fine,
thank
you.

Lilina,
are you
all right?
It's
morning
already.

Have
I gone
too far?

We were making love
the whole night...
Was it because of
the influence of
Flame of Lust?

Great,
I will bring
you some
food...

But why am I
now thinking of
Principal Ross?

When I was
having sex
with other
people,
I always
thought of
DragonSong,

My Flame of Lust...

Is out
of my
control...

.....

Is it because
DragonSong could
not satisfy me?
