

Like the Snow

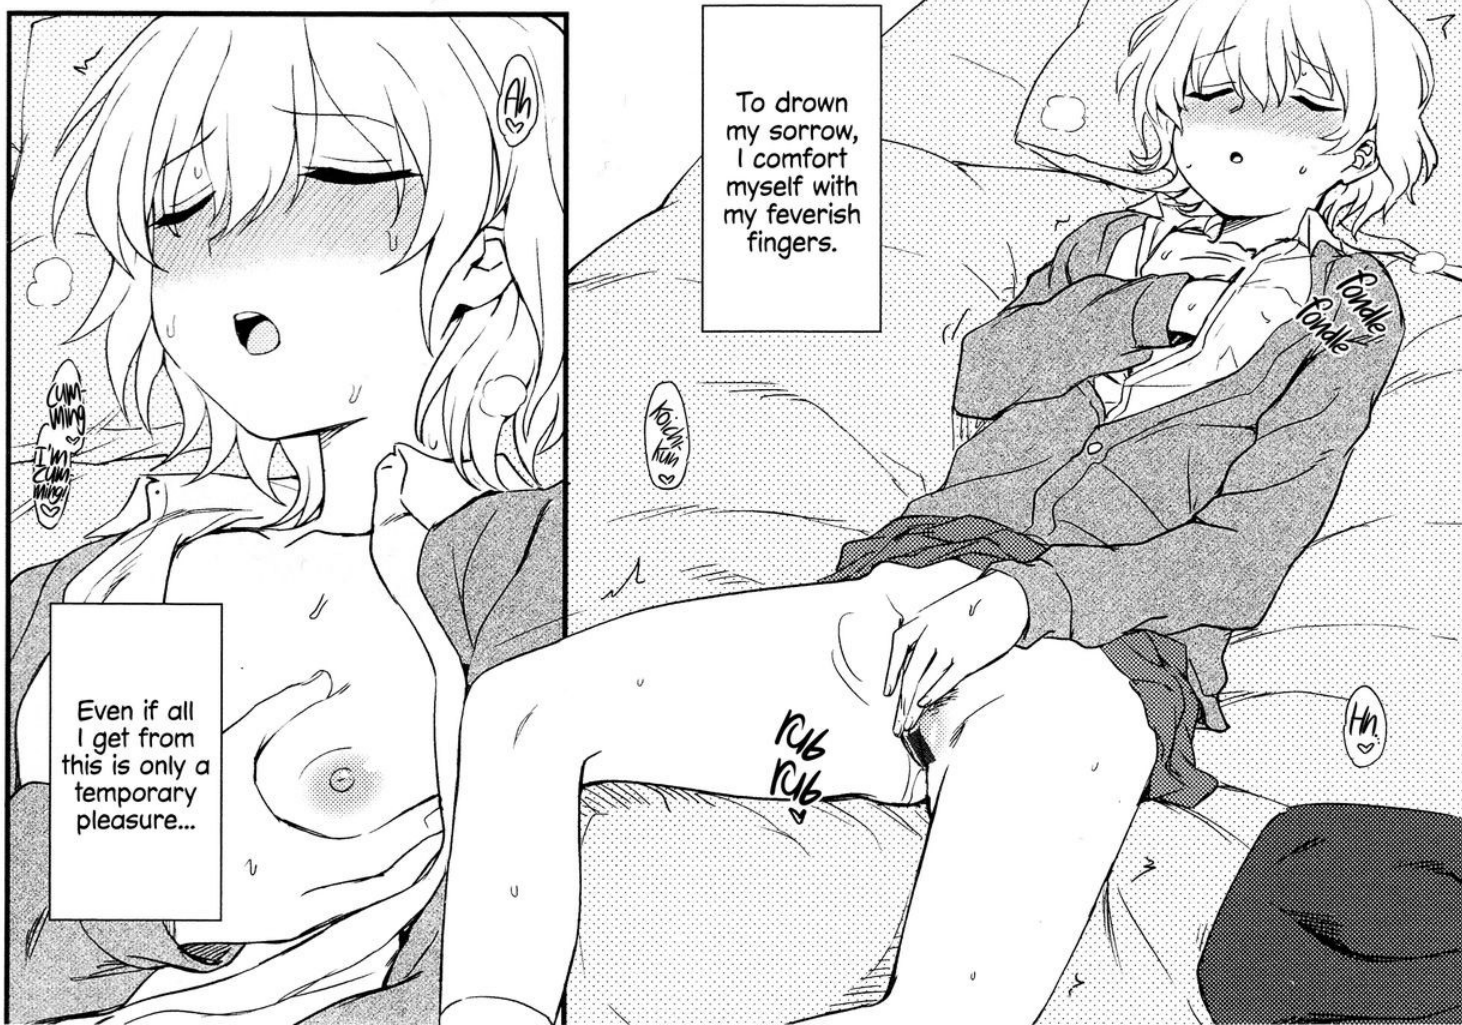

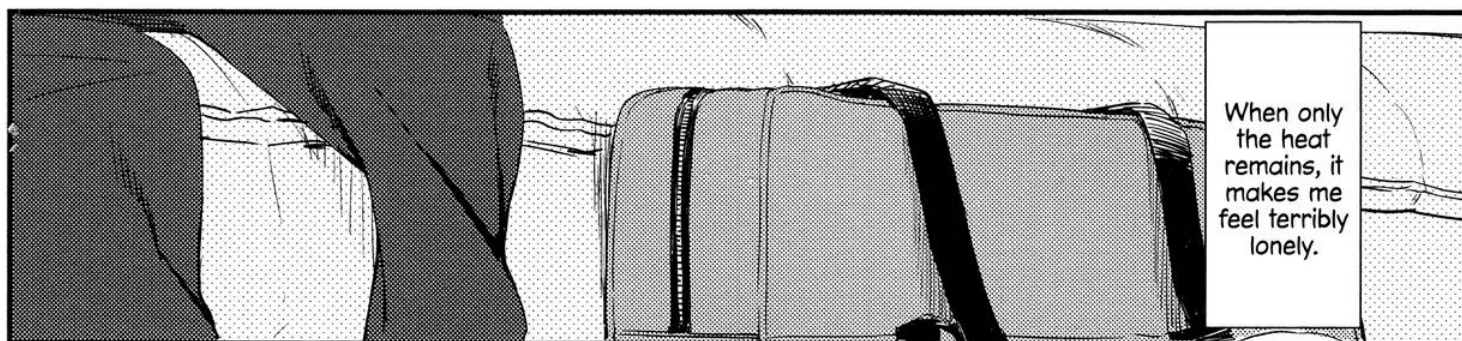

Under
a chilly,
breathless
sky,

I'm
walking
with him,
hand-in-
hand.

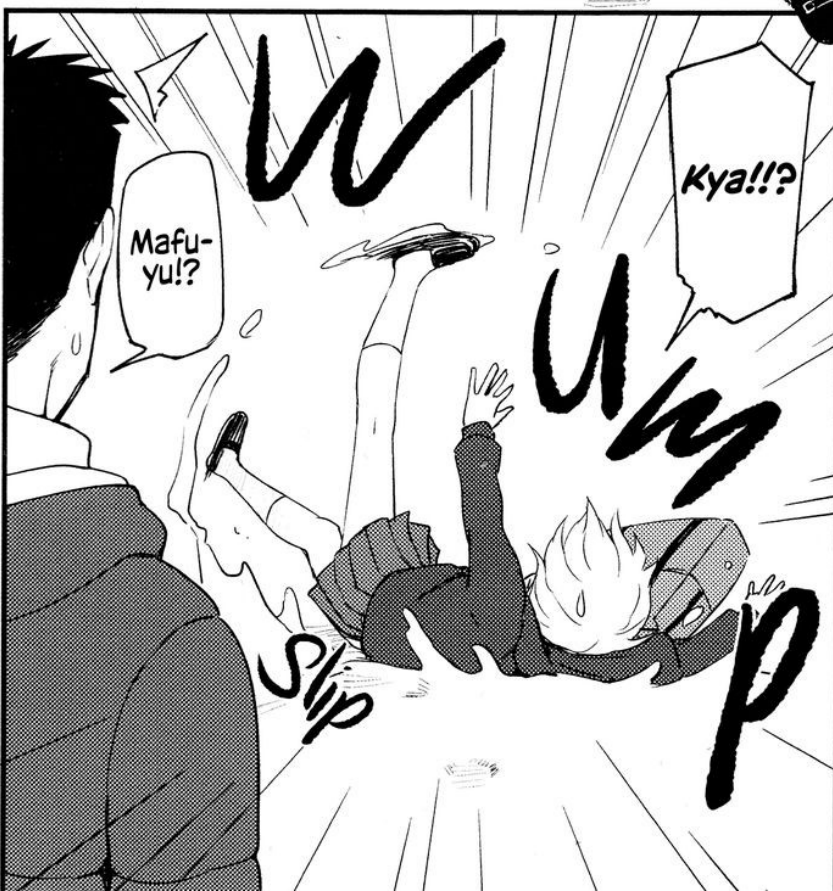

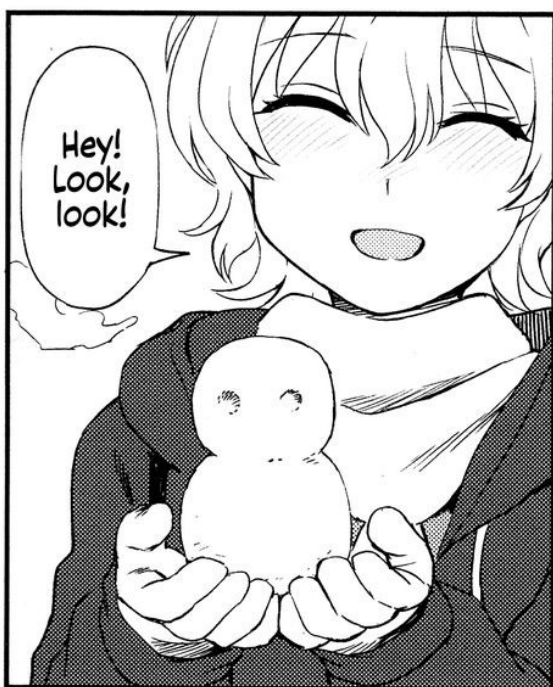

The
air is
freezing
cold and
quiet.

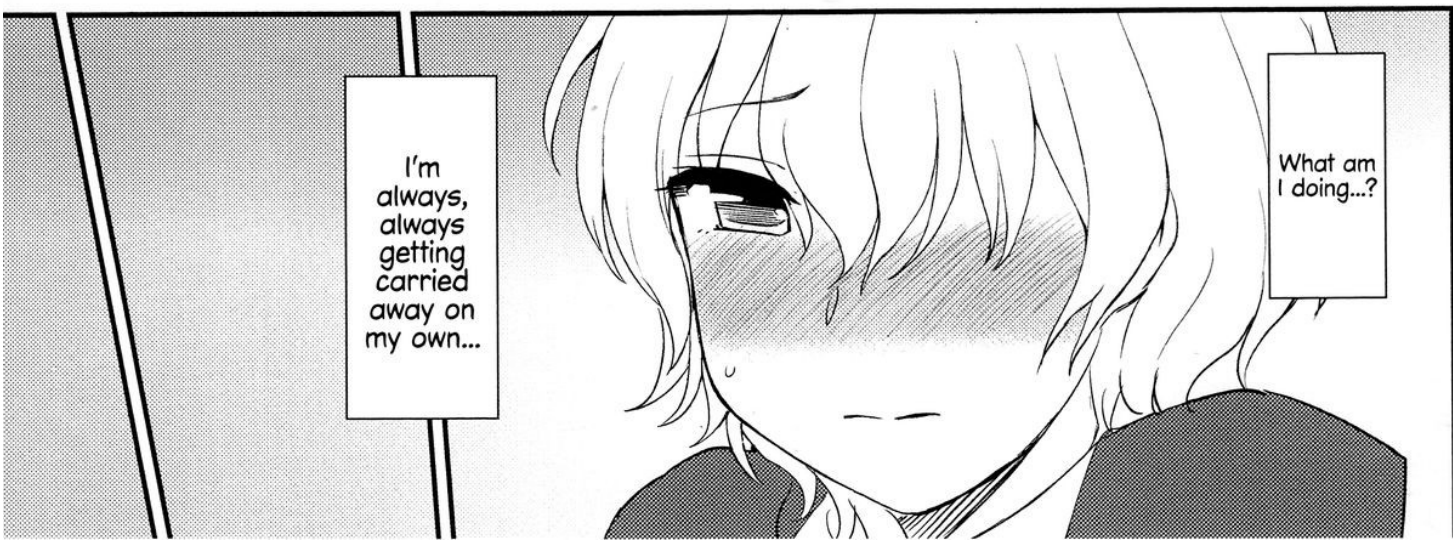

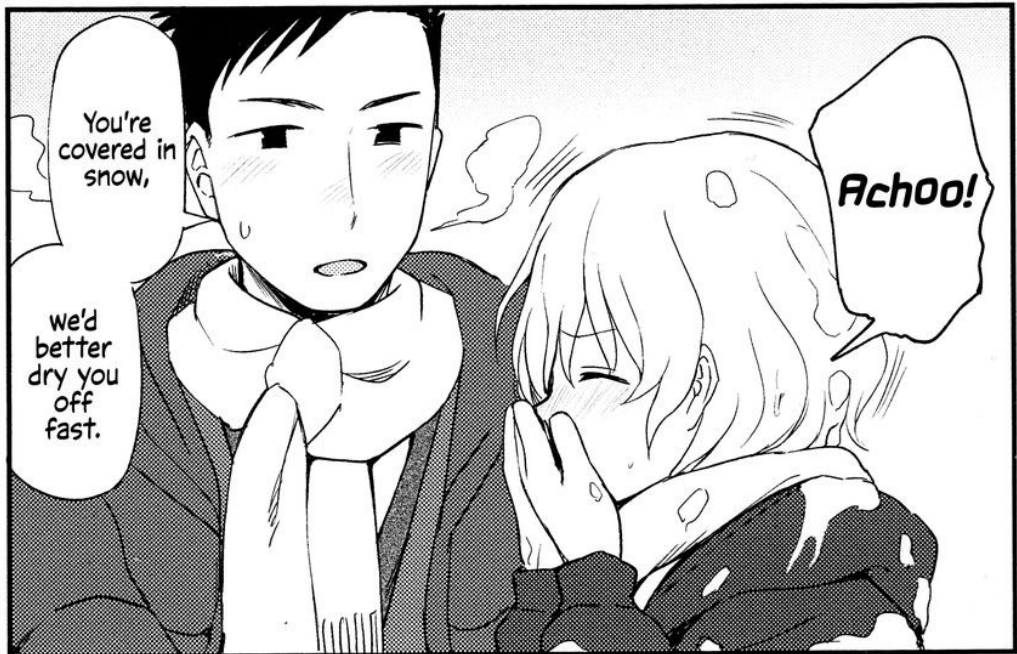

was
awfully
hot.

While
the tem-
perature
I could
feel at my
fingertips

Uhn...
Thank
you...

There's a
change of
clothes
in the
basket.

Please bear
with it while
your clothes
are drying.

Slide...

It's mine, so
it probably
won't fit
you, but...

Come to
think of it,
ever since I
confessed
to him,

I'm
constantly
indulging
in his
kindness.

As I
thought...
Koichi-
kun is so
kind...

Let's get
to my room
before you
get cold,

the
heater is
already
on.

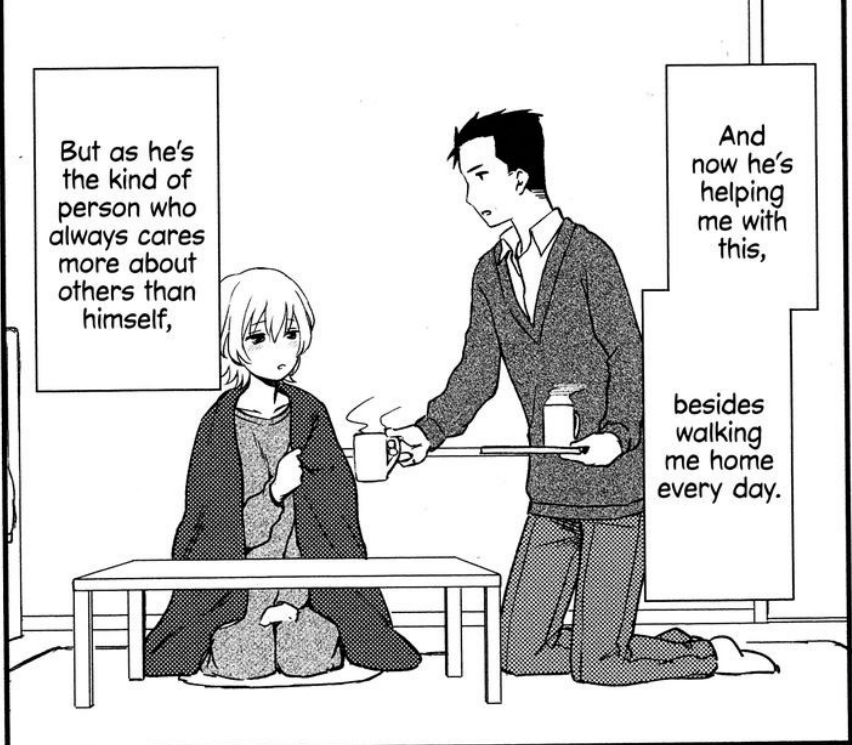

I'm sorry...
For always
being such a
nuisance...

I don't
think you're
a nuisance.

It's a thought that crosses my mind from time to time.

I wonder if he's hanging out with me just because he doesn't want to hurt me...

But as he's the kind of person who always cares more about others than himself,

And now he's helping me with this, besides walking me home every day.

I wouldn't have to think about all this...

If only I could do something for him,

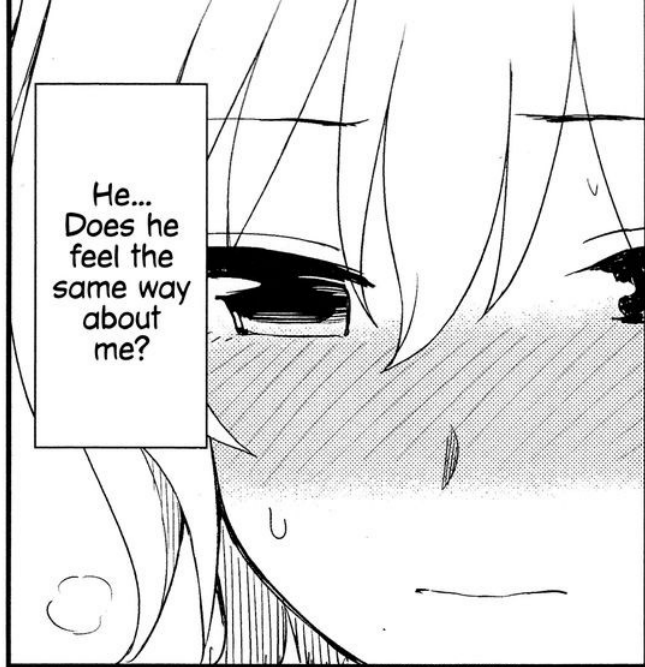

Come to think of it, it's the first time I've ever been up in his room.

And it's just the two of us, with me wearing his clothes...

and I noticed that he wasn't acting like he usually was.

It was only then that I finally got to see his face,

He...
Does he
feel the
same way
about
me?

As soon as
I assessed
the situation,
I felt a burn-
ing sensation
in my body.

How
long has
he been
like this?

and my
body
moved.

I wanted
to make
sure of
that...

Shmp

badump

badump...

badump

I could feel
his heart-
beat, even
over his
shoulder,

a loud
heartbeat
I found
rather
pleasant.

thump

Mafu-
yu...

and then,
kissed as
if it was the
most natural
thing to do.

I looked
up, locked
my eyes
with him,

Warm
me up

even
more...

more and
more with
this heat.

I want
him to
fill my
body

I love
feeling the
tempera-
ture of his
body on
mine.

We
pressed
our lips
together
over and
over
again.

I'm relieved that I wasn't the only one

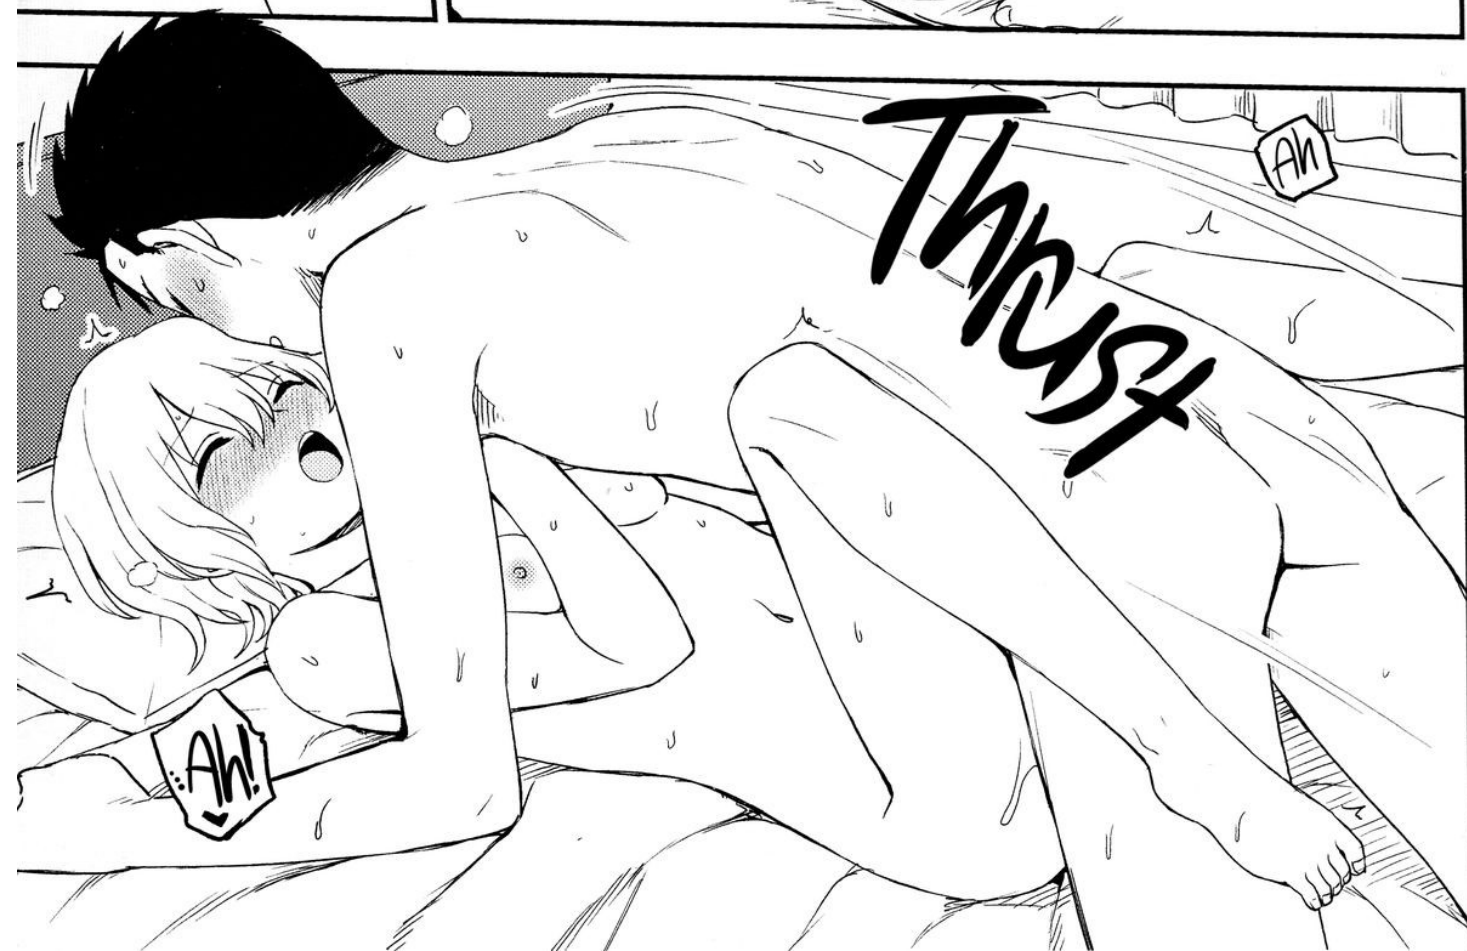

who was staring with naughty eyes.

I know that's low to feel this way, but...

I was surprised he had a rubber with him.

Besides...
You put up
with me all
the time,
Koichi-
kun...

...so if I
said I couldn't
put up with
something
like this, it
would only
be fair for
you to get
mad at me.

Are you
alright,
Mafuyu...?

It
hurts...
doesn't
it...?

Yes...
But just
a bit...

All these
things...

I'm
doing them
because
I love you,
Mafuyu.

Koichi-
kun...

As I
thought...
You were
thinking
this way...

The things
I do for
Mafuyu...

Or rather,
for myself,
I do them
because I
want to.

I don't
want you
to feel like
you don't
have the
choice.

SPLURT

In my
body...

the heat
from that
day still
remains.

The
snow
hasn't
melted
yet,

and
the air
outside
is still
cold.

The
next
morn-
ing.

he'll
always be
there to
hug me
again.

No
matter
how cold
the day
is,

...but
now,
I won't
feel
lonely.
