

- Let's meet up together in the real world next time!
- Oh yeah, we haven't met yet.

- How about the sea since it's Summer? There's a nice beach close to my house (^•ω•^)
- Nerds meeting up for the first time at the beach is kinda weird... __(_´ω`)_

Which planet?

THINKING I'M A

EARTH...
I'VE NEVER BEEN
THERE, BUT I WONDER
WHAT KIND OF PLACE
IT IS?

I DON'T HAVE A
SWIMSUIT EITHER, SO
I'D BETTER GET ONE
RIGHT AWAY.

**Rendezvous
at Earth?**

AND THAT'S A SEA?
LOOKS MORE LIKE A
PUDDLE OF WATER.

DID I GO
TO THE WRONG
PLACE?

EARTH IS
NARROWER THAN
I THOUGHT IT
WOULD BE.

HERE I
COME!

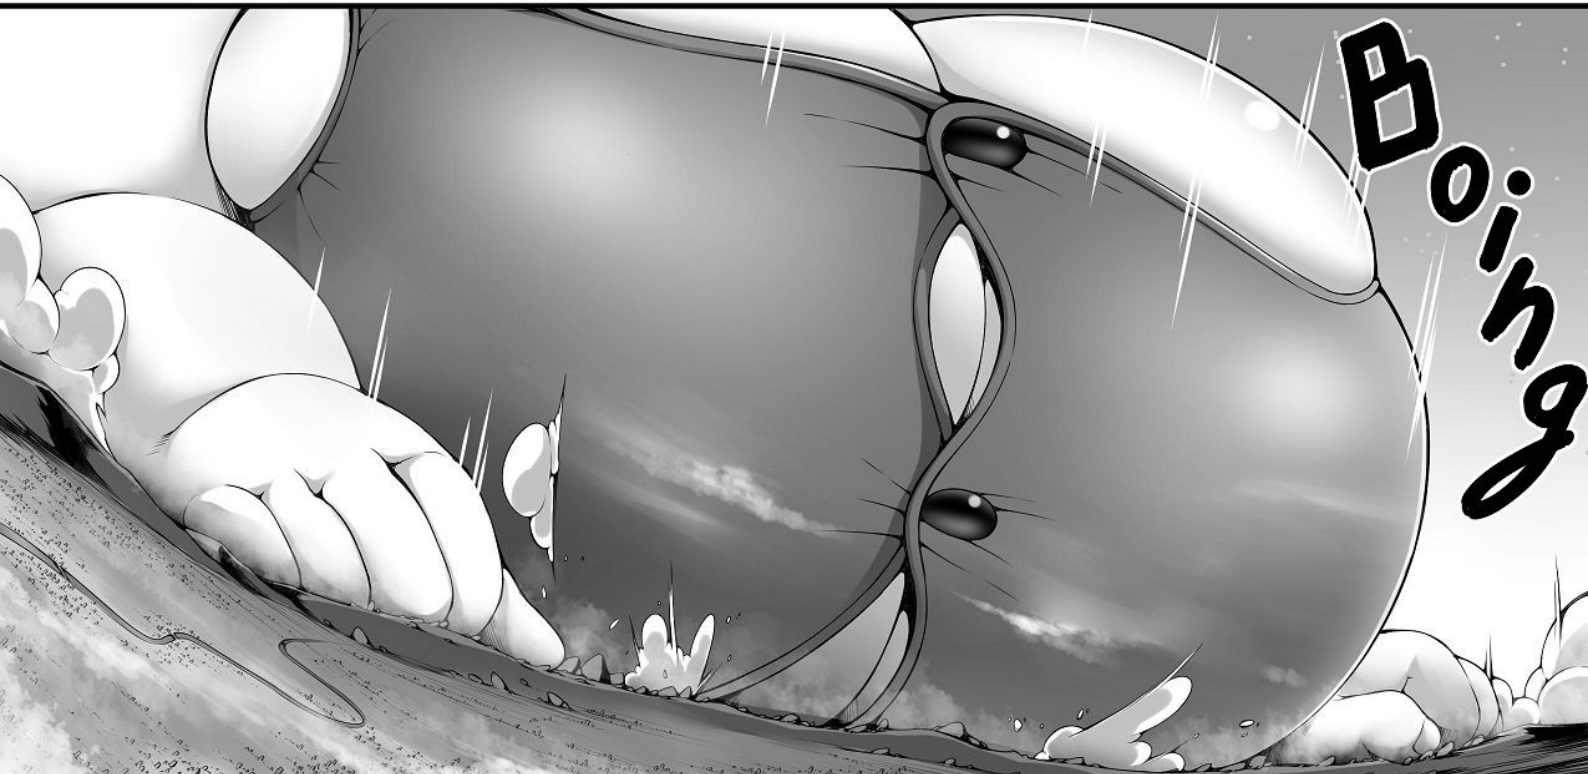

IT WOULD HAVE BEEN BETTER IF I ASKED FOR A FEW MORE DETAILS ABOUT THE PLACE.

BECAUSE THERE'S NOTHING AT ALL HERE.

GEEZ~ I'M SURE I MADE A MISTAKE.

AT LEAST LET US DO IT WITH DRONES INSTEAD!

THIS STRATEGY IS ABSURD!!
IT'S TOO RECKLESS!

DRONES CAN'T BE DEPLOYED IF THE TARGET IS TOO CLOSE TO THE BASE.

GET HER ATTENTION AND TRY TO KEEP HER AWAY FROM THE CITIES.

THE CITIES!? DON'T YOU MEAN TO SAY WE SHOULD KEEP HER AWAY FROM THE EARTH?
