HOSPITAL
EXAMINATION

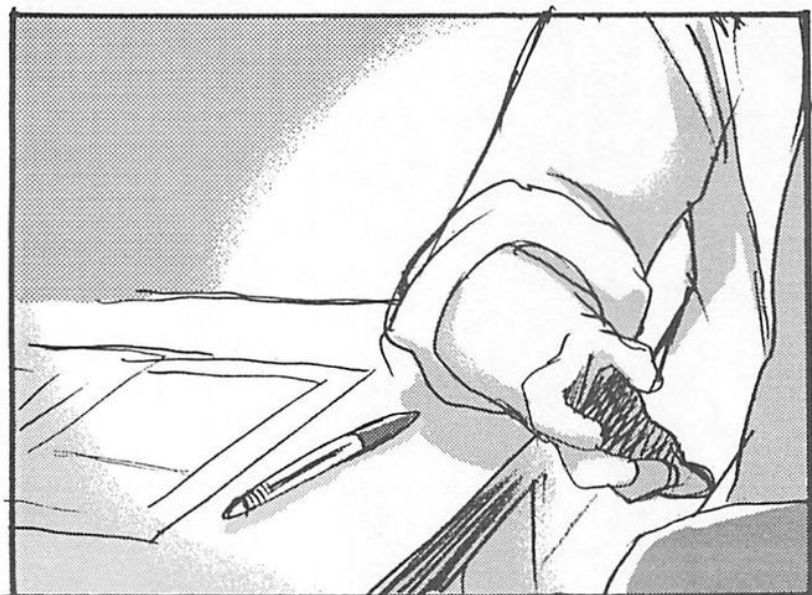

成年向き

(Adults Only)

Night,
and the
girl was
lonely...

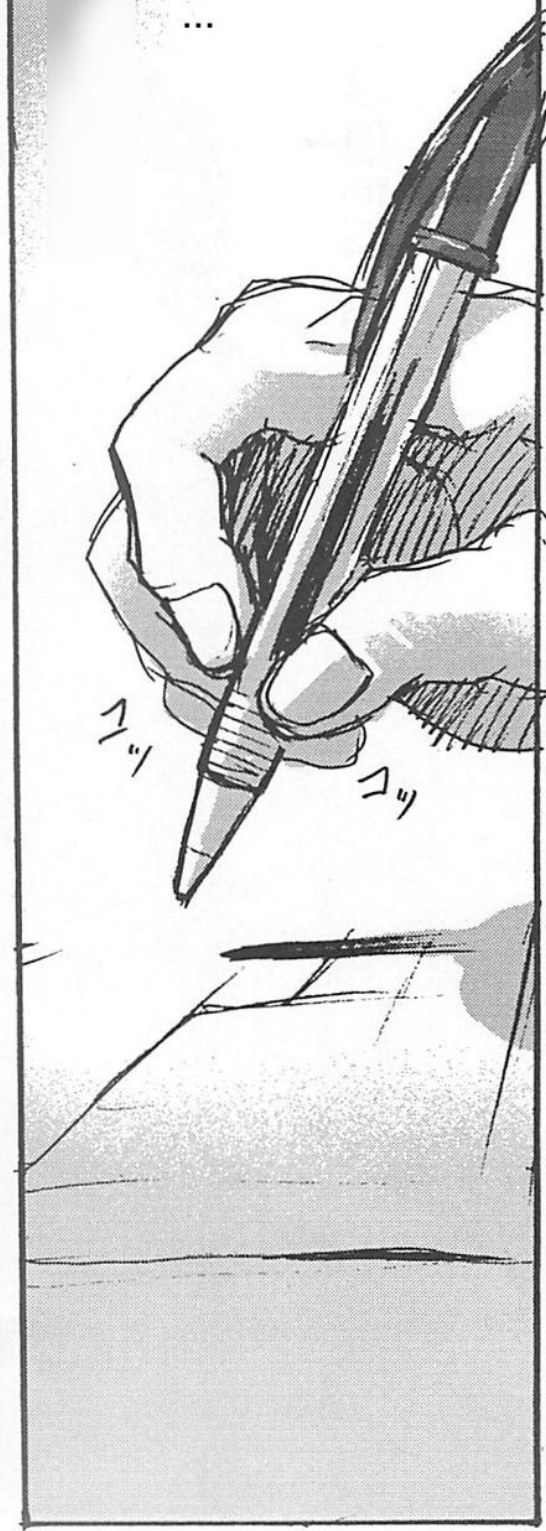

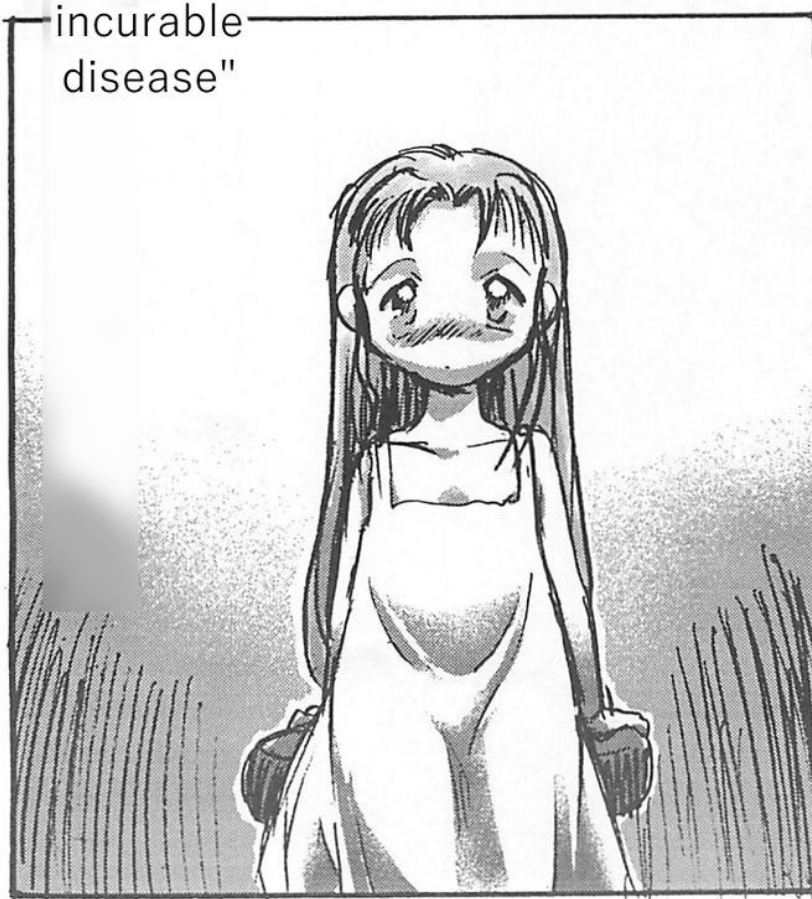

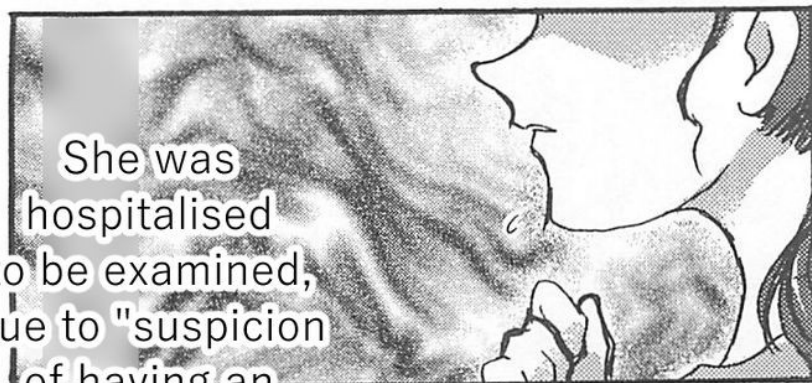

It all started
when she
was admitted
to a certain
hospital

...

She was
hospitalised
to be examined,
due to "suspicion
of having an
incurable
disease"

There were
no visitors
allowed at
night

For the first
time, the girl
spent the night
without her
mother

In an empty
dark room...

In what seemed
like an endless
silence...

"Hi, Eri-chan"

"Doctor..."

"Here,
stick out
your
tongue
and say
blehh"

"Don't
leave the
medicine
on your
tongue,
swallow
it quick!"

"Can't sleep?"

"Yeah"

Everyone's like
that when
hospitalised
for the
first time"

"There
you go..."

"See? You
can sleep
now"

"It's okay to
come in now"

At that signal,
men came into
the girl's room,
one by one.

Who are they,
doctors? Patients?
Or?

"It's been
a long time
since we've
had a cute
girl like this,
right?"

The breathing
sounds of so
many men echoed
in the small
hospital room

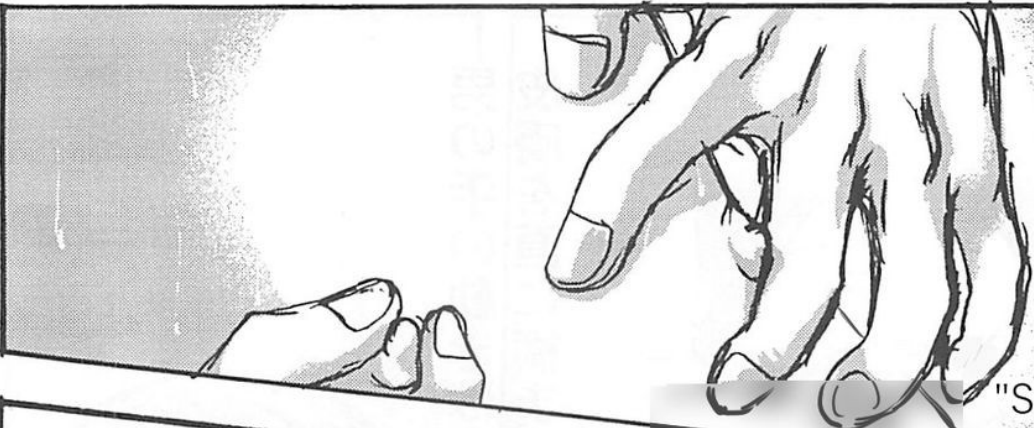

"Mhmm..."

The sound of
the girl's breathing
changed slightly

Male hands
reached
out to her
one after
another...
peeling off
her pajamas,
stroking
her hair,
squeezing
her thighs

One of the men
pressed the girl's
lips to his own,
forcing his tongue
between her
teeth to taste
her saliva

A man's big hands fiddled with the girl's adorable breasts, that had not yet begun to swell

"So cute, these little nipples..."

The man's tongue felt the girl's ribs beneath her skin

"How strong is the medicine?"

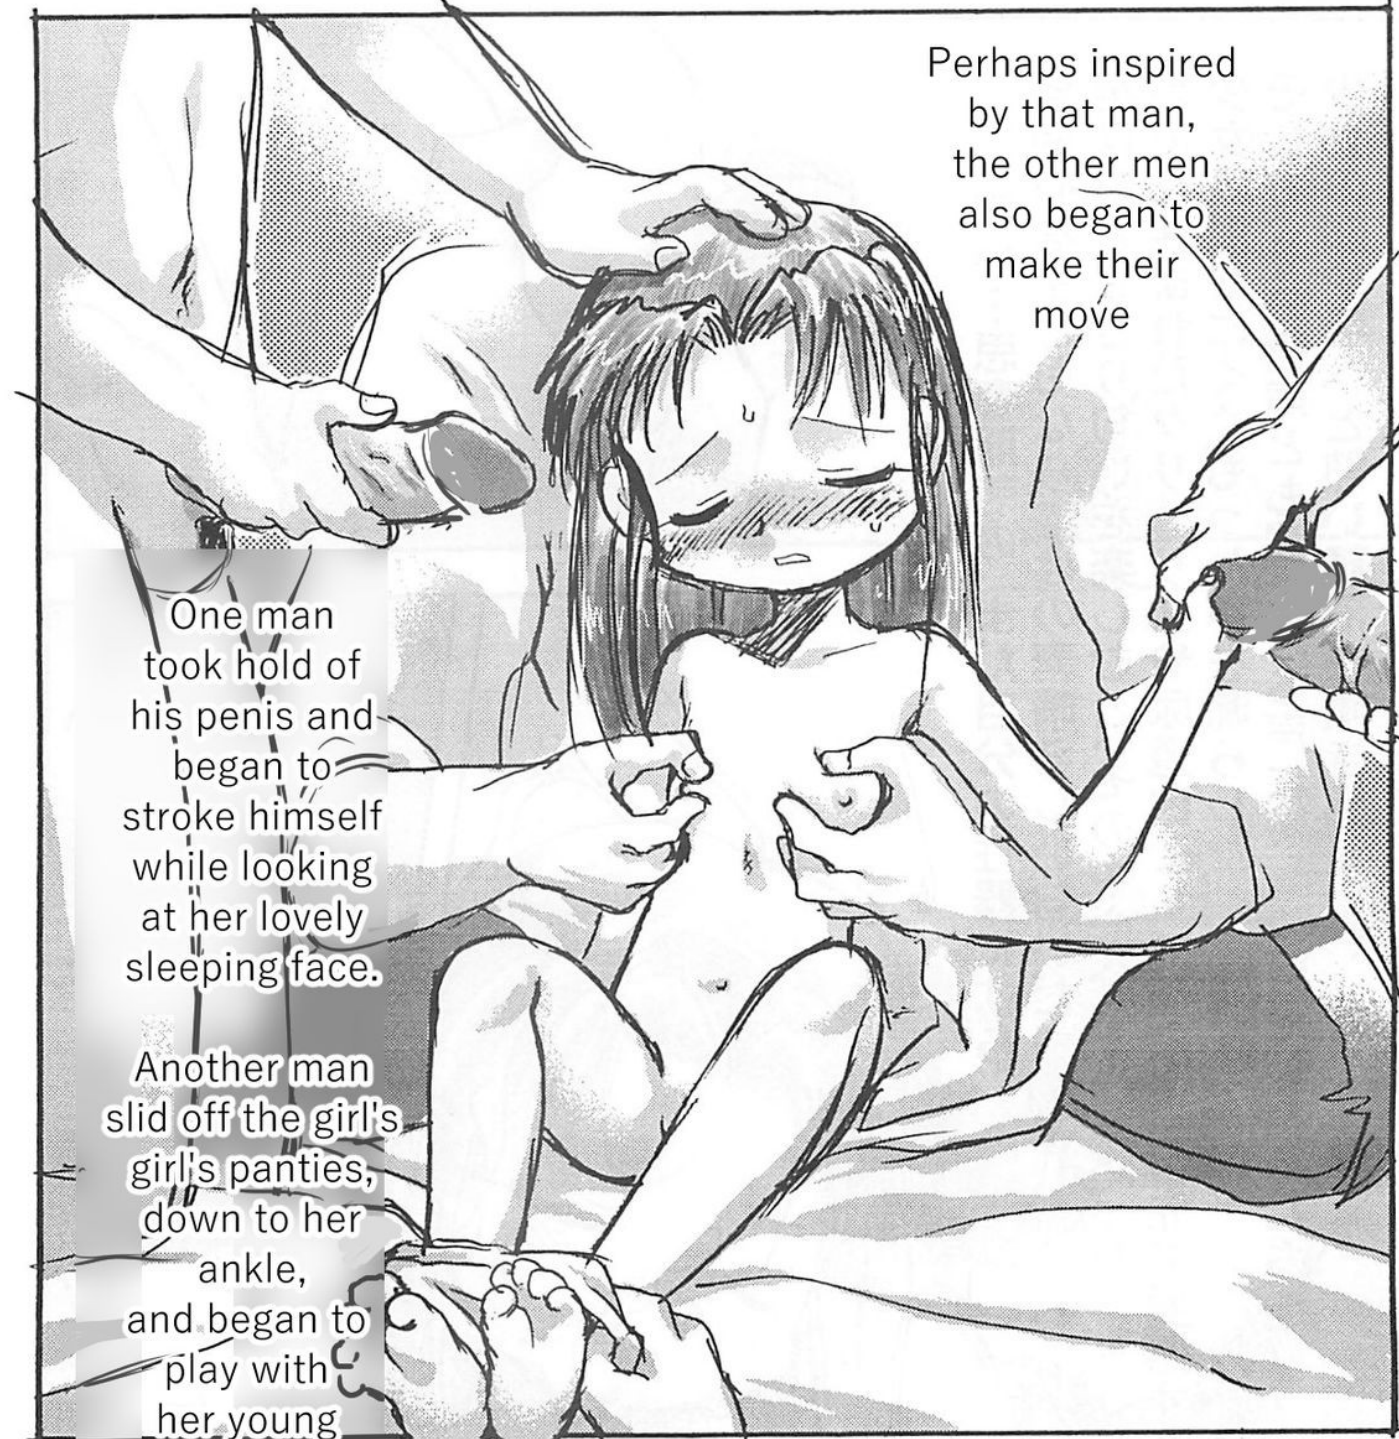

"Don't worry she won't wake until the morning"

The men gradually became bolder in how they played with the girl's body

One man
harshly grabbed
the girl's chest,
firmly squeezing
at her skin

The girl
frowned
at the
pain

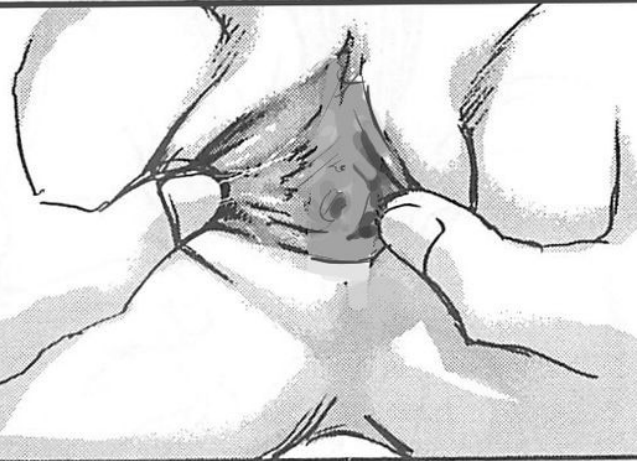

Another
man ran out
of patience,
picked up
the girl's hand
and placed it on
his engorged
shaft

Perhaps inspired
by that man,
the other men
also began to
make their
move

One man
took hold of
his penis and
began to
stroke himself
while looking
at her lovely
sleeping face.

Another man
slid off the girl's
girl's panties,
down to her
ankle,
and began to
play with
her young
bud...

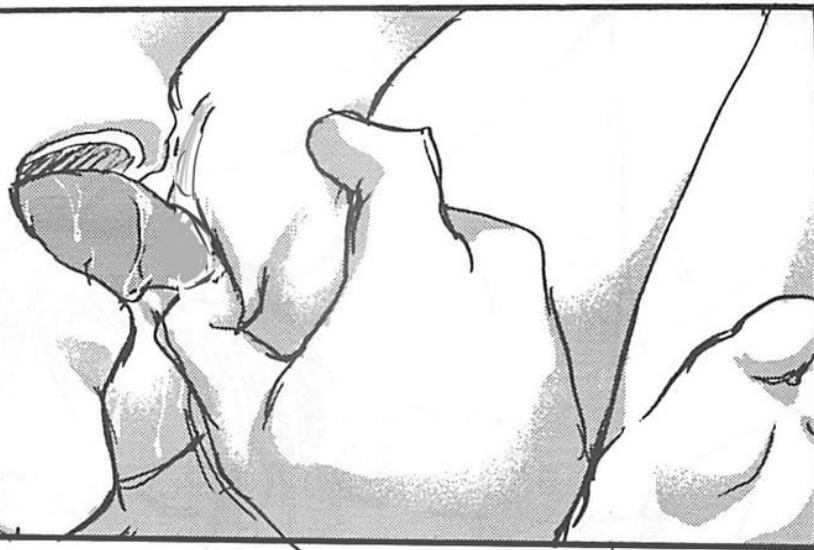

"Oh, it's so
beautiful"

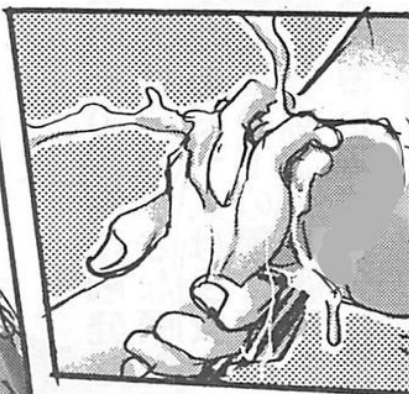

The man gave a
gasp of admiration,
spreading out her
petals with
his fingers

"This scent... what
a wonderful scent.
The scent of a child
before puberty, still
unaware of their
sexual parts..."

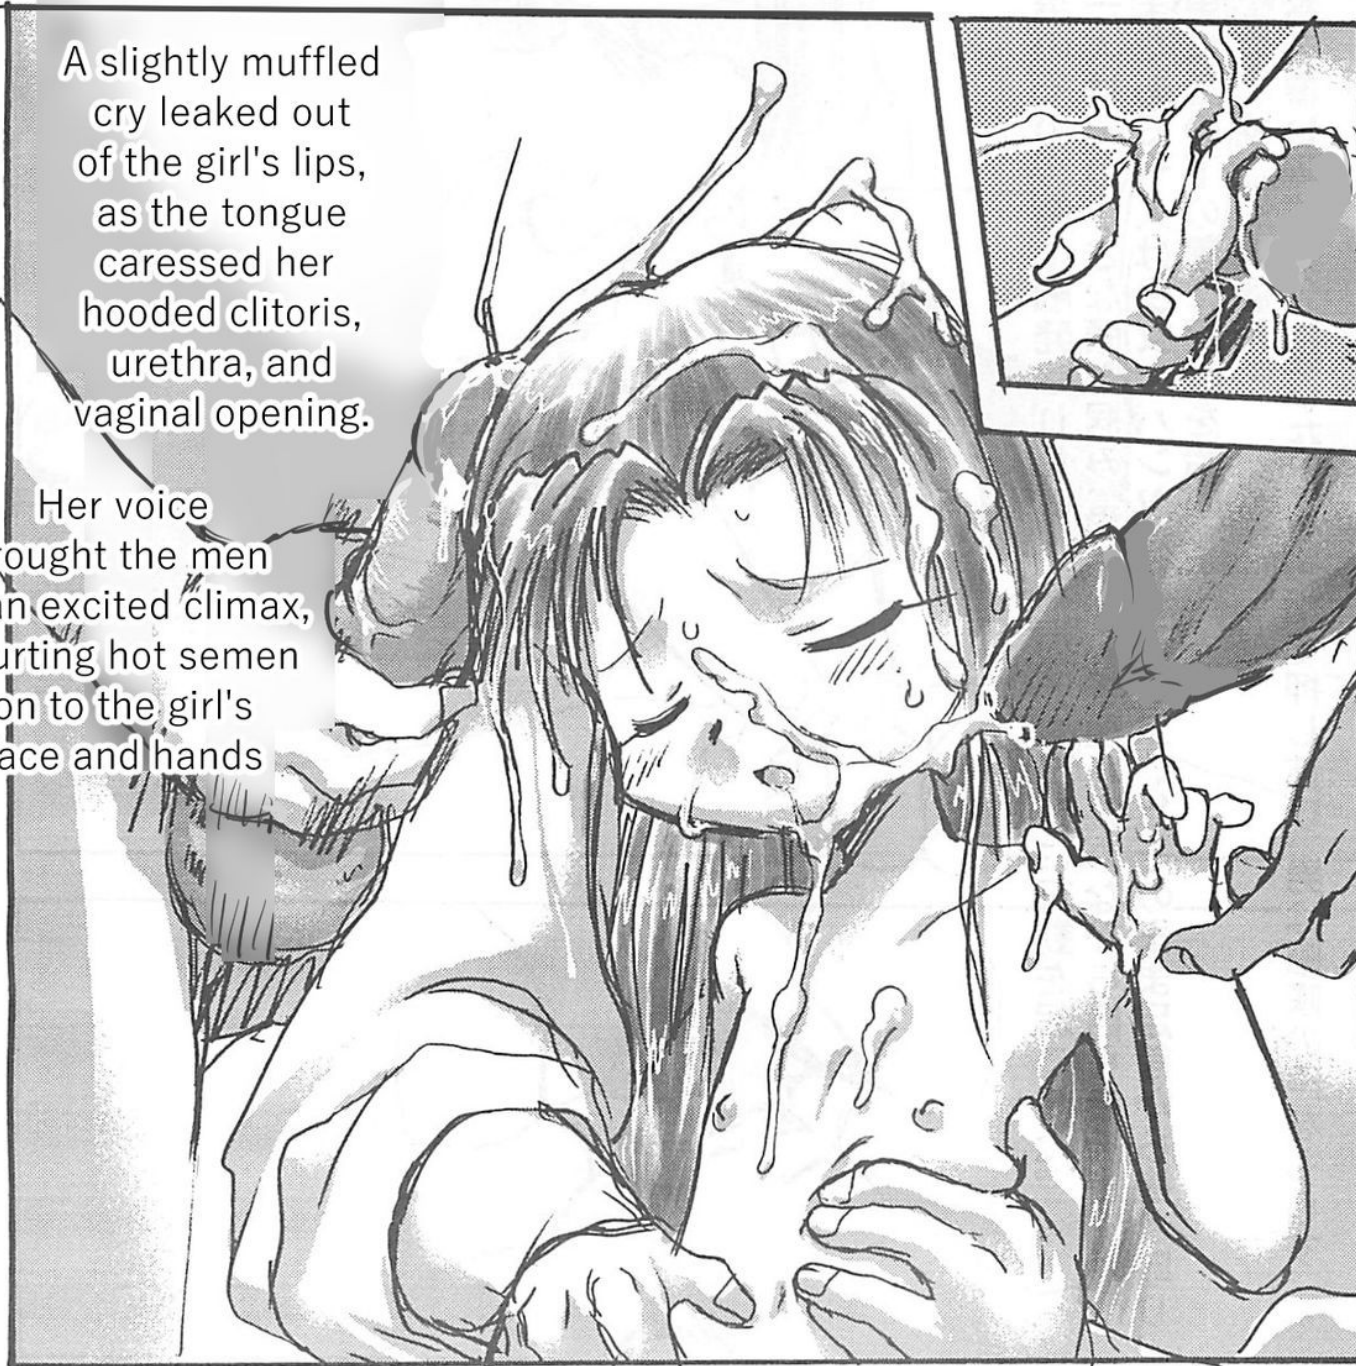

The man licked in
between her legs,
enjoying himself

A slightly muffled
cry leaked out
of the girl's lips,
as the tongue
caressed her
hooded clitoris,
urethra, and
vaginal opening.

Her voice
brought the men
to an excited climax,
spurting hot semen
on to the girl's
face and hands

"Ohhh, it's
still coming
out...!"

The man
who had soiled
the girl's hair
pushed the tip
of his penis,
still ejaculating,
into the girl's
mouth.

"Uhh... kufu.."

The semen
filled the
inside of the
girl's mouth.

(When finally
satisfied,
he lifted
his penis from
her mouth,
and a
sticky trail
spilled out
linking him
to her little
tongue and
teeth

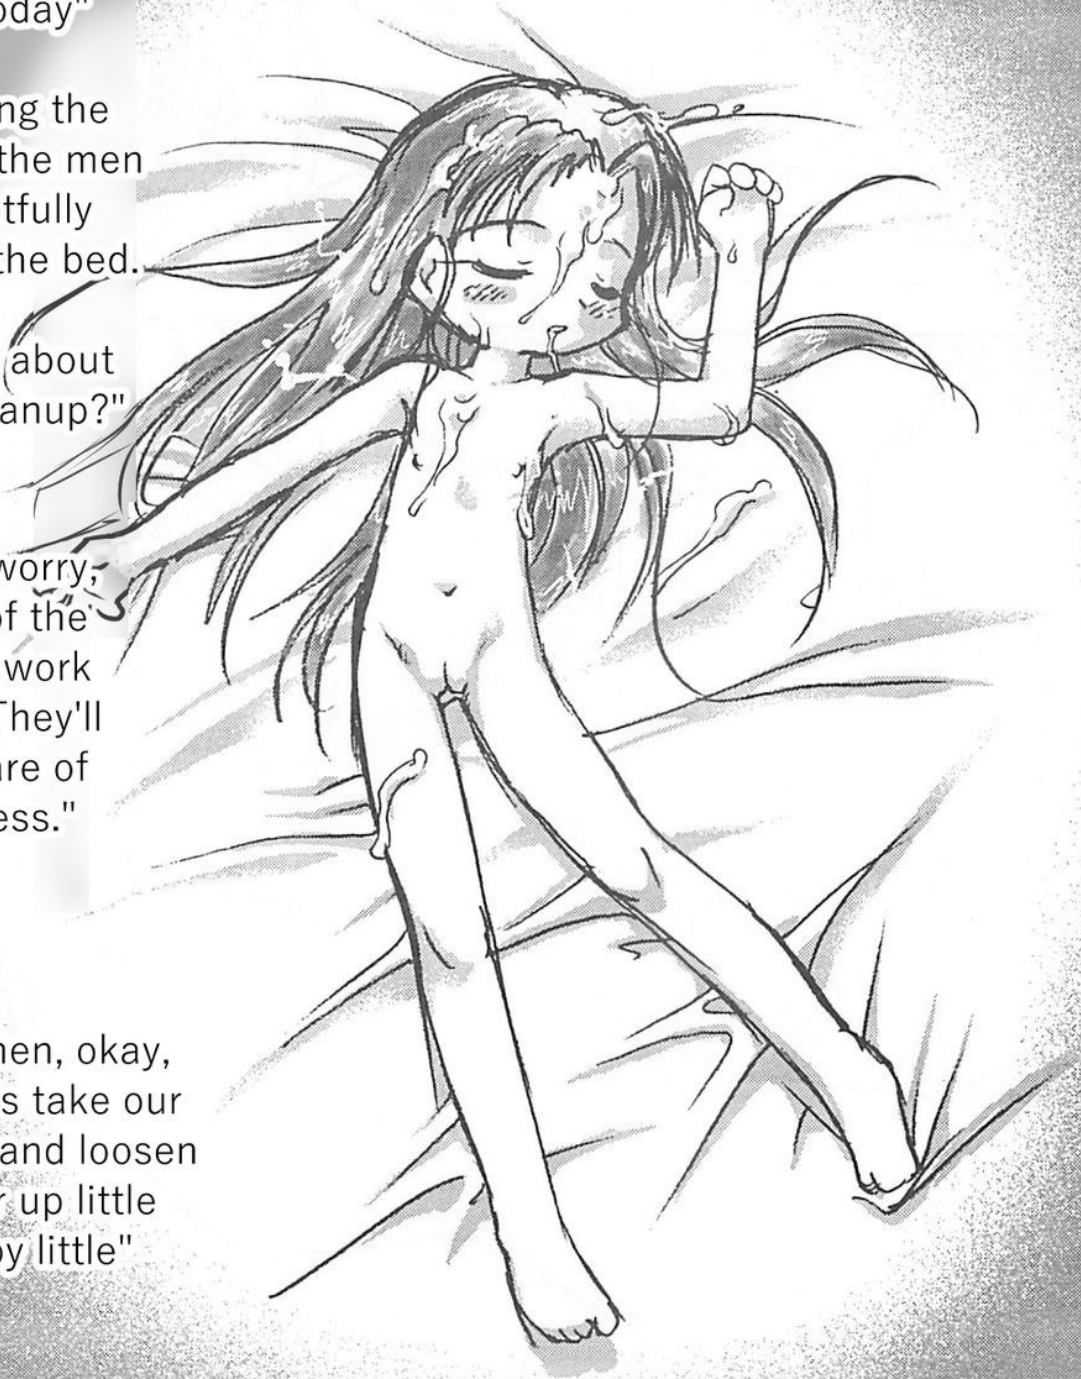

"That's enough
for today"

Obeying the
doctor, the men
regretfully
got off the bed.

"What about
the cleanup?"

"Don't worry,
some of the
nurses work
for us. They'll
take care of
the mess."

"Then, okay,
let's take our
time and loosen
her up little
by little"

Next morning, when the girl woke up, the hospital room was back to normal.

Her body and hair had been carefully cleaned, and the sheets covered with semen had been replaced, leaving nothing, not even an odor.

Of course, the girl remembered nothing of the events of the night.

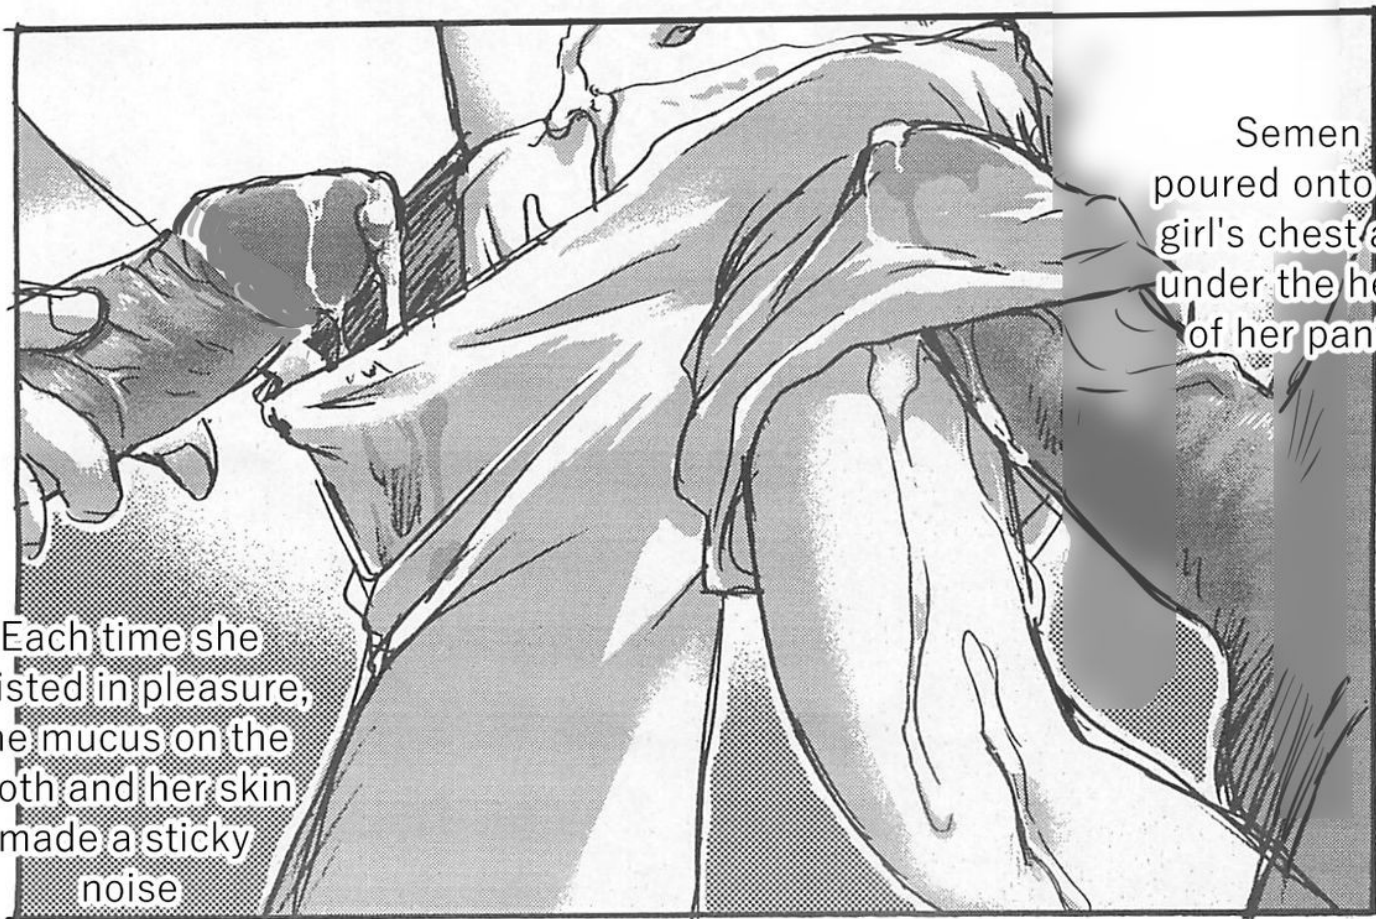

But the words of the nurse who brought her breakfast struck her as odd.

"Sorry..."

Each night,
the men put
the girl to sleep,
and her little
body became
their plaything.

"My kids wear
the same pajamas
as these, so let's
cum on her while
she's still wearing
them today"

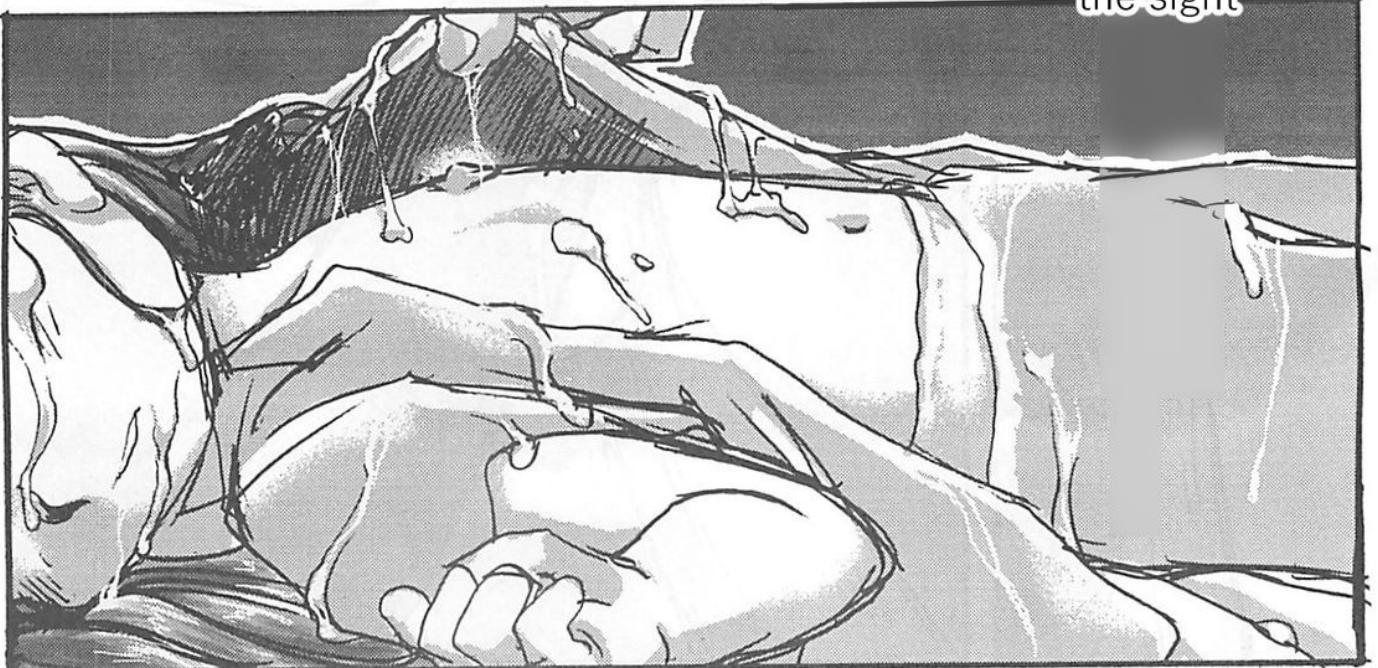

Semen
poured onto the
girl's chest and
under the hem
of her pants

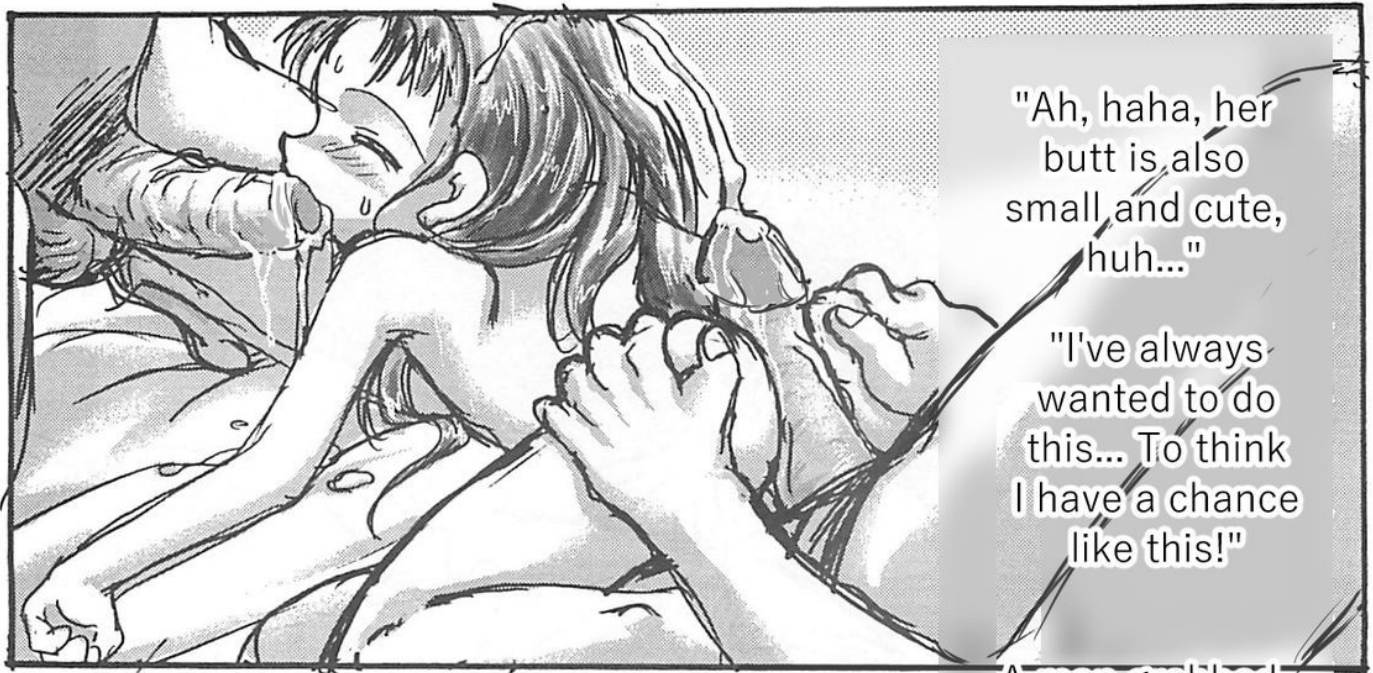

Each time she
twisted in pleasure,
the mucus on the
cloth and her skin
made a sticky
noise

One by one,
white streams
were poured
down on to
the girl

It was quite
the sight

"Ah, haha, her
butt is also
small and cute,
huh..."

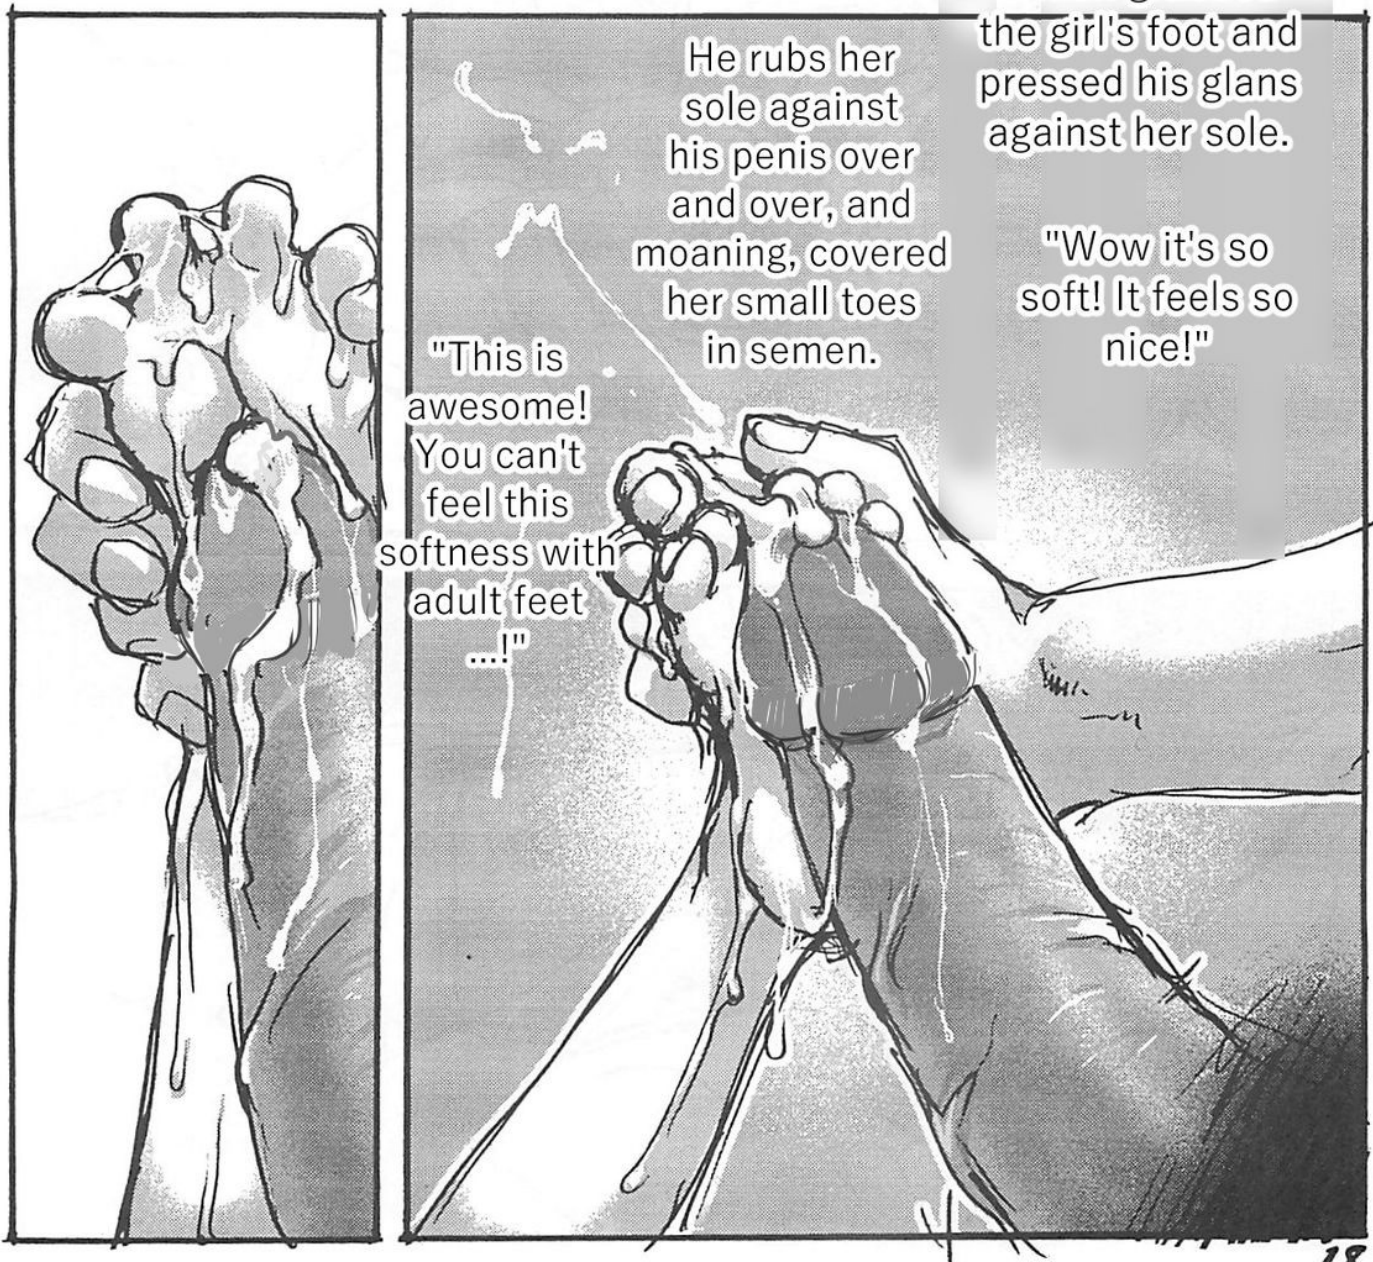

"I've always
wanted to do
this... To think
I have a chance
like this!"

A man grabbed
the girl's foot and
pressed his glans
against her sole.

He rubs her
sole against
his penis over
and over, and
moaning, covered
her small toes
in semen.

"Wow it's so
soft! It feels so
nice!"

"This is
awesome!
You can't
feel this
softness with
adult feet
...!"

The nightly
defilement
slowly began to
change the girl's
body.

Her reaction
to the men's
rough caresses
was different
now.

"Is this child
starting to feel
it yet?"

"I don't know,
Hopefully,
after all, we're
doing all this to
accomplish that"

"Oh, hey, we still
haven't put it
inside yet..."

"Oh whoops"

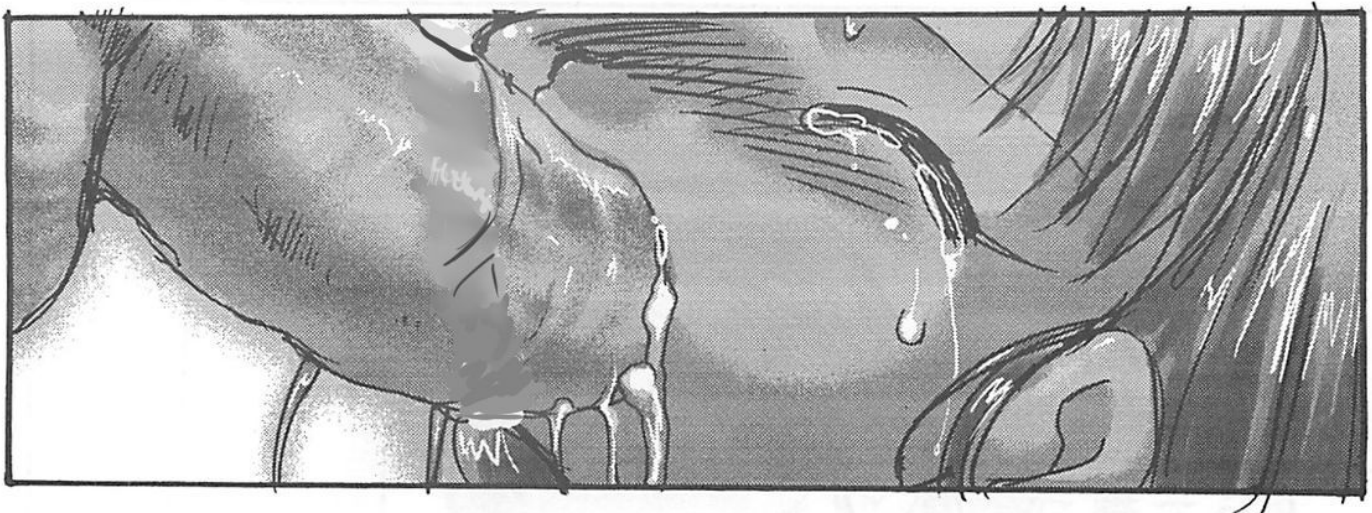

The man took hold,
using both thumbs to
stretch open the
girl's vaginal opening
as much as he can.

He nudged
the tip of his glans
into her entrance
and jerked himself off
swiftly, ejaculating
into the passage.

Semen
is poured
between the
petals of a
girl who knows
nothing yet
of men

Excited by
this, another
man rubbed his
penis against
the girl's face,
and quickly
came

Each night her body was systematically groped
Each night a penis was pushed into her mouth
Each night semen was smeared all over her body

After the men are satisfied, they would leave
her alone in her room, and the next night
they would do it all over again

And then, one night, it was different

"Okay, have
we decided
on the order?"

"Yes, I'll
be the first
to ride her"

The girl had
already been
covered with
semen.

One man
held her upright,
while another
stroked himself
until he was
completely
erect

The man's
shaft glistened
with the semen
he had already
produced

He dabbed
a little on to
his little finger
and smeared it
within the girl's
labia, at her
vaginal opening

"Ah... ah mm..."

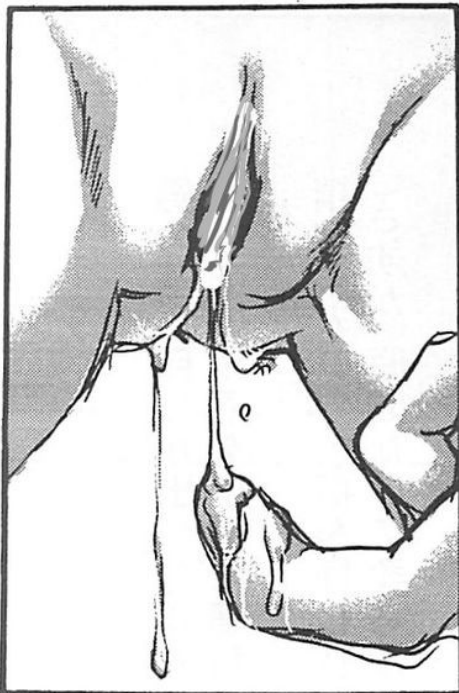

It didn't seem
to hurt when
he pushed the
finger inside

"Looks like
our efforts
softening
her up was
worth it"

The man pulled out
his little finger
and replaced it
with his painfully
erect shaft.

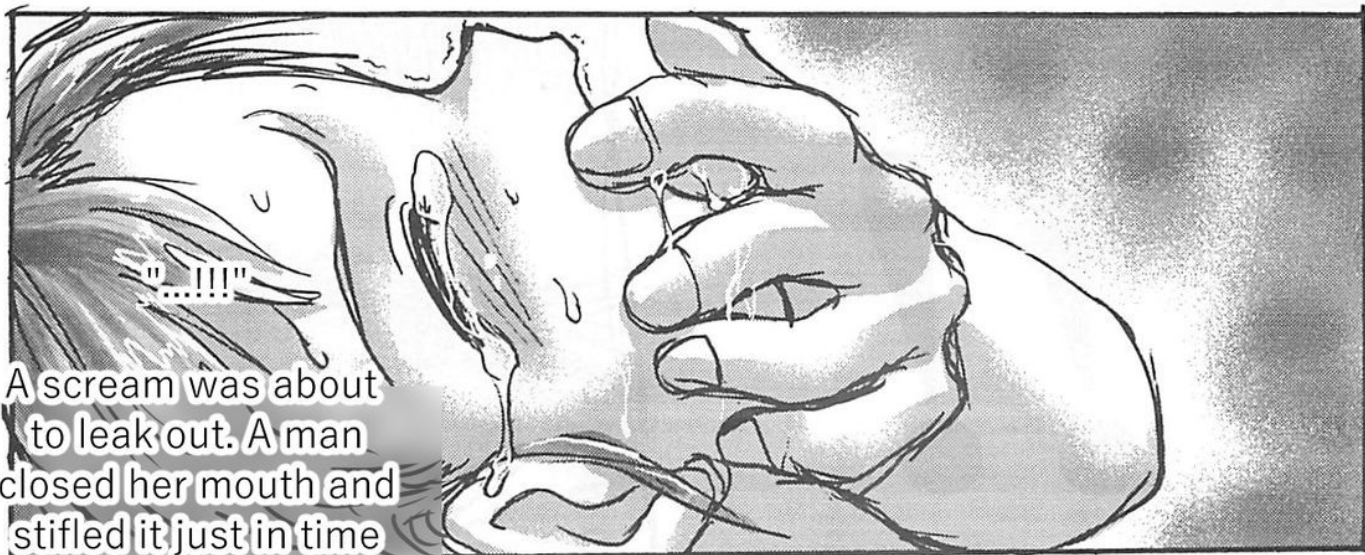

He began to
push it inside
using his hand

A rubber band
like sensation
tightened
on the tip of
his glans

Then that
feeling loosened,
and bright
blood ran
down his rod.

"You can
push the rest
in now"

"...!!!!"

A scream was about to leak out. A man closed her mouth and stifled it just in time

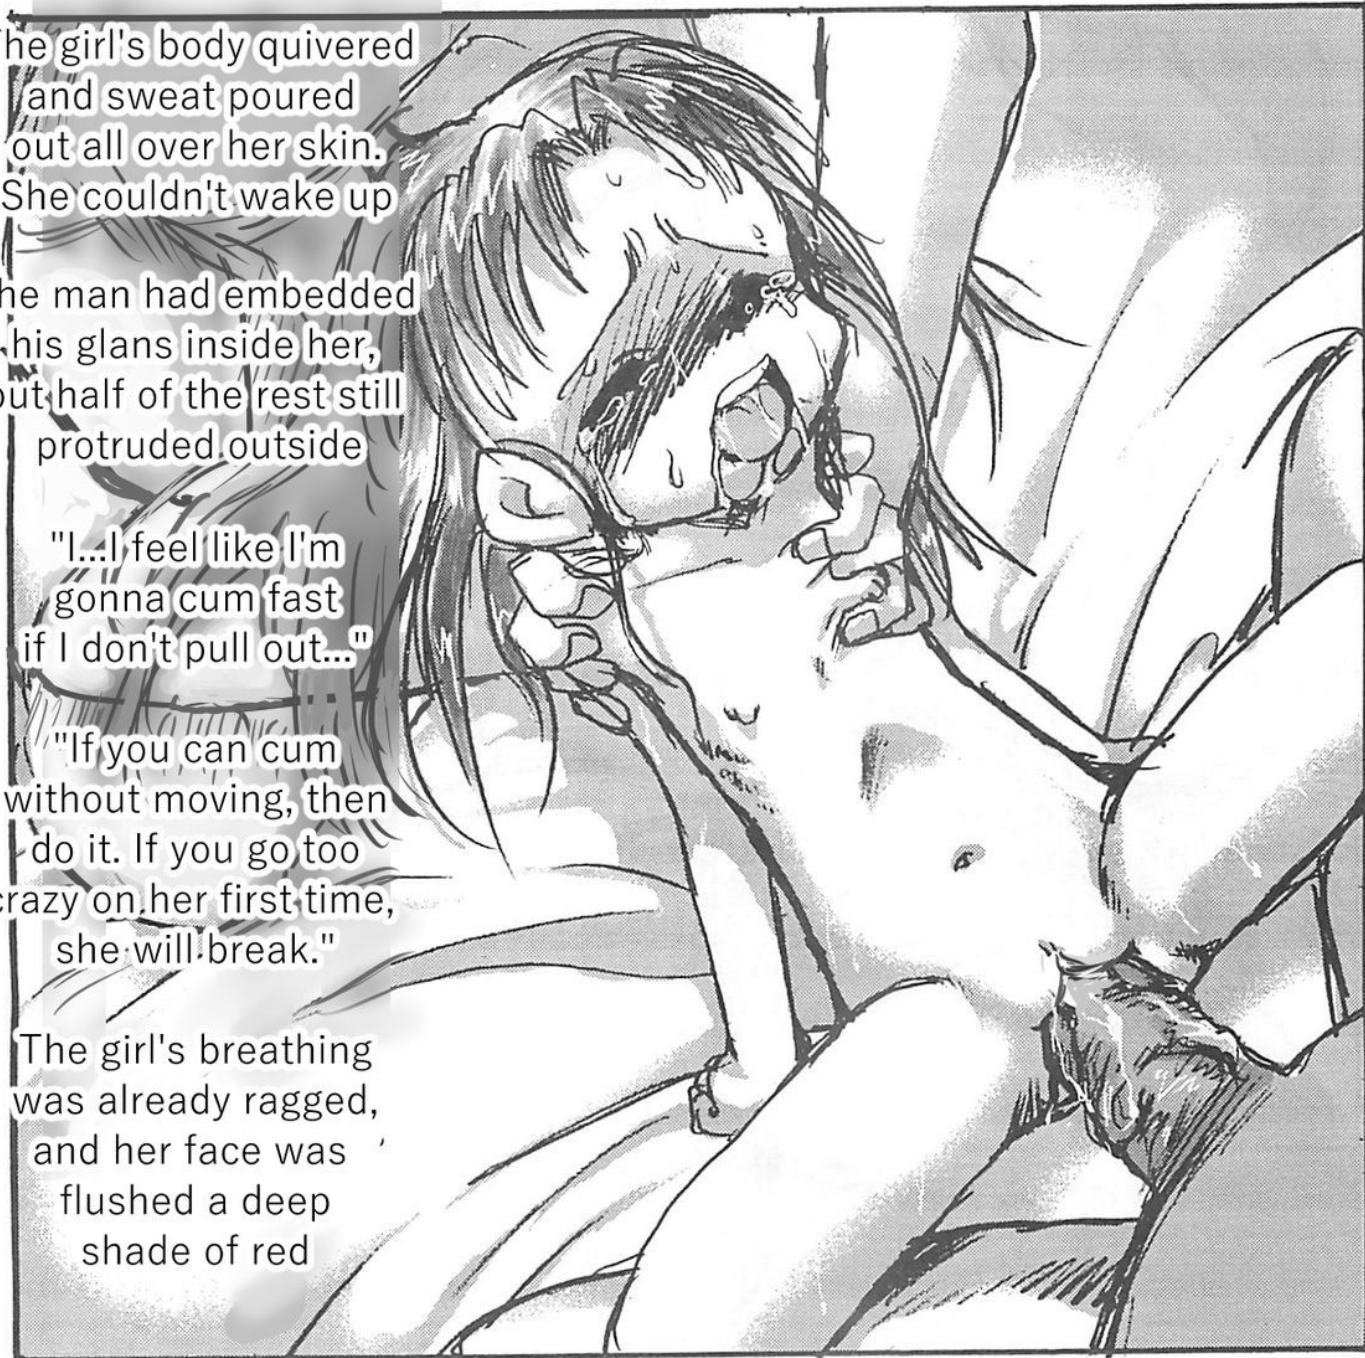

The girl's body quivered and sweat poured out all over her skin. She couldn't wake up

The man had embedded his glans inside her, but half of the rest still protruded outside

"I...I feel like I'm gonna cum fast if I don't pull out..."

"If you can cum without moving, then do it. If you go too crazy on her first time, she will break."

The girl's breathing was already ragged, and her face was flushed a deep shade of red

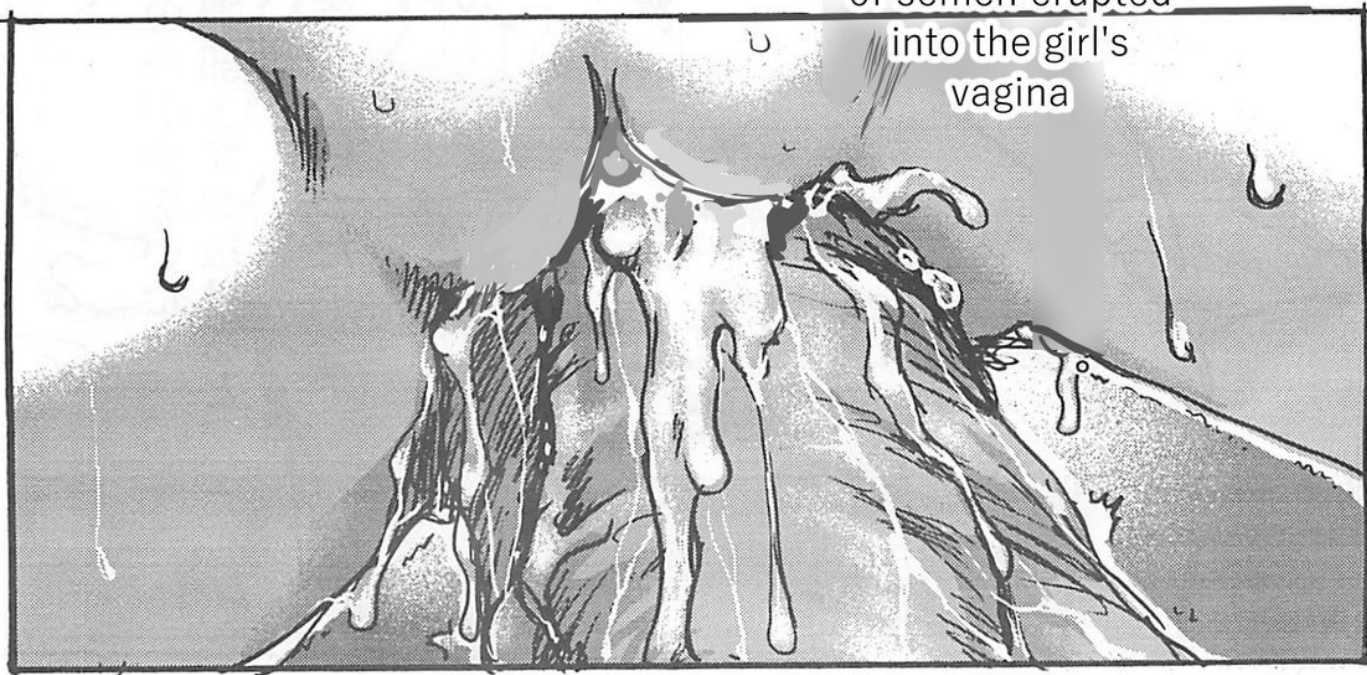

The girl's little
nipples were
erect with tension
and pain.

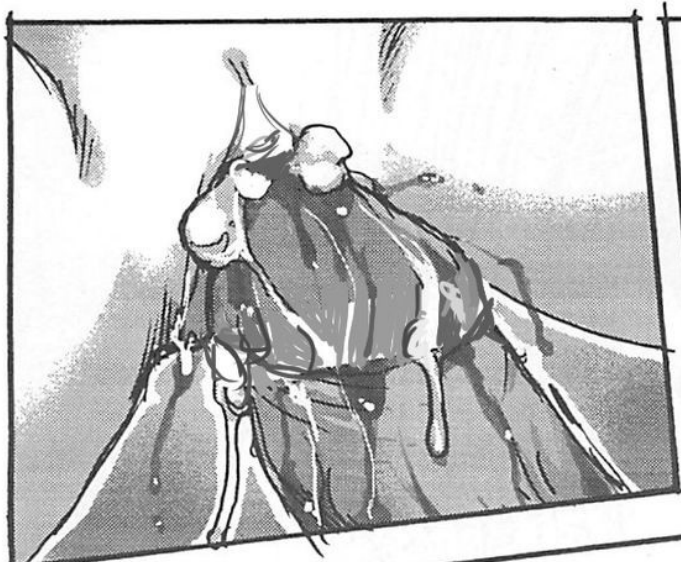

A man pinched
and twisted them,
and even asleep
the girl shook
her entire body,
weeping and
panting.

"Oh she's suddenly
tightening!"

Her body was
pulsating around
the penis impaling her,
and with that
pleasure,
a huge amount
of semen erupted

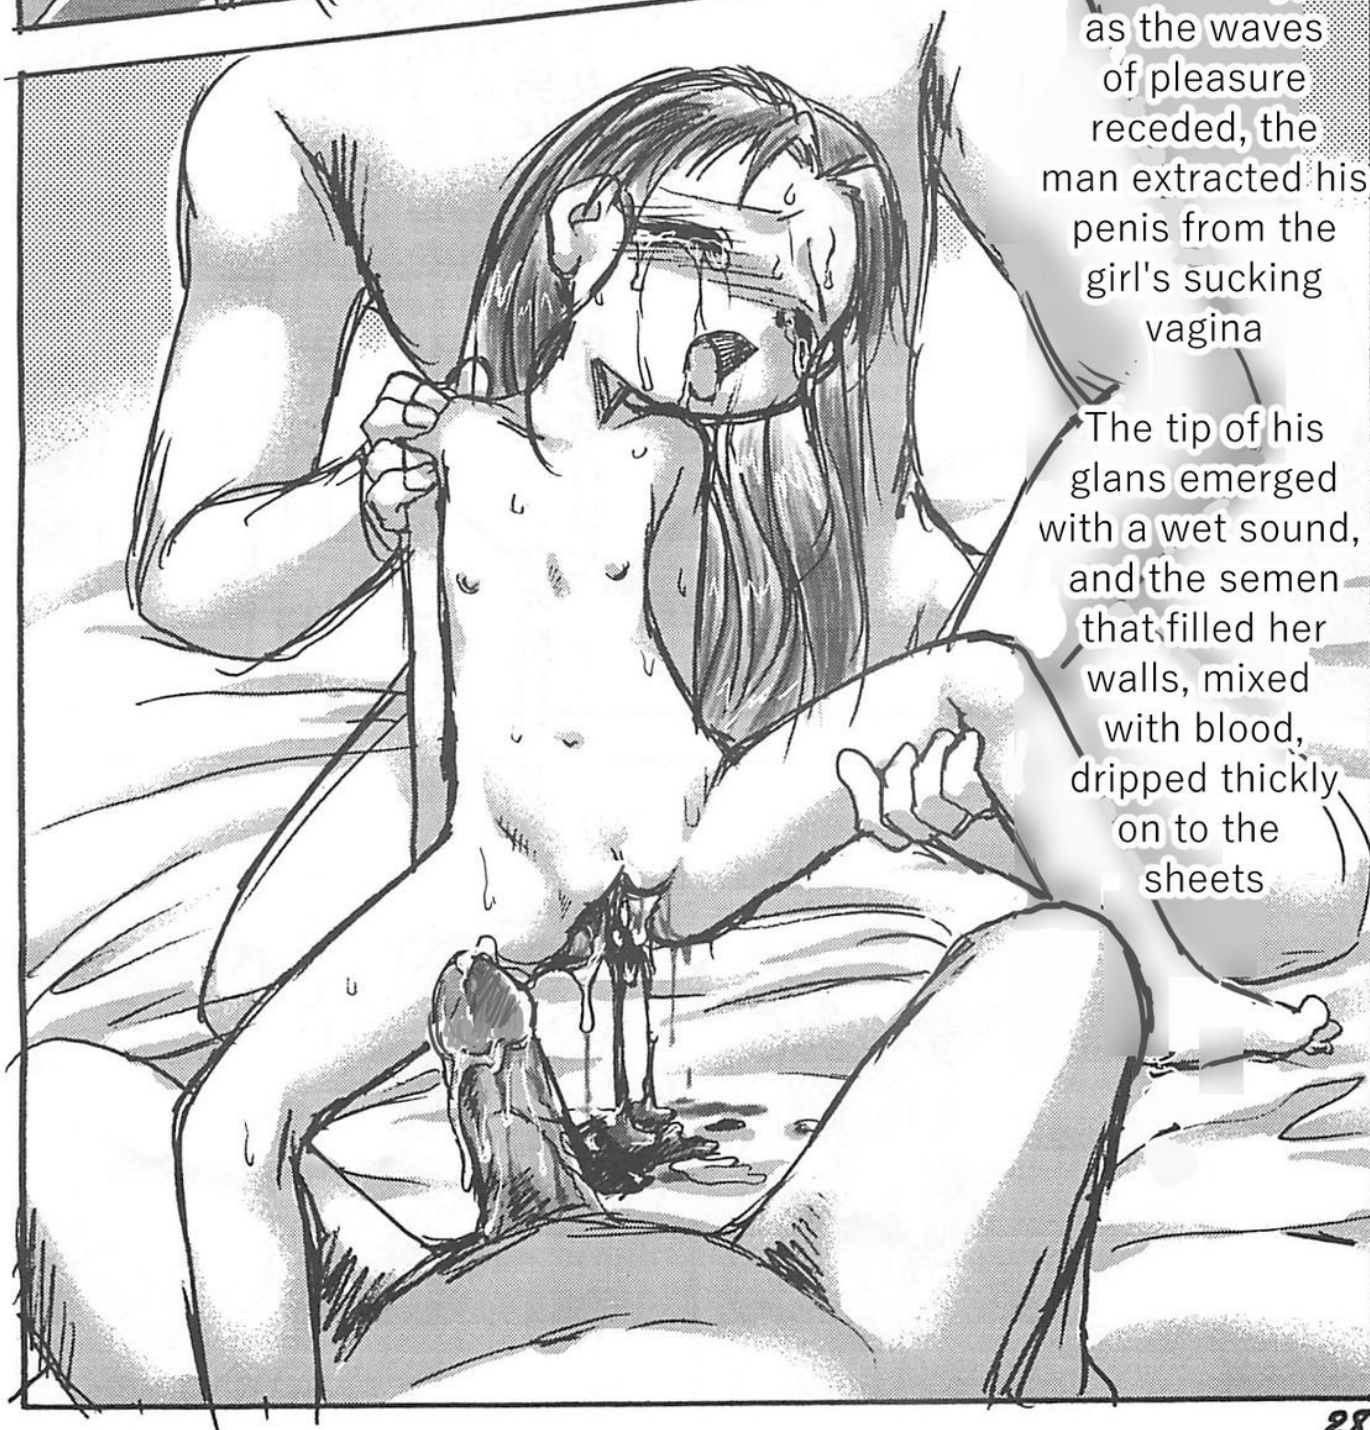

into the girl's
vagina

Eventually,
as the waves
of pleasure
receded, the
man extracted his
penis from the
girl's sucking
vagina

The tip of his
glans emerged
with a wet sound,
and the semen
that filled her
walls, mixed
with blood,
dripped thickly
on to the
sheets

"Wow, today was incredible"

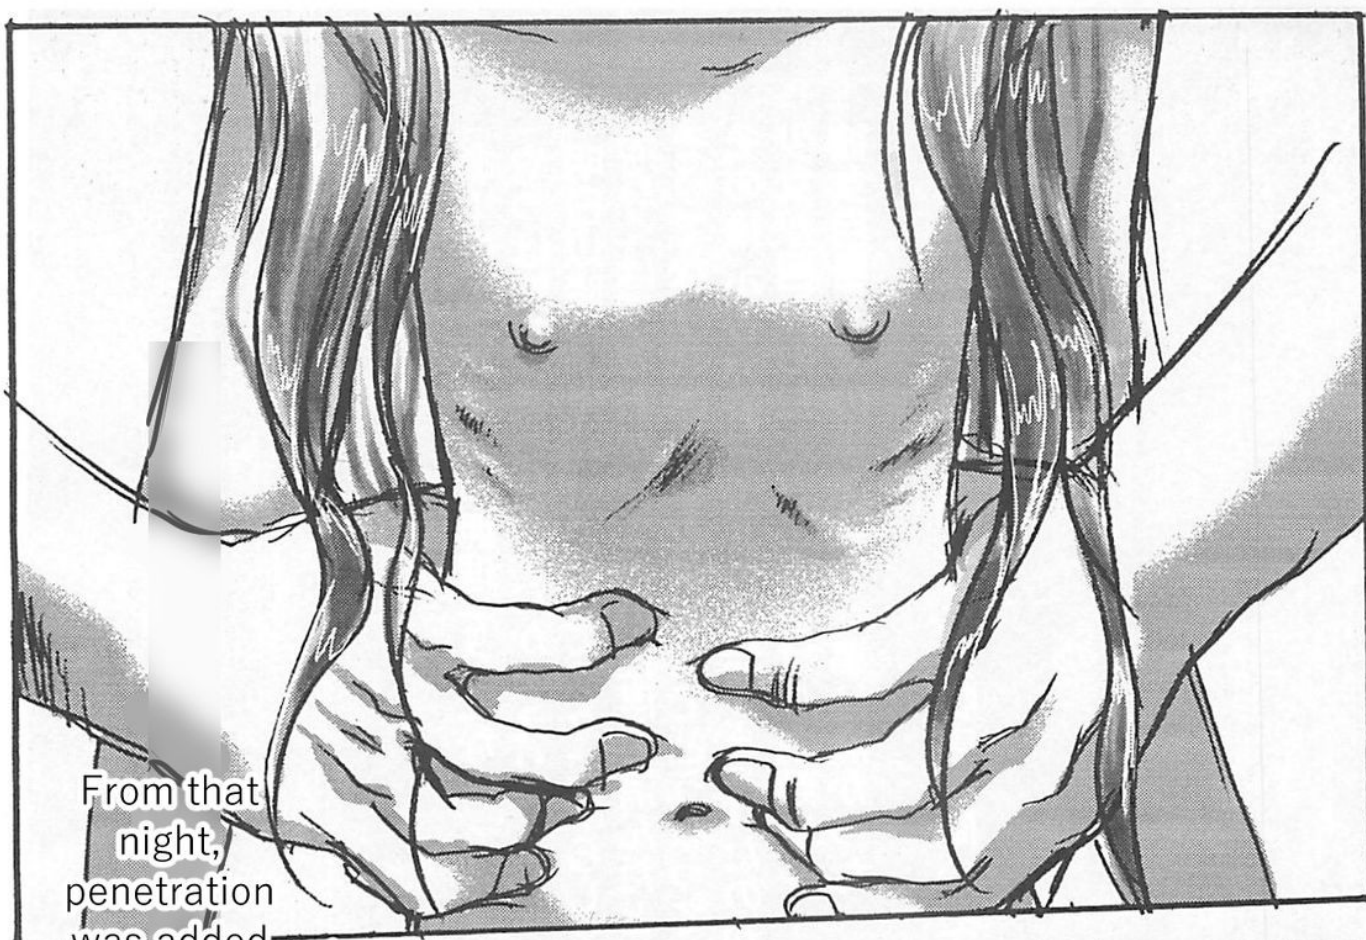

"It's crazy isn't it?"

"From tomorrow onward, we
will be focusing her conditioning
on getting used to penetration"

Perhaps this was all
thanks to the power of
the medicine. Without
that, she would surely
be in shock.

But instead, when
the girl woke up,
again with no trace on
her clothes or sheets,
she scarcely noticed...

There was only a
residual pain in her
hip, and the vague
sensation of some
foreign body inside...

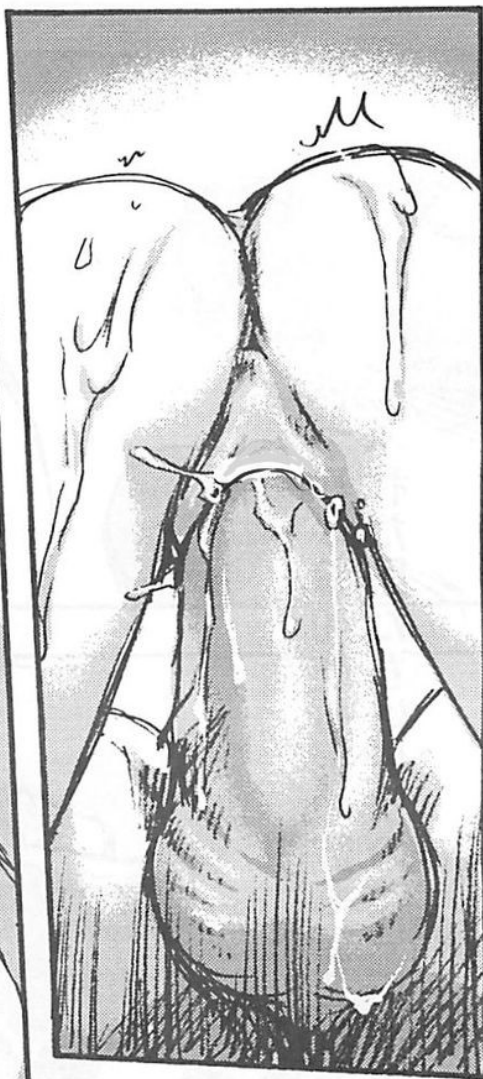

From that
night,
penetration
was added
to the men's
repertoire

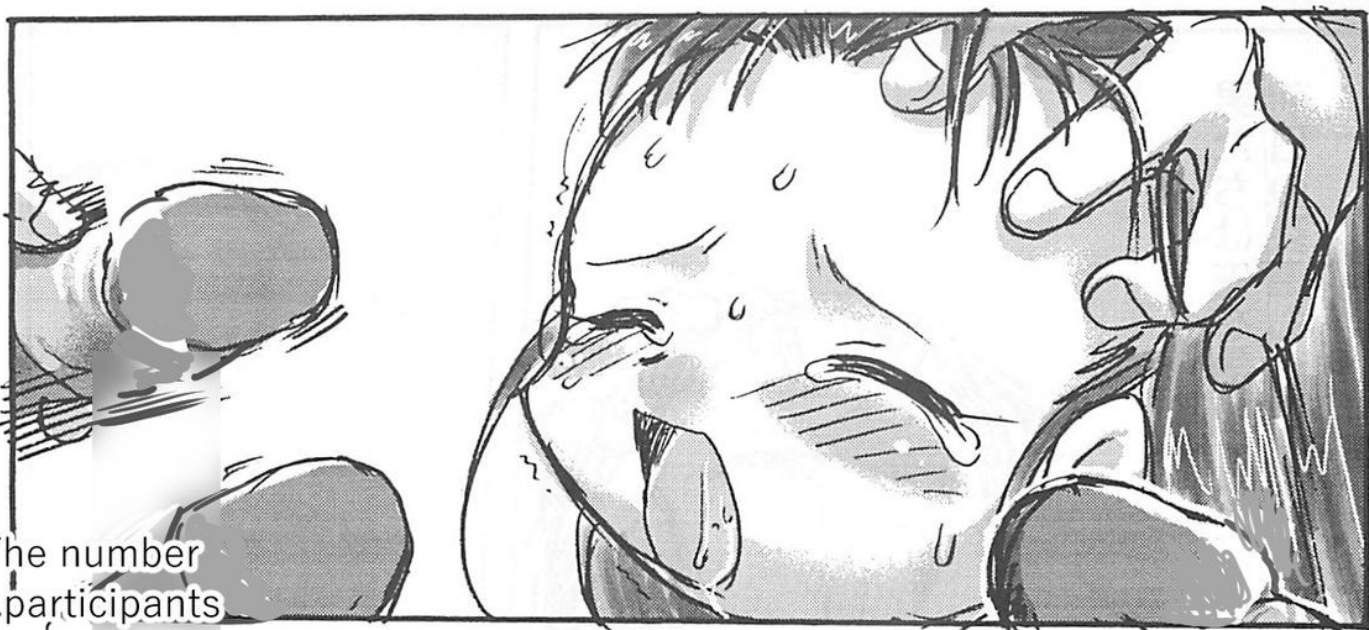

Indeed, they
scrambled
and fought for
their turn to
violate the
girl...

Even when
she had not
fully recovered
from her
lacerations
from last
night

The number
of participants
increased, and
those who
were
frustrated
poured
hot semen
on to the
girl's face,
mouth and
even her
eyes

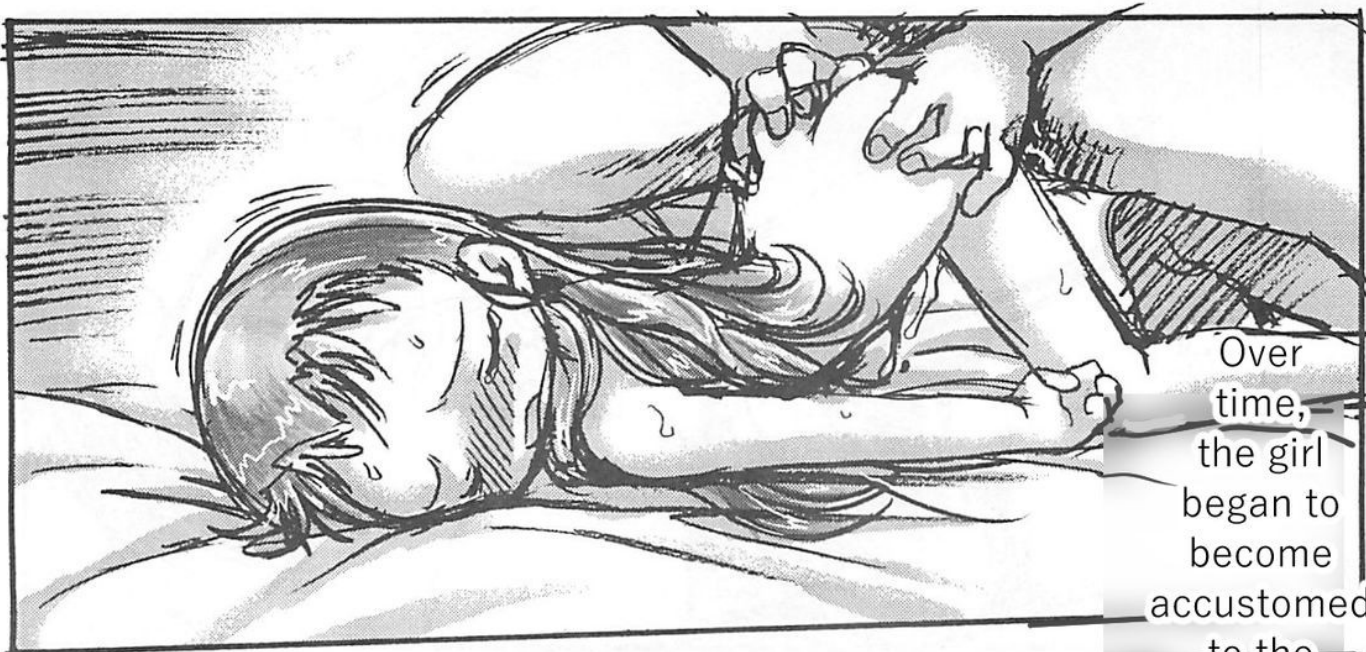

Penetrated
and came
in by several

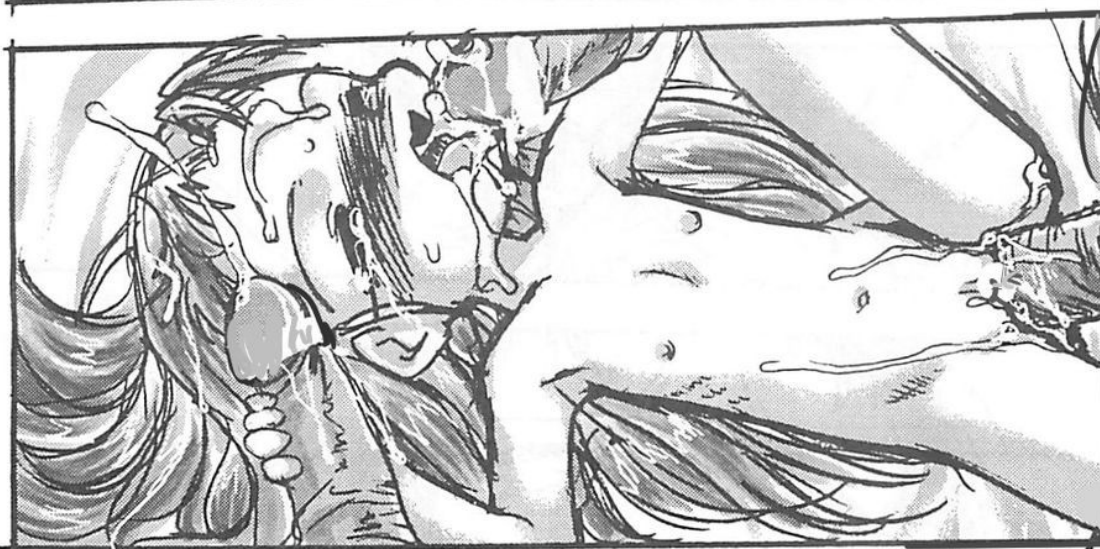

men, every
night the girl
was left with
her vagina
and womb
full of foul

smelling
cum

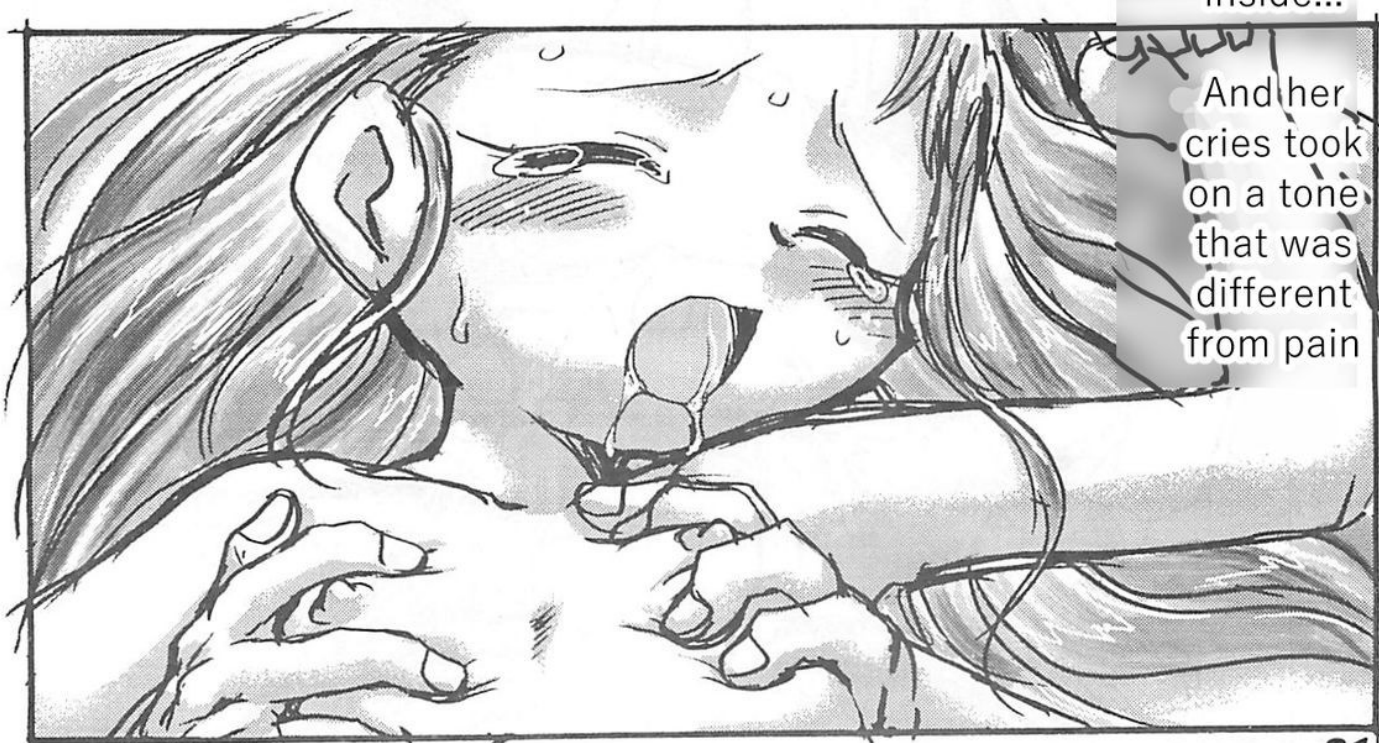

Over time, the girl began to become accustomed to the relentless assault.

Her body slowly began to accept the genitalia, her vagina accepted more and more of the cocks pushed inside...

And her cries took on a tone that was different from pain

The doctor
said:

"It's about
time..."

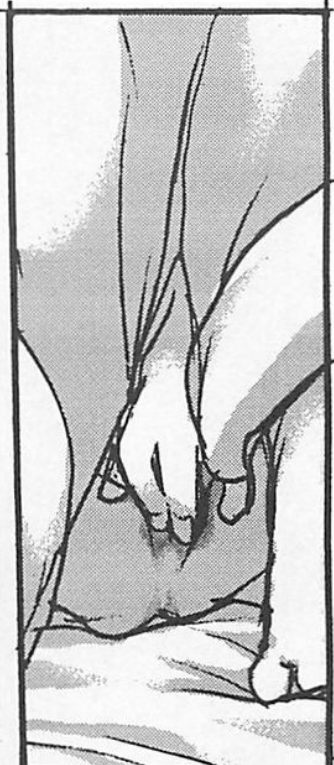

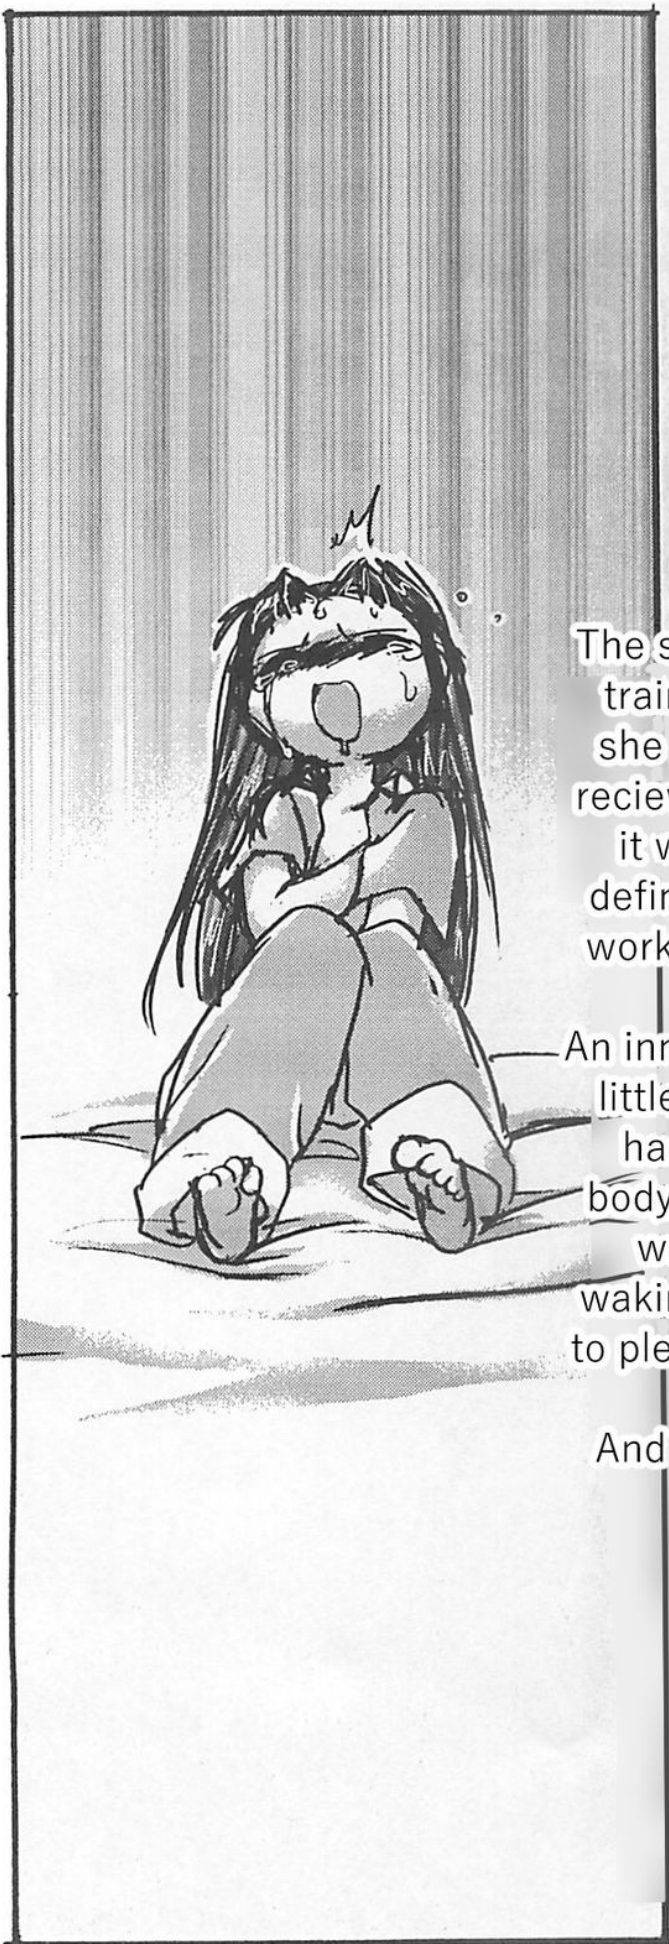

While
awake, the
girl was also
changing...

On the
morning of
her first
insertion,

she had
touched
the painful
part of her
body.

It became
her daily
routine to
touch those
parts, and
after a time
they started to
feel "good"

The secret
training
she was
receiving...
it was
definitely
working...

An innocent
little girl
had a
body that
was
waking up
to pleasure

And so...

The "feast" of the men
who consume the girl
proceeds to the next stage...

後記

えっと、まずは「検査入院」お買い上げ頂き、誠にありがとうございます。

というわけでコレ、続きます。当初は80Pくらいで1冊にまとめようと思っていたのですが、時間がなさそうなのと、色々後半に活かそうなネタを思いついたので、分けることにしました。

まあ、改めて見てみると……ヒドイ内容だなあ。

どうか皆さんはこんな事真似しないで下さいね。女の子が可哀相だし、なによりこの本の続きが出なくなりますよ(おい)

今回の本では女の子はほとんど眠りっぱなしでしたが、次回以降はそう言うわけでも無く、普通に陵辱されたりもします。キャラも増えるかも。

でも、今回の本でもわかると思いますが、私は女の子に“触る”描写というのが非常に好きです。特に、女の子の皮膚と、その下の骨の感触が見る人に伝えられたらなあと思います。(私にとっては手触りを表現するというのがエロを描く上での重要な要素であったりします。特に肉でなく皮膚と骨)

皆さんがそれを絵から感じとってくれたなら最高に嬉しいです。

そして、てざわりといえ、私の何年ぶりかの単行本「天使のてざわり」お蔭様で評判は上々みたいで本当にありがたく思います。

そして次の単行本ですが、編集さんとはなんとなく、年内に出せたら良いね～なんて話していたのですが、こないだ、11月発売に決まってしまいました。早まってどうするよ…。

と、とにかくもし無事に発売された暁には皆さんよろしくね。

最後に、この本の発行に只ならぬ助力を下さったにしの☆と一様様到大感謝。

どうも、てるき熊です。

本作はP.A. Project発行の同人誌『検査入院』の①～③をダウンロード販売用に一本に纏めたものです。

基本的には既に販売中の単品①～③と同一内容となっておりますが、前回販売からかなり時間が経過している事もあり、今回は若干数の新作カットを追加させて頂きました。

まあ、とは言え何分^{なにぶん}にもかなりの時間が経過しているもので、本編中に追加するのは絵柄的に無理と判断し、①と②の合間、②と③の合間にこの様な形で挿入させて頂く事としました。

本編とシンクロしていたりしなかったりなので、あまり深読みせずにお楽しみ下さいませ。

シリーズ検査入院2

Night,
and the
girl was
lonely...

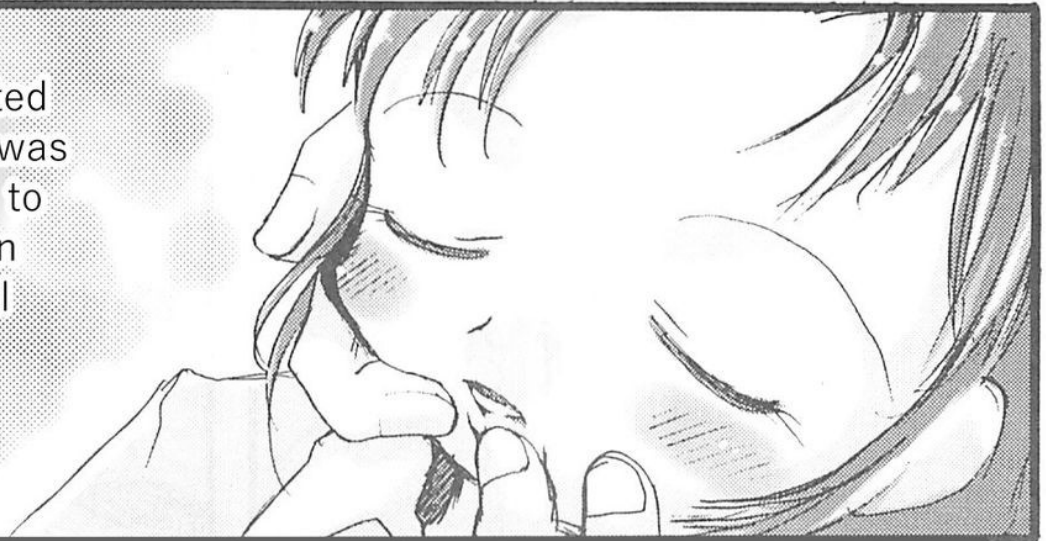

It all started
when she was
admitted to
a certain
hospital

...

She was
hospitalised,
because of
an incurable
disease she
didn't actually
have

She was
made to
fall asleep
by means of a
"medicine"

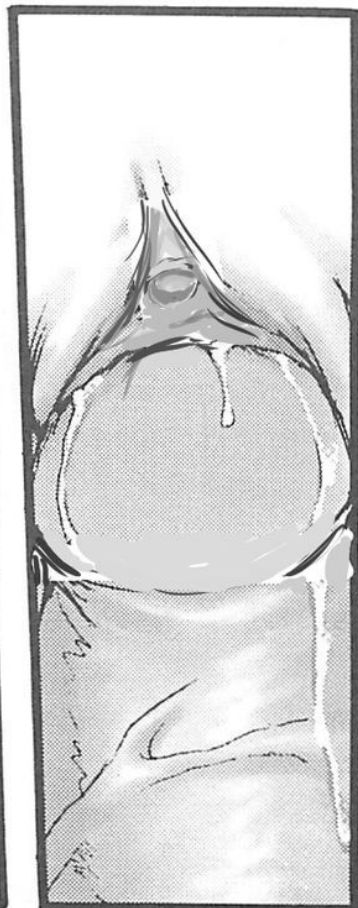

And then,
many men,
led by her
doctor, abused
her again
and again

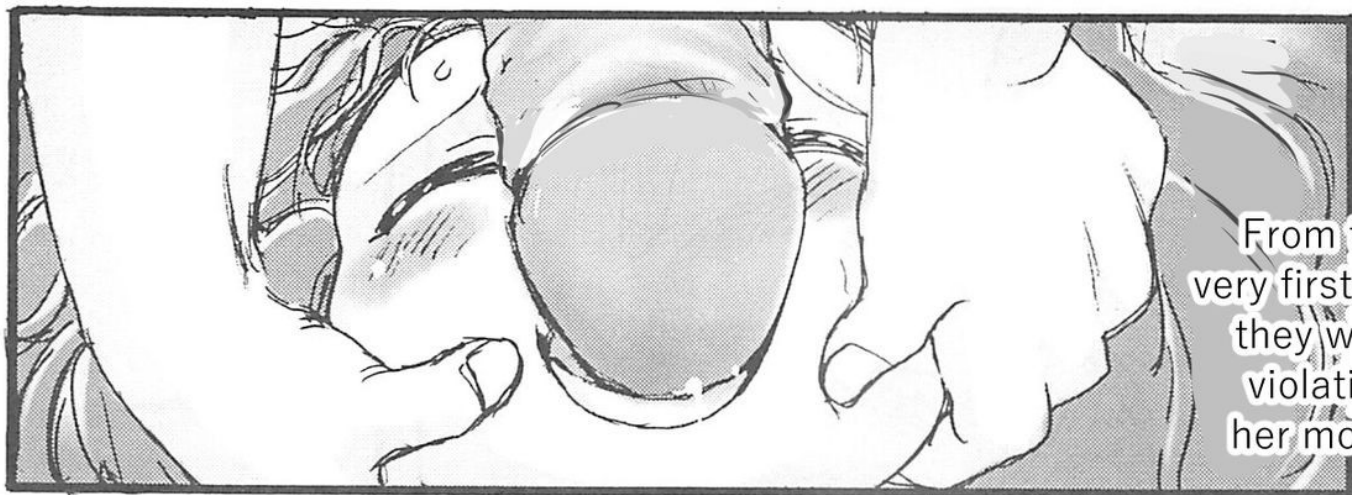

Within a
week of being
hospitalised
she had been
robbed of
her virginity

After that,
she was penetrated
by three or more men
every single night

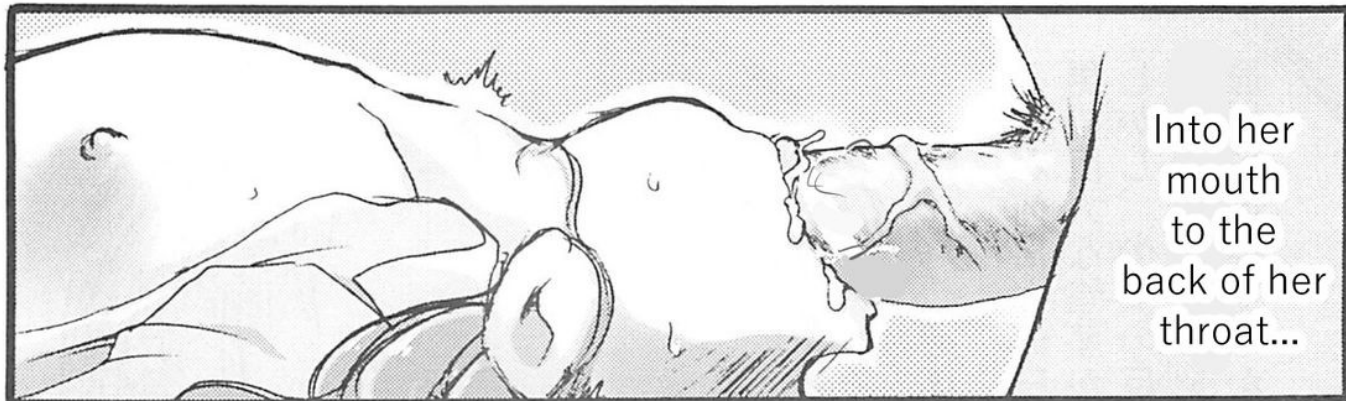

From the
very first night
they were
violating
her mouth

She had not
had her first
period, so
the men did
not hesitate
to cum inside
her over
and over

Into her
mouth
to the
back of her
throat...

The men
poured
semen...
until it
overflows
...
into a little
girl, who
remains
- totally
unaware

Into her
vagina
to the
back of her
uterus...

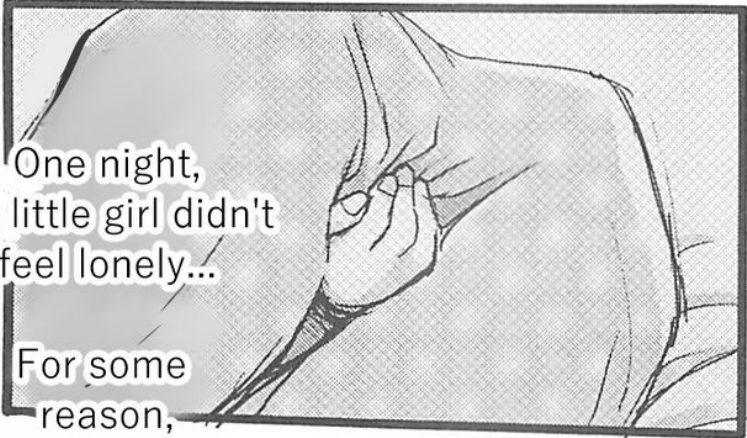

This went
on for days
and days
without a
break.

Each time
a man's huge
penis impales her,
the girl's labia
balloons out like
stuffed cheeks

Her reactions
changed day
after day

She drooled
from the corner
of her mouth...
Soft sighs...
A blush spread
from ear to ear...

Insertion,
only painful at
first, was now
familiar, even
pleasurable

One night,
the little girl didn't
feel lonely...

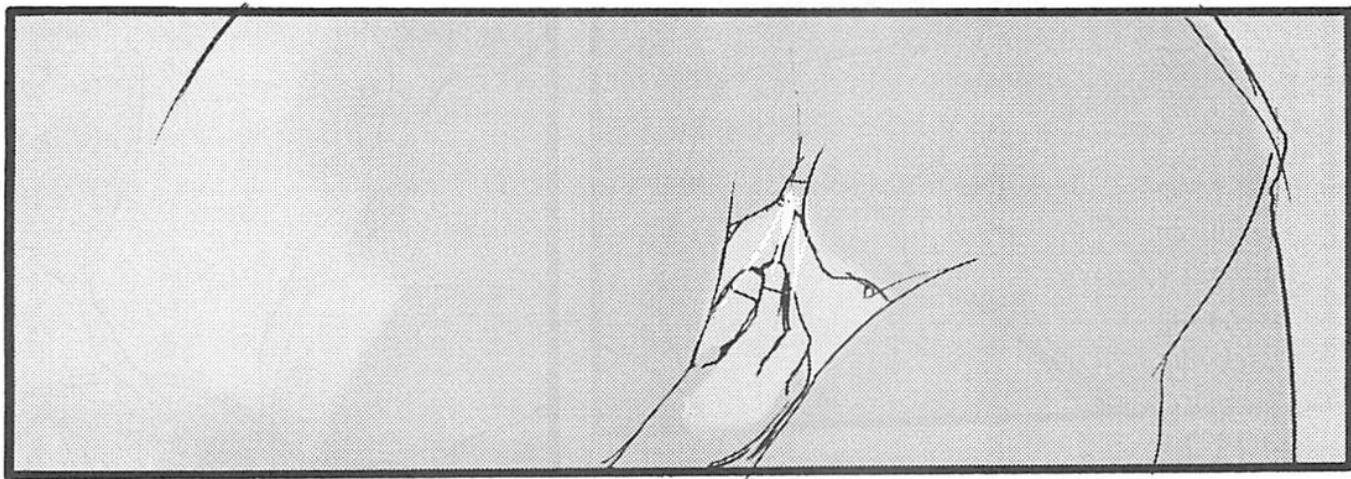

For some
reason,
she couldn't
sleep and the
men didn't come

Instead
she was
left on her
own, and she
felt a strange
and powerful
aching

She had
to deal
with it

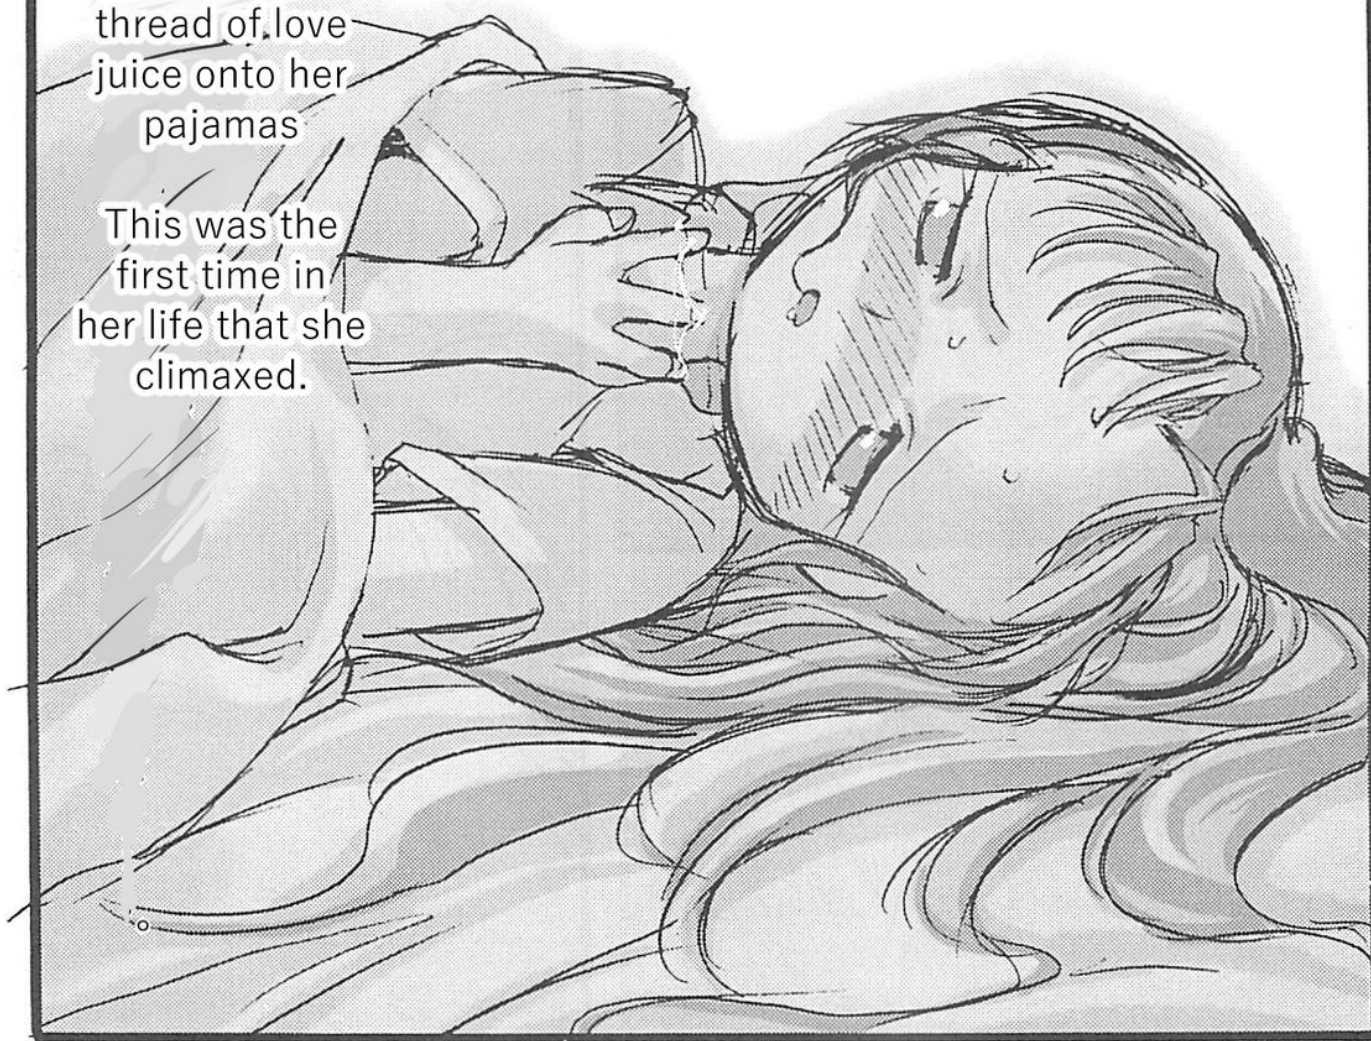

She stopped her
fumbling fingers

She wiped
off the thin
thread of love
juice onto her
pajamas

This was the
first time in
her life that she
climaxed.

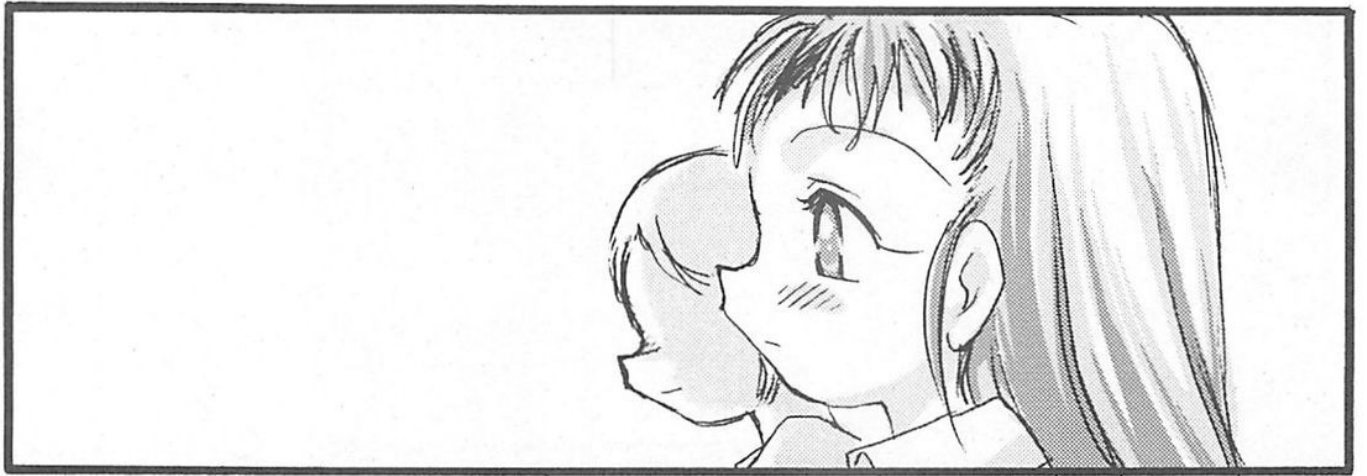

The next day, the doctor
told her to come to his office.

Depending on the results of
today's examination, he said,
she may be able to
leave the hospital

She was very surprised

Of course, the doctor had
picked a day the girl's
parents could not be
around

Of course, the girl
had no idea what was
going to happen...

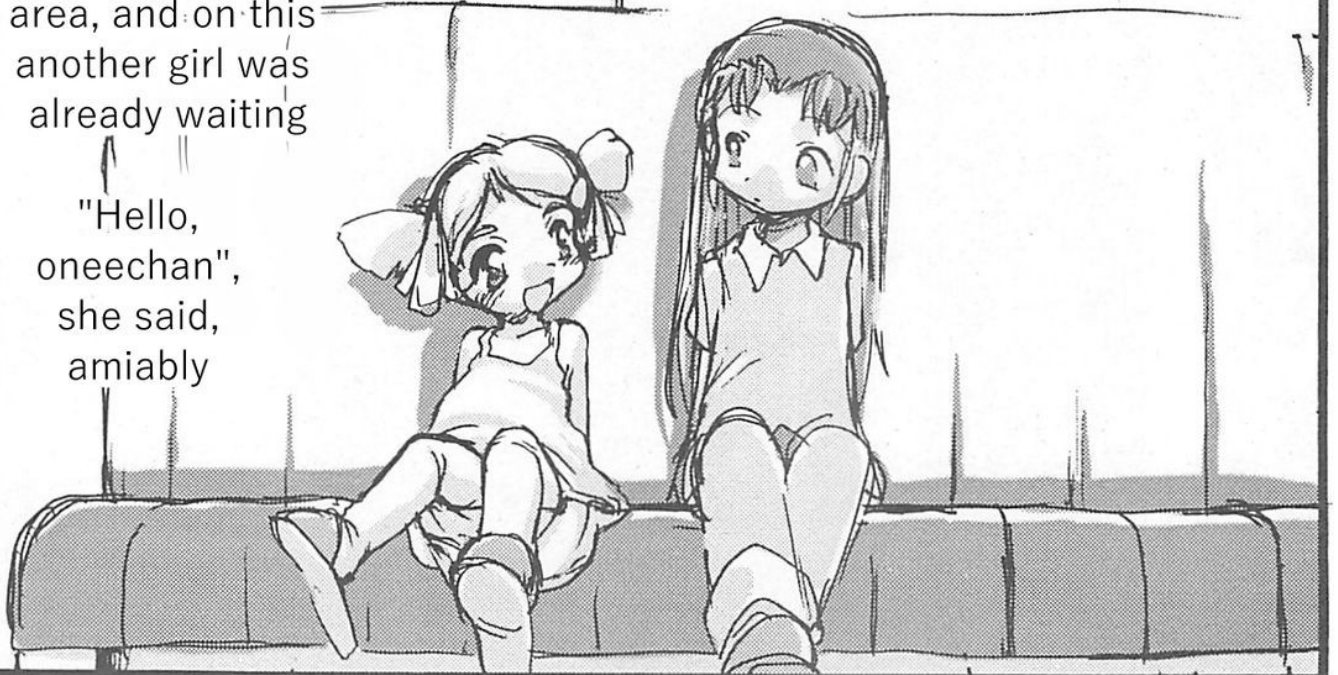

The "examination room"
the girl was invited to was
strange in several ways

The walls were covered
with small holes

In the center of
the room was a large
mat that could fit
four beds, covered by
a large sheet

There was a chaise
lounge in the waiting
area, and on this
another girl was
already waiting

"Hello,
oneechan",
she said,
amiably

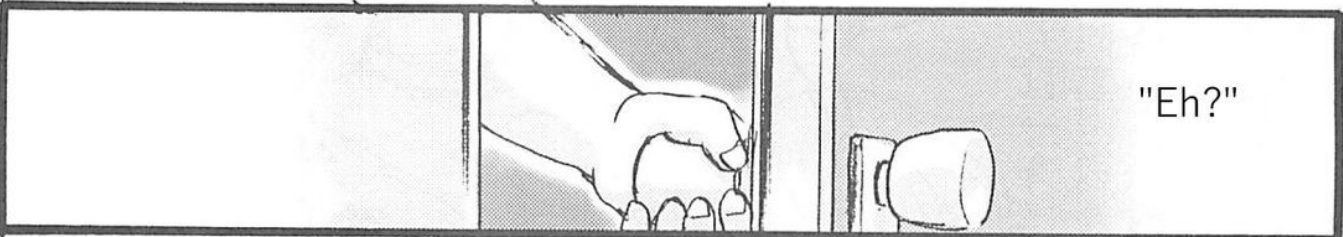

"Oh, is this
your first
time here?"

Eh..."

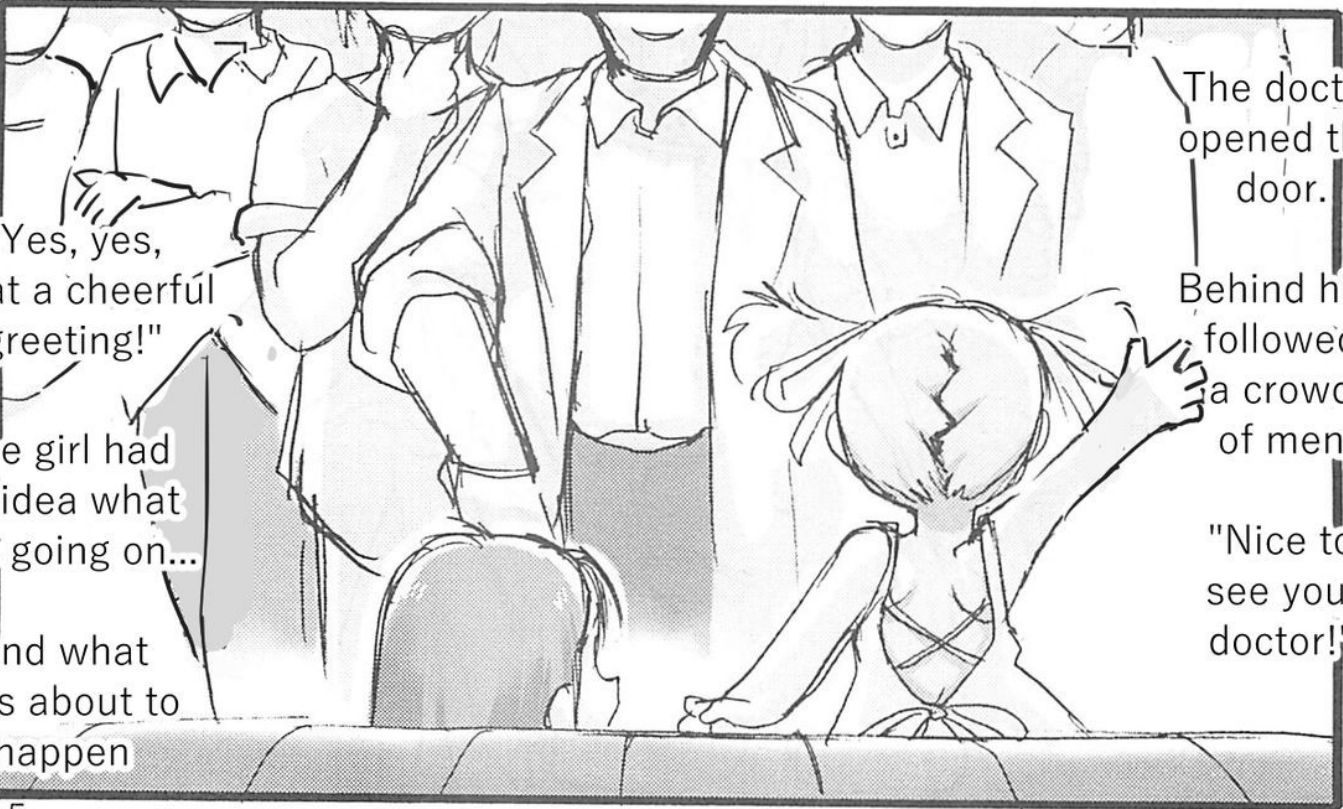

"Are you here
for a check-up
too?"

What kind of
examination
is this...?"

"Eh?"

"Yes, yes,
what a cheerful
greeting!"

The girl had
no idea what
was going on...

And what
was about to
happen

The doctor
opened the
door.

Behind him
followed
a crowd
of men

"Nice to
see you,
doctor!"

"Then we will begin
by examining your
chest"

"Yes sir!"

The other
girl rolled up
her summer
dress and
pulled down
her tights and
underwear

It was a natural
motion, like she
had done it often
before

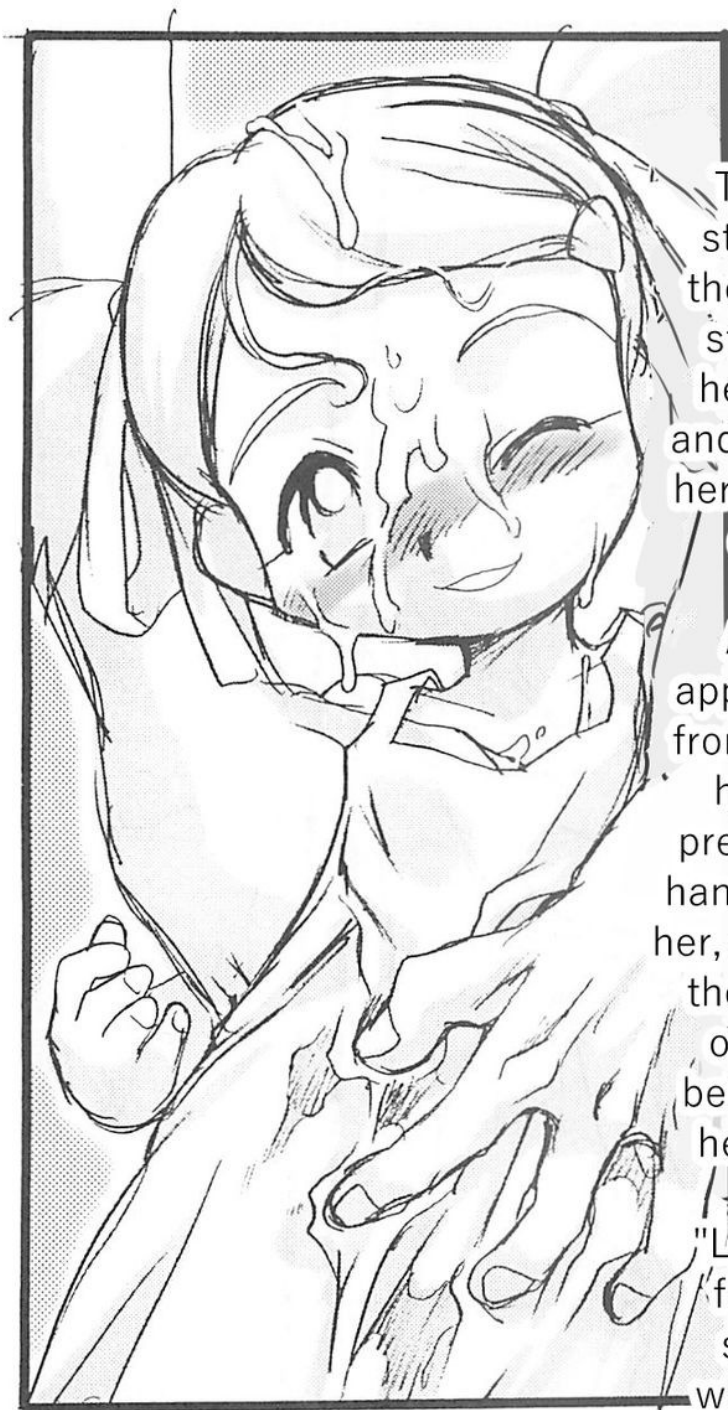

Likewise,
the men acted
all at once.

They lowered
their pants,
took out their
penis, and
masturbated
at the younger
girl.

Soon, they all
came, spewing
semen on the
little girl's flat
chest.

"Ahahaha!
Amazing,
amazing!"

The girl
stared at
the semen
stuck on
her body,
and lowered
her summer
dress

A man
approached
from behind
her and
pressed his
hand against
her, spreading
the semen
over her
belly under
her dress

"Look, it's
forming
strings
when you
pull on it!"

"Now, can
you hold
it in your
mouth?"

"Yeah!"

— This was the first
time the girl had seen
such an obscene sight—
a large and erect phallus,
and a girl even younger
than her gladly putting
it in her mouth.

"What's wrong?"

"!?"

"Ah!!"

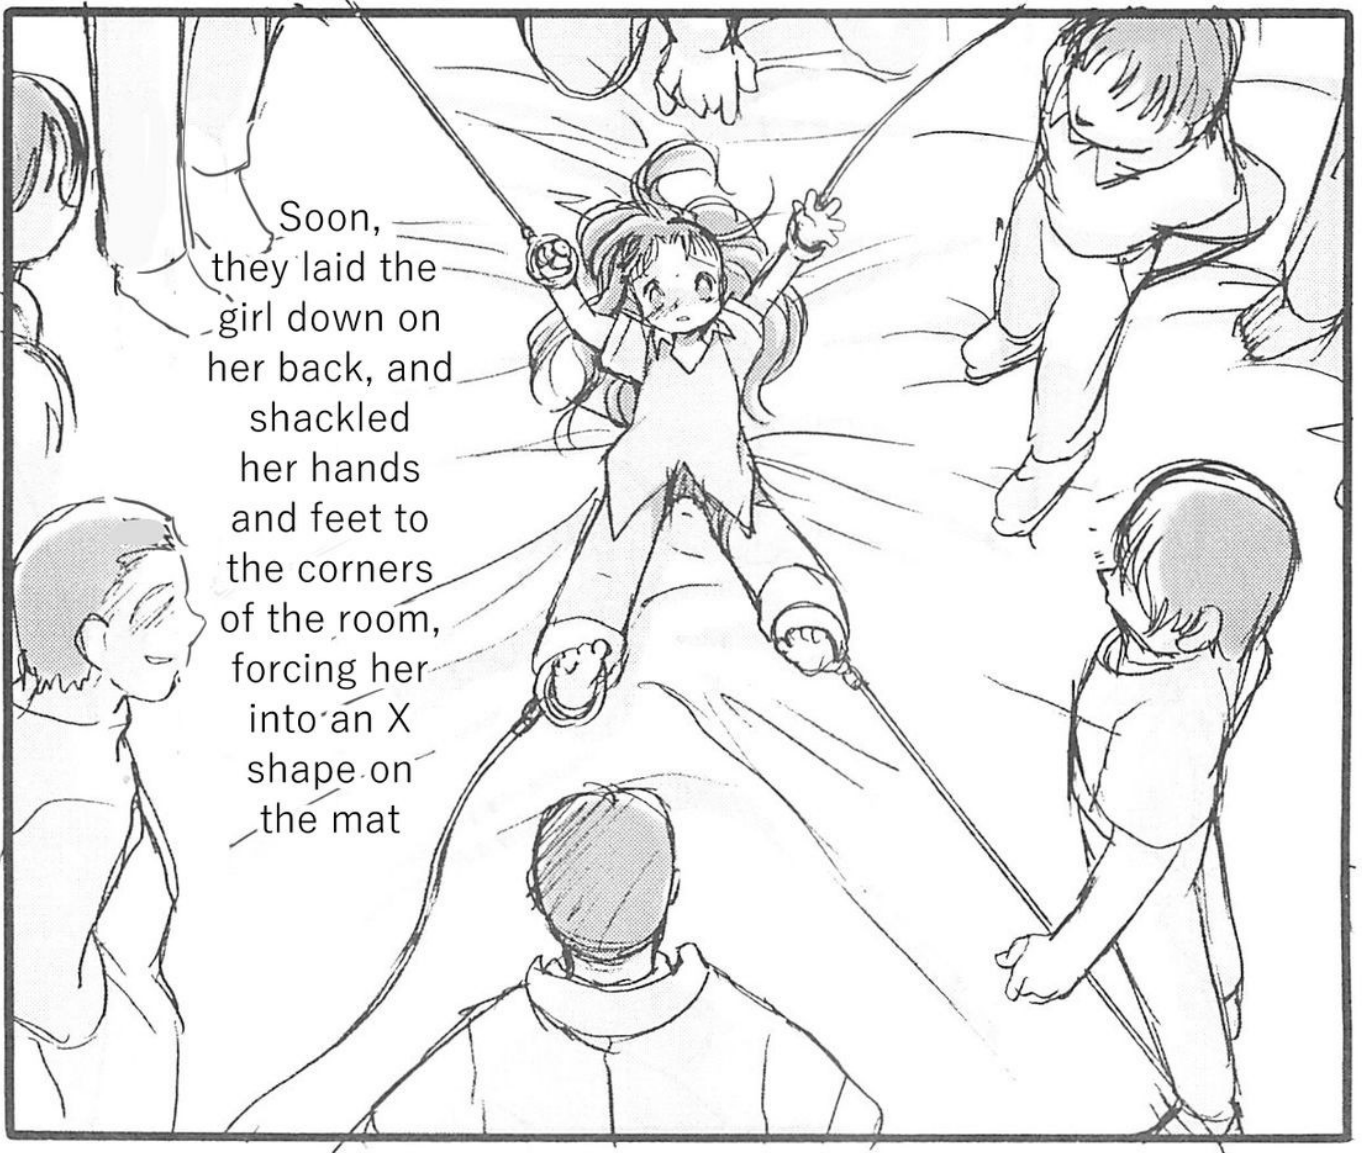

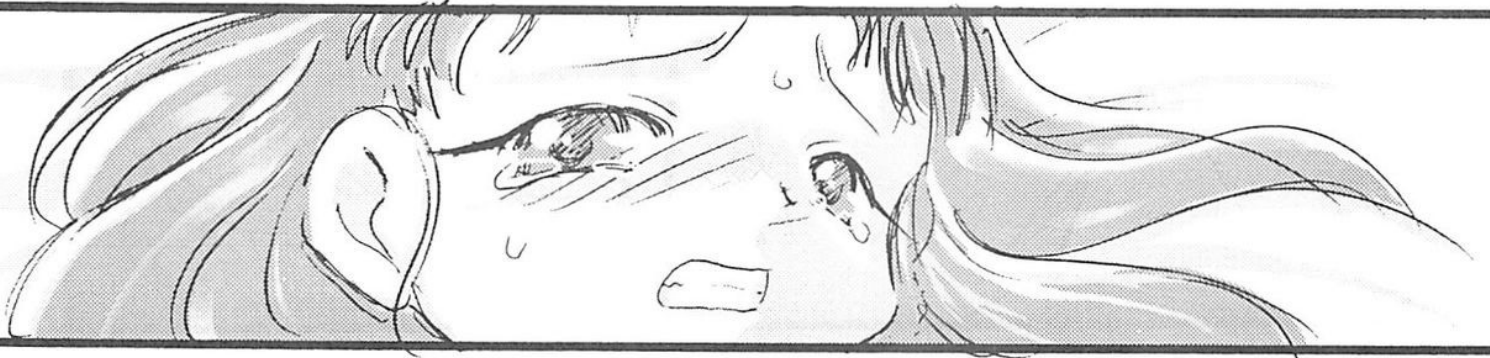

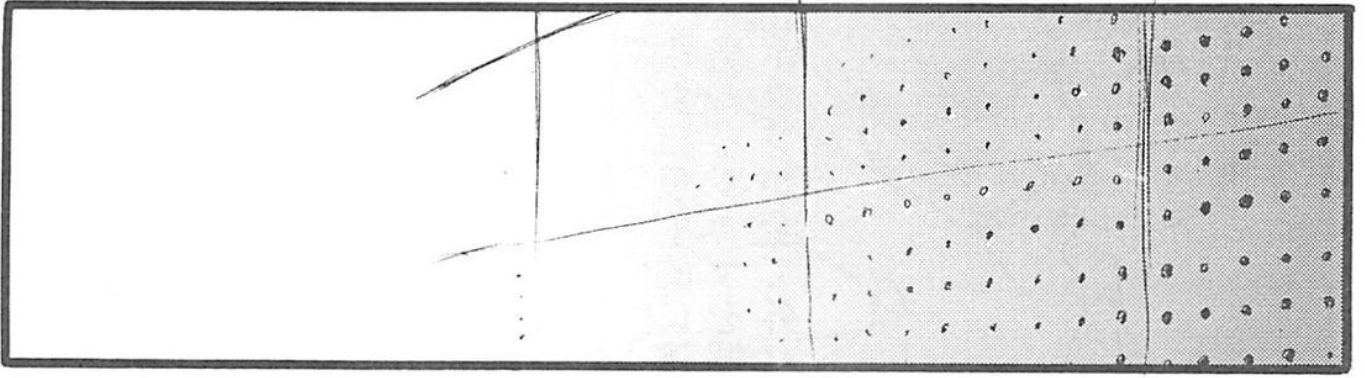

A man behind her was trying to take off the child's clothes

Reflexively, the girl tried to escape. The man grabbed at her pajamas, tearing off the buttons

"No! Don't come near me!"

She desperately resisted, but...

"I guess we have no choice but to be a little rough..."

A man's callous hand crawls over the
girl's bare chest.

This is followed by a hot and swollen
phallus, scaring her with its heat.

The hands reach under her
armpits and grab her flanks,
lifting up her upper body, trying
to squeeze together the
meat of her chest to no avail.

"Aw, you can't pinch it
it all, can you?"

"Be patient, there's other sorts
of fun you can only do with
young ones"

"Uh!"

The man gave
out a short moan
and the penis jerked
on the girl's chest,
sending white
globlets towards
her frightened
face

Some splashed
into her mouth,
making her
gag violently

The men holding
their penises on
either side of
her were next.

One ejaculated on
her face, while
the other stuck his
dick into her small
mouth.

"Uh... uehhh..."

When he removed the
phallus, the girl was
no longer yelling. The
man had shot his
semen deep into her
throat.-

"How is it? Does it really taste that bad? Haven't you been drinking a lot of it lately?"

"...Huh?"

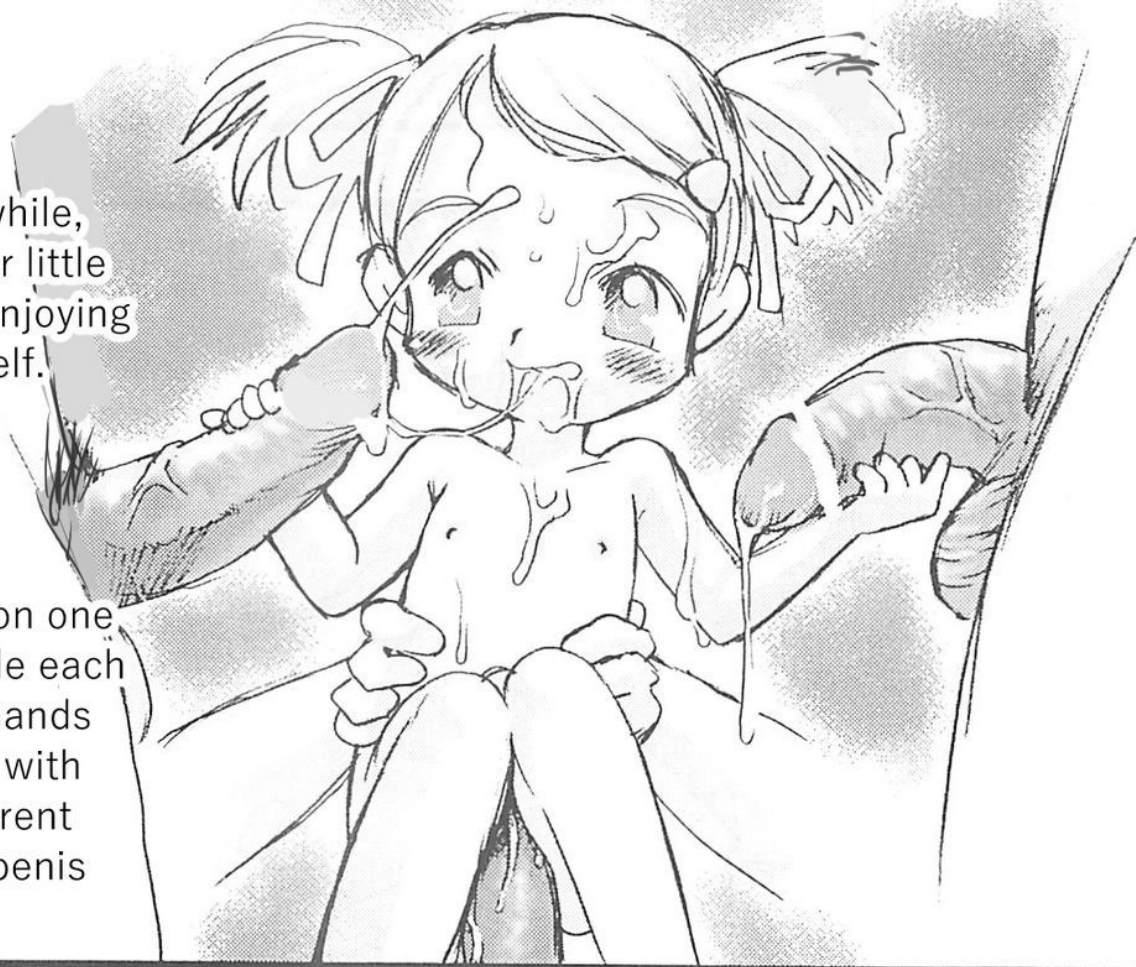

She muttered a little but did not say any more.

She couldn't think, but lay in a muddled daze only her tongue moving absentmindedly, licking and tasting the semen in her mouth

Meanwhile, the other little girl was enjoying herself.

She sat on one man, while each of her hands played with a different man's penis

That girl held a
man's dick between
her thighs.

Her body was
small enough
to be easily
moved up
and down
by a hand

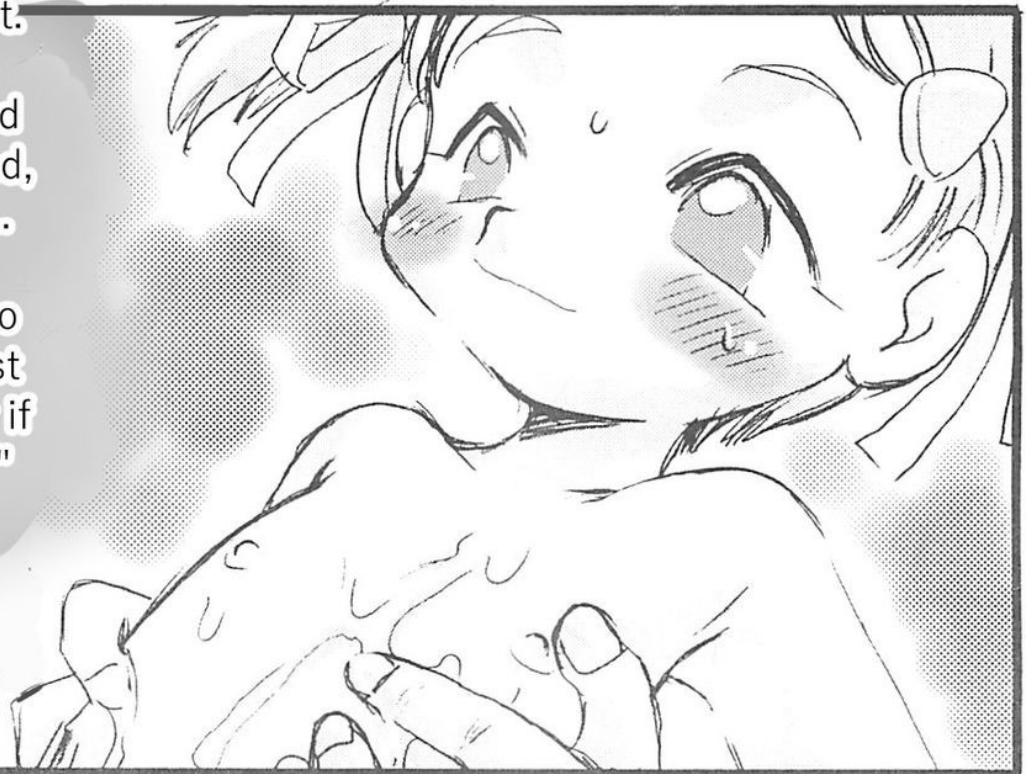

The tightly closed
thighs caused the
man to ejaculate,
splattering on to
the girl's chest.

As he smeared
the cum around,
he muttered...

"Oh, it was too
small to fit last
year, I wonder if
it's okay now"

"What?"

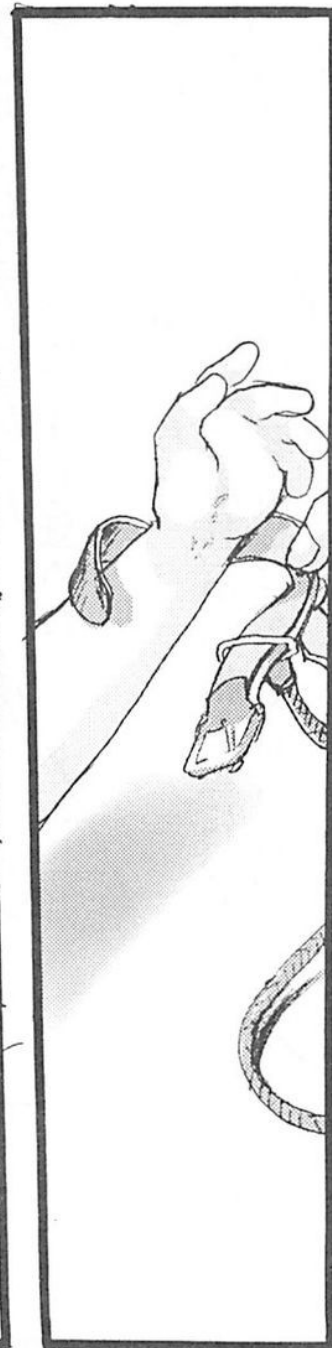

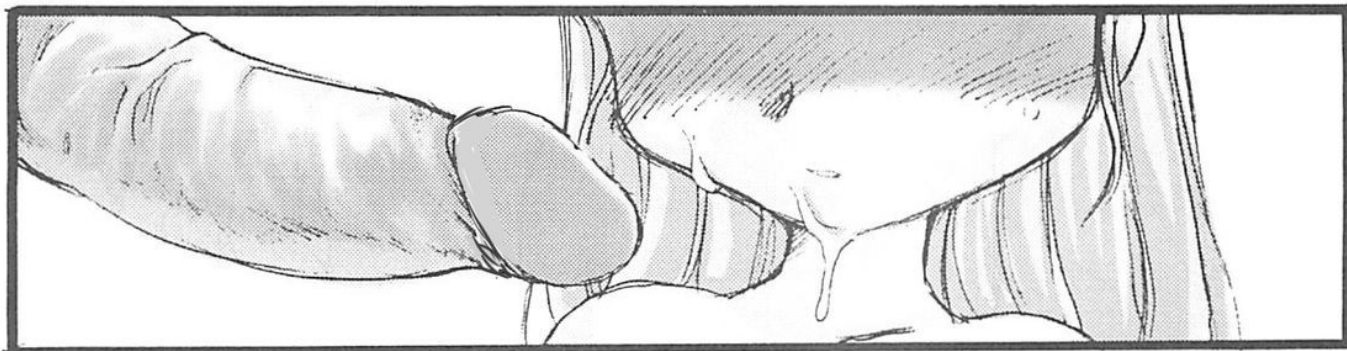

The girl was
no longer resisting.

After confirming
that, she was
released from
her shackles

They hugged
her fully tainted
body, and
took off her
pajamas and
underwear

Once again,
a thick phallus was
shoved in the girl's face,
but this time she did
not turn away

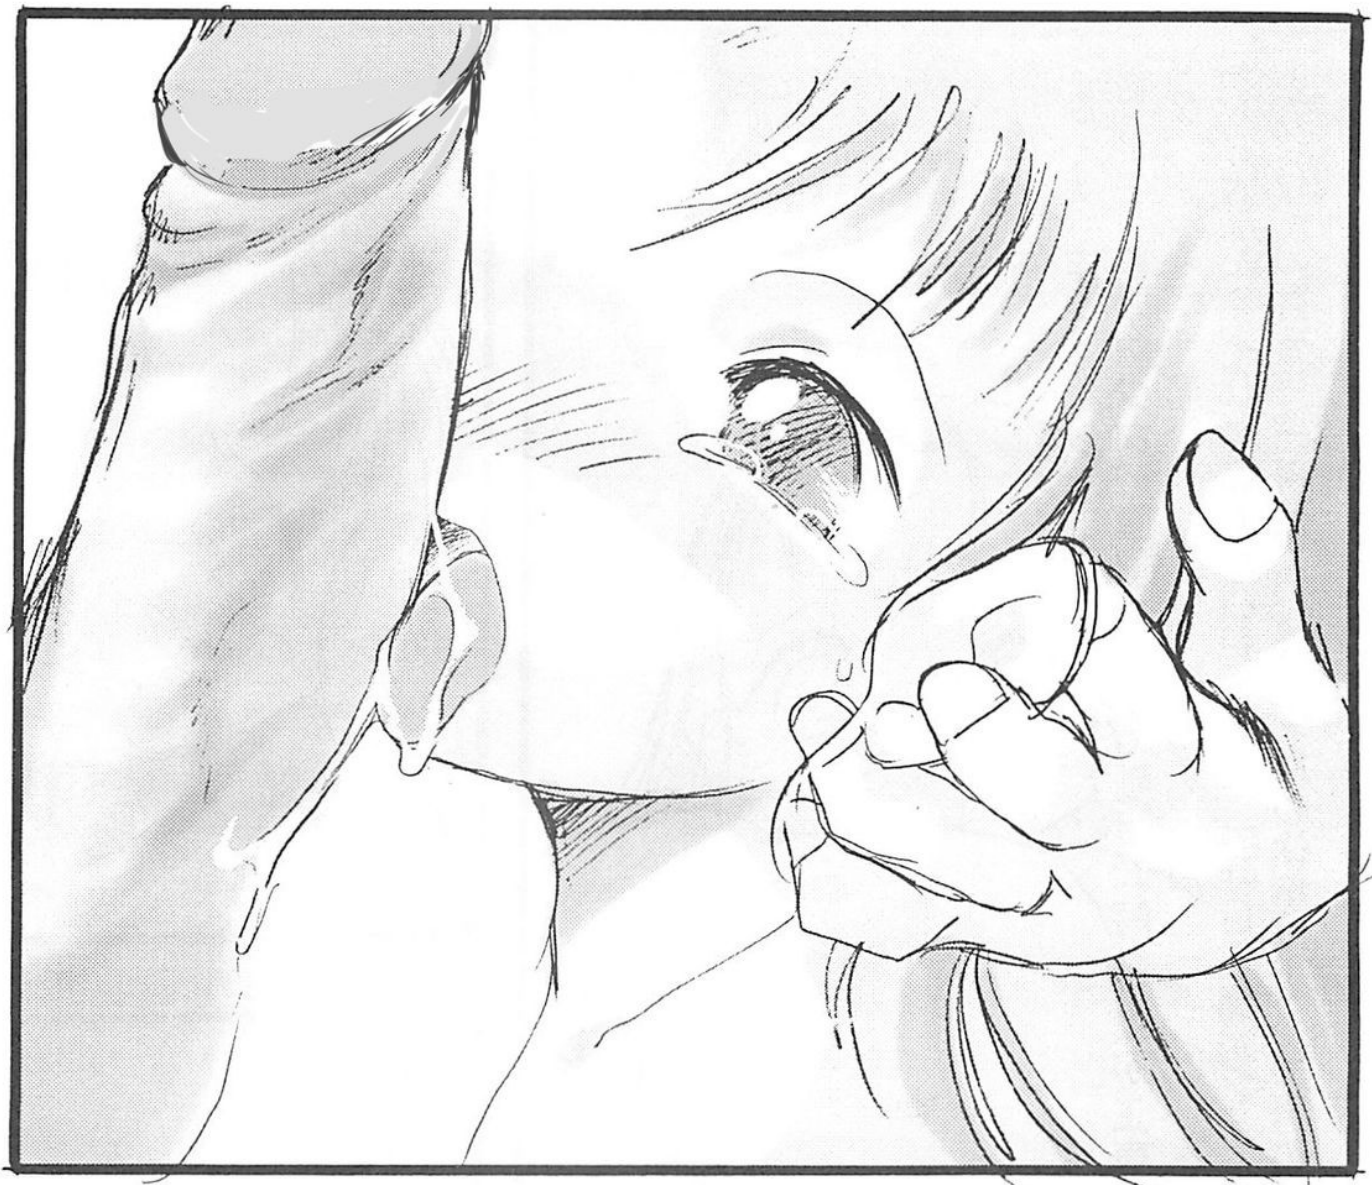

Instead she extended
her tongue and licked
the shaft in a stupor

"Oh? This kid is
drenched," a man
said, playing with
her genitals

The area around her
vagina was coated with
a warm honey, making
his fingers glisten with
smeared juices.

"Did drinking the semen
make you excited?"

The sensation of
the swollen glans
stretching out
her opening makes
the girl regain her
sanity

"Wha!? No!
It hurts!"

"It's too late now...
Does it really hurt?
It didn't seem
to hurt the
last time"

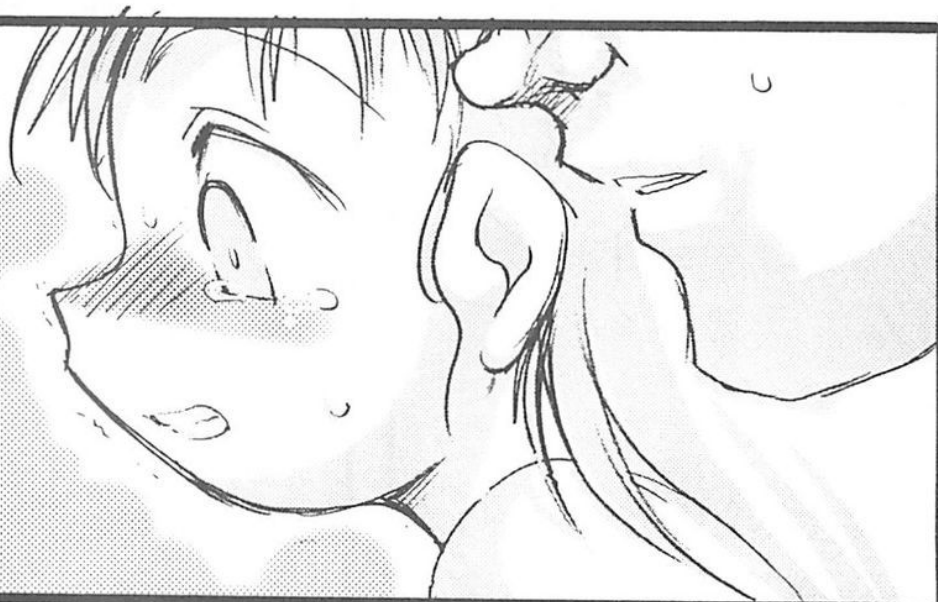

While the
child was still
processing
the man's
scary words,
the man uses
her weight
to pierce her
all at once

"Why... why
doesn't it hurt?"

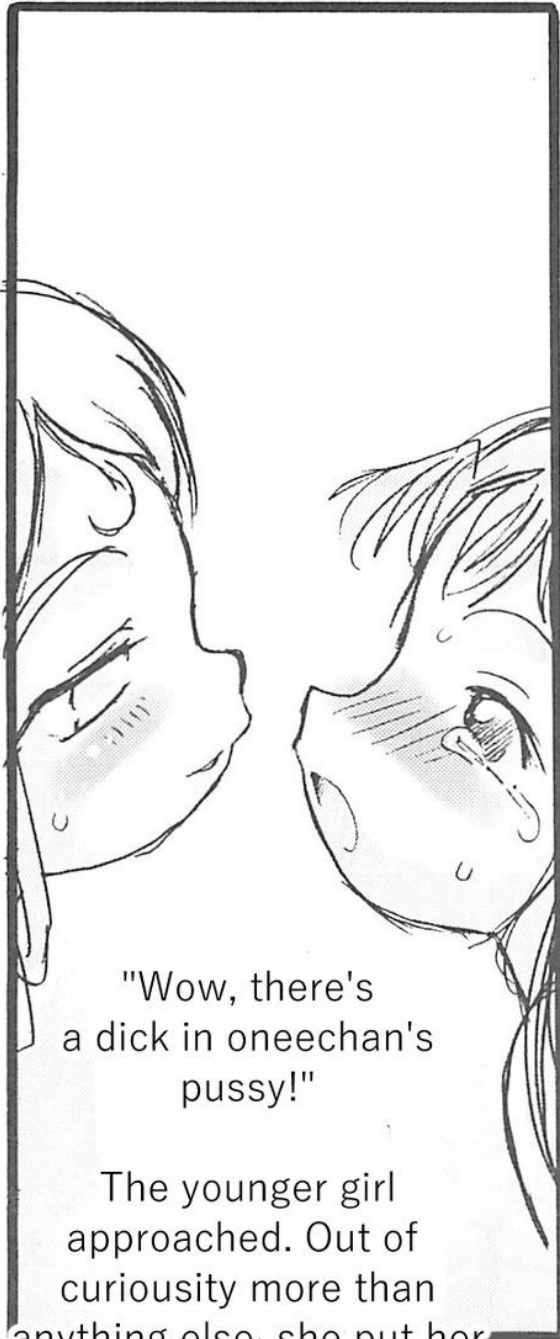

"We told you,
didn't we?
It's not the first
time you've
drank semen,
or had a dick
put in there..."

The rubbing of

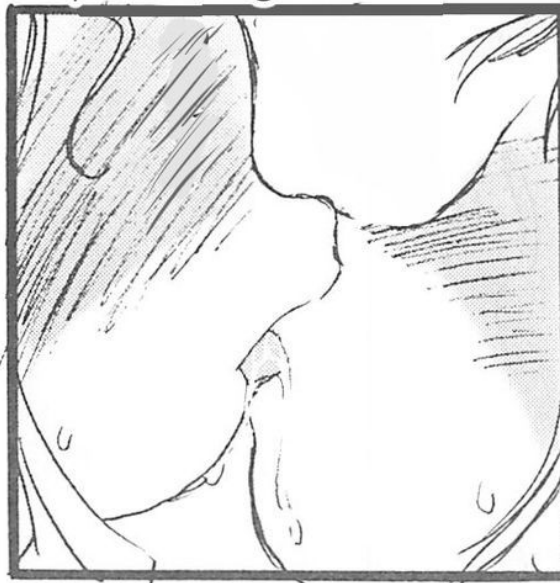

the man's penis against
her walls made the girl lose
all reason

The girl's
sensitised body
made every touch
from the man's
hands feel
incredible, like
nothing she had
felt before

"Wow, there's
a dick in oneechan's
pussy!"

The younger girl
approached. Out of
curiosity more than
anything else, she put her
lips on the girl's own...

She could felt
no pain even when
he cruelly squeezed
and twisted
her nipples

The man's hands gathered up the girl's almost fat-free chest, causing the small, painfully erect nipples to protrude from the slightly raised breasts.

The younger girl placed a nipple in her mouth.

"Hlh..."

The older girl screamed for a moment, but this turns soon into a sob of pleasure

Was this the result of training? All resistance to the act has disappeared

The younger girl's mouth left the nipple, licking her ribs, then her belly, trailing down to the cleft that swallowed the man's ugly genitals.

"Amazing", she said in admiration and envy, before pressing her tongue to the point between girl and man

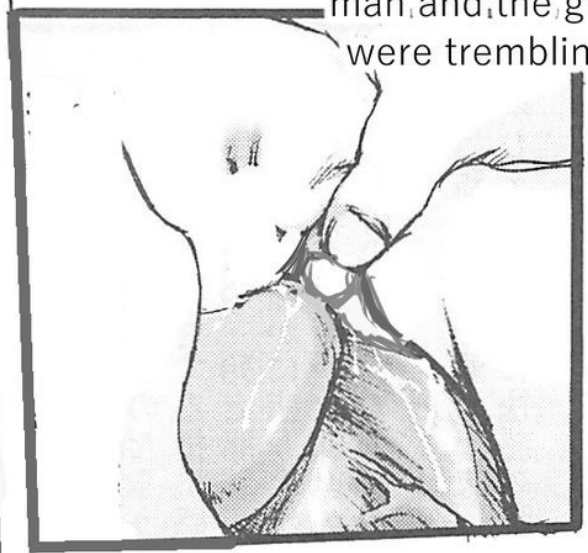

Both the man and the girl were trembling

"Hii!"

The girl jerked her body violently, and the man also twists in reaction, convulsing his entire frame in an orgasm

The girl stiffens as she feels the semen inside her womb

The younger girl, curious, compared the scrotum and shaft to the girl's small clitoris.

She drew back the girl's labia with her tiny fingers, and stuck her tongue into the gap within

A little semen had leaked from the gap between the two, and the younger girl licked at it.

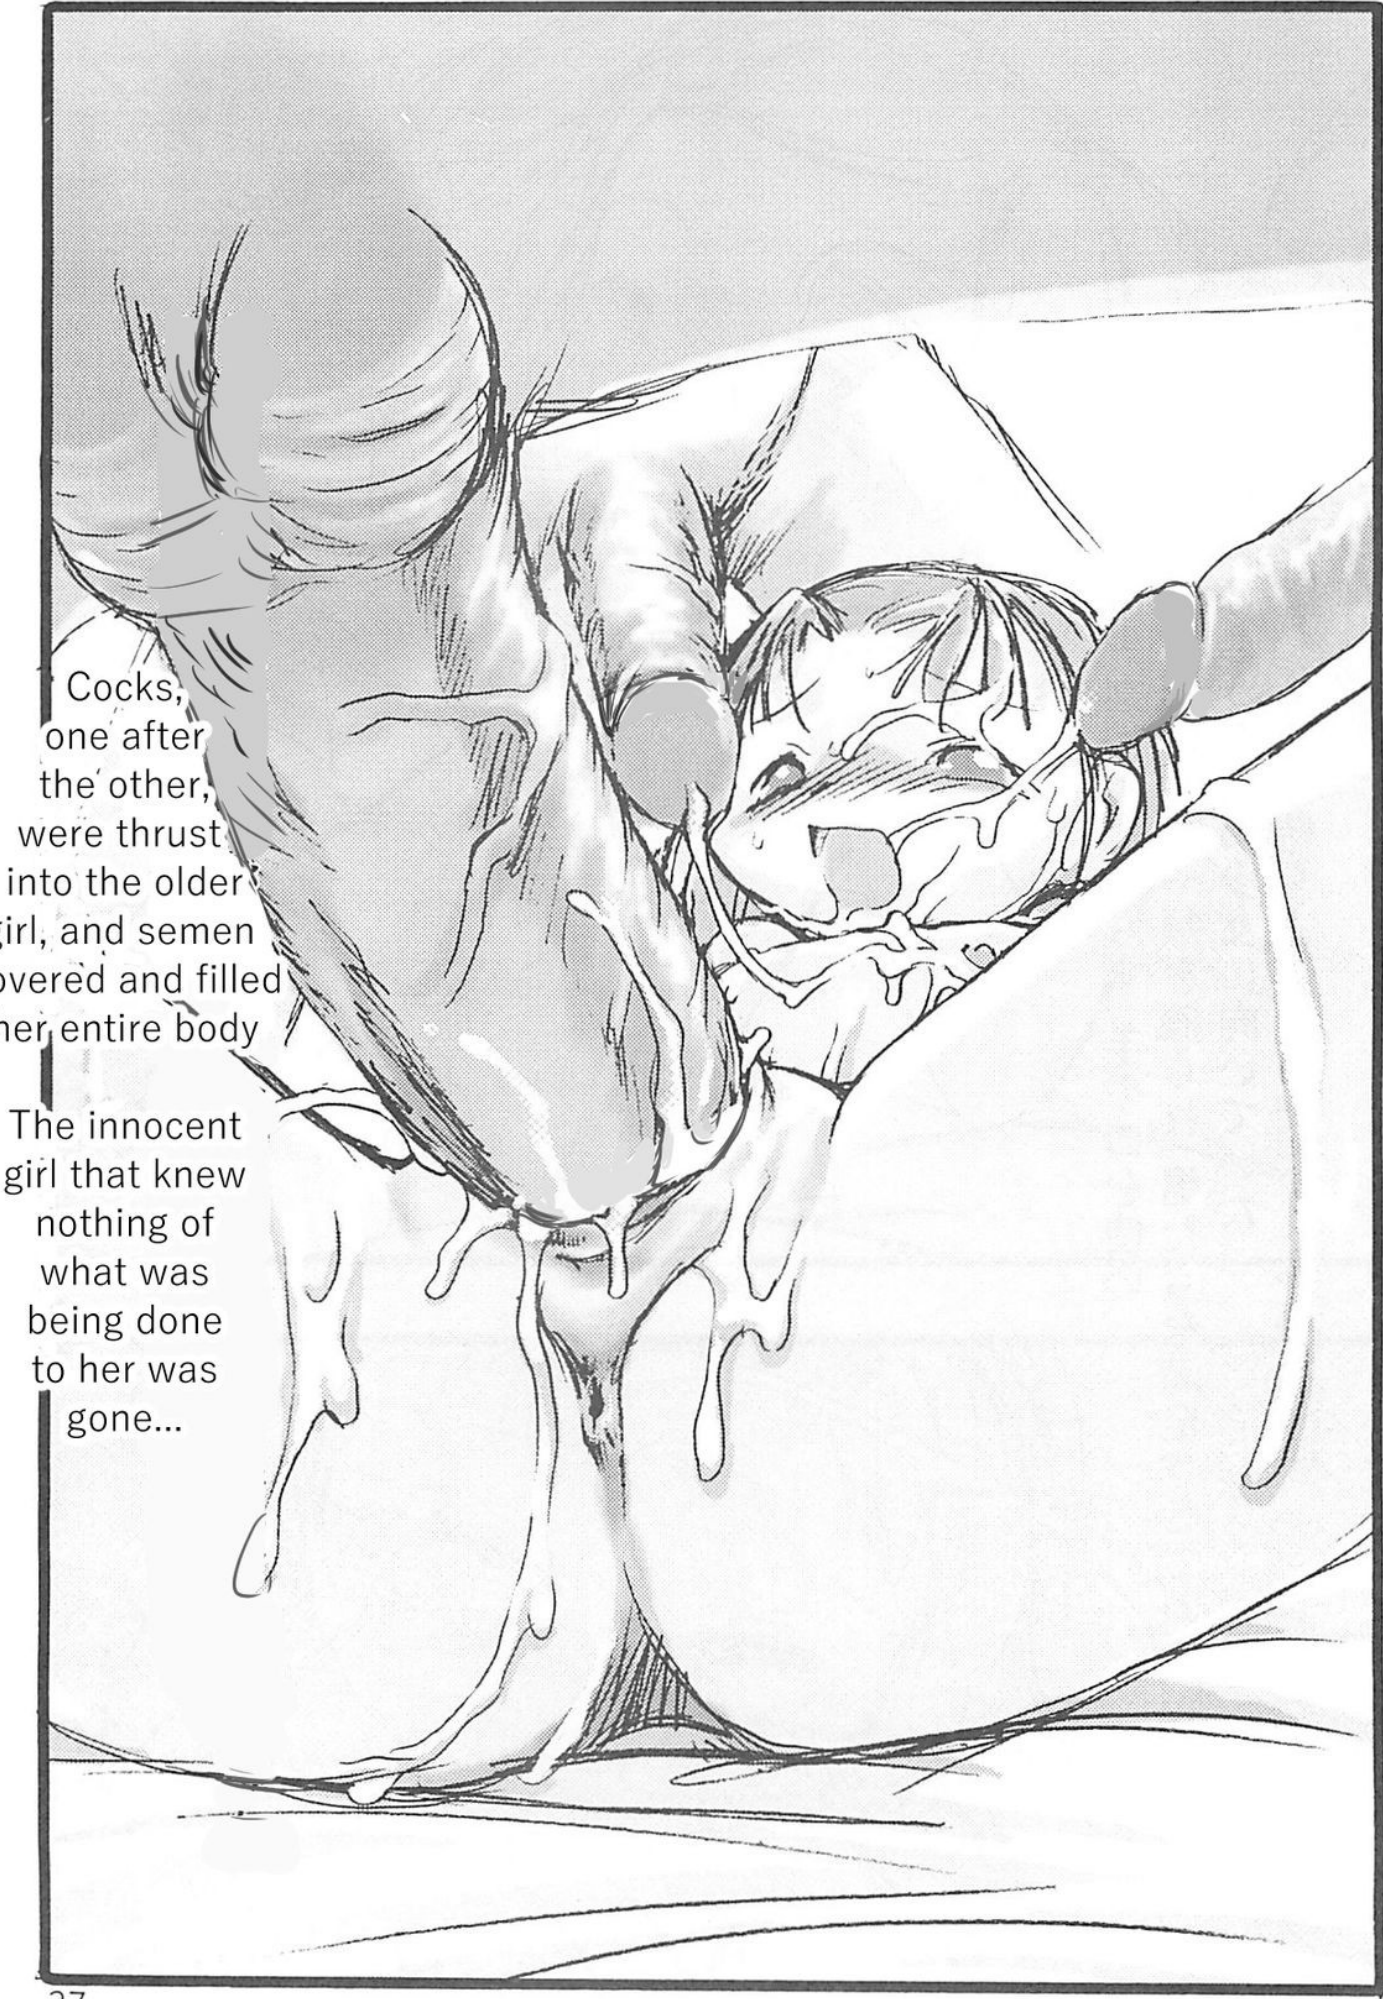

"Oh, oneechan's body is bright red..."

The older girl, still penetrated, slowly relaxed as the man raised and lowered her small belly with his hands

"That looks good," the younger girl mumbled, staring

And so,
the men
continued
their hungry
assault on
the two girls
and their
immature
bodies

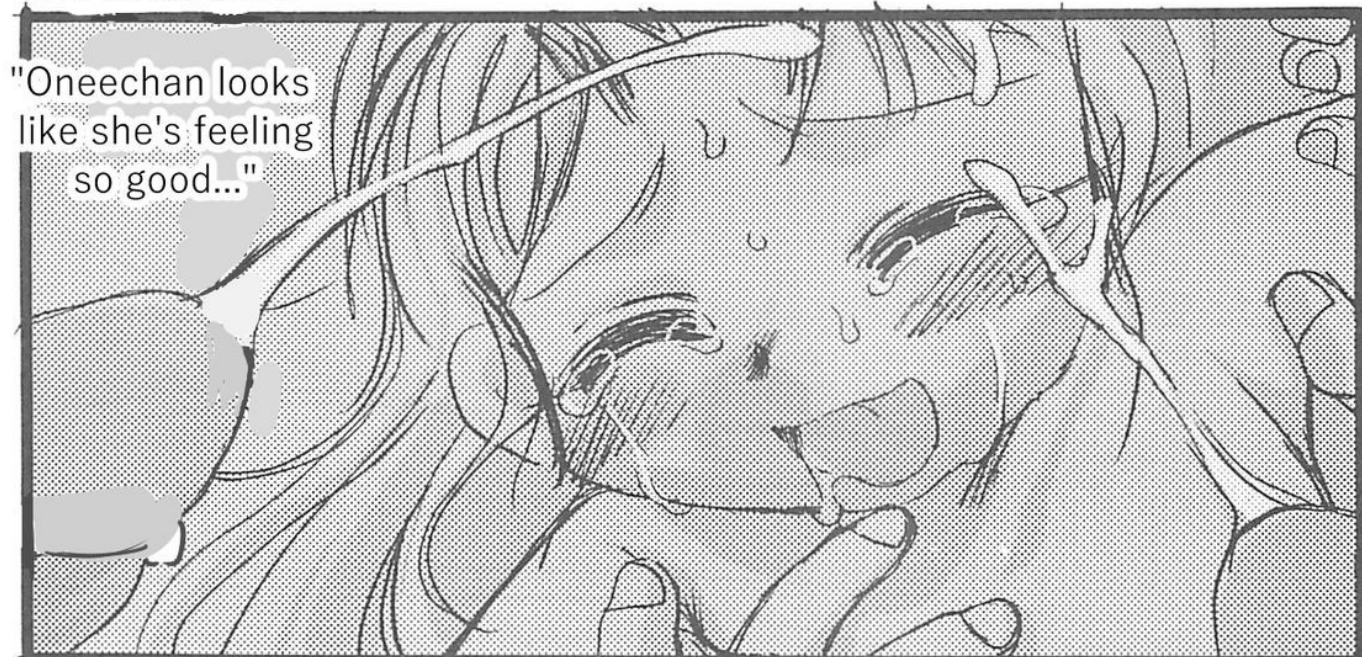

Cocks,
one after
the other,
were thrust
into the older
girl, and semen
covered and filled
her entire body

The innocent
girl that knew
nothing of
what was
being done
to her was
gone...

The younger girl still used her hands and mouth, rubbed her belly and cheeks against penises, and serviced her partners

But her gaze kept turning to the other child

"Oneechan looks like she's feeling so good..."

"Hey... please..."

She spread open
her tiny flower
with her semen
soaked fingers,
and began to beg...

"Make me like
oneechan..."

後書き

すいません、続いてしまいました。

しかも後半に進めば進むほど仕上げが粗くなるし…。

本当はこの後の展開も併せてすっきり終わらせる筈で、最後まで絵も描き上がっていたのですが、時間との兼ね合いからそれらを大幅に削り、取り敢えずの終わりに持っていくのがどうしても許せなくなりました。

皆様、どうかあと一回、この本に付き合ってください。

この後の枚数を削ると、折角いい感じに動いている新キャラが未消化っぽくなってしまい、勿体無いというのもあります。

まだ二人ともお尻が未通のままですし、やりたい事はまだまだあります。二人の性格の対比も非常に楽しく描けました。

このスタイルの本にも馴れて来ました。もっともあと何ヶ月かしたら『馴れた』なんて言ってる自分を恥じてるかもしれませんが、機会があれば、『銭湯』からのシリーズを纏めた本も作ってみたいです。

でも、そのためには、昔の原稿を全て描き直さないといけないかもしれません。そんな時間が有るかと言うことになる、実現はかなり難しいでしょうねえ。

さて、次回は当然「検査入院3」になる…と思いますが、色々やりたい事がこの本のおかげで先送りになってるような気がしますね。

旬のうちにやっておきたいネタを逃がしてしまったり…。オリジナルものは旬に関係無く出来るのが利点ですが、それでもこれから先、いつまで続けられるか判らないですし。オリジナル・版權ものに関わらず子どもを題材にした性表現が規制される世界が来るかもしれません。

わたしは一応楽観してますが、こう言うものが描けるのも今のうちと考えて、悔いが残らない形で作品を残したいものです。

最後に、この本を手にとって下さった皆様と、この本の為に手を尽くして下さった皆様に感謝しつ。

では、受かってたら冬にお会いしましょう。

てるき熊

追記：

今回の新キャラがFFUのアイに似てるらしい…。意識した事は無かったけど、指摘されるとどんどんそんな風に見えて非常に困ったですよ。

"C-come on,
do the same
to me..."

"Ah... ah..."

The little girl received yet another ejaculation in her immature womb.
She collapsed, mindless and exhausted

The man who had just withdrew his satisfied penis,
heard the other girl begging...

"Are you really sure?"
The man asks her.

The girl nods.

Her eyes were
tearful, and she
stared at the
cock projecting
out in front of
her with a look
of anticipation

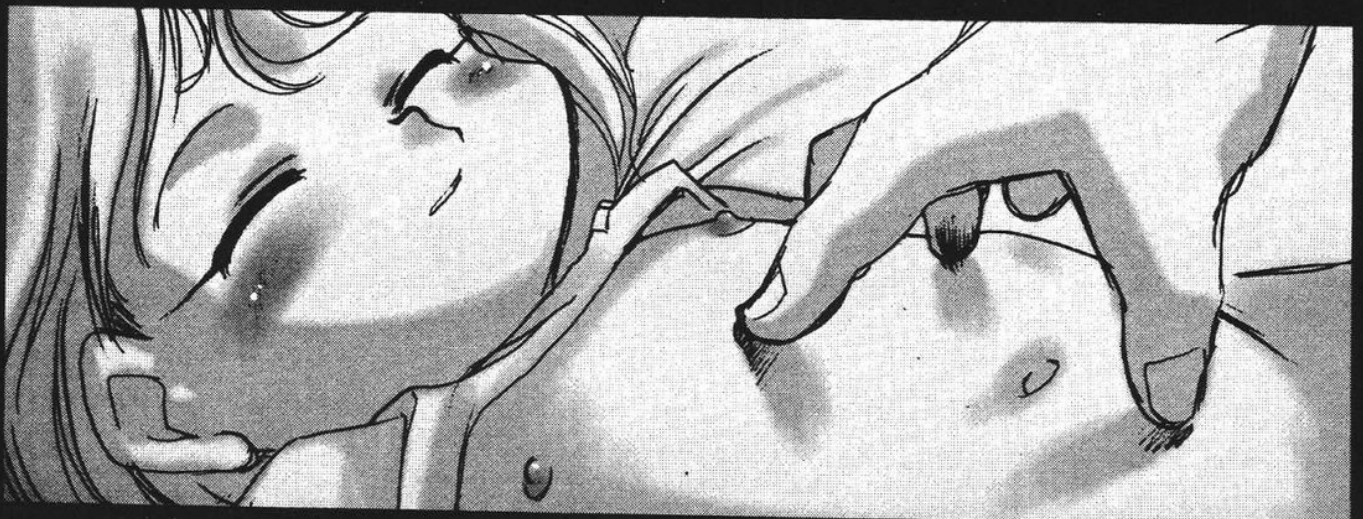

The two girls' situations
were the same

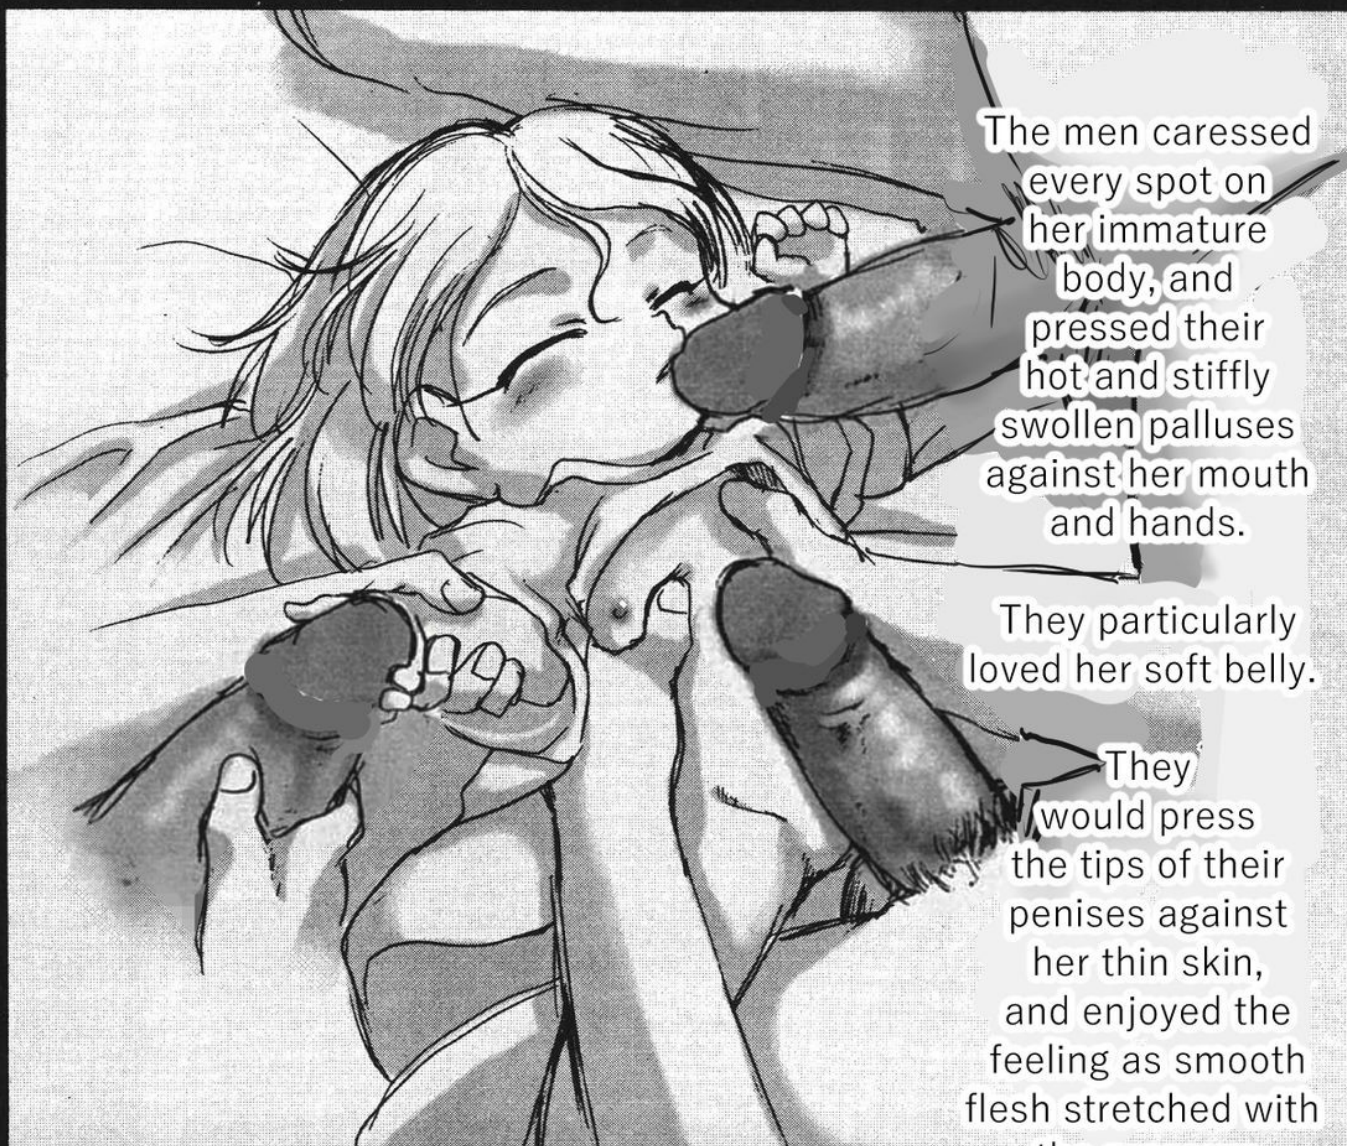

A year ago, just like
the other girl she had
been "hospitalised for
examination"

In the same way,
she was given sleeping
pills, and when she
unsuspectingly took it,
fell into a deep sleep

And while
her consciousness
was clouded by
the drug, her
body was left
at the mercy
of the men who
invaded her
hospital room

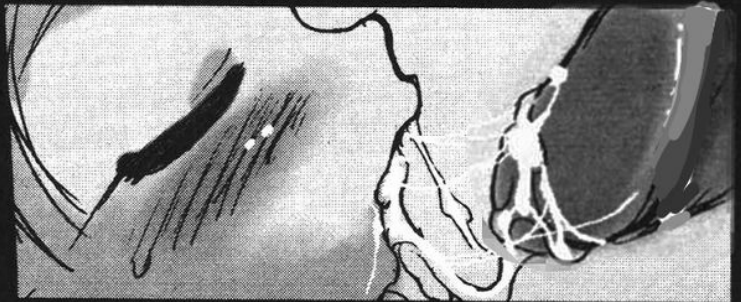

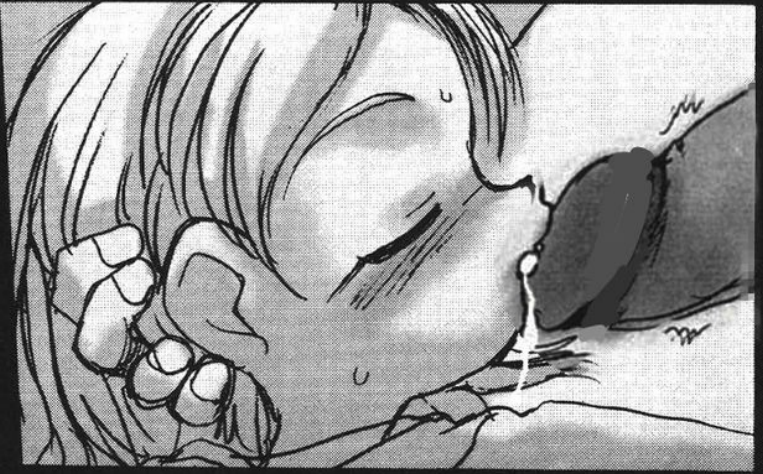

The men caressed every spot on her immature body, and pressed their hot and stiffly swollen palluses against her mouth and hands.

They particularly loved her soft belly.

They would press the tips of their penises against her thin skin, and enjoyed the feeling as smooth flesh stretched with the pressure

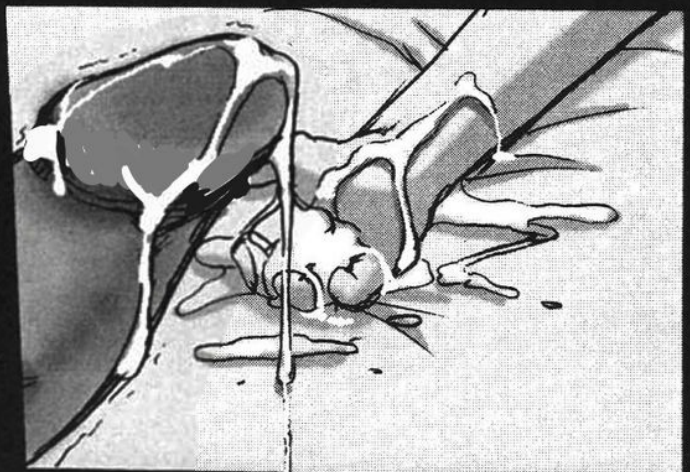

Eventually, one of the men would ejaculate in the girl's mouth.

The others followed suit, one after the other, covering the beauty of her small body with cloudy-white globs of their lust

The men repeated this for about a week

When they stopped
using the medicine,
the girl was left with
a naive curiosity, happily
playing with the men's
penises...

Was this the
result for the very
young, this innocent
ignorance?

She didn't even
hesitate when asked
to put penises into
her mouth

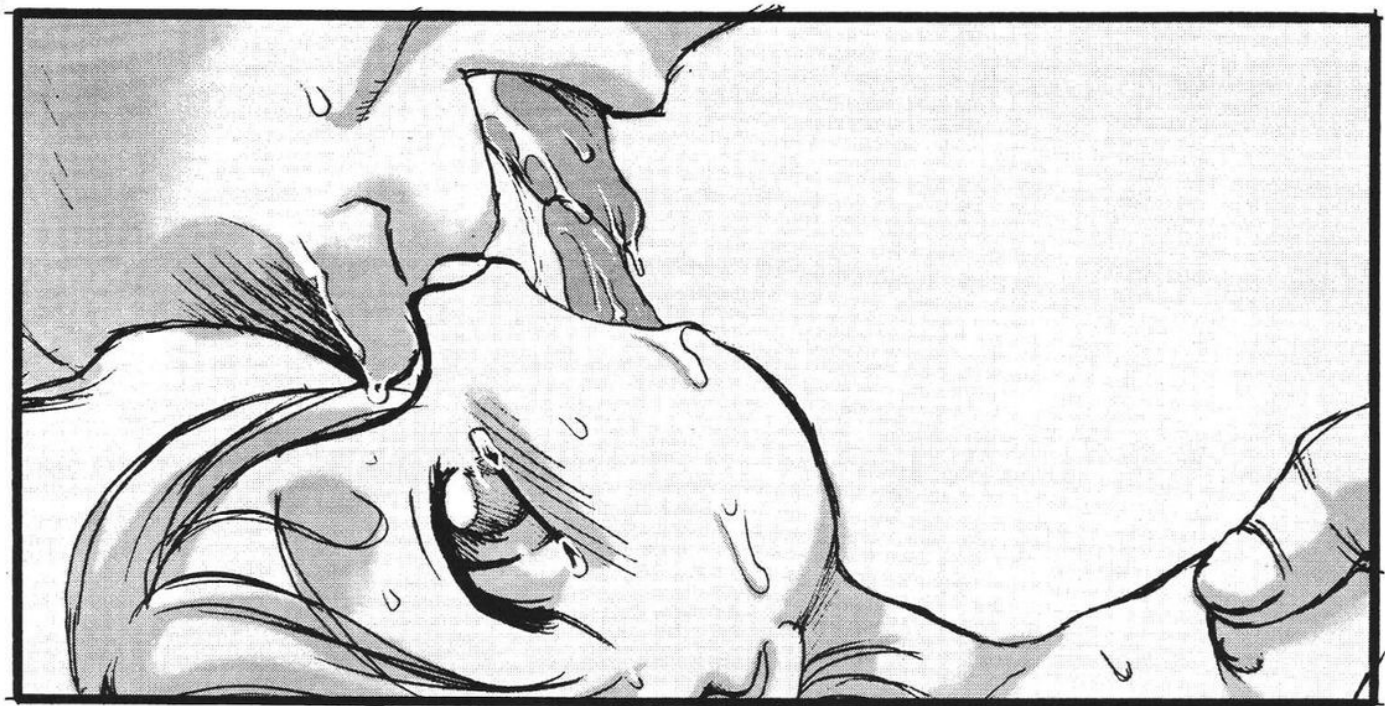

Until now

So young and ignorant, she was not afraid of sexual intercourse. But physically, her genitals could not accomodate an adult penis

Even after she left the hospital and became an "outpatient", her sex was exclusively by hand and mouth

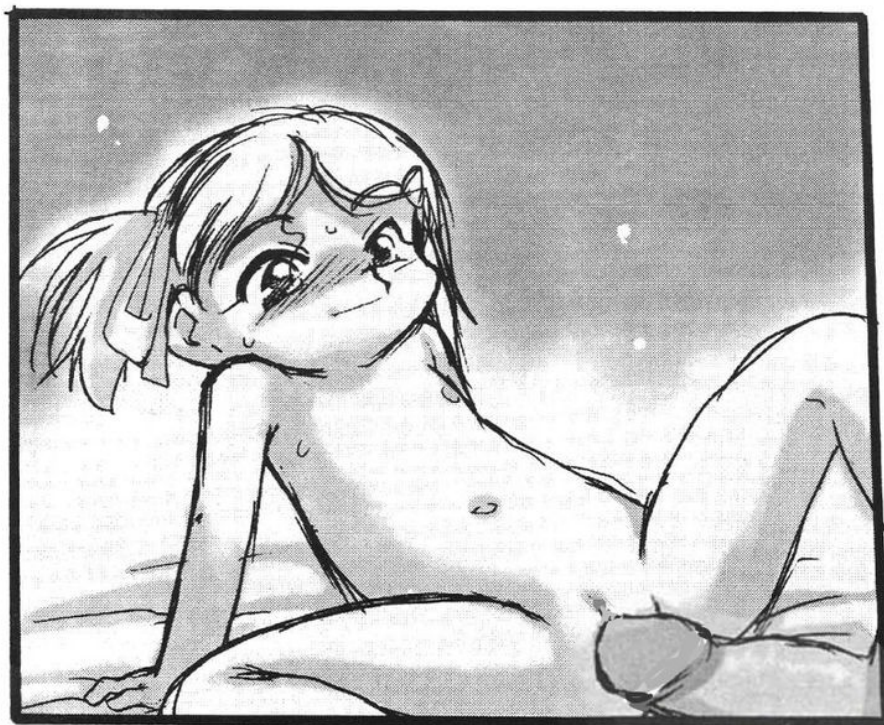

A man kissed the younger girl, a girl who did not yet understand the meaning of kisses. His big fingers manipulated her chest, as they mixed their saliva until her cheeks became flushed.

The man's finger played with her nipples, and then slid down past her belly into the little crack between her legs. Fingers separated her left and right, forming a hole, stretching her open.

Her vagina was much widened relative to her age, further evidence of the men's activities. A hymen lay at the back of her shallow opening.

Satisfied, the man pressed his hot pulsing mass against her...

"Ow!"

The girl grimaced in pain at the man's first advance. Her naive eyes were now filled with tears.

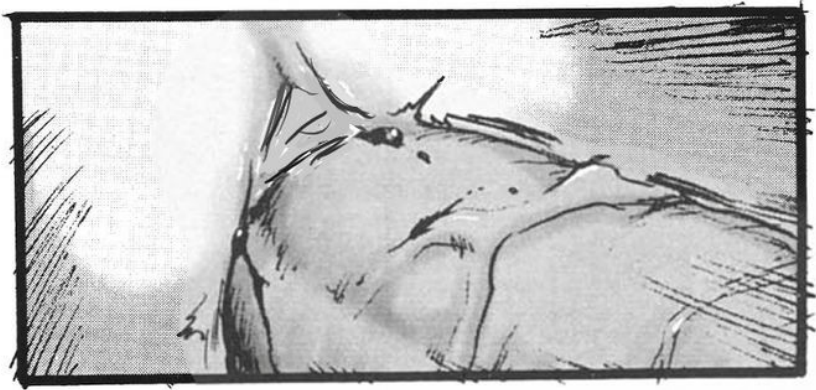

"Are you okay?"

But the girl could not respond to the man's question.

The man prepared his hips again.

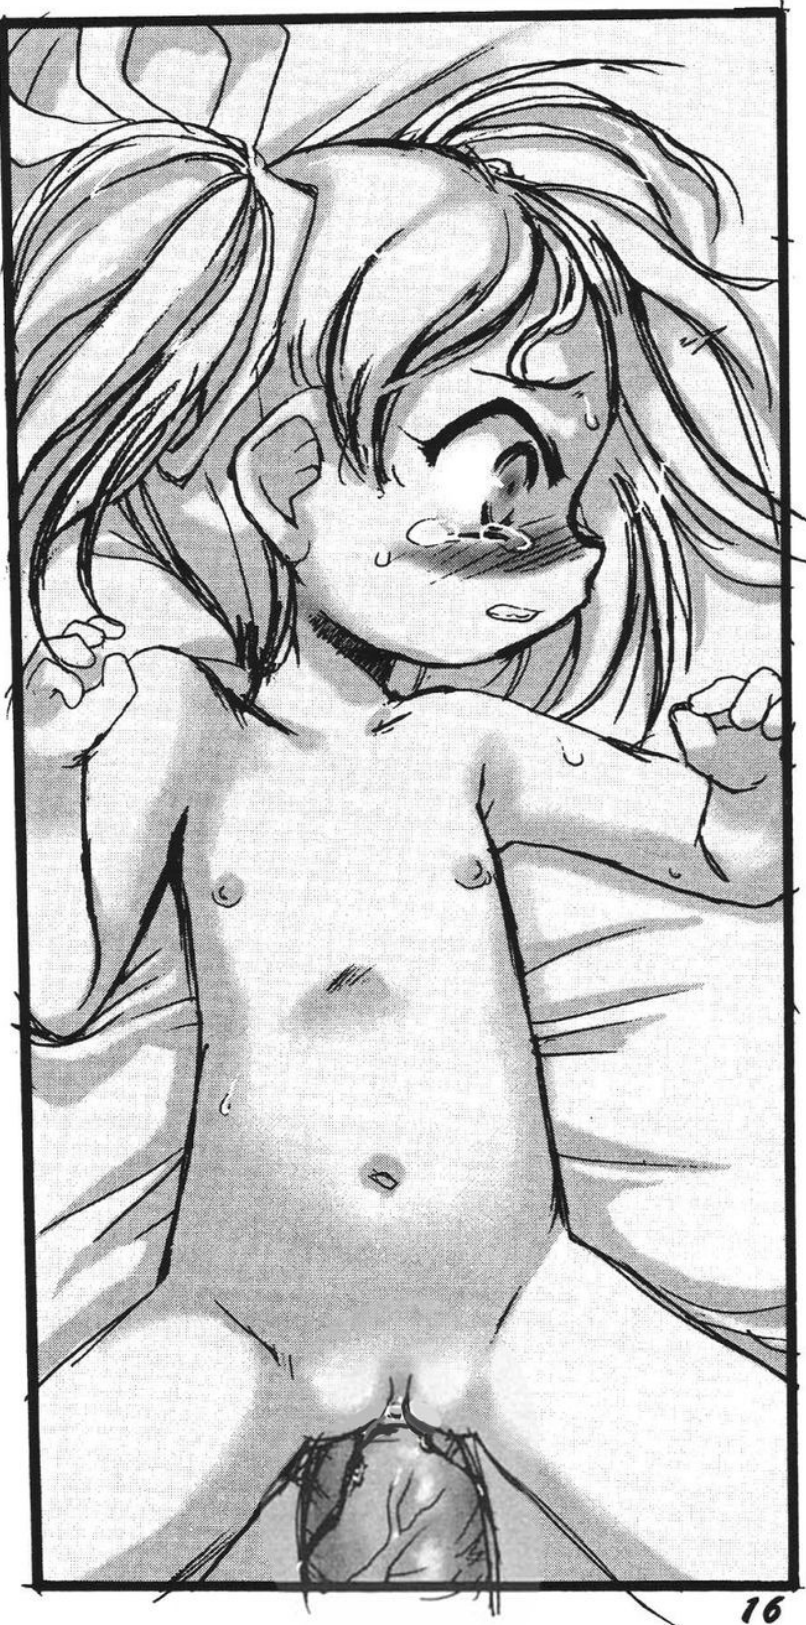

He decided that if the girl did not respond then she did not refuse

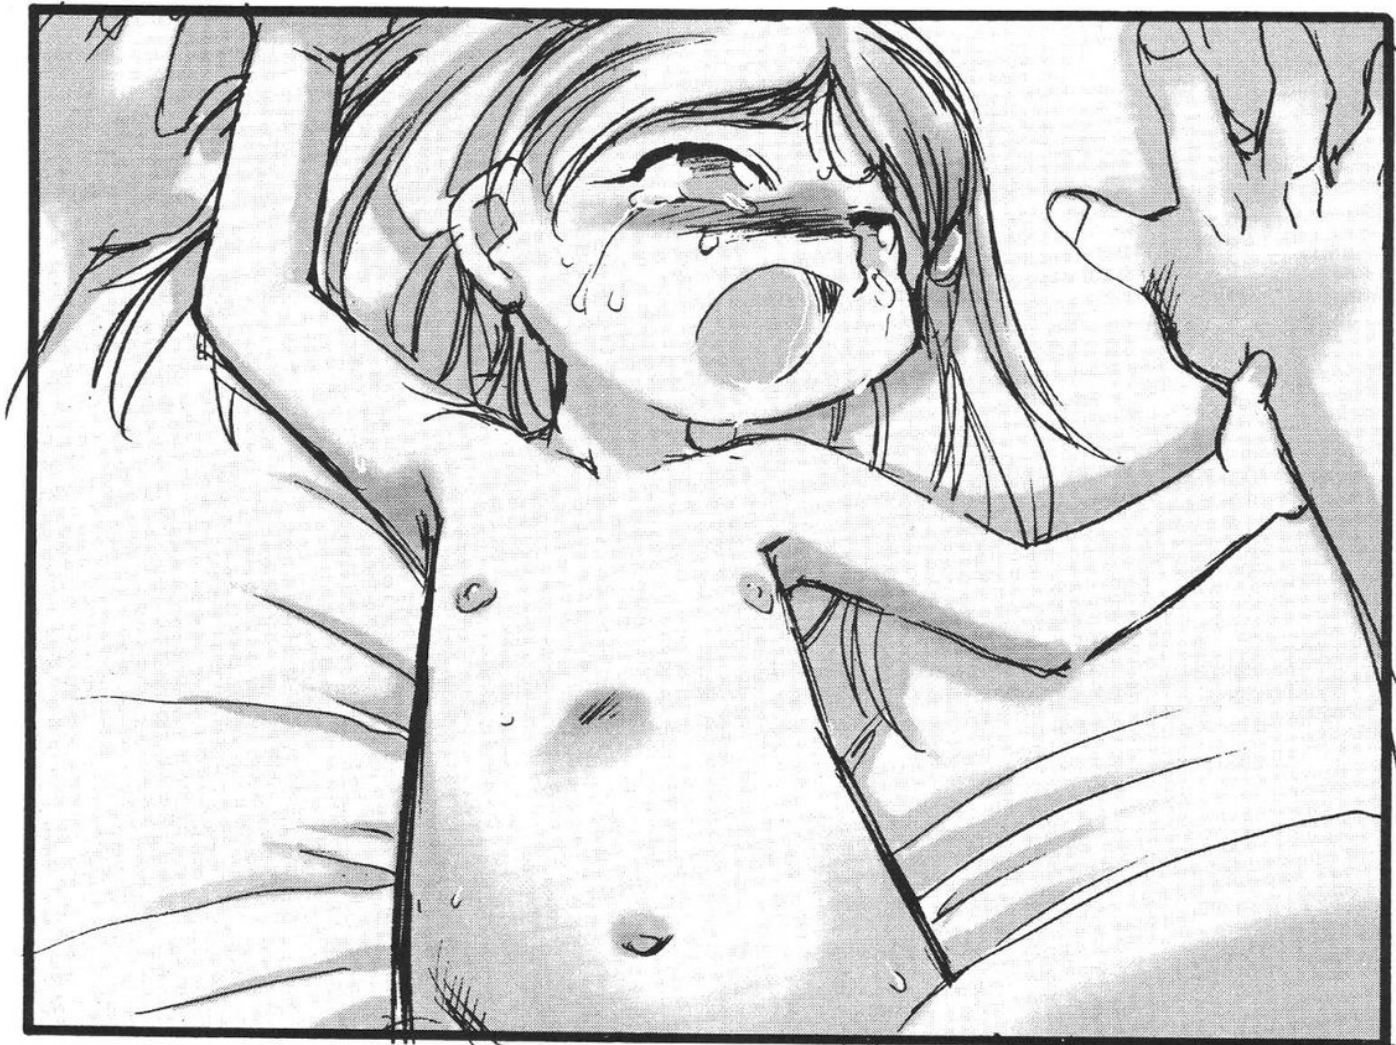

The tightening
resistance around
the tip of the glans
ceased with a pop,
and the penis
lurched forwards

Instantly, the
girl's breathing
stopped

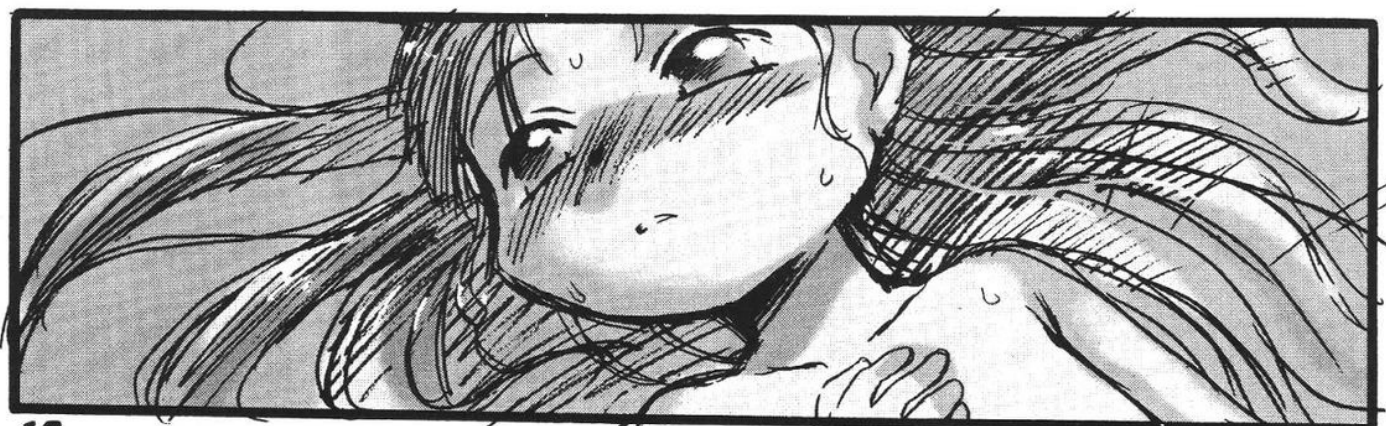

For the girl, the pain of her first time
was tremendous and overwhelming

Sweat poured from her whole body,
and her small belly rose and fell in panic

Her desperate cries finally broke
the stupor of the older child

"W... why?"

That girl rose
and approached
the younger child

"Stop it! You're
hurting her!"

She yelled, seeing
the giant cock
impaling that tiny
body

The younger
girl blinked in
response, and
mustered a faint
voice

"Onee... chan..."

Outstretched hands caught
the girl's cheeks, wet with tears

The girl tried to hold those
hands, but the younger
girl grasped her instead,
pulling her face down
to her own...

...and overlaid the girl's lips
on her own pained mouth

It was an act
born of innocence

The smaller girl
didn't think at all,
but clung to the
other girl's lips by
involuntary instinct

At first both
were surprised and
confused, but
then the older
girl began
to respond

The man
penetrating the
child was reaching
his limit

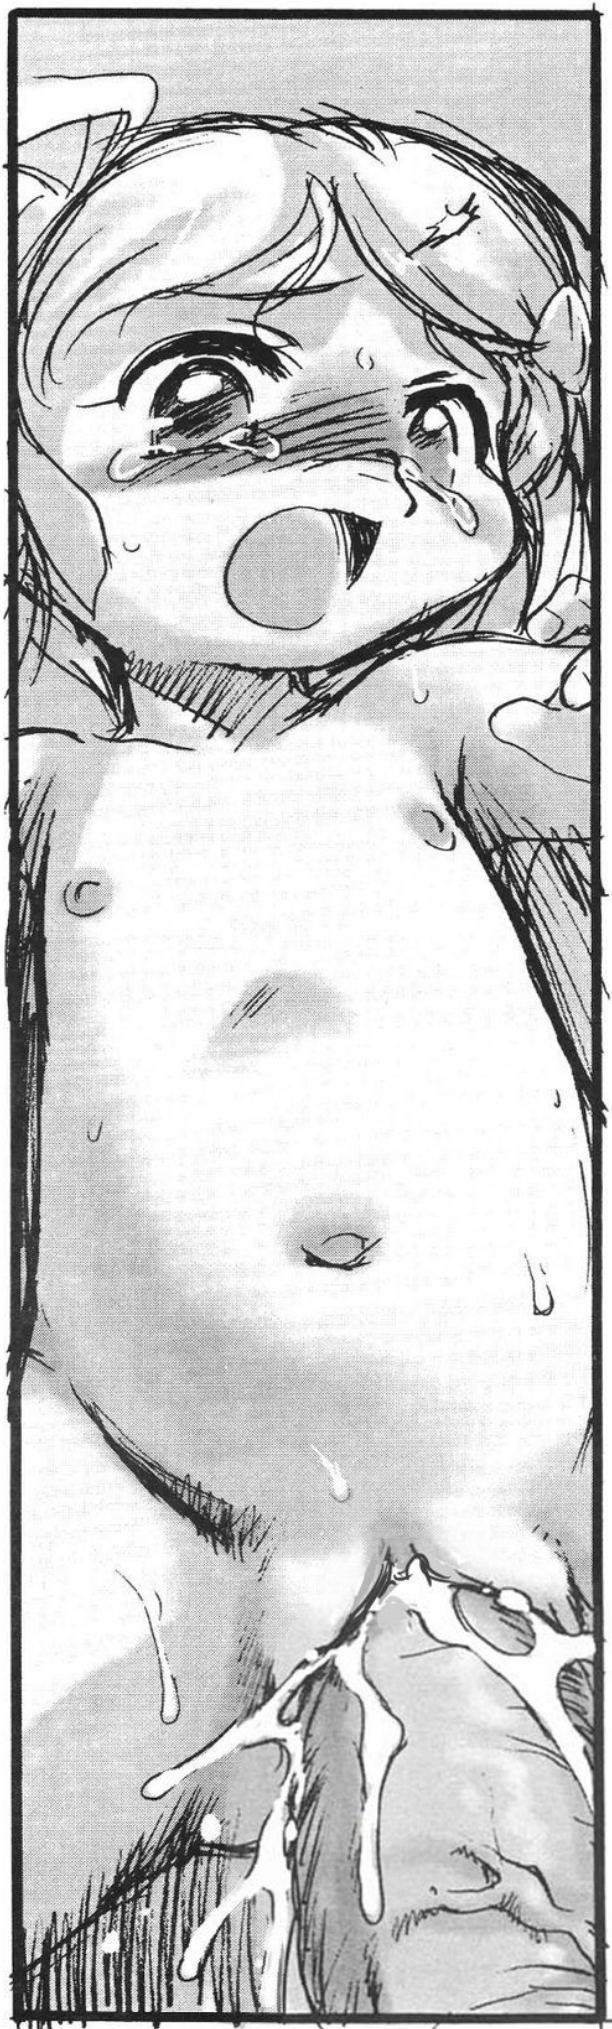

Her immature
vagina was so tight
that he could not
move at all

His penis already
reached the back
of her vagina,
and could not go
deeper

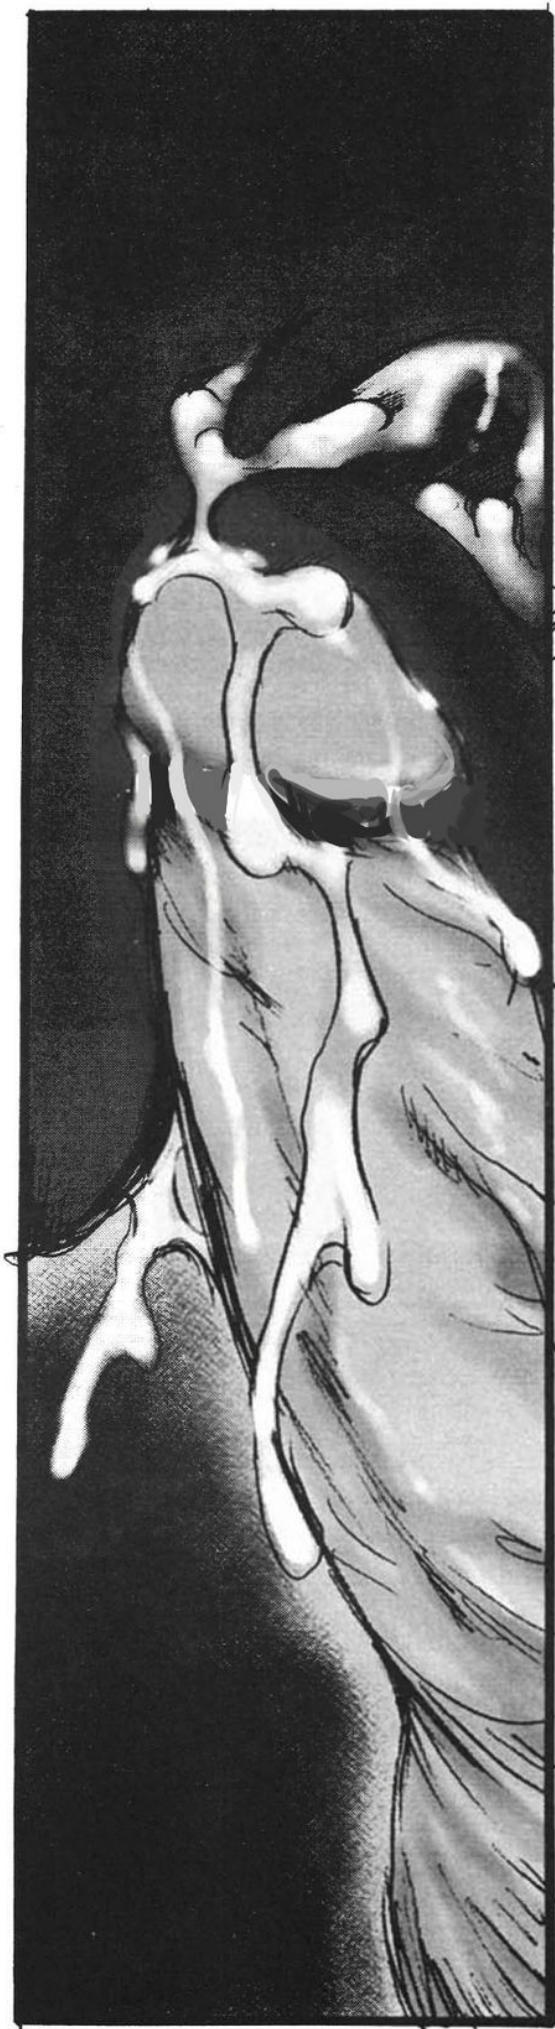

Instead,
he watched the
two girls' loving
oral intercourse

The spectacle of
the two, and the
stimulation of
his penis by the
younger girl's
vaginal walls
brought him
to climax

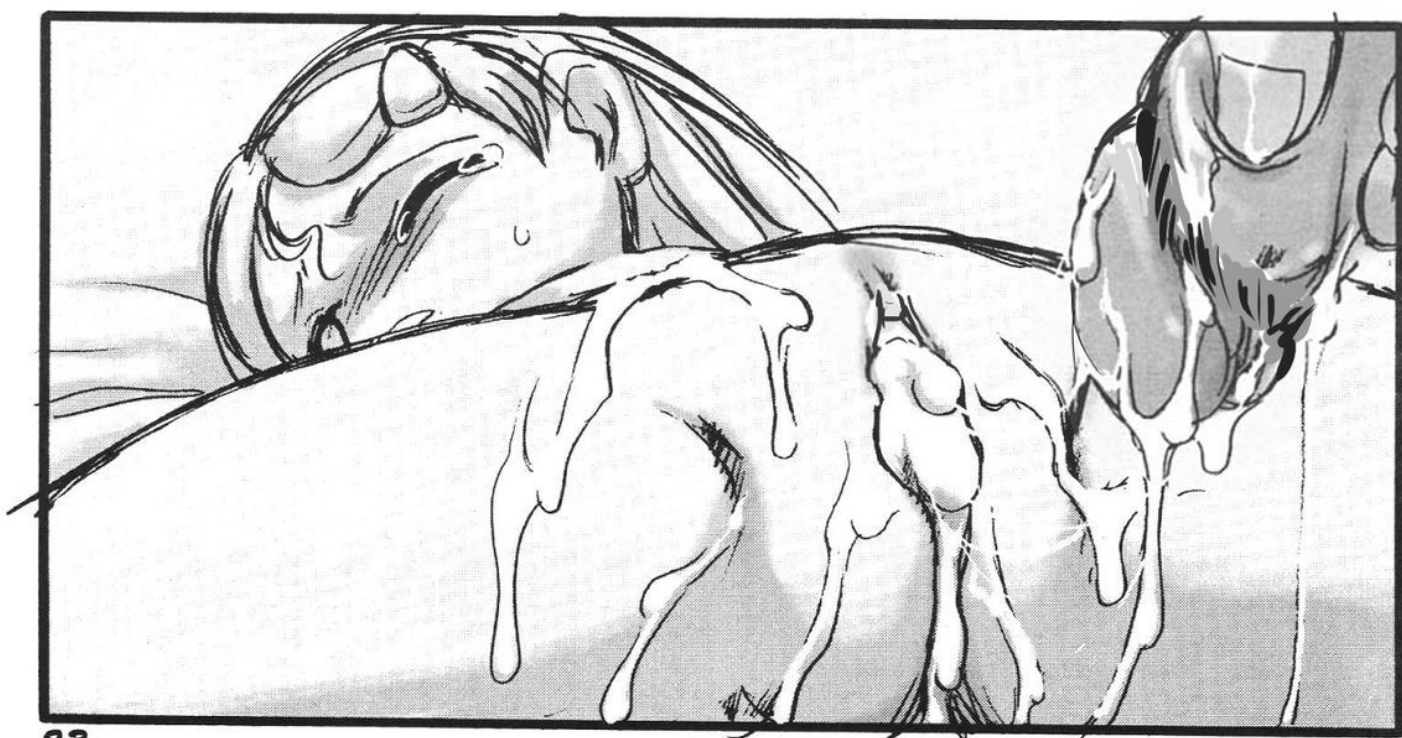

A large
amount of
semen
surged
from the
man's
swollen
glans into
the girl's
womb

The man cocked his hips and continued to ejaculate.

Squeezed by her vagina, he held the remainder of his length and cummed every last drop into the girl

Finally, his penis became flaccid, and he withdrew

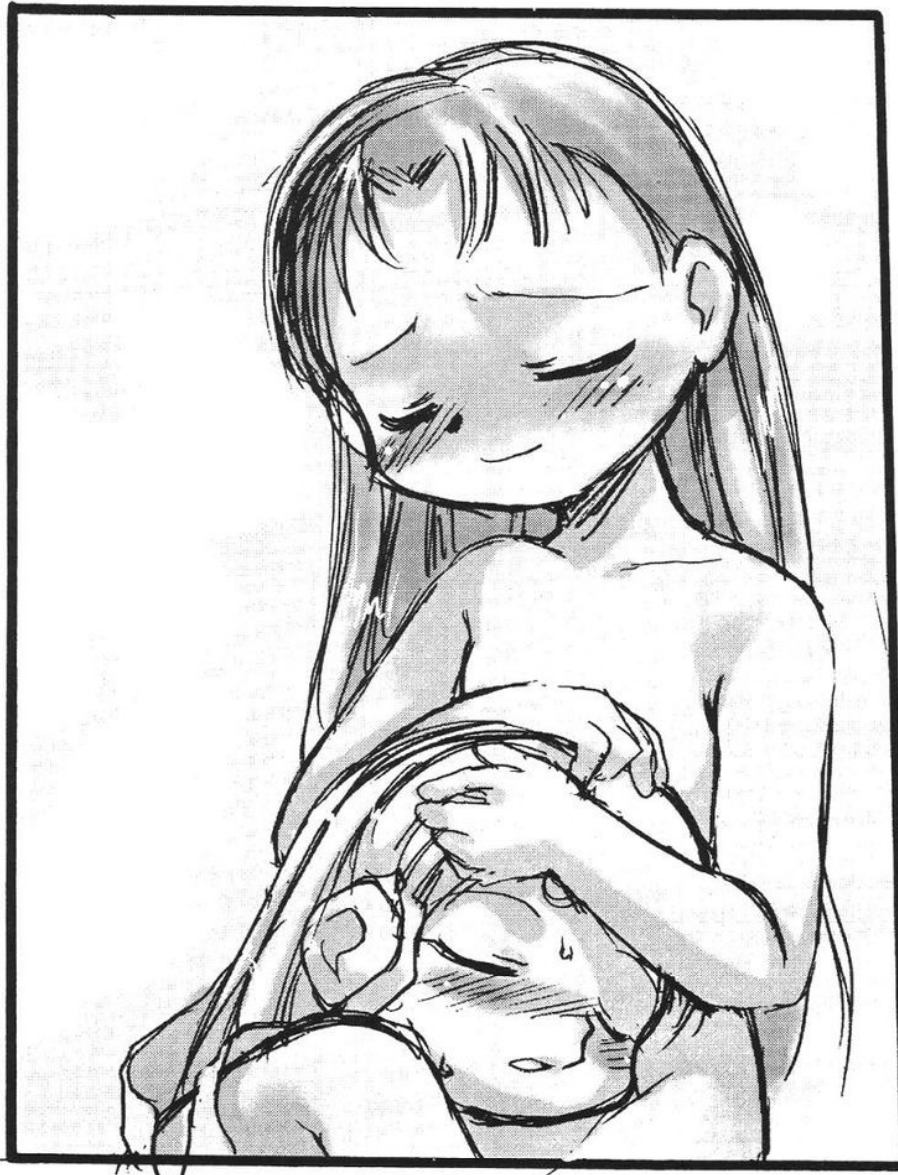

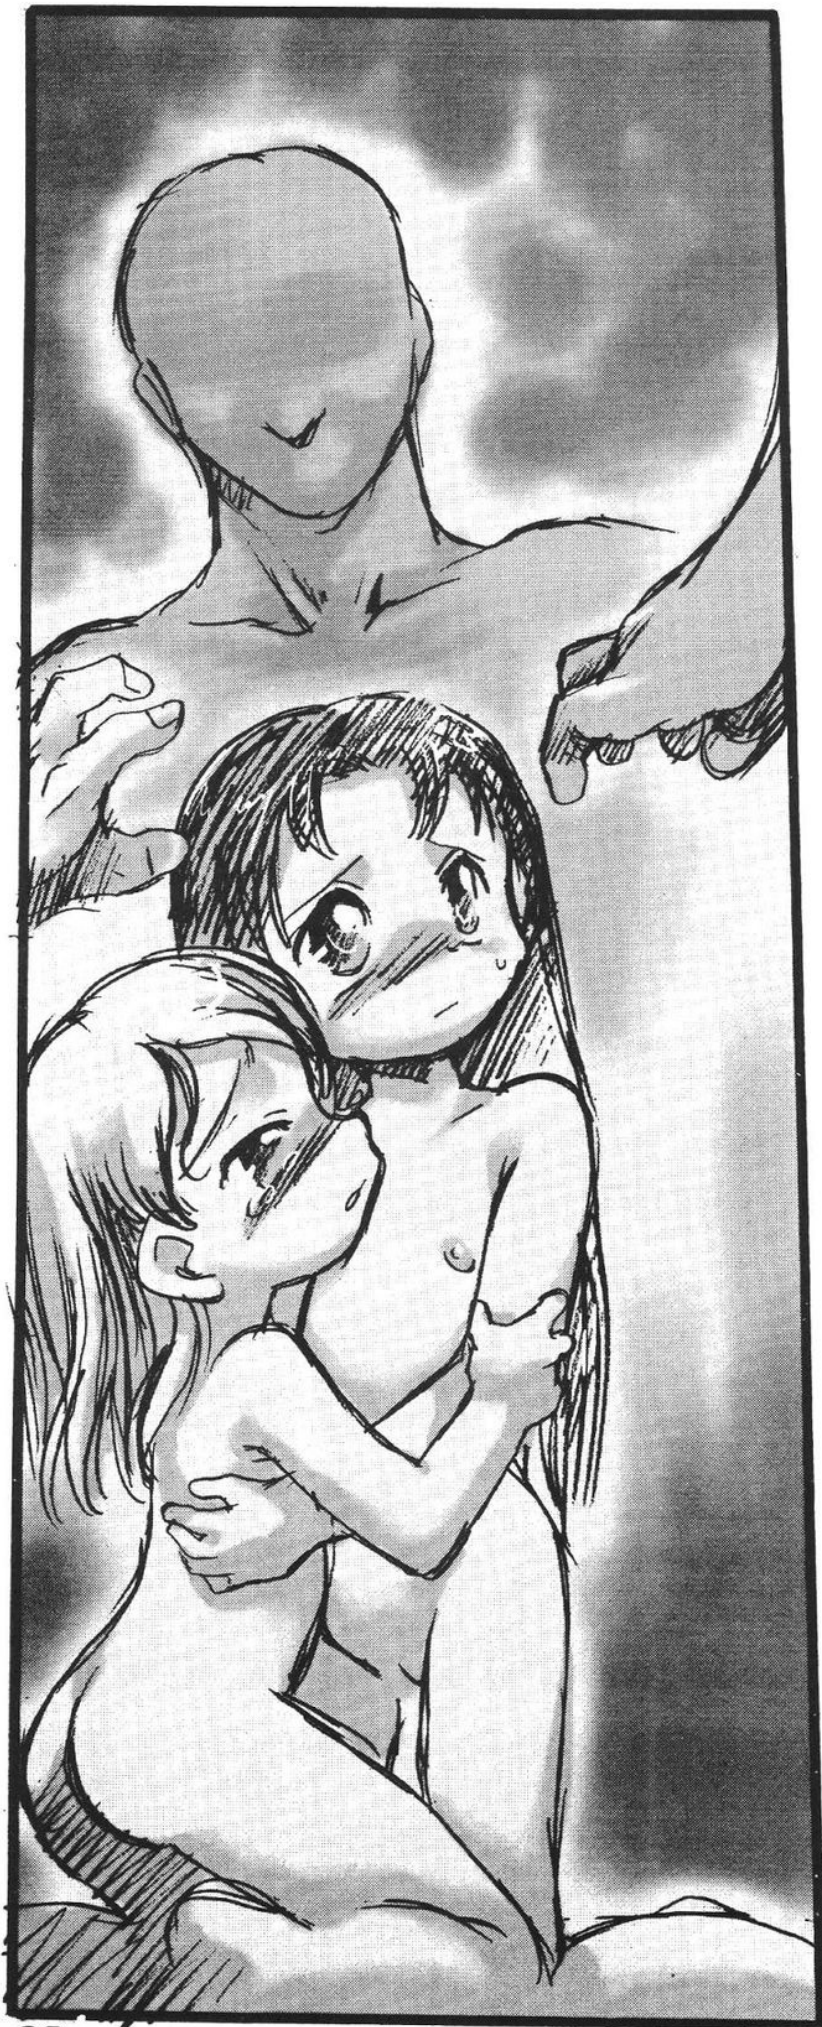

"Are you okay? Does it still hurt?"

"I'm fine... Ehehe..."

The younger girl smiled with a face full of tears.

The older girl gazed at her smile, seeing through the pretense, and hugged the other child's head with both of her hands

Men watched
them, and then
approached.

Instinctively,
the girl tried to
shrink away.

But the younger
girl clung to her.

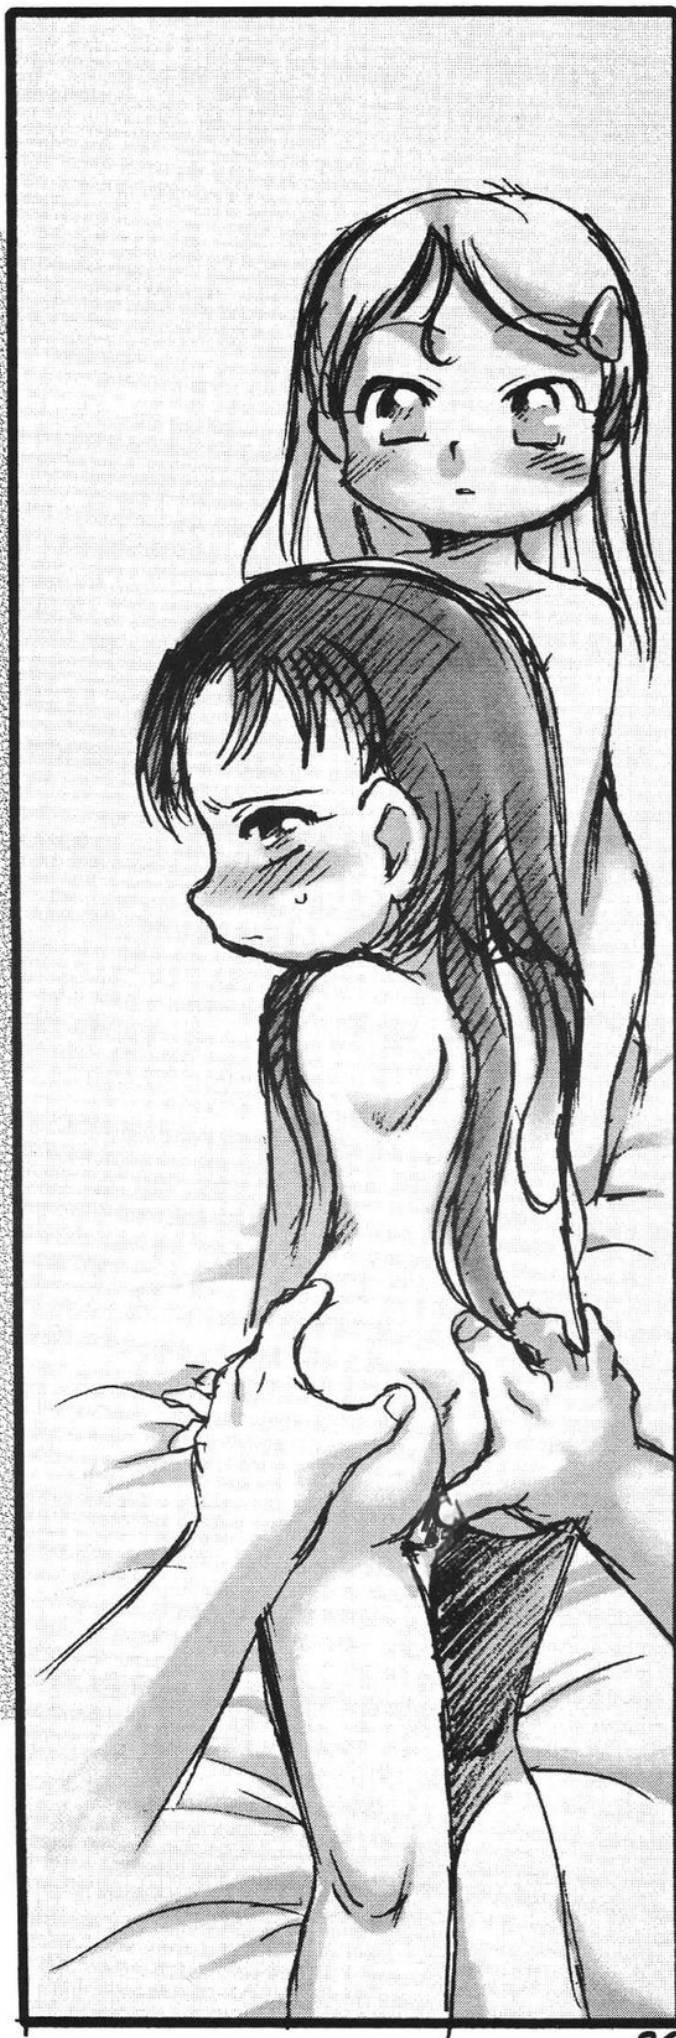

"Please...
together..."

The older girl smiled
sadly at the younger.

She paused,
as if deciding
something...

And then, she lifted
her hips and accepted
the men's groping
hands...

"Oneechan..."

The men started violating
the girls again.

They were brutal, holding
the girls' slender and fragile
bodies in their big palms

Pulsing with lust, they
buried their thick meat into
the older girl's genitals
without any mercy

But the girl accepted it

She was a lonely
girl who was raped
by many men
night after night

But now,
she was no
longer
alone.

A few days later, the girl
completed her examination,
and was allowed to leave
the hospital.

She couldn't tell anyone
about what happened.

From time to time,
she still had to visit
as an "outpatient".

But she would be together
with the girl who
was also in that room

And the two girls would
hold each other's
hands firmly.

-FIN-

主人公の女の子。名前は最初の本で一回だけ出てますが、なんとなく使いにくかったので主に「少女」と呼んでいました。

広めにとった額は赤ん坊的な幼さを表現したかったから。

もう一人の子が登場してから、体格の差をつけるために気持ちだけ胸の起伏をつけてみたり。基本的には平坦。

The main heroine. Her name only appears once, in the first book, but it was so difficult to make use of it that that I mainly called her "the girl"

I wanted to express a baby-like youth with her wide forehead

When the other child was introduced, I decided to have her chest undulate a little so that there would be a difference in physique. Still, she's basically flat

The second child.

Mainly referred to as "younger girl". I like the design. I like her childish eyes, and I like the line of her mouth. I'm also satisfied with the body made of simple lines.

Maybe the heroine lost her limelight after this child appeared.

She's a pretty fun character to draw.

もう一人の子。主に「年少の少女」と表記。

デザインの的には気に入ってます。ツリ目幼女は好きだし、ア○レちゃん風の口のラインも好き。

あとは単純な線で出来た身体のラインも、自分としては満足してます。

この子が登場してから、すっかり主人公がお株を奪われた感じ。

描いててかなり楽しいキャラでした。

何とか終わりました。検査入院。

正直、このシリーズはこれ以上続けられないと感じていました。

理由は色々ありますが、主な理由としては「これを引っ張ってると新しいシリーズに手がつけられない」「既に入院とか関係無くなってる」等があります。

特に後者は、もう今回の本に限っては裸の少女とシーツくらいしか描いてませんし。

でも、このシリーズで登場したツリ目の子はかなり気に入ったので、また使うかも。

今回かなり切羽詰った状態で作業していたので、次回の事など考える余裕もありませんでした。

受かっていれば何か出しますので、その際には宜しくお願いしますね。

あと、秋には新しい単行本「ナイショだ・よ♪」が出ます。多分出ます。こちらでも宜しくお願いします。

予告

P.A. Projectでは現在、ダウンロード販売を目指して『銭湯』の新作を製作中です。

登場人物はこの二人。

販売開始日等に関してはうちのサイトをこまめにチェックして下さい。

内容は例によって、銭湯にやって来た女の子が男達に酷い目に遭わされます。

が、今回はデザインを見ていただけると判りますが、男湯に入るにはちょっと大き目の子です。

一体どう言う事なののでしょうか？

ご期待下さい。

如何でしたでしょうか？

新作カットは今描いている作品のイメージに引きずられて、この当時のキャラとあまり似せられずに苦労しましたが、また楽しくもありました。

『^{えり}英理』と『^{のぞみ}希実』は現在も当サークルの看板作品『神の棲む山』シリーズにて活躍中（正確には、英理はこれからですが）です。
