Index and Postscript

Cover / P3-P6

Shouji Ayumu (kuma-puro)

Personally, I think to show the girl's smallness by making her stand on her knees while giving fellatio is great!

P7-P10

Yukino Minato (Noraneko-no-Tama)

It's a fresh experience for me to draw an oral sex only chapter!

P11-P14

Haguhagu (Rinjuu Circus)

Thank you for inviting me to contribute to this oral-only book! Although I was nervous being surrounded by amazing members, I was able to enjoy drawing the chapter. I want to be able to draw fascinating lewd oral sex pictures!! (I'm going to do my best!!)

P15-P18 / Book-Binding

Wancho (Wancho-ke)

They said that we would make a mouth-only book, so I thought about it deeply. In the end I drew about an oral doctor(?)

P19

Chiechan (Milk Tissue Girl)

Nice to meet you. I'm Chie. My heart beats so fast. I'm looking forward to working with you all. (Bow)

P20-P21

Sorimura Youji (Misty Isle)

I'm so happy for being invited to contribute to this amazing book, as I love blowjob scenes more than the real sex ones. I was helped so many times in (the making of) this book.

P22-P25

Yukiu Con (Meltdown Comet)

Phew... Mouth is amazing, right~ The launching of Comitia would be my pastime. By the way, crab is so dang delicious.
