

THE INVASION OF THE EMPIRE OF WILD FUCKING!!

- LEWD BREAKOUT EDITION -

A wide shot of a small town nestled at the base of a large, grassy hill. Atop the hill sits a stone castle with multiple towers and flags. A dirt road winds through the town, and a small river flows in the foreground. The sky is blue with scattered white clouds.

A SMALL TOWN,
BUSTLING WITH
ENERGY.

HERE WITHIN
THE COUNTRY'S
RECORDS,
LIES A
TOWN CALLED
MORINO.

A medium shot of three women with long pink hair and green eyes. They are wearing white off-the-shoulder tops with ruffled edges. The woman on the right is also wearing a purple skirt and a gold necklace with a blue gem. They are standing in a town square with stone buildings in the background. Other townsfolk, including a woman in a brown dress and a child in a pink dress, are visible in the background. The woman in the foreground is looking up with a surprised expression.

LORETTA'S
DAUGHTER, TOO,
WITH AS TRIM AND
CHEERFUL AS SHE
IS, IS LIKE A BIG
SISTER TO THE
TOWNSFOLK.

LADY LORETTA
HAS A GOOD
REPUTATION
AMONGST THE
TOWNSFOLK,
ARISTOCRATS
AND CITIZENS
ALIKE ADORE
HER.

MORINO'S
PEACEFUL
DAILY LIFE
WILL COME

TONIGHT
WILL TAKE
A TURN FOR
THE WORSE.

If threats don't work, we'll just have to bait 'em out!

Fufun!

Oh, of course! Bring the female knights we captured over here!

Yes, ma'am!

Well, we tried. We'll haf'ta break it down!

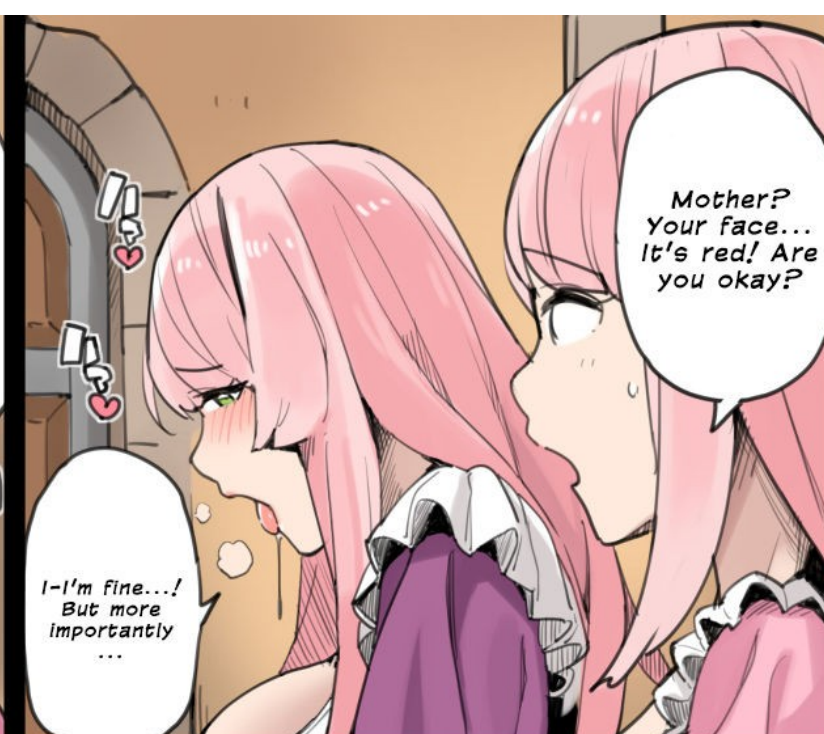

But those bastards sure are stubborn, they're taking their time...
