

Kono Yo no Saigo ni Miru Yume
A DREAM TO HAVE AT THE END OF THE WORLD

Vol.3

Are you cleaning?

It'll dirty your uniform

Fine ...

So yeah, I'm fine

Shall I give you a hand?

Eh? Ah... yeah

...it's fine

like a gentleman

You really are kind. Ehehe

Sensei...

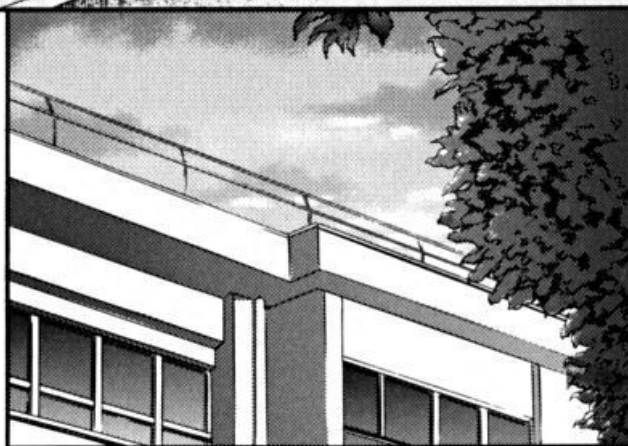

Why did I become silent...

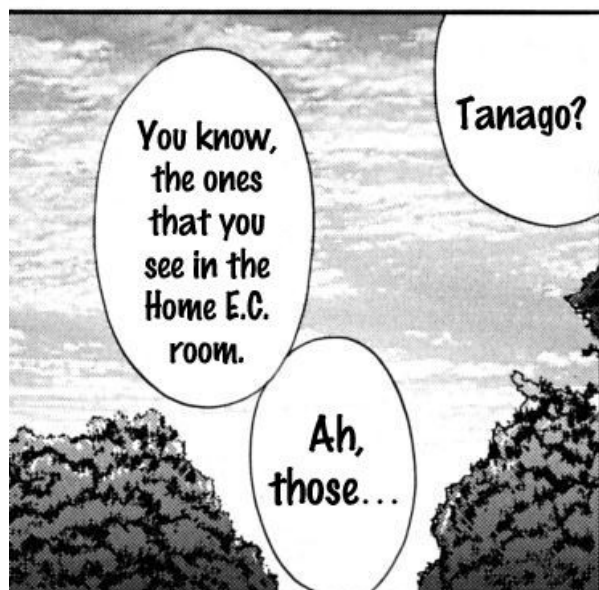

ah... I see

What's with her...
and I can see her
panties...

Bother me...?

I really wanted to chat with you

Err... I wasn't. To be honest,

But I didn't want to bother you...

The girls in my class...

Where?

Ah, it's Terashima sensei

Don't call him that

Eh, I can't believe you like that jiji

Don't you know, he's pretty popular

I see

That's what is good!

Eh, but isn't he an old man? He's twice our age!

Uwa, isn't that bad?

You're right

Over there

ガッ

~
Huh?
?

~~~~~

Didn't  
know you  
were that  
popular...  
sorry

I...

That if  
I'm by  
your side  
  
We  
shouldn't  
be so  
close...

That's  
why, i  
think it's  
not good

But you received lots  
of chocolates during  
valentines' day. And  
there's rumours  
  
About  
girls  
chasing  
after  
you...

I'm not though Me? Eh?

.....  
  
I don't  
know  
about the  
latter

I'm tiny and  
others think of  
me as annoying  
and an idiot

Because  
...  
  
Me?  
  
But why  
someone  
like...

Get in my way...?  
I've never once thought about that

But

Didn't you feel troubled when I said

I love you that time?

If I hang out near you, it'll

Damage your image right?

I just felt like I shouldn't get in sensei's way

What's with that

Because sensei is kind, you must have forced yourself to comply with my wish, no?

More-over...

I was trying to hold back as best as I can so you won't hate me

That's...

Err~

....

I did my best so

As not to cross paths nor

Speak with you

Err,  
what I'm  
trying to  
say...

Ah...

That  
is...

But I am  
glad to be  
feeling this  
way towards  
you.

I don't know  
what sensei  
feels

But it's  
different  
with  
sensei...

It's not like  
I have any  
friends, nor  
do I want  
them.

It's because  
sensei is  
special...

That I keep  
thinking  
about you  
everyday...

I don't  
know  
what I  
should  
do.

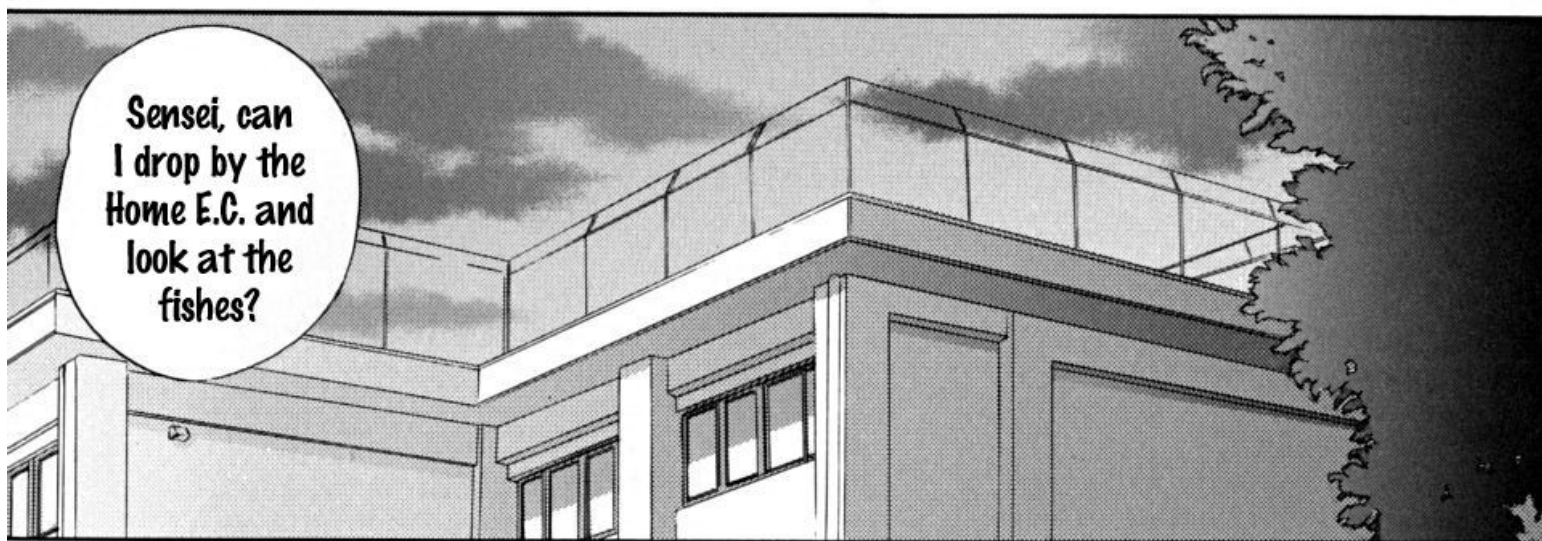

Err...

Lately it's been  
really hard to  
hold back...

I'm not sure  
how to put it  
into words  
but...

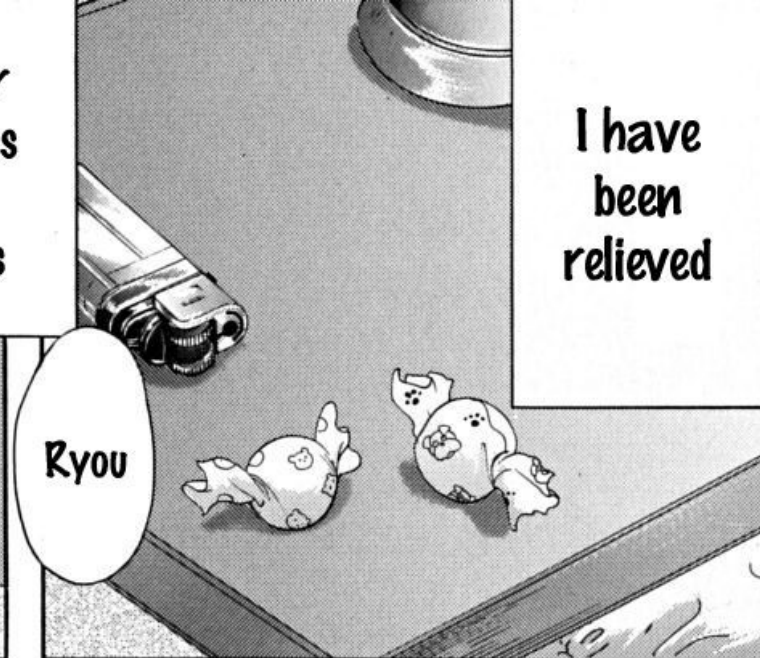

Geez,  
everything's  
a mess  
again

By her  
feelings  
and  
words

I have  
been  
relieved

Ryou

Ah?

You know, you  
don't have to do  
that every time  
you come over...

Hey  
Ryou,  
what is  
this

Hm?

This

Huh,  
are you  
cleaning  
up my  
place  
again?

It's  
funny,  
isn't it?

It's like she's a  
grandma from  
osaka...

Ah, a student  
gave it to me.  
Told me all I  
did was  
smoke.

Hmm  
...

Be careful out  
there. High school  
girls these days  
are really weird.

They'd do anything  
for money, run  
away from home,  
having affairs...

She's  
not  
like  
that.

We don't know  
what this girl does  
when you're not  
looking either.

This  
isn't like  
you at  
all,  
Ryou.

...hmm

I-is  
that  
so?

Eh?

You've never  
talked about your  
students with a  
smile like that...

You'd feel bad too, right?

If someone were to mock your students...

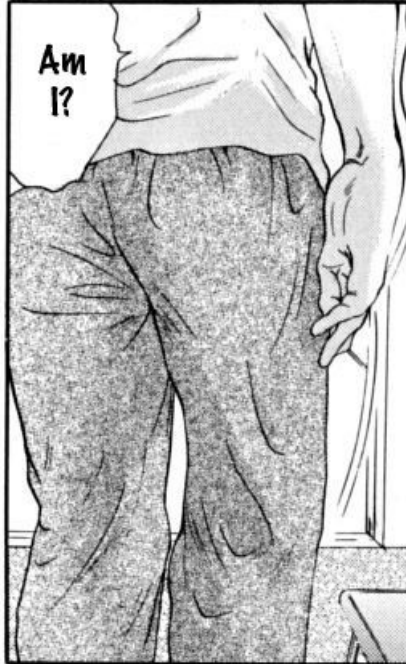

You... don't have to get that angry.

It feels... bad, don't you?

'Cause... you're talking about another girl with a smile on your face

Am I?

I was just trying to tell you to be careful

You're acting really weird, Ryou!

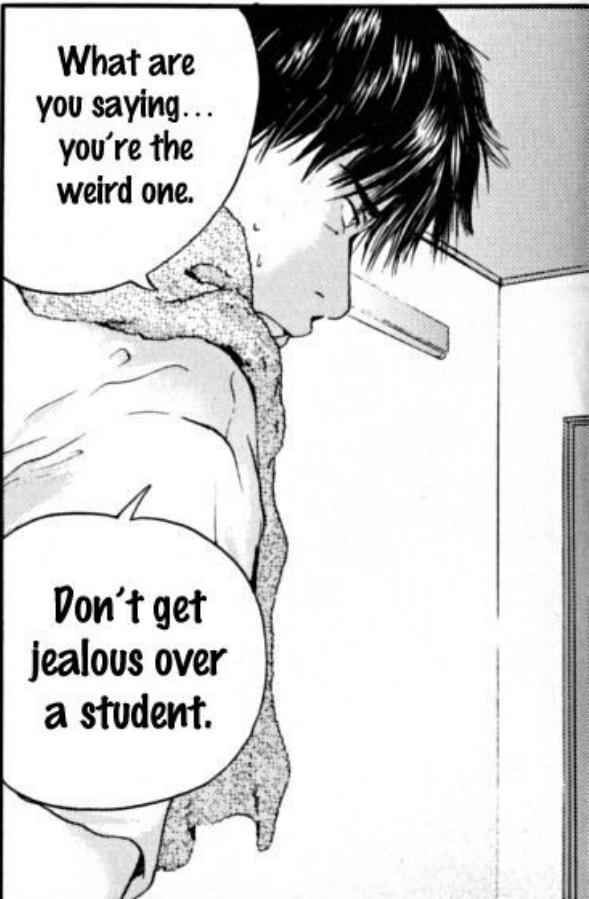

Act your age, how long are you going to act like a freeter? Even your parents...

I'm not. You're acting really weird. Do you hold some sorta special feelings for that girl?

No

It's because you're like that, you can't hold onto long term relationships!

What are you saying... you're the weird one.

Don't get jealous over a student.

If  
you're  
gonna  
say  
that...

Fine.  
it's  
all my  
fault

It has  
nothing  
to do  
with my  
parents...

Hey  
...

.....

I can't be  
bothered  
...

Sensei

Ah

Special feelings  
huh...  
It's not like I  
have zero...  
But she's my  
student...

Home E.C.

Don't  
you  
"I'm  
here"

Eh

Classes  
are  
running  
now!

I'm  
here.

I did  
but I  
didn't  
say you  
could skip  
classes...

But you  
told me  
to come  
whenever  
I want

Fine, only  
this time,  
ok?

Un  
♡

I know  
you're  
here  
at this  
hour...

But... i  
wanted  
to chat  
with  
you...

That ain't  
gonna  
fly... it's  
obvious...

I'M NOT, I TOLD  
THE P.E. TEACHER  
THAT I DON'T  
FEEL WELL!

Feel  
excited?

Don't  
you

Er...

this  
room

It reminds  
me of that  
day

Or is it  
just me?

Don't you  
feel like  
that too?
