SO YOU MIGHT ASK WHY I UPLOADED THIS AGAIN, WELL...

I like the colors a lot, don't like absence of hair, especially since Jingrock puts extra care into it.

Wait, the fuck? Her bush is gone. Fucking lame. Amazing colour work and decensorship but that's almost a deal breaker. Almost.

Nice colorization but it's a shame the bush is gone :/

Why the sudden change to clean shaven?

wait! you are that guy that removed the pubic hair of the oka-san in the other manga.

grrrr my anger towards you will never subside!!! but this ones good.

The lack of pubic hair hurts

I was gonna download this but that dude removed pubes. Fuck off.

WHERE IS THE FUCKING BUSH!!!? HOW DARE YOU REMOVED IT!

God, I love this kind of thing from Jingrock. One of the GOATs. This is super good, but like everyone said the lack of hair is super depressing. THAT is one of the things I love most about their work. T\_T
