お兄ちゃん

オムツ

濡れてない？

Aniki!!

Today I
did it
again...

Ha...

You didn't
do it again
today did
you?!

Ah...
It's full today
too...

Wait...
Stop...

Don't enter
my room
without
permission!

Stu...
Stupid...
Remove it
quickly

I wonder when
you will be
able to stop
wearing
diapers...

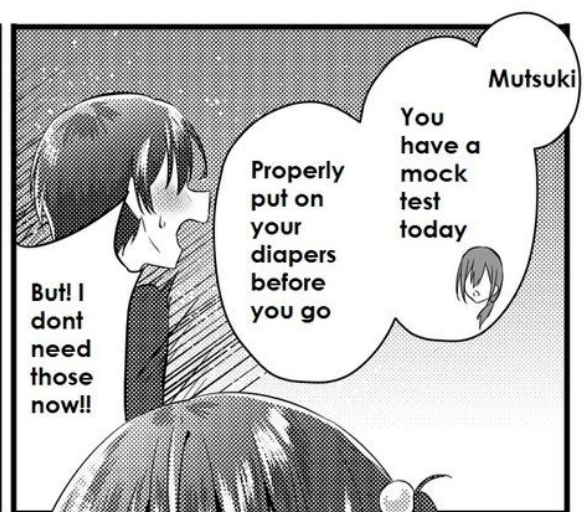

Besides,
why does
my imouto
need to...

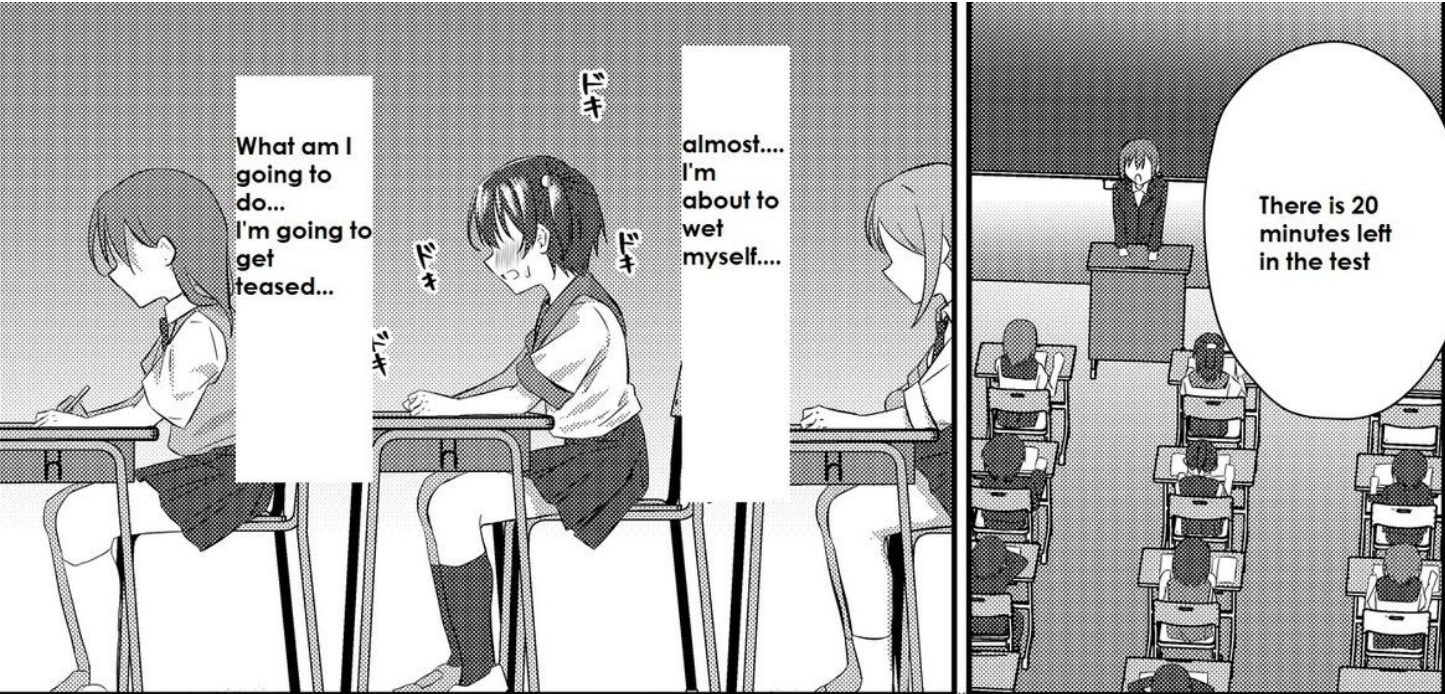

Are?
Mutsuki-
chan you're
hard aren't
you?

There's
no way
that's
true!

If you find it
so
embarrassing
then fix your
bedwetting!

Because
mom
told me
to...

What am I going to do...
I'm going to get teased...

almost...
I'm about to wet myself...

There is 20 minutes left in the test

It feels really uncomfortable around my crotch...

I have to focus on the problem...

I cant focus...

I cant think straight...

Yuuki,
You Liar

Da..Dame!!!
I'm not going to make it!

じょろろろろ

Next it's
Onii-chan's
turn

Okay,
We are
done
now

bu...
but...
I just
couldn't
hold it
in...

Yes yes,
baby
mutsuki-
chan

Those dirty diapers
must have felt
uncomfortable, I'll
change them now

To think you
would actually
wet yourself...

No
way...

Obviously,
What if you wet
yourself during the
day while im not
here, that would be
bad wouldn't it

Eh?
Change
them?!

I have to
wear
diapers
again?!

Are, Onii-
chan aren't
you
wearing a
cute outfit~

I'm
home

Don't
look at
me so
much...

Cant
wear
pants
like this
can you

He can't
wear his
old
clothes
anyway

I gave him
some of your
old clothes
yuuki, It's
much easier
to change a
diaper in a
skirt

You
need
Diapers
even if
you dont
want to

Well, u wet
yourself at
the test...

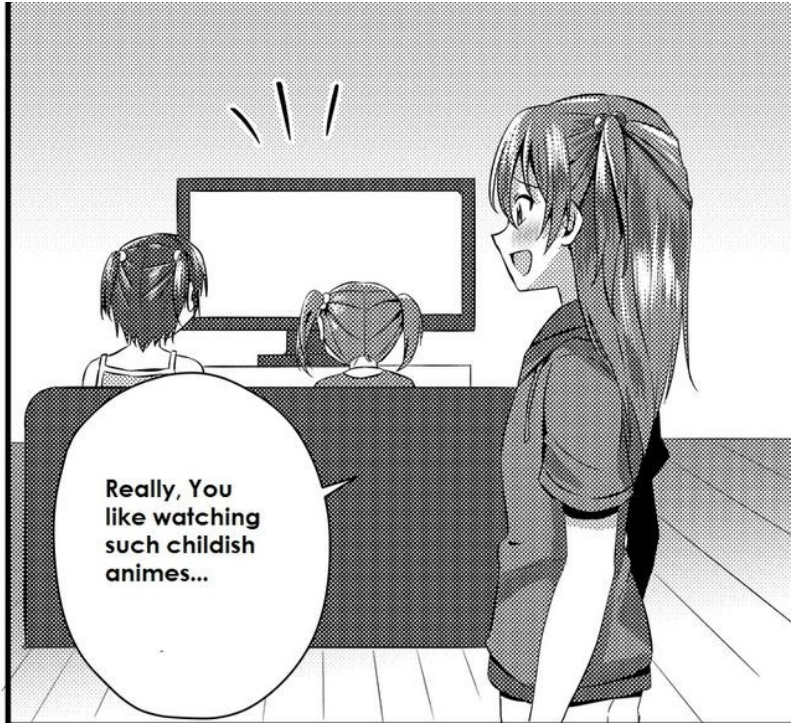

It can't
be
helped...

Yes
yes

Like this it
looks like
you are my
imouto...

If you say it
in such a
cute outfit it
isn't
convincing
at all

This is
just for
today
okay...

Really, You
like watching
such childish
animes...

No
Way
?!

MAMA!
Onii-chan is
wetting himself!!

Bu...but...
By the time
i noticed i
was already
wet...

Aren't you
embarrassed
to have wet
yourself in
front of your
two imoutos?

True...
Mistuki
hasn't
wet
herself

Really....
I can't tell which
one of you is the
baby here...

I'm not a
baby
anymore!

really...
thats an
excuse a
toddler
would
use...

Here, be a
good boy
and let me
change your
diaper

たふいん

For big babies we have the perfect big size! It has colourful patterns that children will love!

Fufu,
It feels like i have another baby now

Yes,
You will have to wear
diapers during the day
because im worried about
you wetting
yourself

Also, until you can
get out of diapers
you will have to wear
yuuki's old skirts so I can
change your
diapers

No way
....

Safe
even
when
wet!
Meripers
for big
girls!

So?
Are you
happy to
get cute
diapers
from mom
onii-
chan?

From now
on you will
need to
always
wear a
diaper

A
diaper
that
won't
come
off for
a big
girl!

haha...
This is the
same one
onii-chan is
using

I agree!

no way...

It just happens to be a holiday, shall we all go shopping?

You have had to change them everyday...

Ara, I have run out of diapers for mutsuki

What should I do... I really did come out in this outfit...

Don't say it in such a loud voice please...

Onii-chan your diaper isn't wet is it?

からやんの紙おむつ

If you don't know you can an attend ant

Can i get some help!

Wha ... What ?!

Here, Since you're so big you can buy it by yourself

Then i'd recommend these onee-chan meripers

This girl can't wear it herself so the tape type is okay

Then would you like the big girl pants type...

Okay ojou-sama, diapers it is

Um... I need diapers ...

Here, Tell her what you need

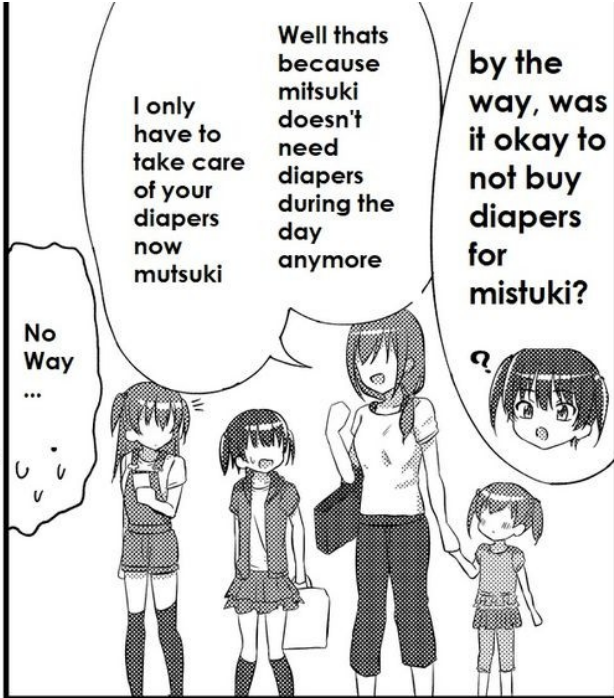

Isn't that good mtsuki. Now if you wear these you can seem like an onee-chan

Girls want to be pretty

Now that you mention it... Isn't mutsuki wetting himself?!

I only have to take care of your diapers now mutsuki

Well thats because mitsuki doesn't need diapers during the day anymore

by the way, was it okay to not buy diapers for mistuki?

No Way ...

うん そうですね

光季はもう本当に姉ちゃんにパンツでしよ

Mutsuki-chan I hope you can quickly fix your wetting problem

Now lets quickly put these on, They suit you very well

ahh... Only mutsuki-chan... how nice...

E...Even if you say that, Isn't it impossible...

That's a great idea! Because my school is private it might work!

Wa.. Wait...

Mutsuki, do you want to redo Δ school?!

But like this...it will cause a big problem going to school

Here, let me see

You couldn't stop wetting himself, So you got held back didn't you...

Hey hey... Is this really your big Onii-san?

Wow! It's true! You're wearing diapers! like a baby!

If you wet yourself, tell me right away and ill change it for you

Then can
everyone
help change
him?

Yes!

Sensei!
Mutsuki-chan
wet herself
again!

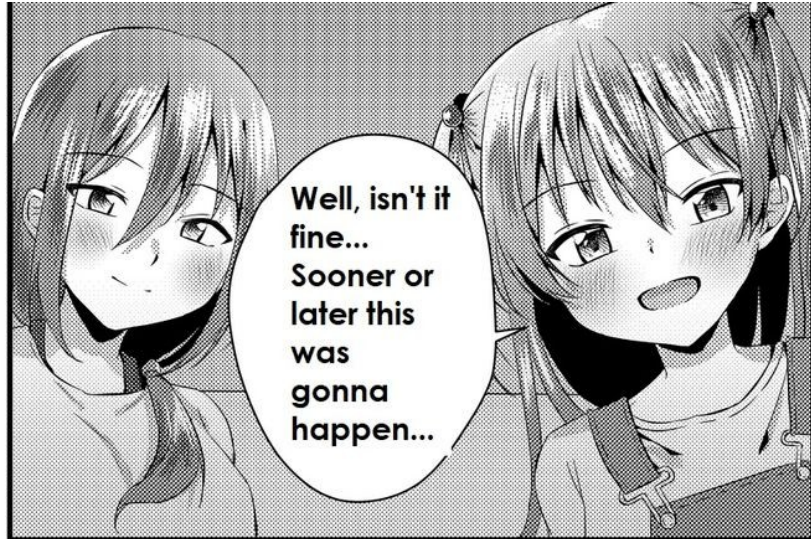

Is wetting
yourself at
your old
school
embarrassing?

As always
you have
a cute
small
dick don't
you~

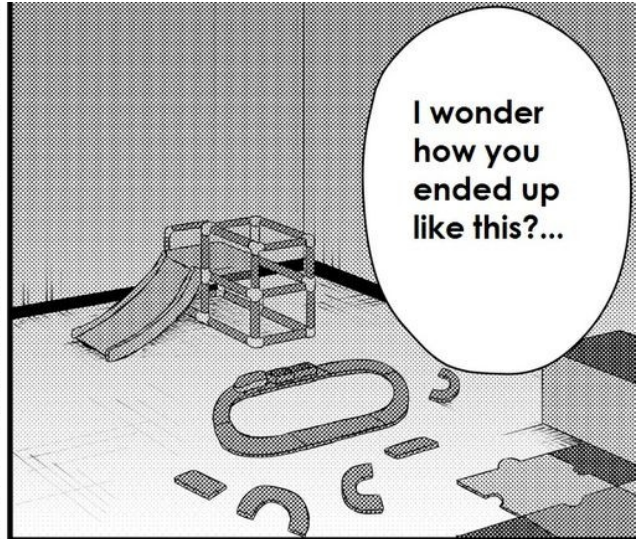

Isn't wetting
yourself so
unpleasant

How do you
feel having
younger
△school
students
changing
your diaper?

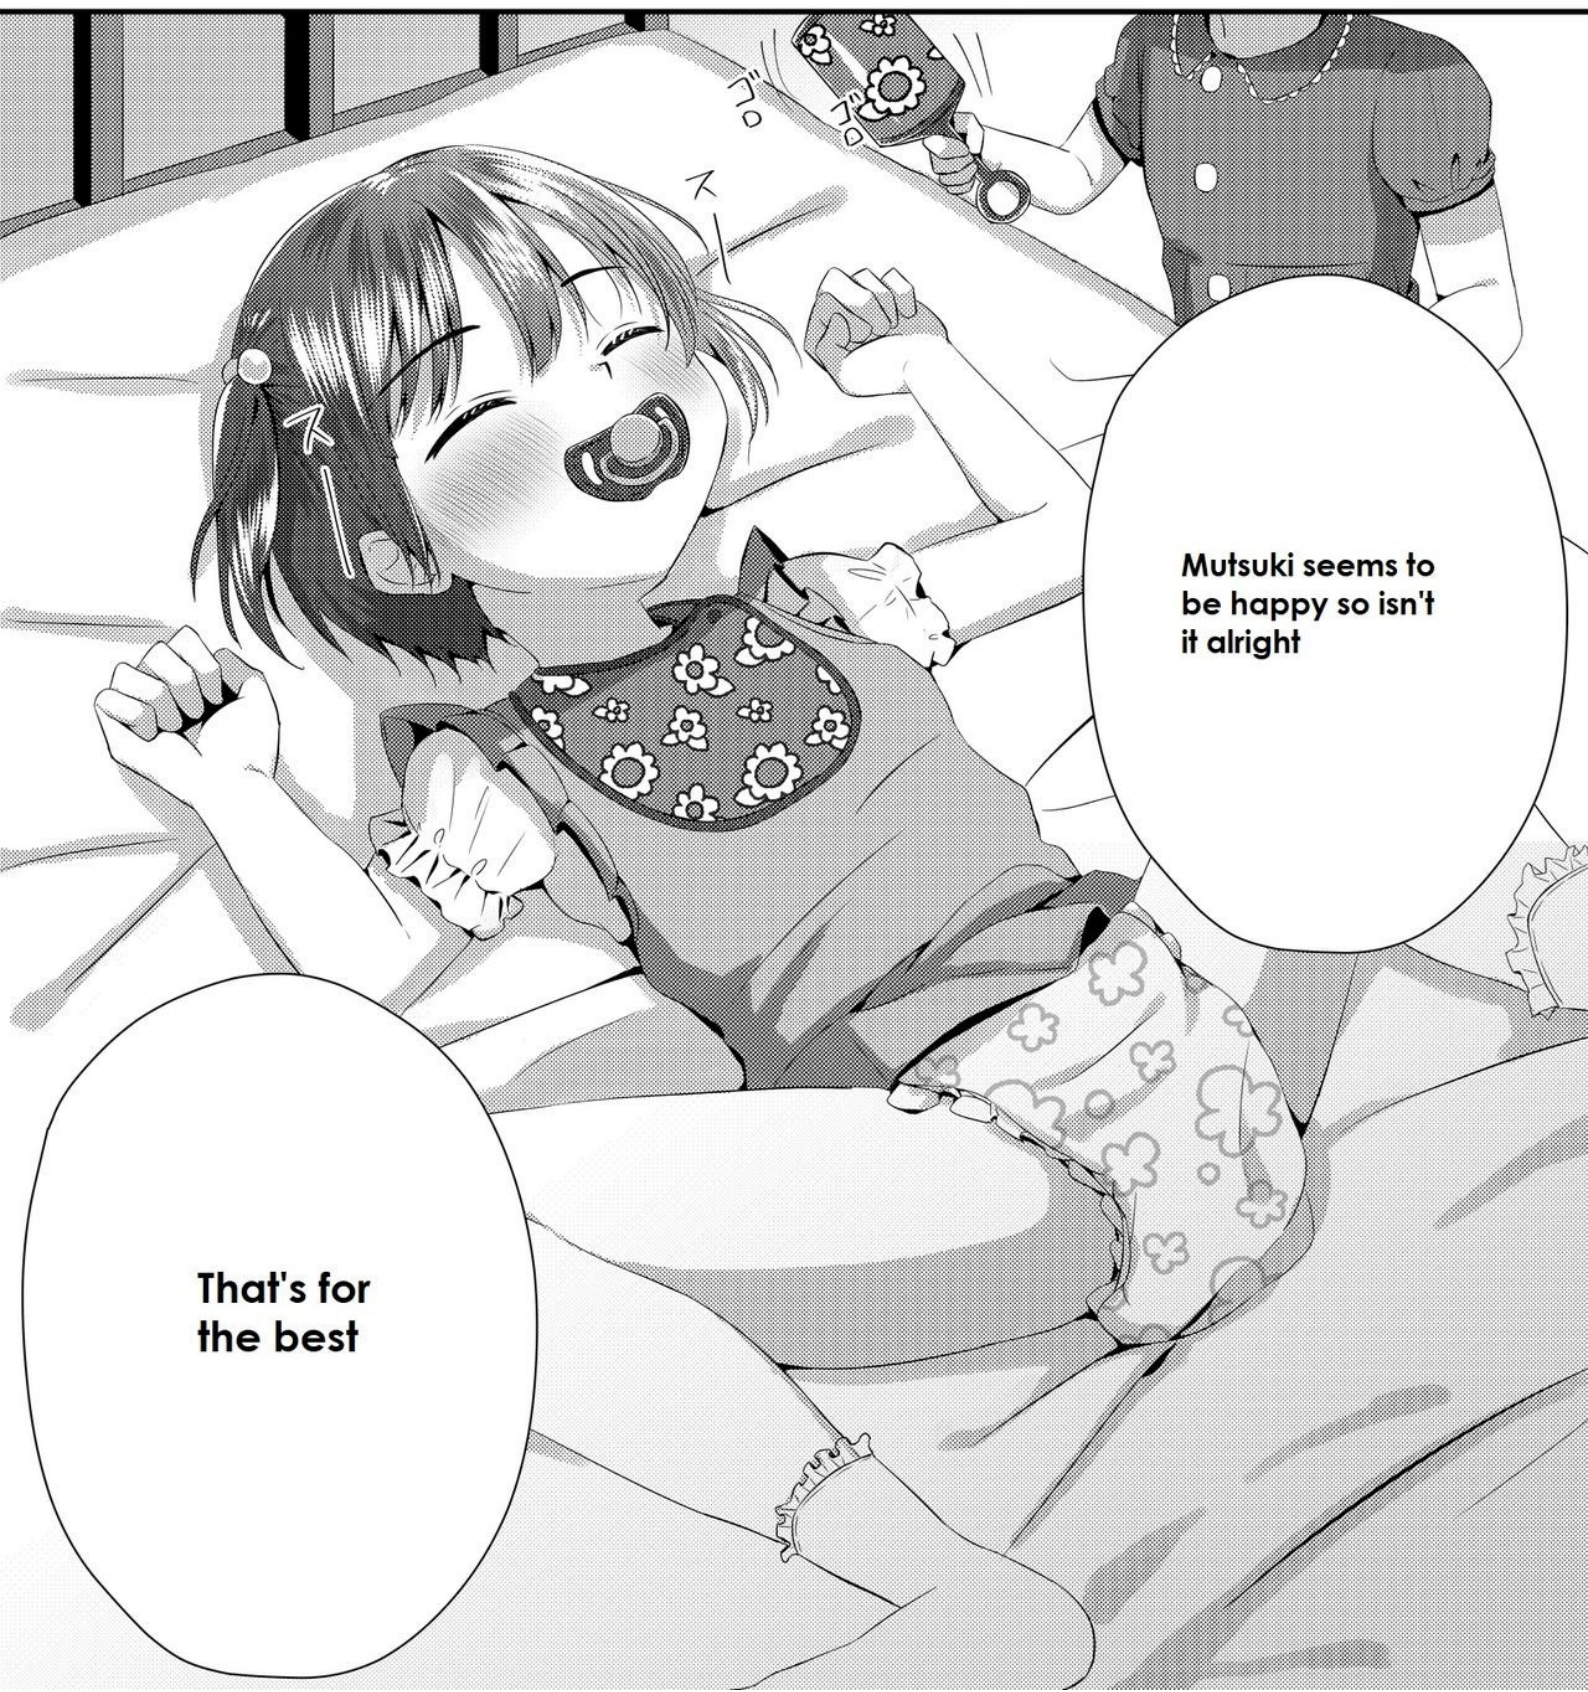

Here,
new
diapers
for you

Well, isn't it fine...
Sooner or later this was gonna happen...

I wonder how you ended up like this?...

Mutsuki seems to be happy so isn't it alright

That's for the best
