ADMINISTERING
THE ANTIDOTE
DIRECTLY INTO
YOUR FEMALE
GENITALIA IS
THE MOST
EFFECTIVE
METHOD
THOUGH.

I'M GONNA

Squirt

I GUESS
YOU'RE
NOT FULLY
HEALED
THEN.

SAY
WHAT?!

OH.
LOOKS
LIKE THE
ANTIDOTE'S
EFFECTIVE-
NESS
DEPENDS
ON THE
INDIVIDUAL.

HEY! WHAT

MAN!? WHY
THE FUCK
AM I A GIRL
AGAIN?!?

I'LL LET
YOU FUCK
ME ONCE
MORE.

I-I GUESS
I HAVE NO
CHOICE,
HUH?

Afterword

Greetings, I'm Kouki Kuu.

Because I forgot about the Air Comiket and got carried away by the release of my first manga volume (see below), I couldn't finish my planned oneshot book, so I quickly drew a new one based on a genderbender scenario I picked from my long list of ideas. Even though today's the deadline. I've previously drawn transgender stuff for the circle "tsxy" and their release "Let's rape my genderbent boyfriend!", but apart from that, this is basically my first time.

Genderbending obviously means turning the guy's body into that of a girl, but rather than just turning his psyche into that of a woman at the same time, I figured it'd be better to gradually feminise him instead. This time it still happened pretty fast though because drugs were used to brainwash him. Anyway, I hope you liked it.
