後藤寿庵

ごとうじゅあん

by Juan Gotoh

English translation: sirC

So, why do you want to kill yourself?

Y-Yeah...

He's such a jerk!
You listening?!

My boyfriend...
dumped me...

Huuuh?!

Is that really
any reason
to brake up
with me?!

Just because I'd break a plate everyday,
or I'd add sauce in the miso soup,
or maybe because I put salt in the coffee,
or the time I knocked the pot over on him...
Or if I'd wash him with boiling hot water,
or because the knife slipped out of my hand
and it grazed the side of his face once,
or because I hit him with the car and put him
out of commission for three months, all
because I hit the gas instead
of the brake...

PEEK

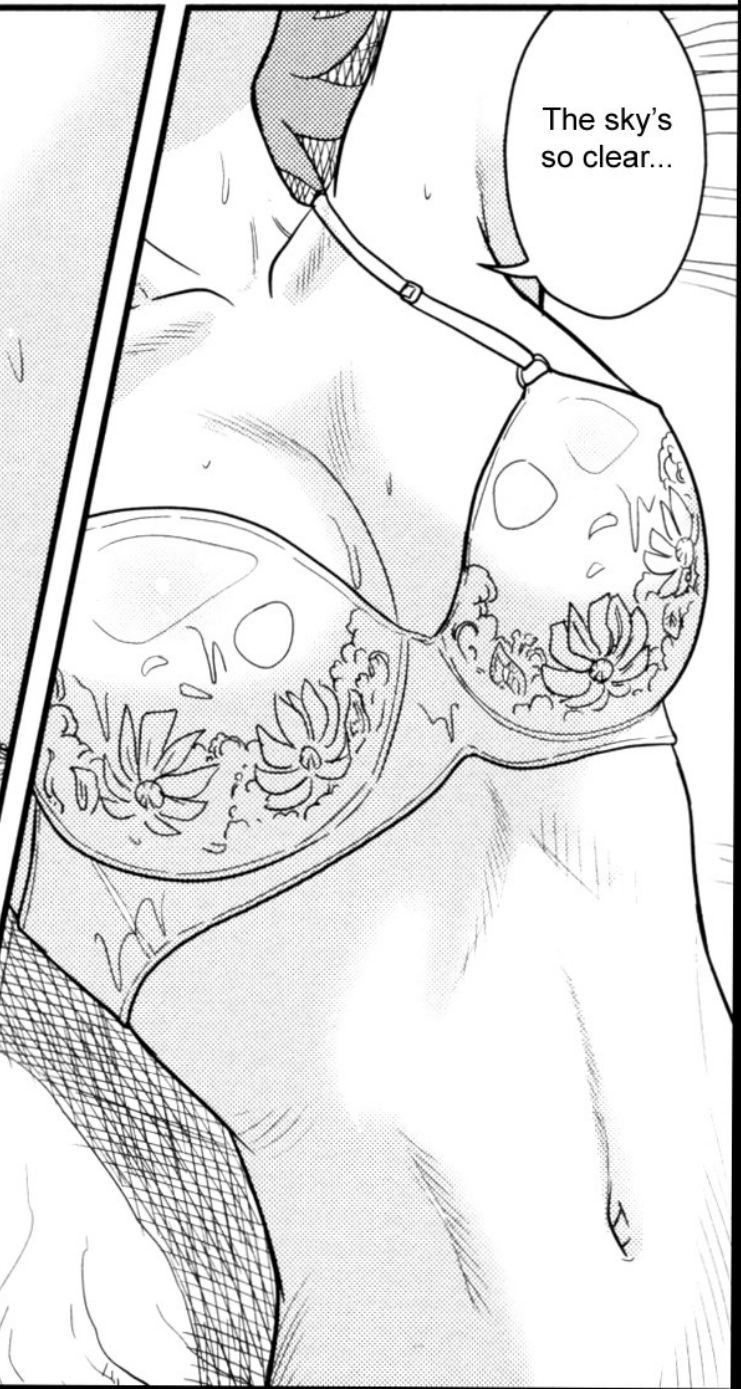

...but, things don't look so bad now for some reason.

Good god, I was totally hell bent on killing myself...

W-Well, that's good then.

...it stretches on forever~

The sky's so clear...

I-It's nothing ...

Hm? What's the matter?

Whoa~
♥
That's some
erection you've
got!

Uhhh...

C'mon now,
don't cover up.

Aah!!

Your dick is
so hard.
♥
It looks like
it's ready to
burst.

It looks
tasty.

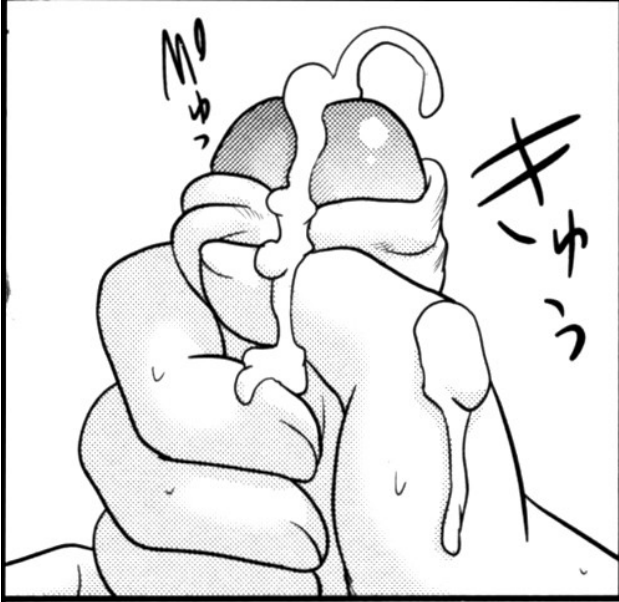

Hey, tell me!
♥
Did you get
excited from
seeing me
naked?

Y-Yes...

O-Onee-
san?!

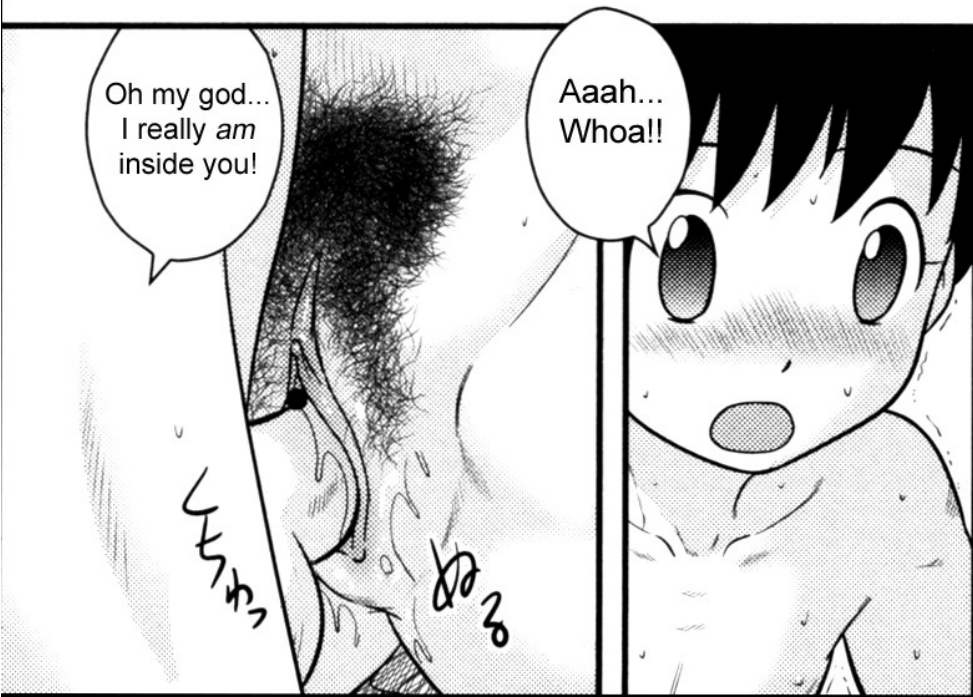

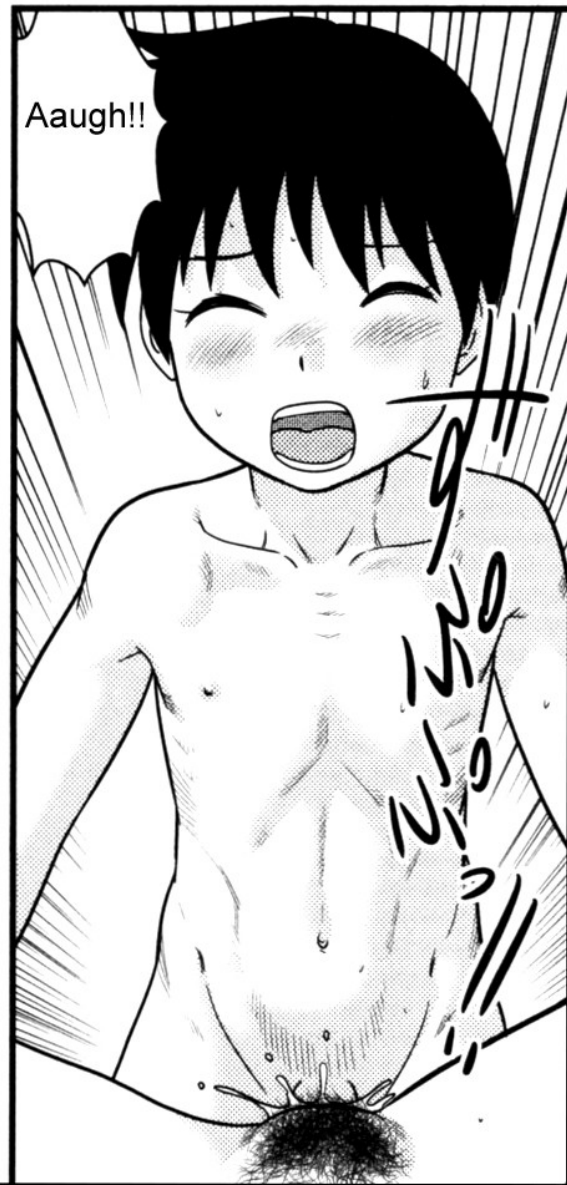

There, see?
This is my
pussy.
♡

It's dripping
wet already.

Th-This
is...

Ehehe
♡
Hey, did
your dick get
a little bigger
just now?

...a pussy?!

Mnnh...

O-Okay...

Try moving slowly.

Ngh!!

Ahn

I think I'm gonna come!

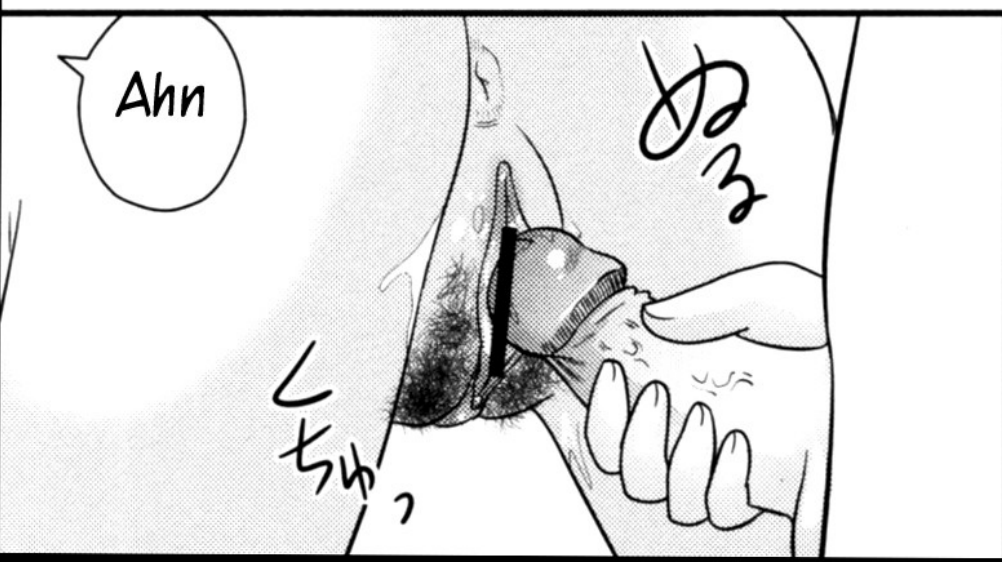

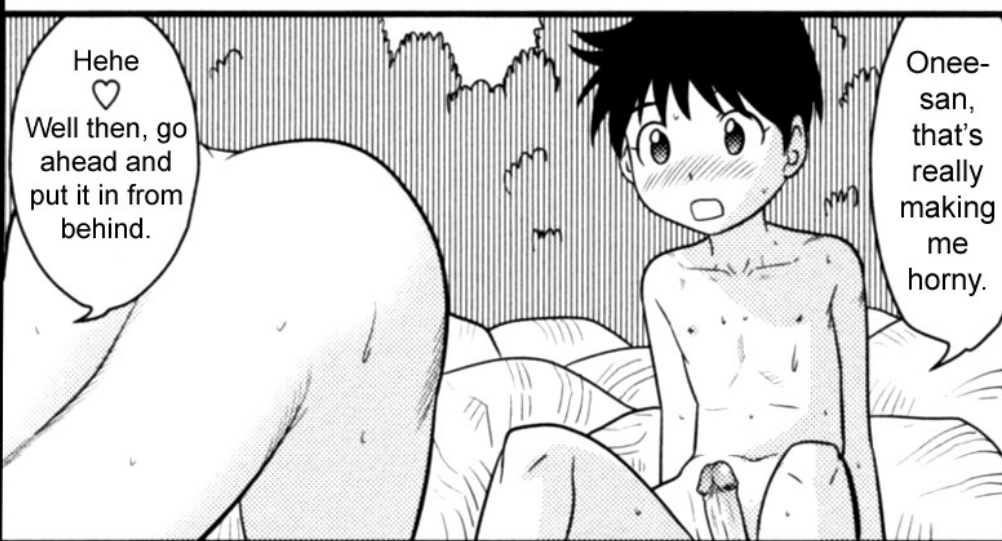

Onee-san...
My dick
is being
squeezed...

It's okay,

Touch my

That's
because your
dick is filling
up every inch
of me~
♡

I can feel
your pussy
twitching.

Me too,
I'm almost
there...

Onee-san...
I'm going to
come again!!

Yes!
Come
inside
me!!

Aaaaah!
I'm coming!!

I'M
COM-
ING

AAAUGH
!!

I didn't really...

All thanks to you.

I'm totally not upset about him anymore.

Aah...
That's just what I needed!

After saying that, the lady whose name I didn't know...

Hehe... I dunno. I guess we'll meet again if it's meant to be.

Will I ever see you again?

Hey...

Heya! That felt really good, wanna do it again?
♡

...But, she came back the very next day.

...just up and left.
