Hatsune-san came down with a fever and fainted ...

You know, some time ago... Erm...

Ah! Finally, I found you Maejima-kun!!

It was very sudden.

Eh!?

Huh?

Uh...

Please bring her stuff to her house!

Charlotte did what!?

And right now, I'm talking directly to your mind.

Charlotte could talk to me and read my mind only because she ate them as well.

No Hiroto, it's just that the thing you just ate lets you read the minds of others.

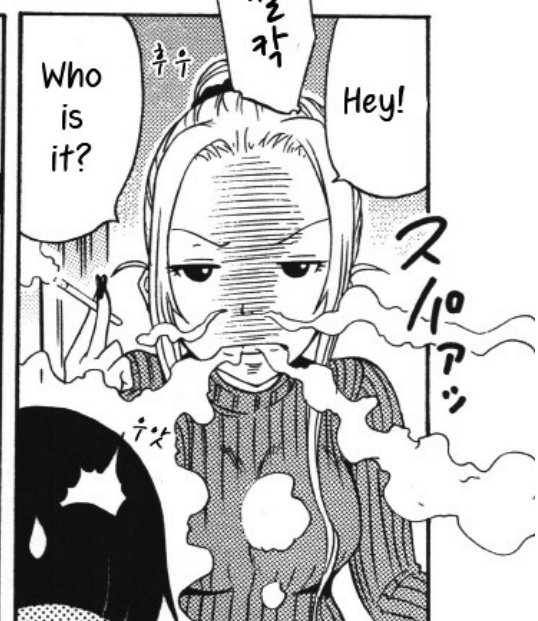

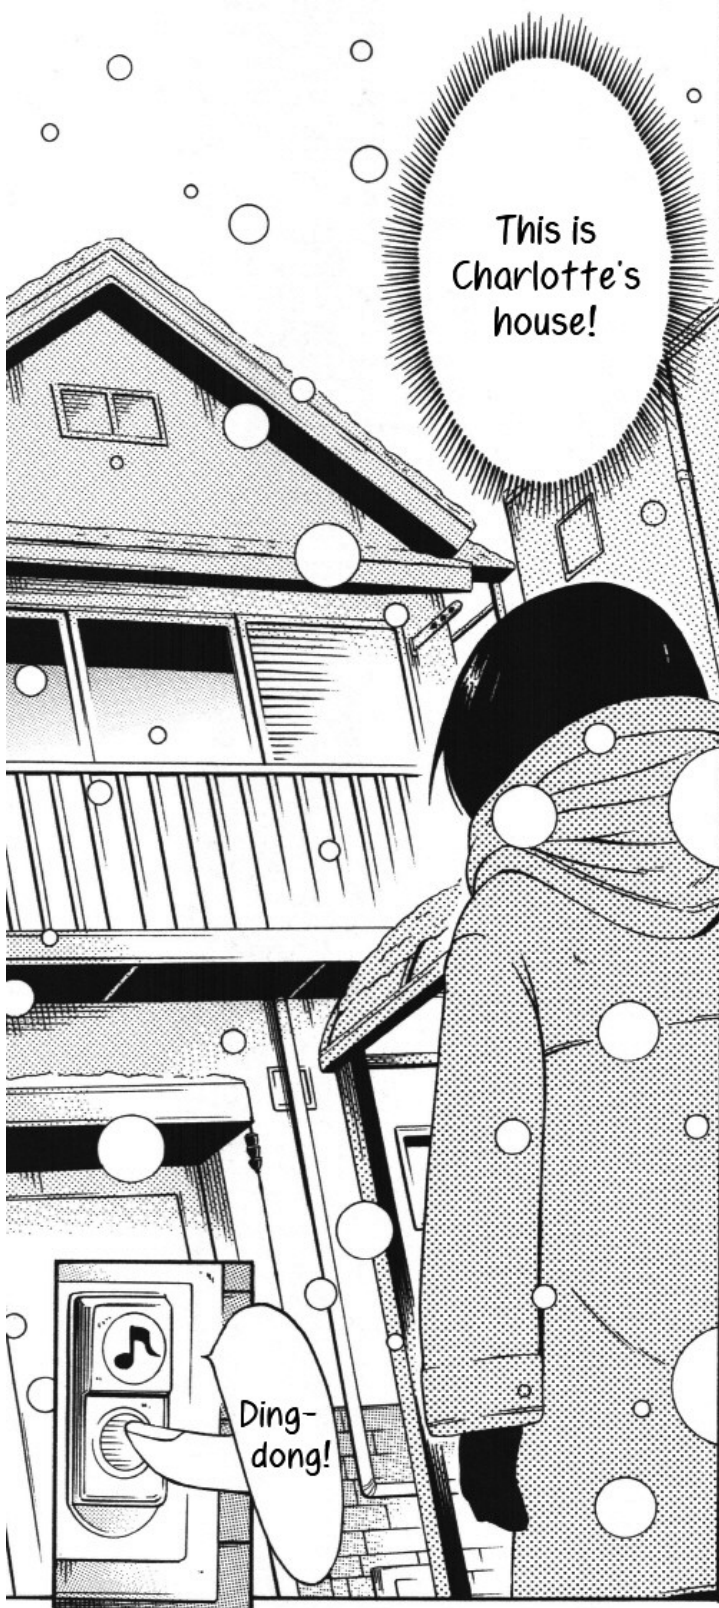

Is our past!

Come on now, Hiroto, look into my eyes!

What you are going to see now ...

!?

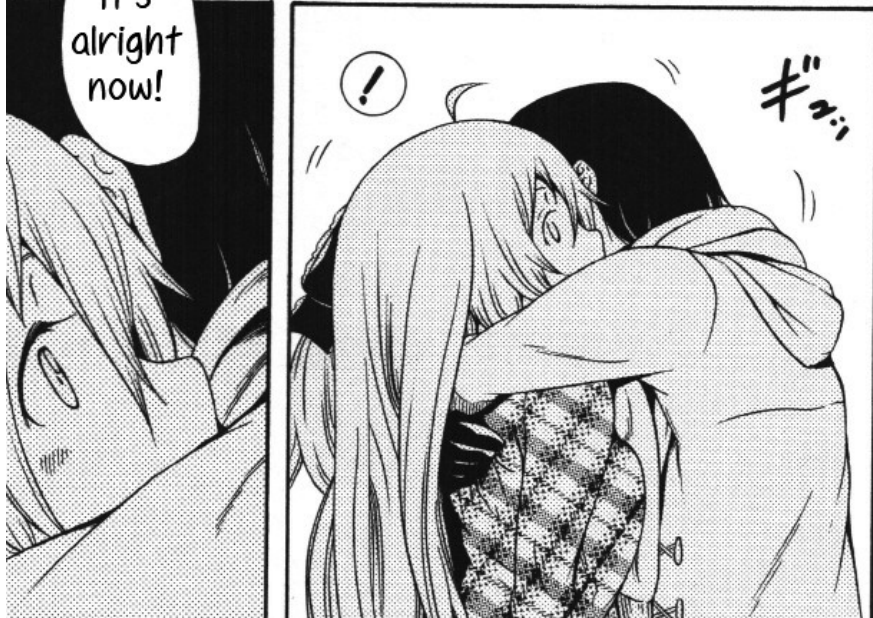

Wait, I'm telling you!

Wait... Charlotte!

It's alright now!

I'm sorry ...

Thanks to Anthony, I have remembered everything...

And on top of that... She says she knows what it's saying!

She's got messy hair, disgusting! dirty clothes and she keeps a bunny in the playground

She is really disgusting!

Hey Hiroto! Do you know that poor girl from the park?

Eh!?

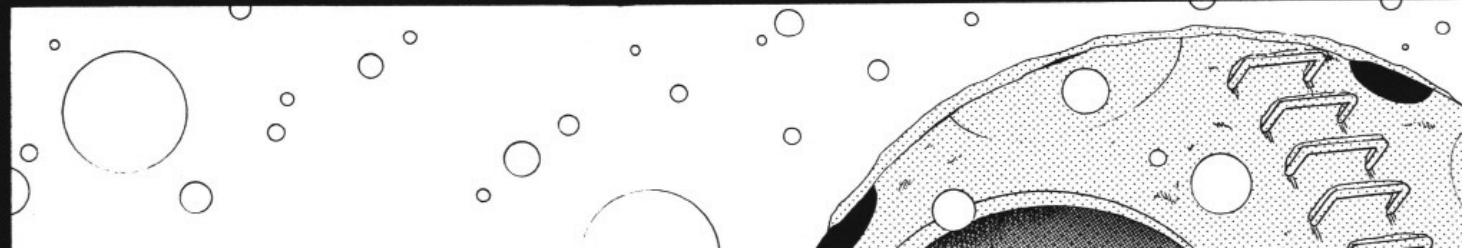

Heh... Never heard of her!

She is so disgusting!

Right?

Now that she's there, it's too scary to play in that park!

Here...

And a new towel ...

I heard they like grass, but I also brought some carrots!

This one is too dirty.

음... 짚음... 짚음...

You can eat it, if you want to.

And here is some food for you...

I brought some food for the bunny

It's just bread from a convenience store...

It just tastes so good...

Well then...
