But we cannot leave like this. We must at least try to find the missing girls from the village

I have no doubt that it is dangerous !

Fine, but we must do so carefully. If we get spotted, we wont have any chance to escape from here

AH

Pull it

Fast ...

AH

Try not to end up like those poor girls

Yes ...

HAAN

Im so jealous !

I think Rika is having one of her seizures

Good grief ...

AAAAH !

I want to become like them !

Must be cautious

There is no limit to their sadism

This is much worse than I thought ...

It is almost time to start the attack

These demons really have class

SLUP

We'll have to wait for the right moment ...

In addition to having huge yummy hard cocks, they have exquisite tastes, and big tits

I cant hold it any longer!

I wonder what are all of these machines for

Let me think a bit ...

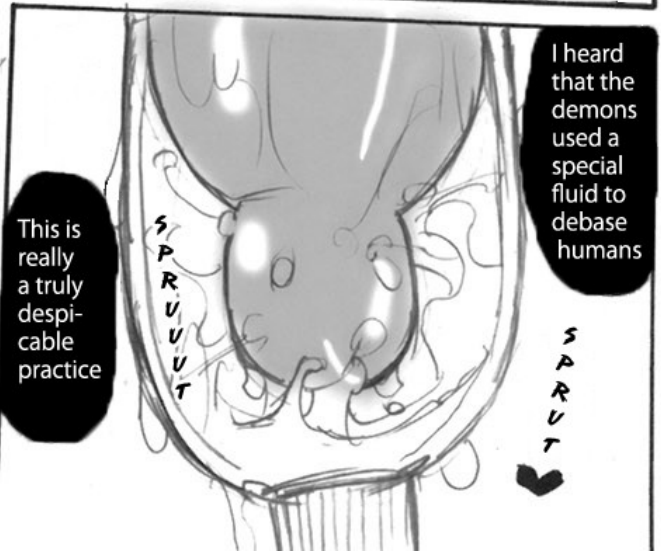

Maybe they need to be recharged ?

These two are not producing enough milk

I do not know ...

I heard that the demons used a special fluid to debase humans

This is really a truly despicable practice

HMM...

I see, even with both hands, this may be difficult

The next one is the one with the big mega tits

There is still some problems with the milk pigs

I am going to have to use my body weight to press her fat tits

My breast will explode!

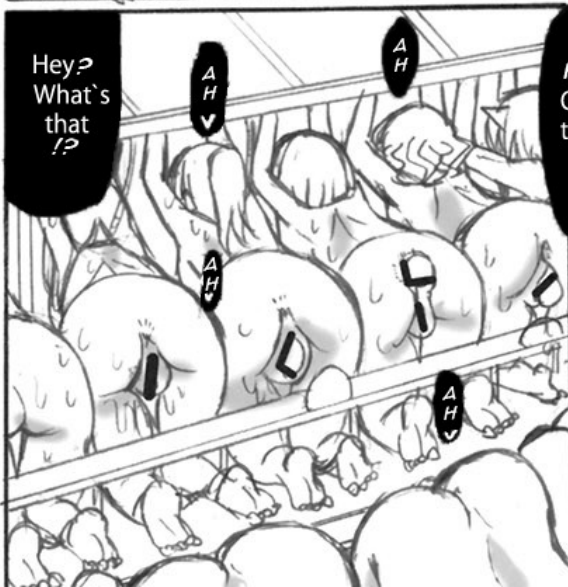

Go! Expel everything you got in there

Let that milk flow !!

But hey, we can not consider these sows as really human now

This is what you want

That girl's breasts are inhumane ...

Hey? What's that!?

HA! Over there!

Lets see here ...

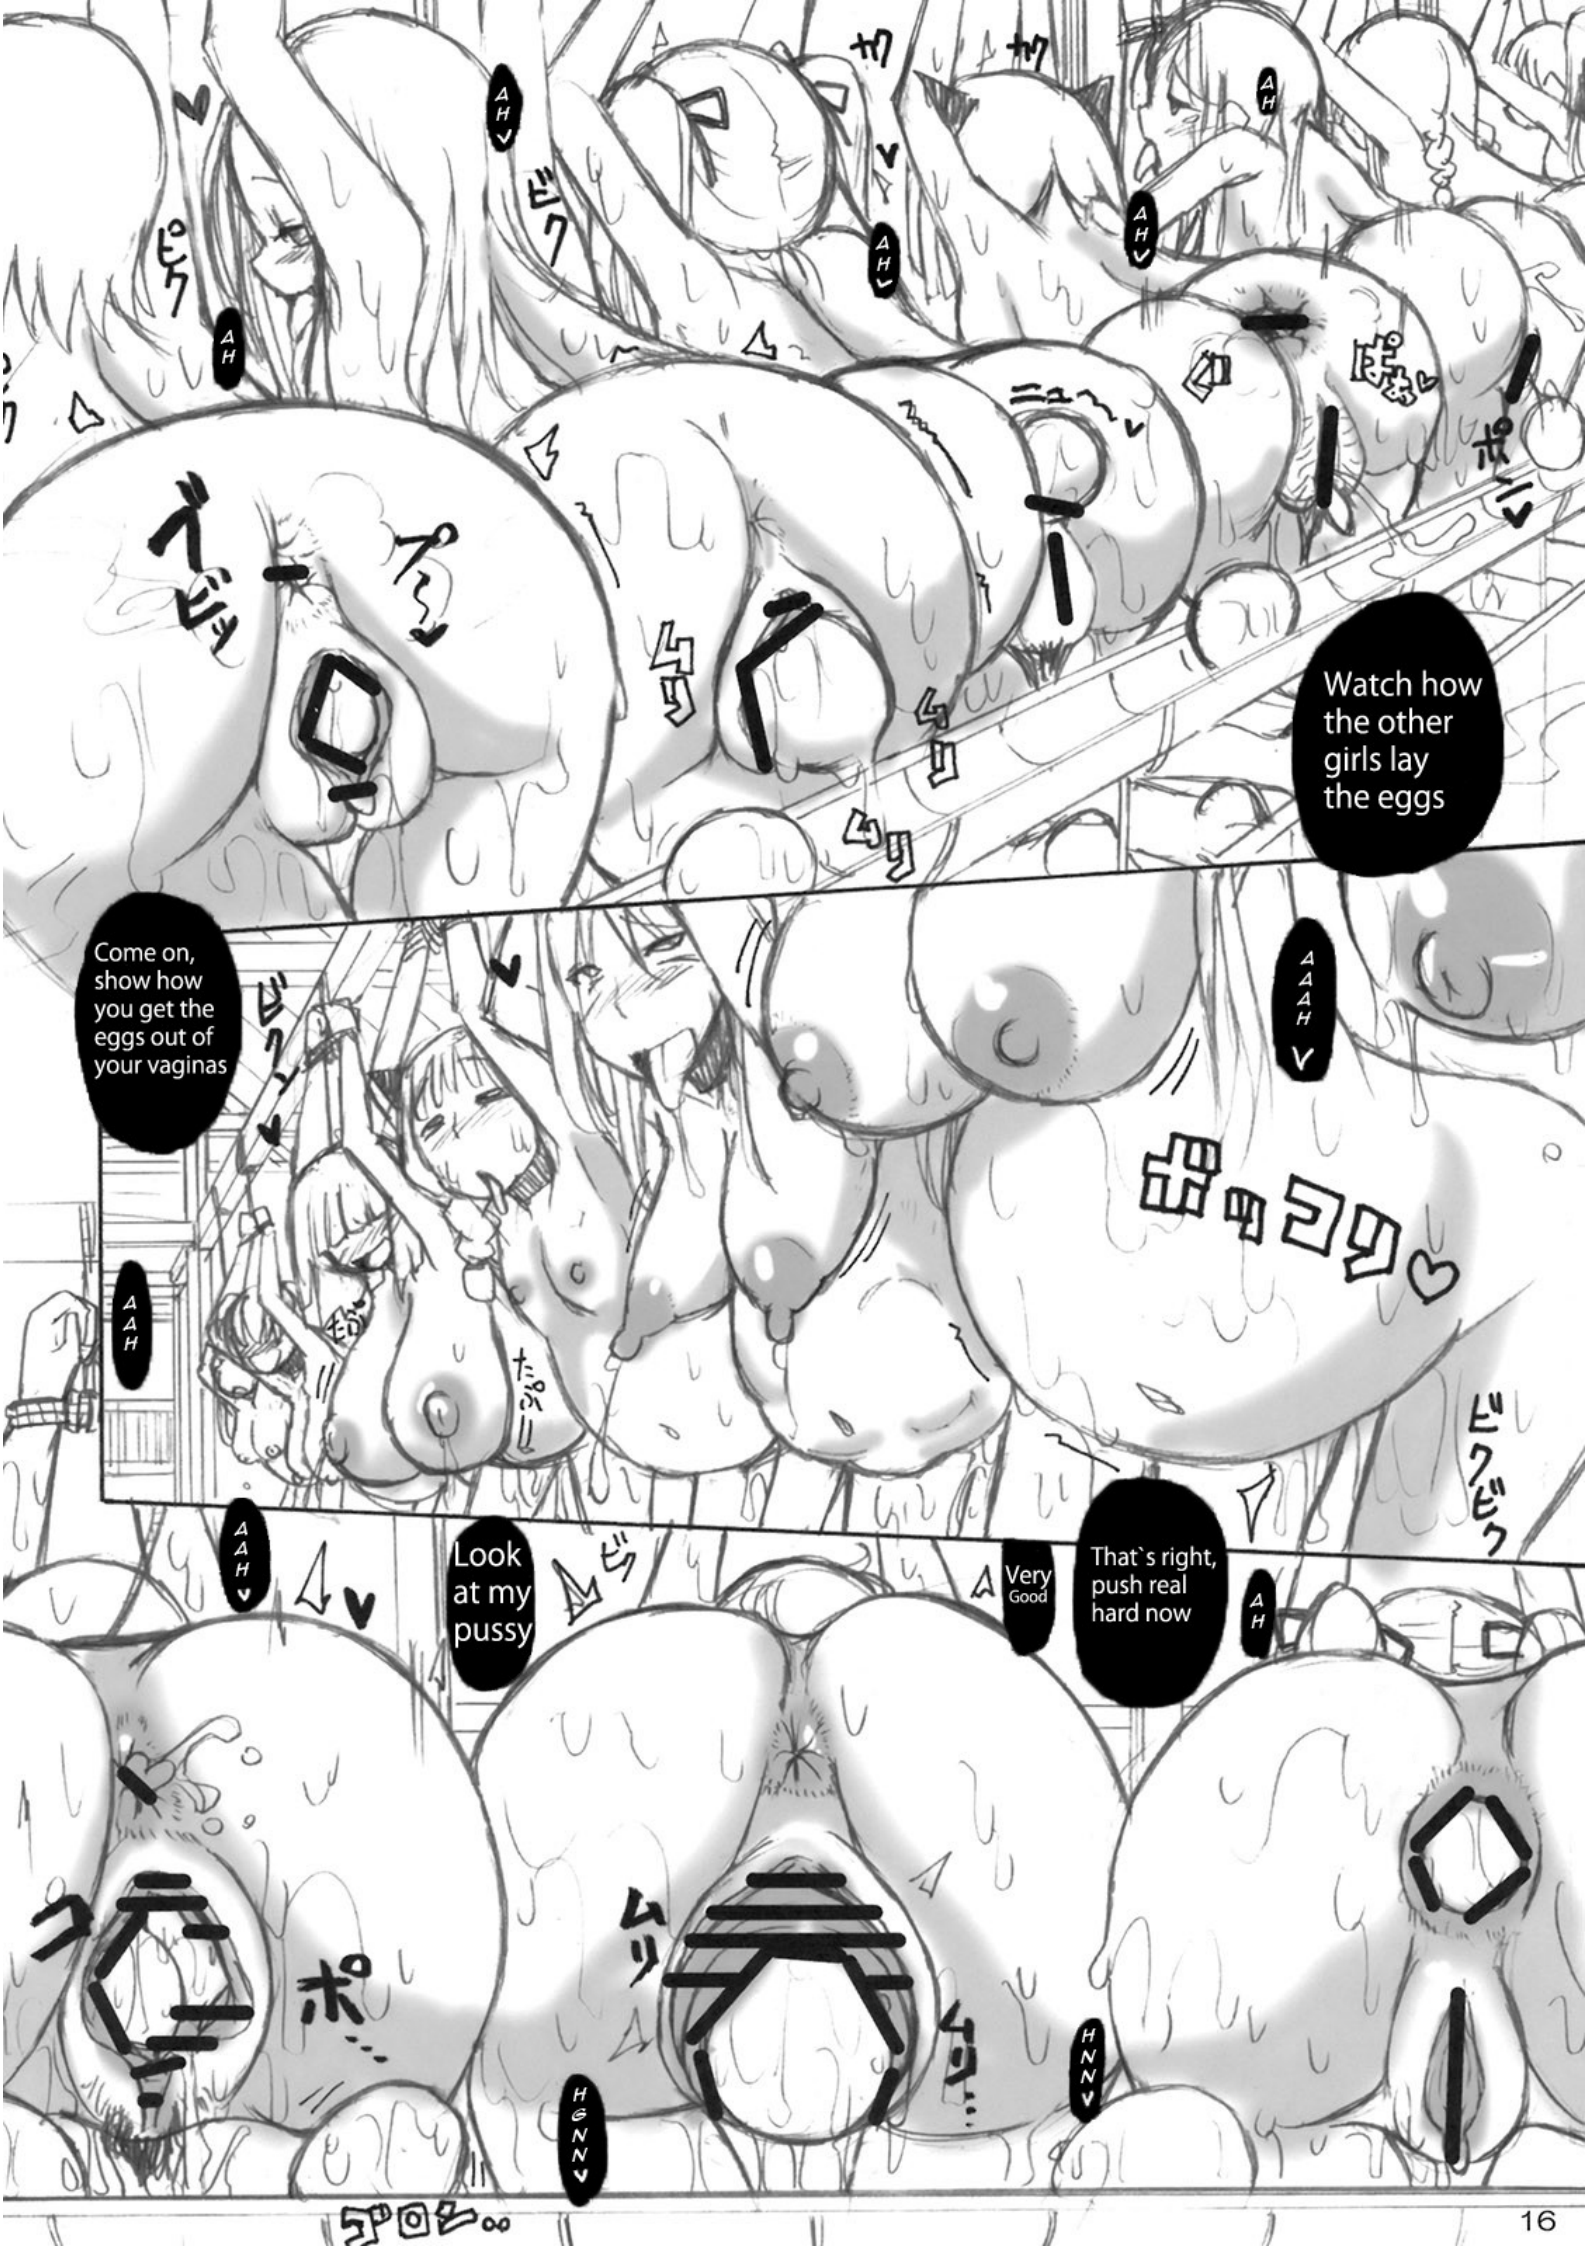

Rika is very excited

In addition ...

If we do not find the girls quickly, they will end up like this

Watch how the other girls lay the eggs

Come on, show how you get the eggs out of your vaginas

Look at my pussy

That's right, push real hard now

Very Good

Come on,
you have
to take
it whole

Imma cum
in your
stomach

I can even shove my huge cock inside

But what are you saying? Look, with a little lubricant ...

Stop, it's going to tear me apart

And I no longer have to use my hands to jerk off

Yes, so good!

PSHAAAAAAAAAAAA

AH

HAAAN

Oh yes

Look at that one. Even with her pussy rolled out, she is still cumming

Yes, these are some very good specimens

Have you seen the size of these eggs

There, they all finished laying

SPRUT

Anyway, they will never forget this state of orgasm

again

We have captured three females loitering around. You want to come take a look?

Hey, Tchie!

We will feast well tonight

What is it?

Yum

Get off me! You damn monsters!

Come on, move!

What do you intend to do to us?

She is beyond a bit off

Don't know if she is crazy or just plain stupid ...

The one with the ponytail appears to have some potential. The witch though seems a little bit off, right?

Hey!

They are not bad

AH

Hands off!

What a lovely cock ♡

You will see what happens to those that try to get in our business

It is time to begin the training of these sows !

HA?

はぁん ♡

No ...

Finally ...

It is too big !

It's huge ♡

AAAH!

HSNN!

HII!!

HA?

Feels good

A futanari
cock is
ecstasy

AHH

It's
in my
belly

HIII!

I'll let
you
slide
down
till you
touch the
ground

It
hurts

AAH

Let
me
down

POOP

SHNII!!

I come from a royal family, it should be an honor for you that a person of my rank would shit on you

I feel like taking a shit too, do you like the smell?

AAAHH!
Me too

SLEPURT

So ...

Is this shit to your tastes ?

What is this tentacle !?

I bathe in the feces of all these girls... this is heaven

It is going in my ass

Well

Look, they use her tits like big cocks

She became the favorite toy of the imps

We also grew her nipples and her clit

As you wished, she hasn't been washed or shaved, you can even smell her from here

Her flabby stomach can even fit up to eight imps inside

So good

Who would have thought you would treat your old teammate like this

Rika
has
ripped
...

My
body
...

This is the
highest form
of ecstasy! Say,
if nobody is
bothered by it,
can I just sleep
in her pussy?

We don't
give a damn
what kind of
carnage you
do to this
pig

Do
whatever
you like

Sometimes
I wonder if these
people are worse
than even us, oh
well, it's time to go
capture some more
females
