Grandfather
told me
'don't go near'
the bomb
shelter

However,
I
carelessly
went in
one day

It was
because
the rainy
season
came so
quickly

は

いた

Uwaa
!!

It's really
starting
to pour
down
...

Just for
a while
...

I'll get
shelter
from
the rain
...

That is

Who are you?

Yeah
⋮

This
kid
⋮

Well...
you should
stay until
it stops
raining

You
are
Shuuya?
...

This is
how
Hikaru and I
meet

Ah

Are
you
cold
?

Shiver

I'm
OK
...

You're
trembling

Hug

Oh?
You're on
your way
back from
cram
school?

Yeah

Eh...
Uh...

You should take them off

That's because you're wearing wet clothes

Your body is completely soaked, huh?

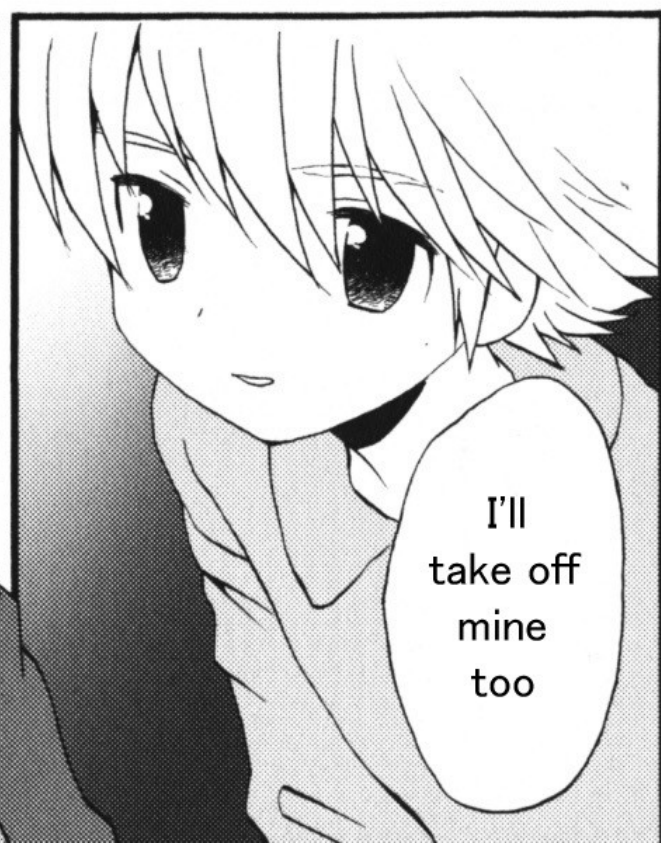

Ah...
Yeah...

We're both males after all

No...

What? are you embarrassed?

I'll take off mine too

Is it really necessary to take off our underwear ...

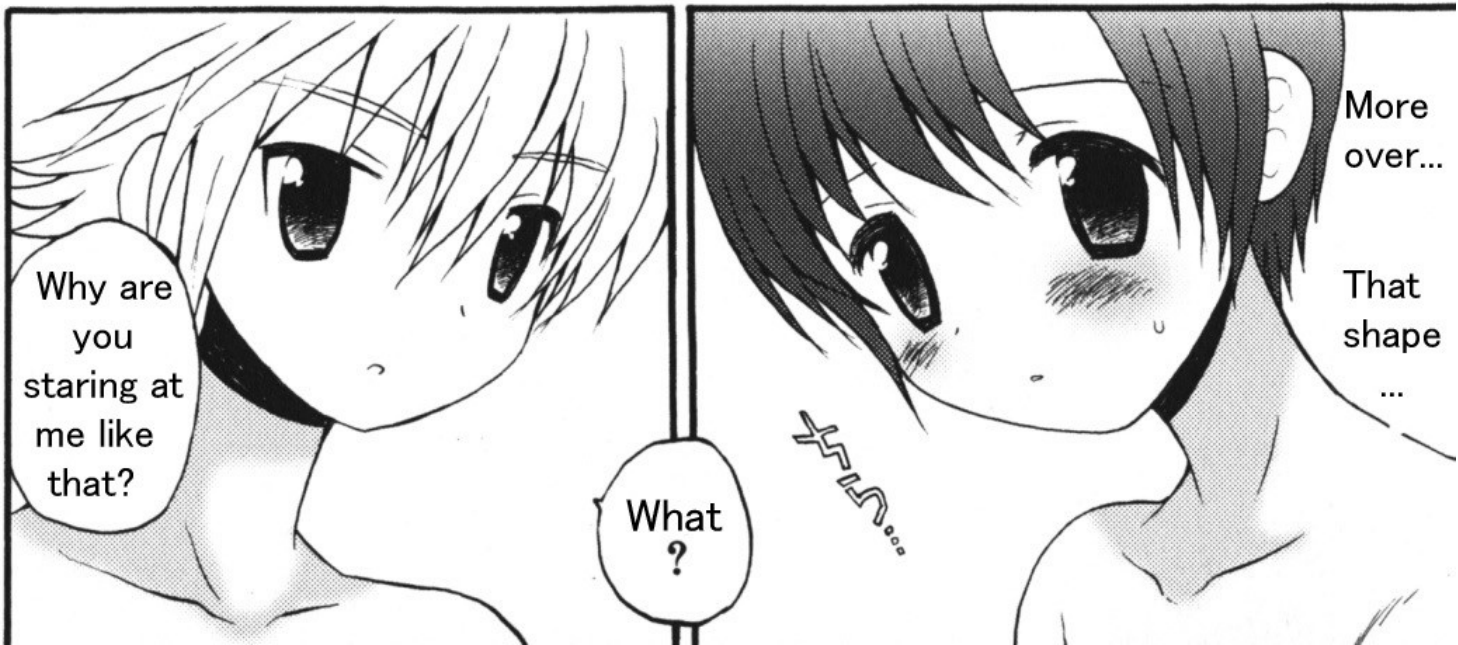

Eh...no errr

What's wrong? Why are you hiding...

It's getting erect...

Hi... Hikari's ...

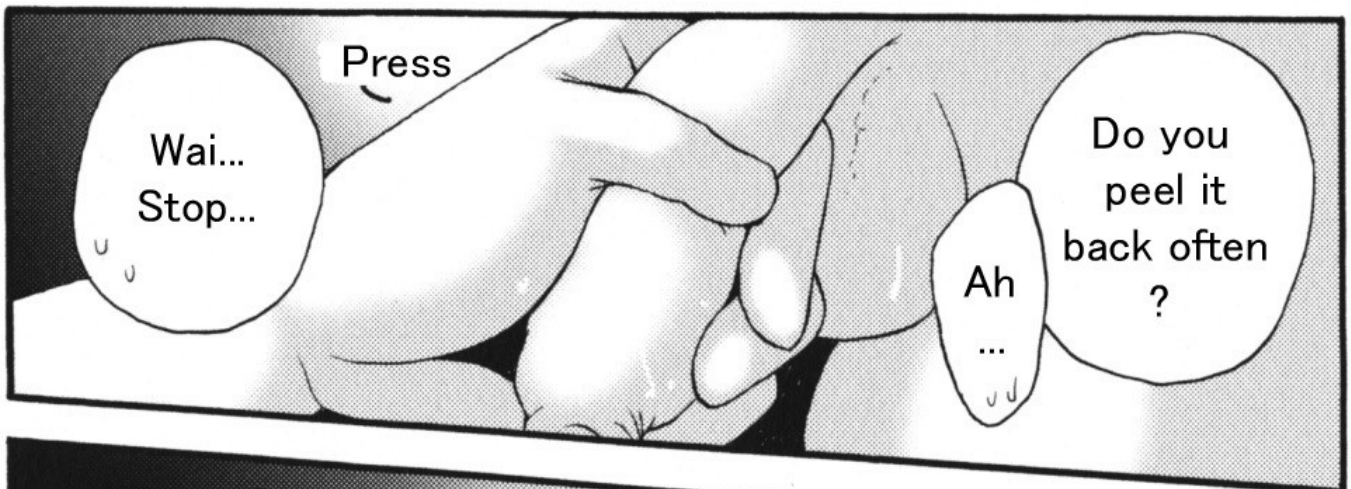

Why are you staring at me like that?

What?

More over...

That shape ...

How's that ?

Look!
It came out ...

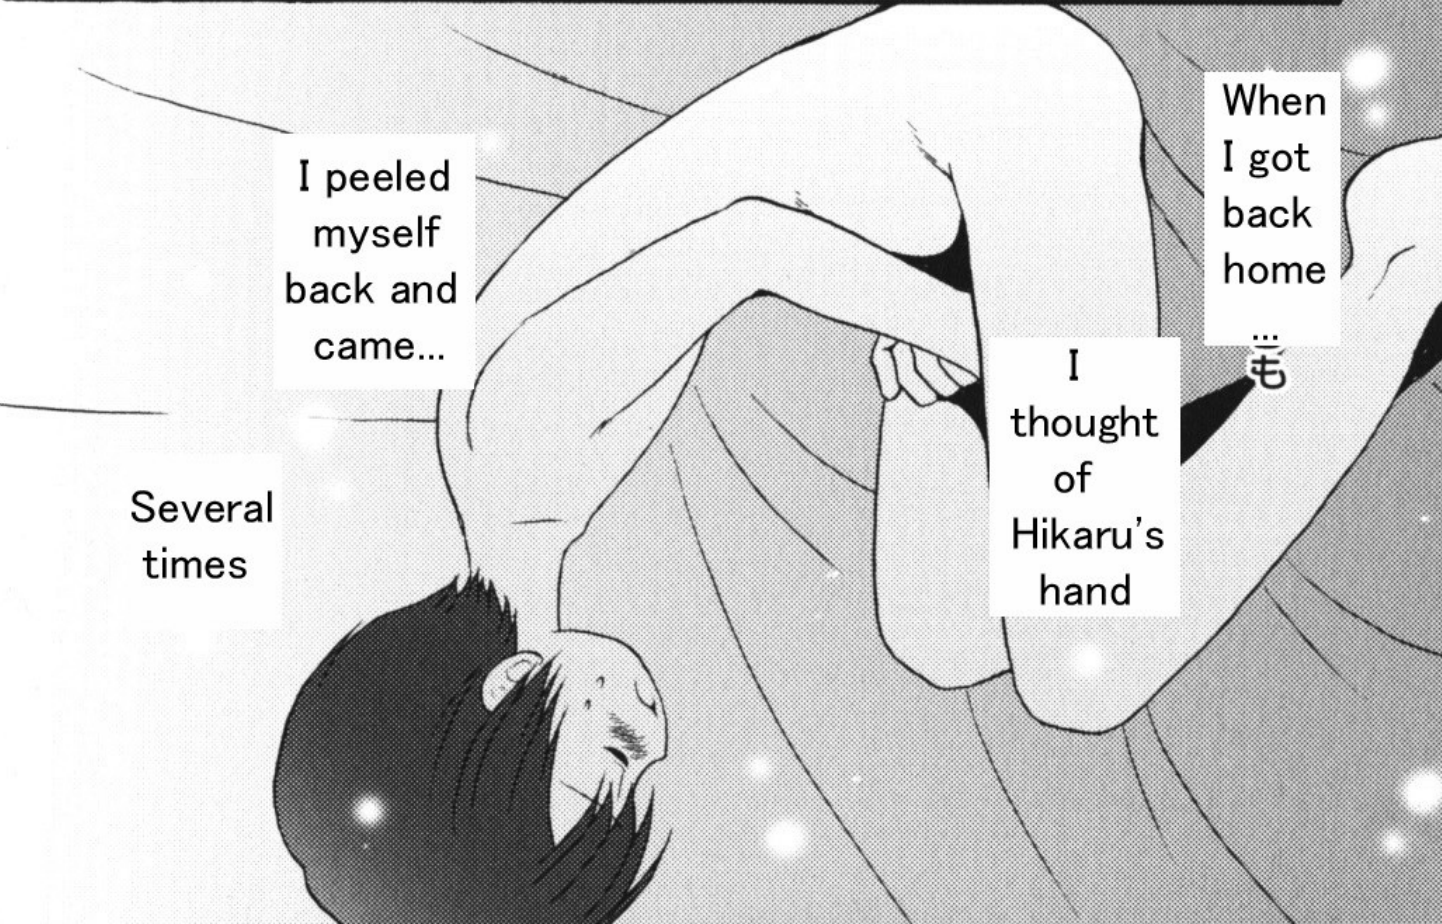

Uwa ... !!

It looks so good peeled back

That day

I peeled myself back and came...

When I got back home

I thought of Hikaru's hand

Several times

Cool

Ye...
yeah
...

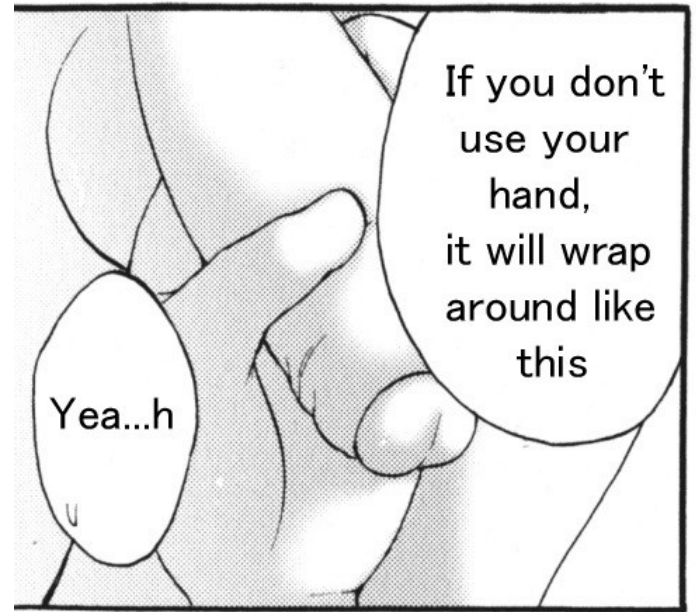

Did you
try it
by
yourself
?

Oh
?

The next
day and
the day
after that

Hikaru
was still
there in
the cave

If you don't
use your
hand,
it will wrap
around like
this

Yea...h

No
...

Hikaru
...

Ah
...

This time,
I'll use
my
mouth

Ah
...

From
then on,

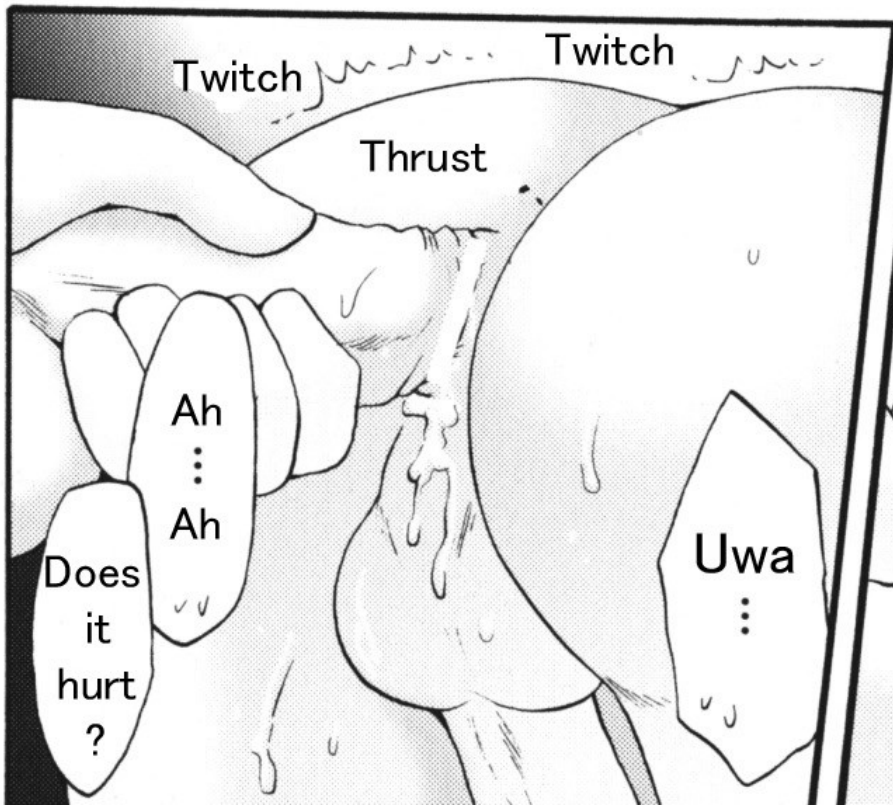

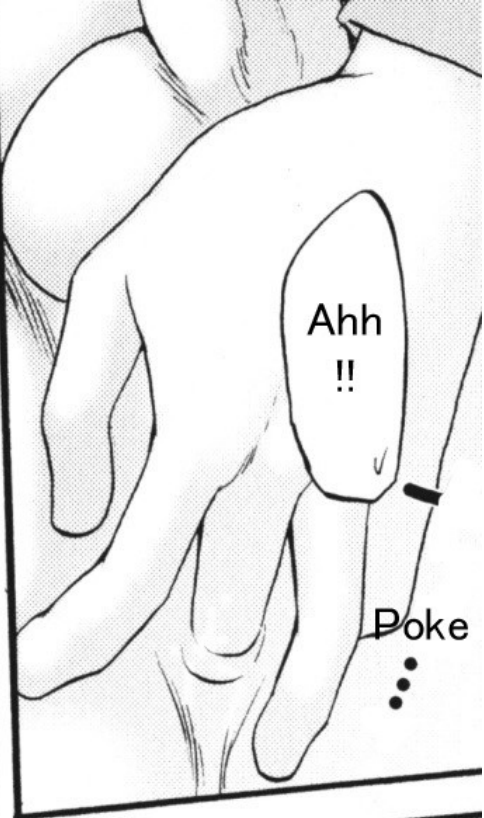

I came in
Hikaru's
mouth
and
hands

many
times

...

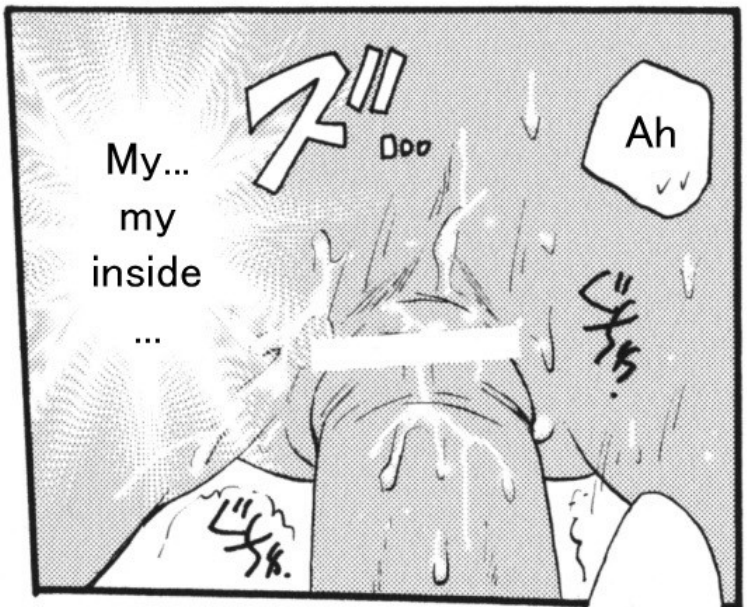

Oh yes !
I'll move ... slowly ...

Ha
Ahh ...
It's going in ...

Haa
Haa
Ah ...

Ah !!

My... my inside ...
Ah

Haha ...
Such an awesome sight...
It looks like it's peeling back and forth

This... feels so good ...

When
I
awoke

Hikaru
was
gone

He's still gone

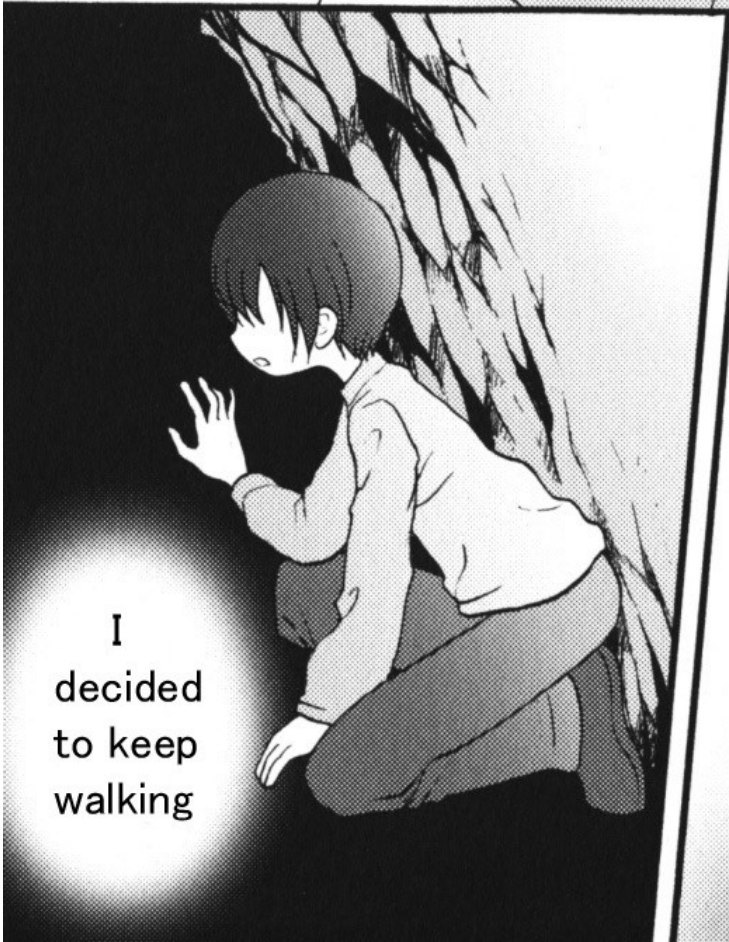

Ahh
⋮

I suddenly noticed something

Then, after many days passed...

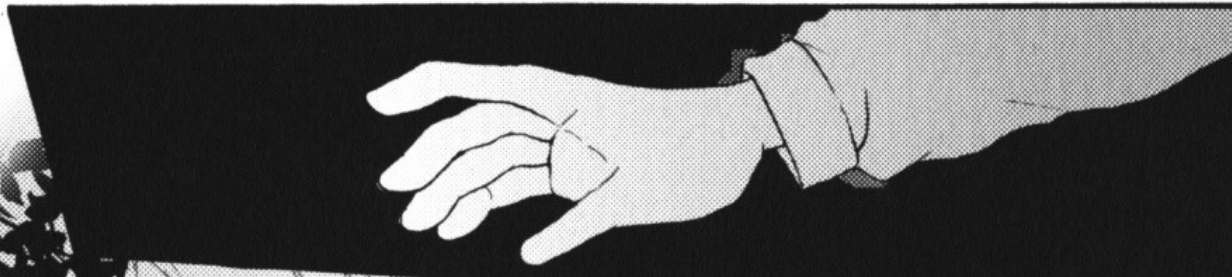

I decided to keep walking

Is there another exit on the other side?

There's a wind blowing inside this cave

Inside the cave, adults never come in

い

I reached out my hand to that trembling boy
