

Chapter 1: Pandora's Box

SFX: RATTLE

Ahhh...

Well?

S-Seiko-san!

I never ended up going anywhere this summer.

I wish I could have at least seen Seiko-san in her bikini.

Then I'll show you, Yuusuke.

Eh?

Or would you rather this part were missing?

バカ

SFX: FLASH

Seiko-saaaan!

Here I come.

S-sure!

SFX: BAP

I know you're bored, but please try not to do weird things.

M...Ms. President.

Hah!

Kousuke, what are you doing?

Book: The Odyssey

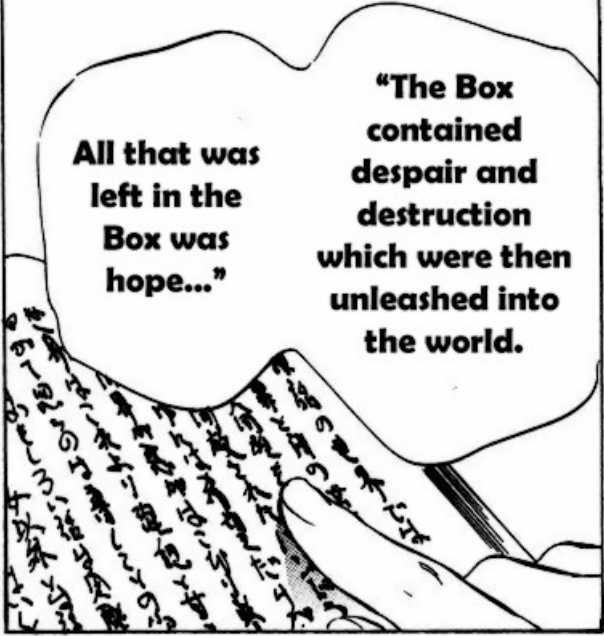

I don't think we should open your box, then...

.....

All that was left in the Box was hope..."

"The Box contained despair and destruction which were then unleashed into the world.

That, plus it's all just a myth anyway.

Granpa, where did you get this?

Looks fishy to me.

It says so right here.

PANDRA BOX

So this is "Pandora's Box"?

That's right.

It does make me curious...

I don't know.

So, what's inside?

There's no keyhole - I don't even know how to open it.

And this Box was among his personal effects and was sold by his family until it came to the antique store where I found it.

Well... A young man fell from his apartment and died...

That's all a tall tale.

But what about disaster...

Eh?

Kousuke, find out how to open it.

SFX: Shove

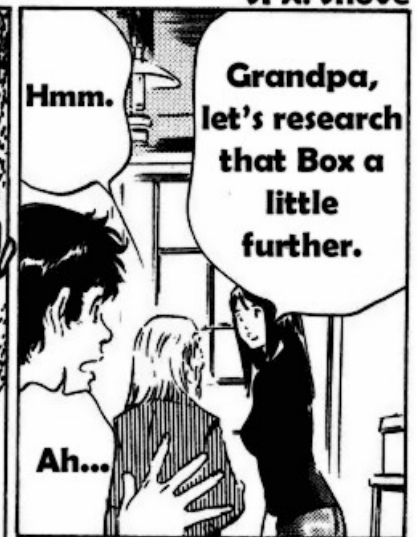

Jeez.

It seems she's always ordering me to do dumb jobs.

Sure...

Hmm.

Grandpa, let's research that Box a little further.

Ah...

Well then, Kousuke, don't fail me.

SFX: slam!

Ah! Maybe the very reason the young man fell to his death was **BECAUSE** he opened this box?...

But I wonder how it opens?

And will misfortune and doom come?...

SFX: click

Misa-sensei!

Oh, Kousuke-run, are you alone?

Is no one else around?

Yes. The President has gone out for a while.

Hello.

Oh...

If....if you want an artifact, it's here.

Ah

I came here hoping I could look at a special artifact.

N-not that...

Ohhhh, you mean this?

Eh...

I was lecturing my class about Michelangelo's statue of David.

And that brought back some memories of you, Kousuke-kun.

I'm sure if David's were erect, it would look just like yours.

Ah!

Not so sudden!

See?

B-but all men's penises are pretty much the same.

No, the flavors are different.

SFX: chomp!

SFX: zzzzzzip

Mmm, mmm

SFX: slurp

Ah, but if you suck so strongly...

SFX: slurp.

I'm in the middle of work...

S-Sensei, you mustn't!

Mm... Even though you have no customers?

Th-then I'll cum!

Hm?
What's
wrong?

H-huh?!

Let
me
see.

Yes.
Nothing
would
open it
before.

Pandora's
Box?

It looks like
Pandora's
Box is
about to
open!

Sensei,
please
don't
open it!

That's right, if
we open this,
doom and
destruction...

Then, see, it
gradually
opens.

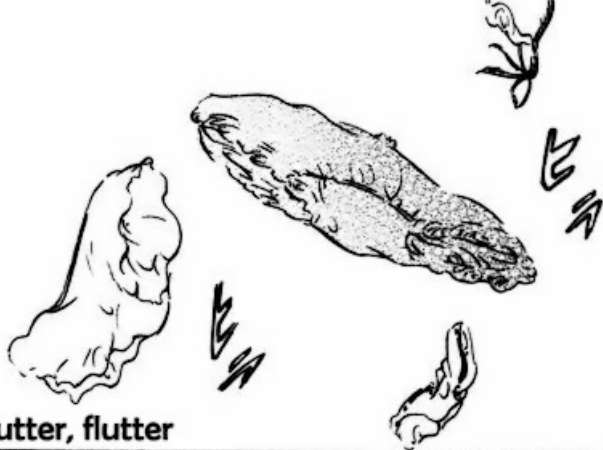

!

Oh, this is the
same as a
Japanese trick
box.

See?
You slide the
panels out this
way.

SFX: flutter, flutter

Ah, it's panties!

Huh?

Ah!

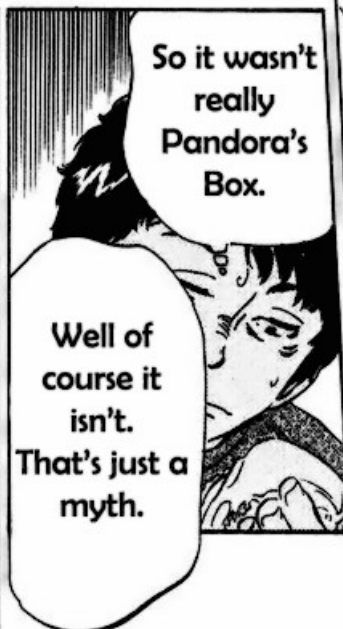

People have some strange fetishes.

I'm sure the box's former owner kept them hidden in the box.

...Oh.

Look, Kousuke-kun, do you like it?

So it wasn't really Pandora's Box.

Well of course it isn't. That's just a myth.

SFX: POP

Sensei...!

Thought
I'd try
them on.

I c-can
totally
see your
crotch.

Oh
dear,
really?

Do these
panties
turn you
on?

Y-yes, of
course they
do...

SFX: gulp

Aww, if you
stare at me
like that, I'll
get turned on
too.

SFX: FLASH

Kousuke-kun,
touch me.

O...okay!

Ah,
Kousuke-kun,
your fingers
feel so good.
Ah...

Sensei,
you're so
wet.

Ah!

SFX: stick

SFX: stich, stich, stich, stich

Sensei...

Ah...

Wow, look at the threads its making.

SFX: SUCK

Ahhh

Misfortune, my ass. I'm getting so LUCKY!

You taught me all that I know, Sensei.

Kousuke-kun, you're so good -ah...

SFX: slurp, slurp

Nn-haa...

SFX: squeeze

Ah!

Sensei, this spot also turns you on, doesn't it?

My legs are going numb... This feels so good.

Ah, yes, there...

SFX: stick, stick, stick

Yes, my perfect David.

Ah!

Wah...

It's no use, I can't hold back anymore.

I want you, Kousuke-kun.

SFX: squeeeeeze...

Nnhaaah...

SFX: PSSSHHHT

SFX: thrust

Sensei,
your pussy
always
feels so
good!

Nhah...
really?
That makes
me happy.

SFX: drag

I want it to be
even better
for you,
Kousuke-kun.

SFX: pssht

SFX: thrust

Kousuke-
kun!

Sensei!

I'll
c-cum!

Ah!
If you grind
into me
like that...

Please
cum!

SFX: stick, stick, pssht

Nngh!

Ahh...

The owner wrote it as a joke.

The panty thief's box. In other words... the PANTy DORObou (thief) box, or Pandora Box.

So that's how he slipped and fell from an apartment window.

Oh, these panties are wet.

Oh, Grandpa, you silly.

Truly a waste of time. I'm more interested in what the panties cover, not the panties themselves.

SFX: stick

Oh, Grandpa, I thought you said you weren't interested in panties!

Seiko, let me have those panties!

Disaster narrowly averted.

萬国屋

Oh, those were the panties Misa-sensei was wearing earlier...

What? Misa-sensei's panties?

Ah! Oh, shit...

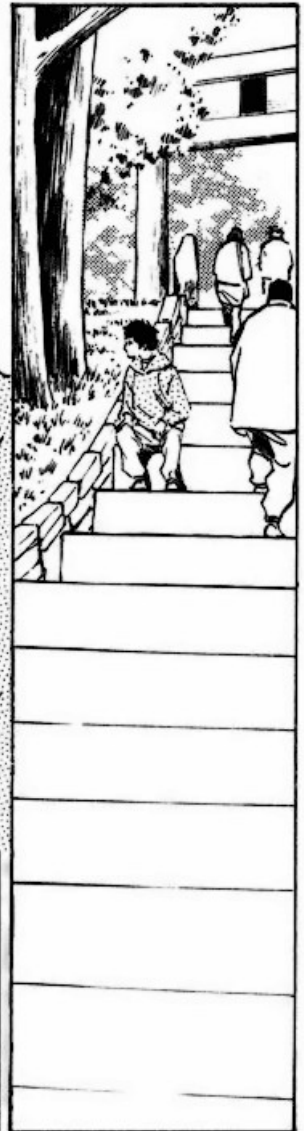

Chapter 2

Western Style Human Chair

SFX : STARE

Almost looks like a pussy ...

This hole ...

Yuusuke.

Se ...

CHOMP!

Seiko -saan!

Ah... Ms. President...

I see Yumiko-san's with you.

Seiko told me she was meeting you up here,

Yuusuke, what are you doing?

Ah!

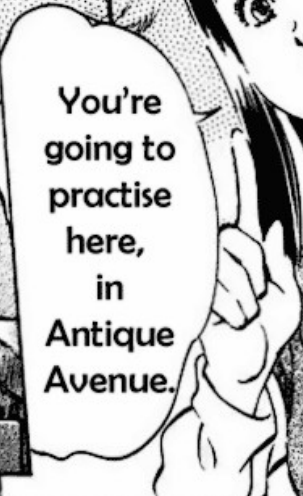

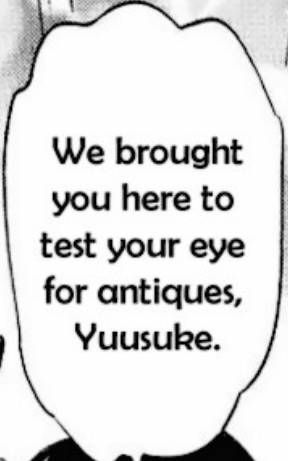

We're not on a date.

and I got worried, so I came along.

PERK!

Yuusuke,
a genuine
antique has
a distinctive
aura.

Feeling that
aura is the
first step to
becoming a
good
appraiser.

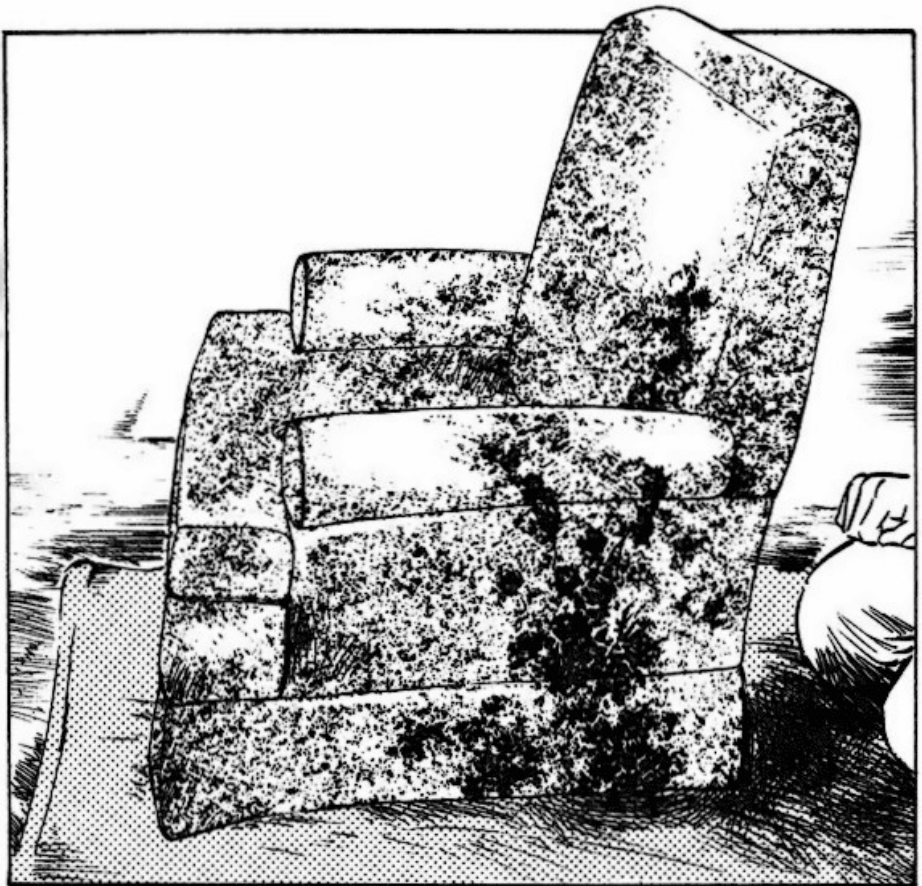

Auras,
eh?

What's up?

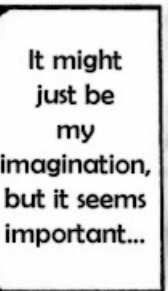

Ms. President, this chair...

A strange sort of presence.

You're right. I do sense something.

It might just be my imagination, but it seems important...

Looks like there's something to it.

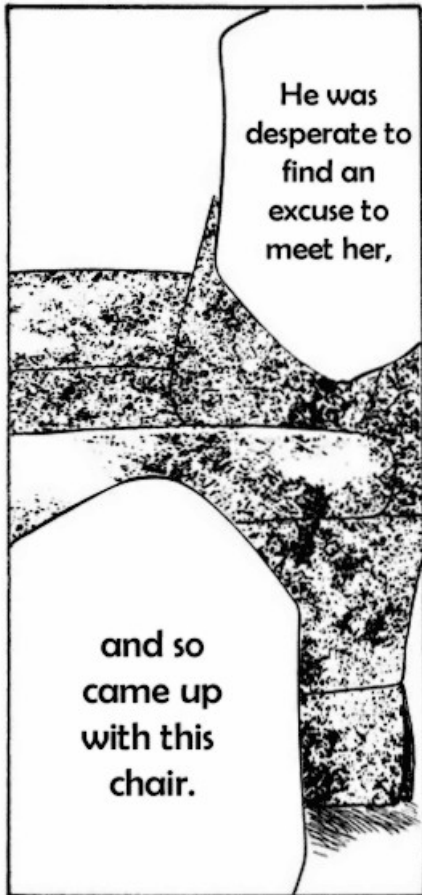

You're interested in this chair, I see?

Oh-ho...

You have good eyes, miss.

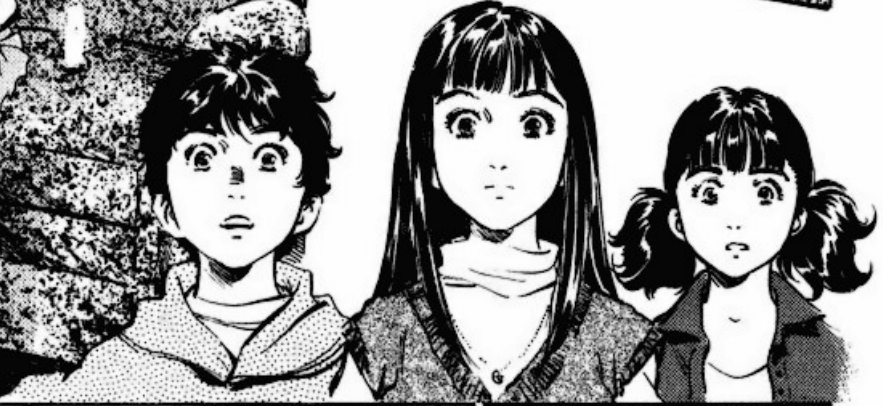

Eh? Why was she going com-
mando?

The Queen at the time didn't wear underwear...

Until one night, when the King caught them.

The Queen and the merchant were able to have a secret affair using the chair.

Eh?

B-But why is this a tragic story?

Hearing this, the merchant stuck himself out of the chair like he usually did...

The door made a noise when it opened.

Oh...

No, I just thought it would be a juicier story if he had done.

He...

He cut it off?!

And with these scissors...

SNIP

The King twirled a piece of string around it,

Eh!?

Sir, I'll buy this chair!

It's decided!

Thank you.

So it's literally one -of -a -kind.

That was how the carpenter's romance ended.

The poor carpenter's tragic tale of romance doesn't resonate with you.

You just wouldn't understand, Yuusuke

I've been searching for something this rare for a while.

CLICK

That's it, I'd better tell Grandpa about it.

It was a rather creepy story, I thought...

An antique with a good story behind it.

Eh?

Hey, Yuusuke-kun, wanna become the carpenter?

After all, I feel that way for Seiko-san...

But love stories do resonate with me...

SLAM

No, that's not what I meant.

My dream is to become a painter, actually...

That's right.

GULP

S-So you're saying you want to do what the Queen did with the carpenter?!

Ah, but, it looks a bit cramped in there.

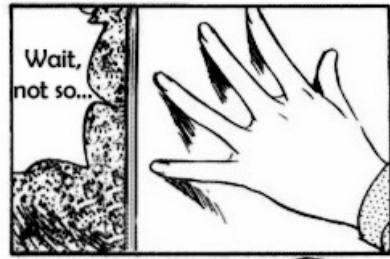

Hurry, before Seiko comes back...

and then get inside of me.

I want you to get inside this chair,

Eh?!

Wait, not so...

Ah!

Don't worry. Okay, I'm closing it.

Now I get it. It matches up perfectly with our crotches.

This feels strange...

BLINK

Y-Yes, I can.

Yuusuke -kun, can you see me?

Ah, there's holes here too.

Oh...

DRAG, DRAG...

Ah...

Then let's go...

CREAK

Can you see this?

Yuusuke -kun, stick it through the hole.

Ah, this is no good...

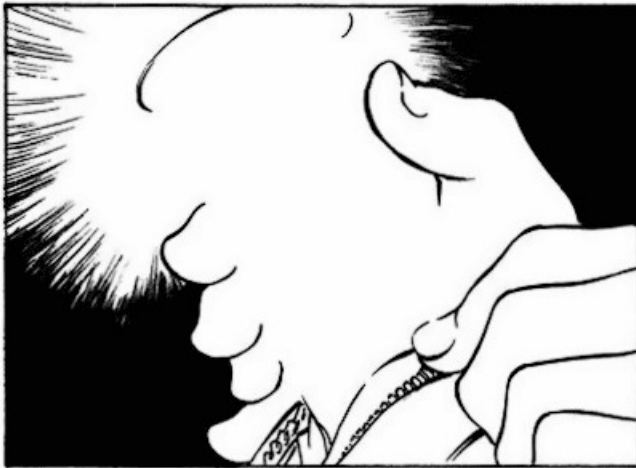

うん

LICK

Yumiko -san ...

Mm...

Mm...

Yumiko
-san...

Yuufuke
-kun...

(Muffled)

Ah!

STICK

STICK

SLURP

SLURP

SLURP

Mm,
mmm!

SLURP

Y-Yumiko-san,
if you suck so
hard I'll...

SLURP

I'll cum...
I'll cum from
just a
blowjob!

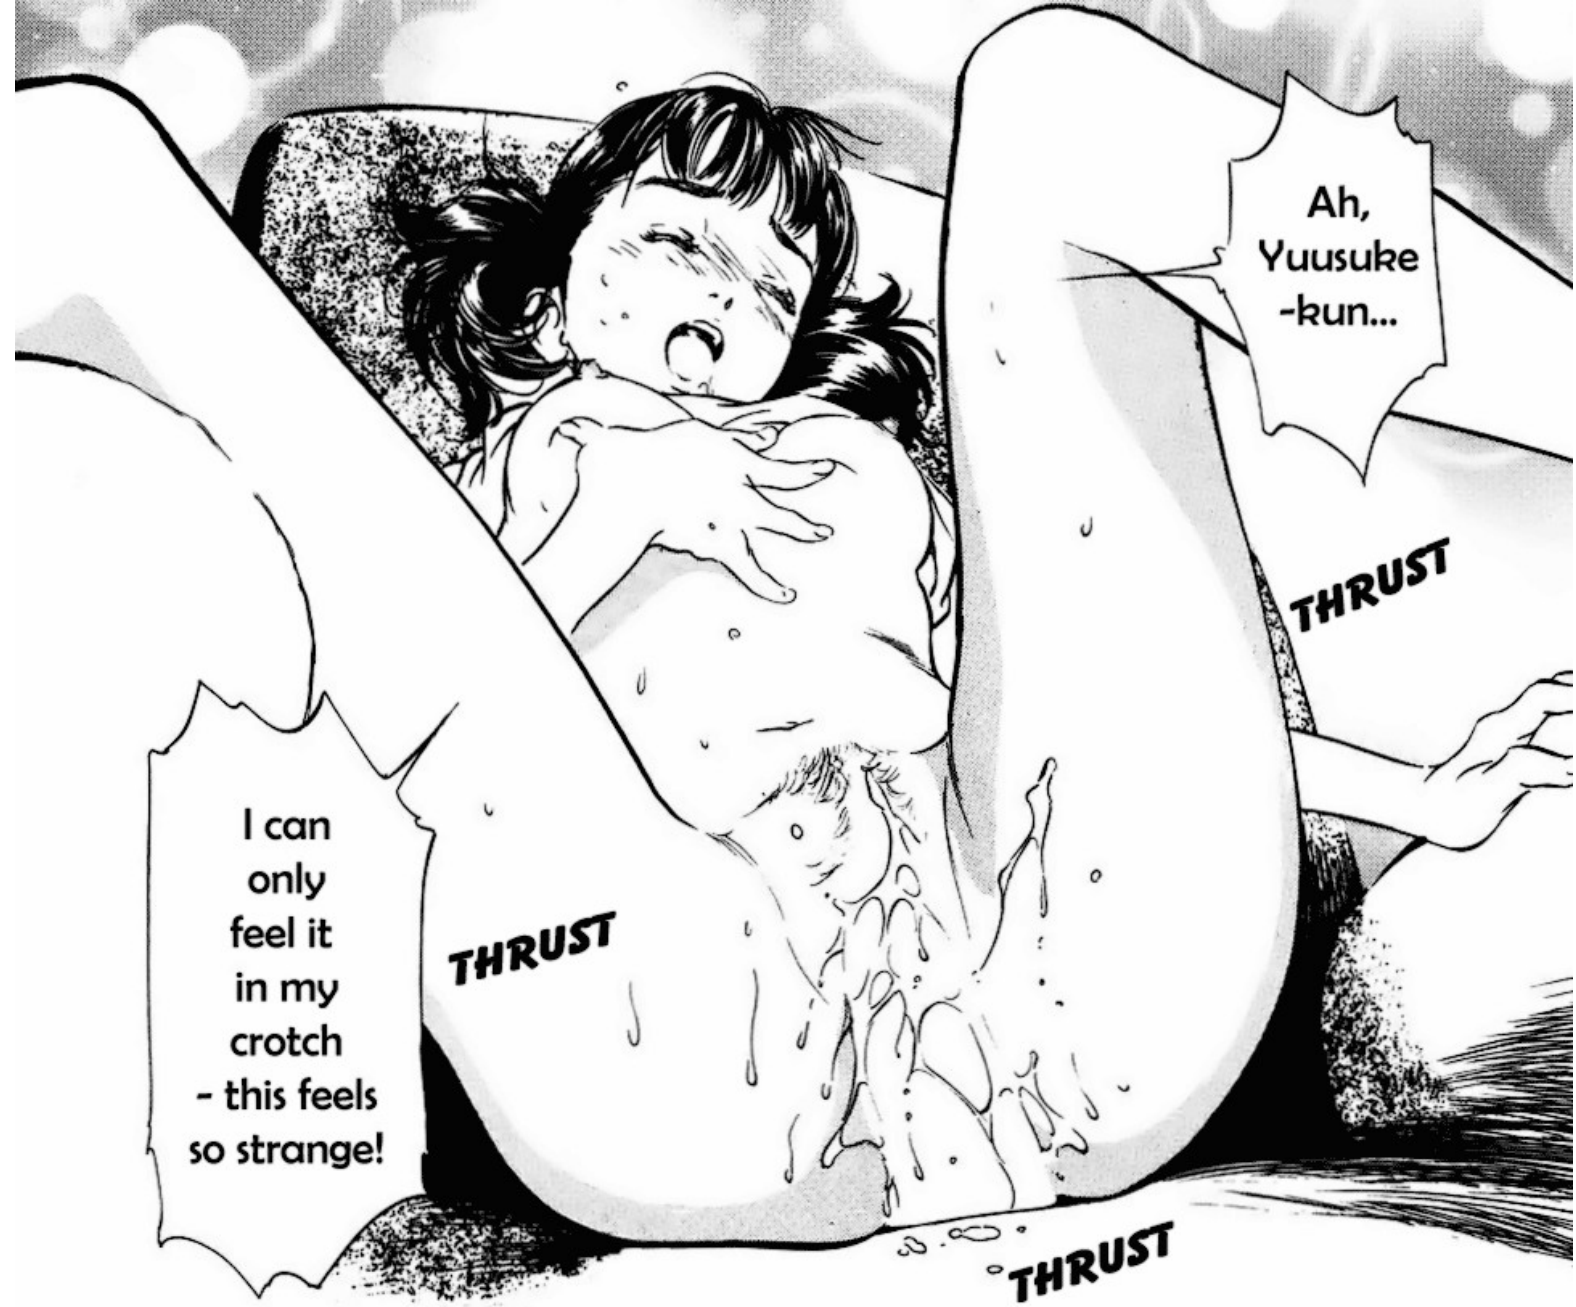

CREAK

Ngh...

SLURP

You can't
cum yet.

Ah,
Yuusuke
-kun...

THRUST

I can
only
feel it
in my
crotch
- this feels
so strange!

THRUST

THRUST

Ah,
Yuusuke
-kun.

I can only
feel your
crotch,
and it's
so realistic.

Yumiko
-san,
me too...

Yumiko
-san!

It's okay.
Let's cum
together.

I'm... I'm
about to
cum.

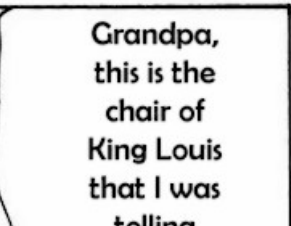

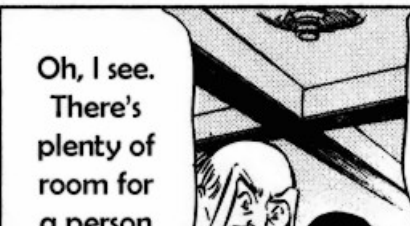

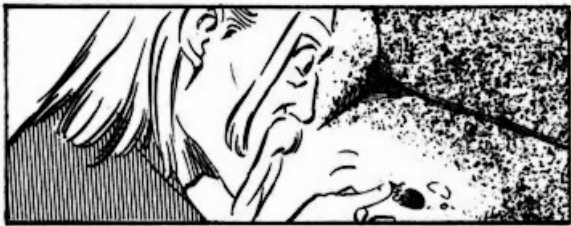

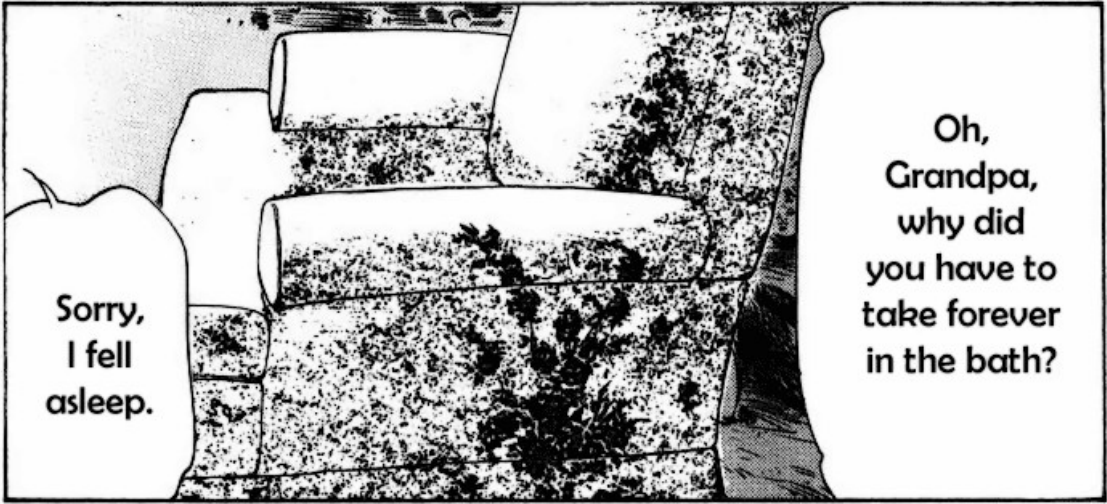

**THRUST
THRUST**

Ah!

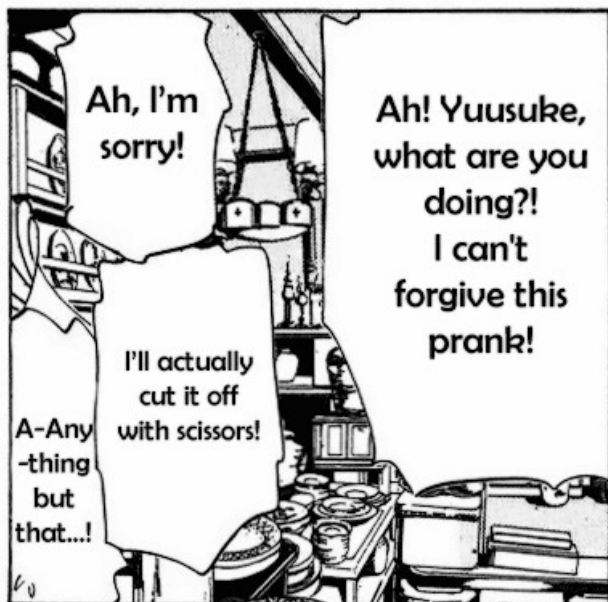

THROB

Oh, I see. There's plenty of room for a person to fit in here.

Grandpa, this is the chair of King Louis that I was telling you about.

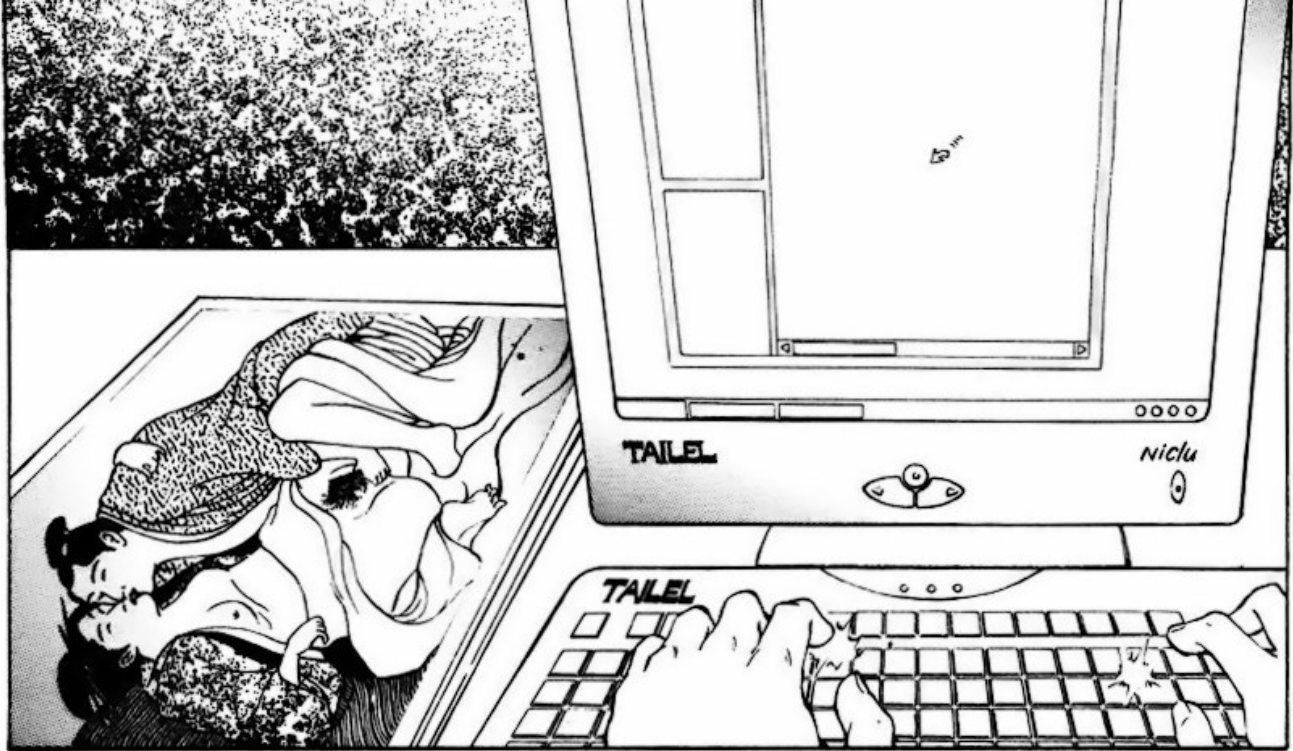

THUD

Chapter 3 - The Edo Style Penis Enlarger

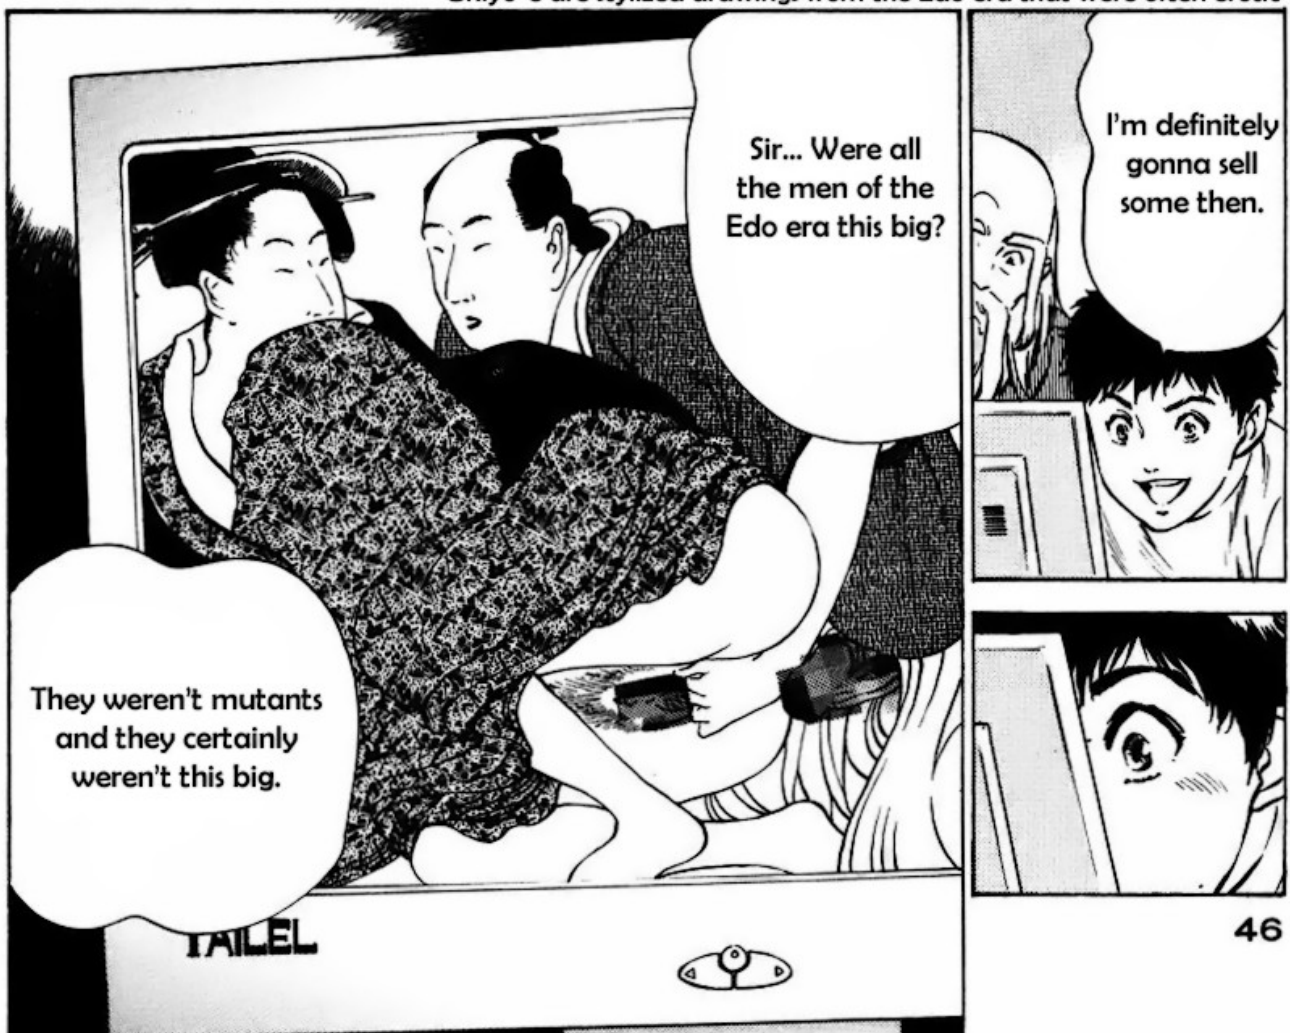

The internet allows you to get clients from all over the world, so if you could sell many, you'd certainly get a bonus.

Of course you could.

Sir, do you think I'd get a bonus if I could sell these Ukiyo-e* prints?

*Ukiyo-e are stylized drawings from the Edo era that were often erotic

They weren't mutants and they certainly weren't this big.

Sir... Were all the men of the Edo era this big?

I'm definitely gonna sell some then.

TALEL

Yes, sir.

CLICK

But never mind that - don't forget your normal duties.

Other than to enhance what the artist wanted us to see, I'm not sure.

Then why were they drawn this big?

Well then, let's take a little break.

CLUNK

FLAP

FLAP

If you ask me, drawings don't get young men off anymore these days.

I wonder if these things really work...

Penis enlarger...

If you use this every day for ten minutes... you will see results within... longer, big... length! Use the... with gravity for your penis... so that it can... faster to...

Hm?

FLAP...

Yuusuke, what are you doing?

I'm waiting.

PSSHT, PSSHT

Get bigger and bigger...

PSSHT, PSSHT

WHACK

It's gotten so big!

I did it, Ms. President, take a look.

Y-You can't mean...!

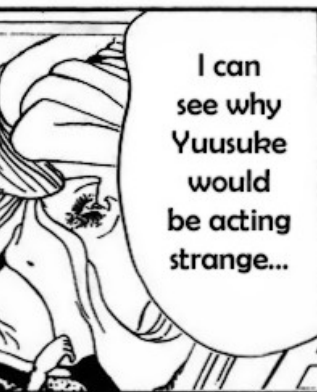

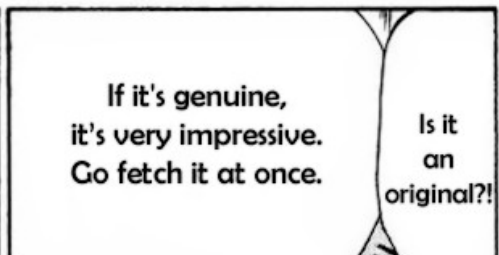

If it won't even fit, it's useless. Go away.

Then how about this size?

Y-Yuusuke, it won't fit.

DING-DONG

Hello, Bankoku -ya here.

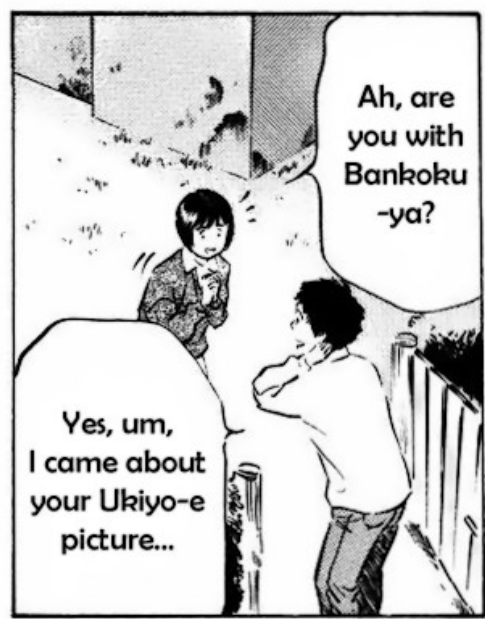

DING-DONG

Ashikawa estate

Ah.

Oh, I guess no one's home.

Ah, are you with Bankoku -ya?

Yes, um, I came about your Ukiyo-e picture...

Wow... pretty!

"BA-DUMP"

You know me?

Sorry to have kept you waiting. You're the one who always helps at the shop, aren't you?

I'm Ashikawa Youko. I haven't been part of this family for long.

Well, nice to meet you then. I'm Komori Yuusuke.

Well, we're neighbors.

So I figured I'd clean out the closets while he was gone to give him a pleasant surprise when he comes home...

then I found that print...

My husband is away on business right now.

Don't worry, I can handle this. I'm used to haggling.

I'm sure my husband's late father collected them.

I haven't seen them before.

Th-This is the print.

So they used this tool to make their penises that big! It wasn't just enhanced for the picture!

This is a big discovery! No one knew anything about penis enlargement devices in the Edo era!

Yes, it is. I was wondering earlier why the man's penis in the picture was so big.

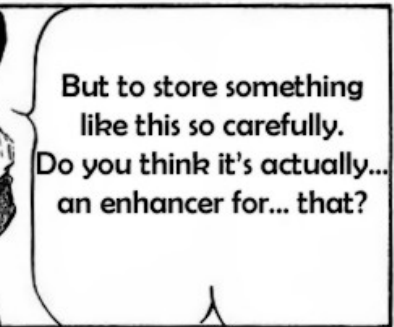

Ah, "penis" is the English word for a man's... you know... right?

Ah.

All it needs is a simple test.

But to store something like this so carefully. Do you think it's actually... an enhancer for... that?

Then I'd like to see proof of its worth with my own eyes.

If it's an important new discovery, that will make my husband even prouder!

Sorry, I shouldn't do it here.

My bad...

Eh?

It's okay, please test it!

So that's how you learned about me.

And I'm a bit naïve in the ways of the world, so I did lots of studying. About this family and about the neighborhood...

My husband's father always told me that he hoped I would be a suitable mistress for the Ashikawa family.

Youko-san...

It's the least I can do as his daughter-in-law.

My husband's father passed away, but I think he entrusted me with his antiques.

Huh...?

It does look like it's grown a little...

But I'm not sure if it's because of this device or not...

Okay...

Let me see.

Oh!

POP

Well, did it get bigger?

I feel like it's being tugged on...

I get it. Then let's try it.

Which means that if you get even larger than you are now, the device works.

Ah, I get it. You mean, use it when I'm aroused!

I think you should use it in the situation where you'd be the biggest possible size anyway.

Y-Youko-san!

If I could arouse you...

SLIP...

...Which is easy to suggest, but there isn't anything arousing around here...

Yuusuke-san....

Um...

Ahh... It... it feels like it's sucking it out...

How does it feel?

Okay.

So if it gets even larger than this, the device is genuine.

STRETCH...

SQUEEZE

POP

SLIP

Please take it off.

Nnn... Youko-san, I can't take anymore.

SQUEEZE

I'm throbbing down there.

So... so this validates my abilities as an appraiser.

W-Wow.

It's gotten bigger than before.

Ah!

Youko-san, what are you doing?!

NUDGE

Mm.

Got me
terribly
aroused...

I'm not
sure. Just the
sight of how
big you were...

Ah!

Youko-san.

I can't
hold
myself
back
anymore.

Wah...

Ahh!

PSSSHT

So big...
I'm all filled up.

Ah!

Ah...

I understand. You're
doing this to
test the limits of the
penis enlarger, right?

Y-Yes,
I am.

I'm not normally
this perverted.

Youko-san,
your insides are
so tight - they
feel wonderful.

SHHTP

SHHTP

Nnngahh!

Y-Yes, you're right!

You need to test things out fully to be sure... right?!

Youko-san... It's gotten much bigger, hasn't it?!

Yes. I've never had anything this big in me.

PSSHT

So my hypothesis was proved correct.

Yes, it was.

NUDGE

NUDGE

Ahhhh!

THROB

Does this really... make that bigger?

I brought the device back from the Ashikawa family.

That's right. It's a big historical discovery!

A penis enlarger?!

A bamboo cannon?!

Ohhh, this brings back memories. This is a bamboo cannon I used to play with when I was a kid.

Oh.

If you want proof, I've got it...

Yuusuke,

whatever happened to the original reason you went there?

So it wasn't a penis enlarger...

And then ...

That's right. You'd crumple a piece of paper like this...

Ow, that hurts.

Jeez, you're ALWAYS like this!

Take that!

Oops... I forgot about the Ukiyo-e.

That's how we played with it.

Then put your paper "bullet" into the pipe.

CARLOS

THIS
MEMO
WAS

WHEN I
OPENED THE
SHOP TODAY,
THIS WAS
HANGING
FROM A BAG
ON THE DOOR.

IT SEEMS
LIKE IT'S
ADDRESSED
TO YOU.

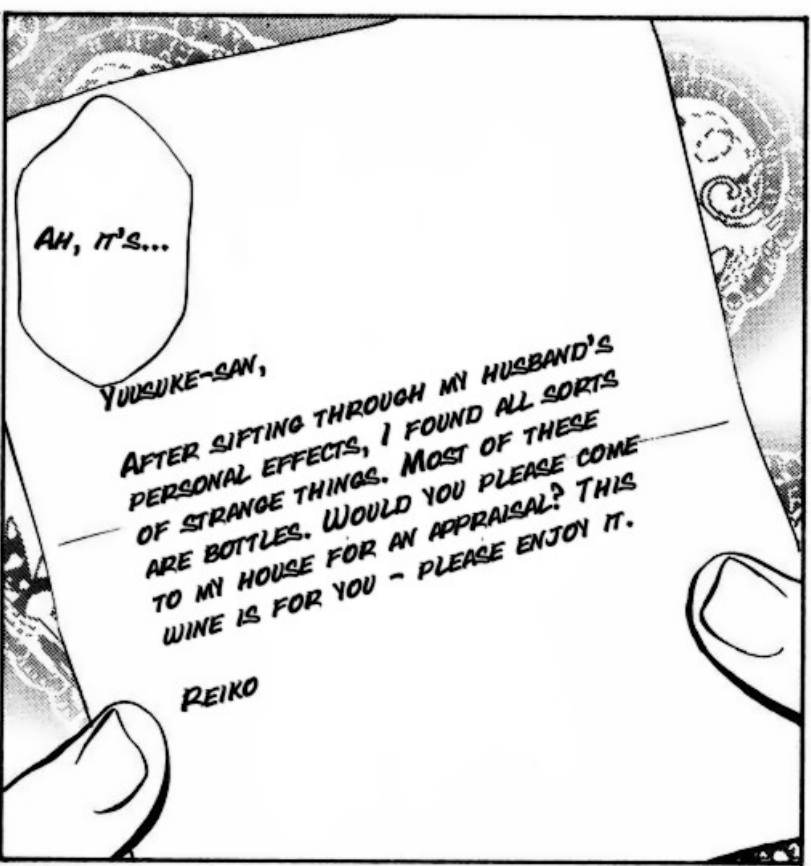

WONDER
WHO IT'S
FROM.

TO ME?

IT'S FROM
REIKO-SAN.

AH, IT'S...

YUSUKE-SAN,

AFTER SIFTING THROUGH MY HUSBAND'S
PERSONAL EFFECTS, I FOUND ALL SORTS
OF STRANGE THINGS. MOST OF THESE
ARE BOTTLES. WOULD YOU PLEASE COME
TO MY HOUSE FOR AN APPRAISAL? THIS
WINE IS FOR YOU - PLEASE ENJOY IT.

REIKO

FIRST
SHE HANGS THIS ON
MY DOOR,
THEN GIVES YOU
PERSONAL ORDERS -
SHE SEEMS
AWFULLY PUSHY TO
ME.

YUSUKE,
WHO'S THIS
"REIKO"?

EH?

YES. I'VE SEEN THIS IN AFRICAN LIQUOR BEFORE.

IT'S TO WARD OFF EVIL SPIRITS.

AHH, THAT'S RIGHT... I GET IT.

THAT'S RIGHT. SHE'S A GOOD CLIENT. SHE AND I DON'T HAVE ANY PERSONAL RELATIONSHIP OR ANYTHING...

OH CRAP. OH CRAP.

BUT WHAT IS THIS STRANGE WINE BOTTLE?

OH, PLEASE, MS. PRESIDENT. SURELY YOU REMEMBER REIKO.

FROM THAT TREASURE MANSION.

OH... YOU MEAN FROM THE UESUGI FAMILY... EN?

AND I THINK I'LL INDULGE IN A LITTLE OF THIS WINE MYSELF... HMMHMM.

BUT WHY IS IT ON A WINE BOTTLE?

THAT'S WHAT YOU'RE SUPPOSED TO INVESTIGATE.

FOR AN
APPRAISAL.**

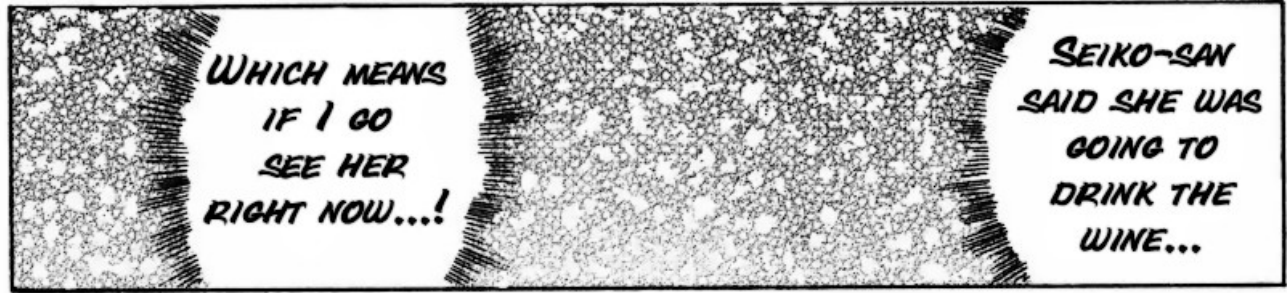

**REIKO-SAN,
THESE ITEMS
ARE RARE,
SO IT'S
TRICKY TO
APPRAISE
THEM.**

THOUGH IT SEEMS IT WASN'T NEEDED AFTER ALL.

SO I HAD MIXED SOME APHRODISIAC MY HUSBAND MADE INTO THAT WINE I GAVE YOU.

BUT I DIDN'T JUST WANT TO ASK YOU TO DO ME...

WHICH MEANS IF I GO SEE HER RIGHT NOW...!

SEIKO-SAN SAID SHE WAS GOING TO DRINK THE WINE...

THIS MIGHT FINALLY BE MY CHANCE ...

S-SO SHE REALLY IS HORNY.

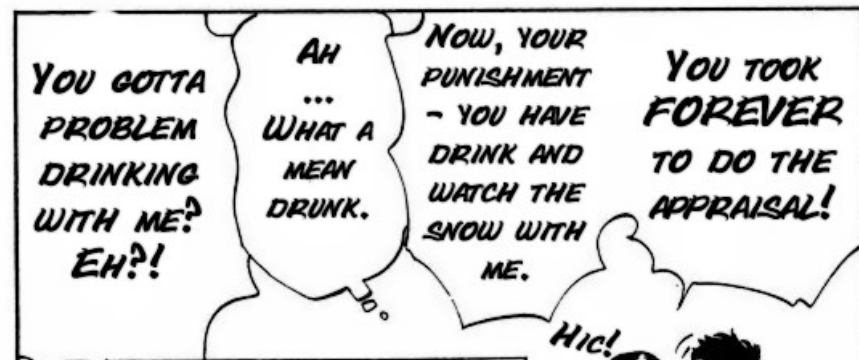

I WAS WAITING FOR YOU ...

AH, HI, YUSUKE ...

MS. PRESIDENT!

SFX: BAM

YOU GOTTA PROBLEM DRINKING WITH ME? EH?!

AH ... WHAT A MEAN DRUNK.

NOW, YOUR PUNISHMENT - YOU HAVE DRINK AND WATCH THE SNOW WITH ME.

YOU TOOK FOREVER TO DO THE APPRAISAL!

SEIKO-SAN!

AS REIKO EXPLAINED THE NEXT DAY, THAT DRUG ONLY WORKS ON MEN.

Hic!

WHACK

OUCH!

SFX: SMASH
