paternal
half-brother.
His name is
Subaru.

I Have...

PLEASE MAKE
SURE NOT
TO FORGET
ANYTHING
WHEN EXITING
THE TRAIN.

NOW
ARRIVING
AT SHIN-
JUKU.

I never thought you'd be a pervert who loves getting fucked while cross-dressing.

AHH

The first time I met you...

Nor would I believe that you'd enjoy playing molester-and-victim with your brother while having a vibrator stuck inside you.

What if Dad found out about this?

You must

I never

Thinking
of him as
a flat-
chested
girl really
turns me
on~

It's a little
too big
around
the chest

it still looks
great!

dick...

You're one brave little brother.

I'm usually disgusted by other guys,

but you're just so cute that I don't mind at all!

Your nipples are so hard...

And down here...

Ooh~ You've really got one despite how you look on the outside.

It hasn't even been touched, yet it's half-erect...

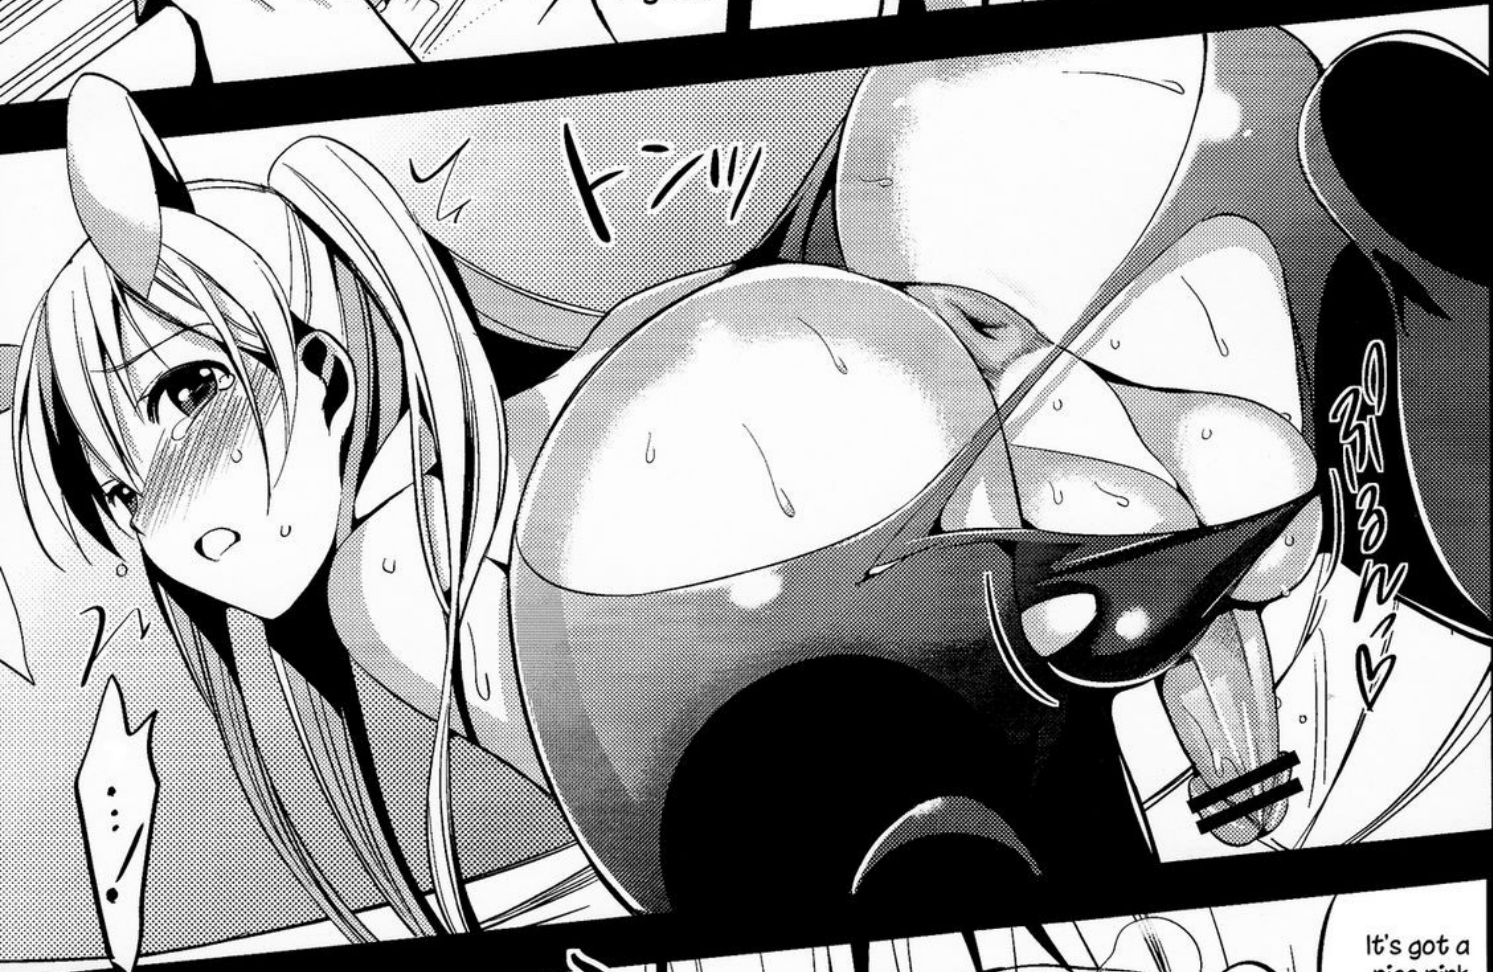

Sucking cock got you all turned on, huh? How adorable~

We weren't allowed to use his ass, if I recall.

But we can still have a look at it, right?

That's too bad~

It's got a nice pink color despite having been used for a long time.

I wanna cover him with my cum...

Can a dick really fit inside that?

Aw man, this is turning me on.

Just a little bit. It's okay, right?

Damn...

KUUBH

It's twitching like a pussy.

Hot as fuck... Can I take a picture of this?

I'm gonna fap to it later~

...Onii-
chan.

...
Let's
do it.

HE
SPOKE

Onii-
chan...

I told you to practice speaking.

Y'know, I have no idea if you dislike it or not if you don't tell me...

We ended up doing it again...

I love

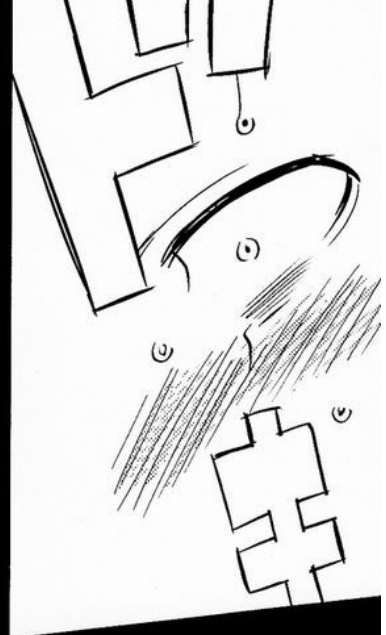

Love?

D-don't you love Dad to begin with...!?

His smell ...?

Not because it's Dad's? Just the smell?

I want to

Onii-chan,

How could I make that mistake...?

What was I thinking ...?

do it again.

♡ Happy ♡ End ♡

Subaru ■ 16 years old ■ Favorite food: apples ■ Least favorite food: Meat

abgrund means abyss.

Wer mit Ungeheuern k pft, mag zusehn,
dass er nicht dabei zum Ungeheuer wird.
Und wenn du lange in einen Abgrund blickst,
blickt der Abgrund auch in dich hinein.

Battle not with monsters, lest ye become a monster, and if you
gaze into the abyss, the abyss gazes also into you.

I personally think this is the best book I've done.
I really grew to like Subaru when I was drawing him, so I'm hoping
I can forget about all this someday and draw him again.

If you think Subaru is cute even just a little bit,
I will feel very accomplished!

The ongoing harassment has ruined my health, so this'll be my last
complete trap doujin. Thank you very much everyone who
supported me all this time.
