呪われ姫

Cursed Prince

Presented by dicca*suemitsu.

When the queen was old enough, she would search all around the country for a man to marry.

The man who was chosen would blissfully spend the rest of his life in the royal palace.

In a certain place, there was a country that generation after generation was ruled by a queen.

There was once a queen who had the most lovely of looks.

She took pleasure in all of the men throughout the land who were fascinated by her beauty

However, that pleasure --

gradually changed into tyranny and cruelty.

The men's mothers
would learn of their
livelihood in the royal
palace and how they
were unable to return
home and had died.
They mourned the
losses of their sons.

There was no notification of a
princess being born.

Neither if any husband had
been chosen.

The royal government was
completely in disorder.

Their grief turned
into hatred, and
that hatred turned
into a curse:

They urged a
traveling witch
doctor to lay
a curse on
the queen.

It was a curse
that would
drastically alter
her passage
of time.

Like a beautiful
flower starting to
wither, the queen
rapidly grew old.

However, the old cannot
bear a child. She had to hurry
and give birth to a princess.

Pressed for time, the queen was
able to give birth to a successor
in exchange for her life.

Well... I think
it's best if
you don't...

How is... the
princess doing
today...?

However...

The born
heir --

Good morning, Primula!

Hurry!
Please hurry and ejaculate!

HAA

I told you not to do it.

Doing it just as he wakes up. You're pushing him too hard...

But we have to have a baby as soon as possible...

I guess it didn't work today either...

I've got to keep trying and become pregnant with your child, or our people will get worried again!

Primula is the prince of this country.

You're already 25 years old, Primula...

N- not at all! It is I who should apologize!

But even though he's 25 years old, he looks younger than me, and I'm 15.

I'm sorry. It's because I'm such a...

Alessa...

In this country, the ruler has to be a queen, so they're presenting him as a princess.

But
Prince Primula's
passage of time...

was so slow to the
point that people
around him --

felt
uncomfort-
able.

When I was 10,
I began to work as
palace staff. In order
to not make the
prince feel uneasy,
I was also made
to wear female
clothing...

That was in
order to carry
over the royal
blood,

and to give
birth to a
successor with
Alessa, and
attain political
power.

The royal court
concealed the
unwanted born
child, that had
taken over the
curse and couldn't
become a queen.

Born the same
year, the girl
orphan called
Alessa became
the substitute.

The only ones
who stick up for
Primula in the
royal court are me
and Alessa.

Even though I'm a princess, I have to become a father, don't I?

That's right.

I'm sorry. It's always impossible for me...

Oh, please don't worry about it.

As I've grown, my heart has started to make sense of this fascination.

Roos... Roos?

This can't be the body of a man that's 10 years older than me.

So young, and beautiful.

Yes!?

It's been a while since we last took a bath together. Come join me!

Th- That's because...

We used to bathe together, but we don't do that nowadays.

Primula is a man... and yet I...

But I...

Do you dislike me, Roos?

But I love you, Roos.

Am I wrong?

Your 'love' comes from the feeling of loneliness of not having any parents, right?

... That 'love' is just to show goodwill towards your servants, isn't it...?

Pf... Please look...

The 'love' I have for you is different.

"Primula doesn't know about the outside world. Answer any important questions he may have."

I- I see!

N-no!

My body does this to prepare for the semen to come out.

Wah...
Something came out.
Did you need to pee?

This is that thing I have to do, right!?

How do I make it come out!?

Primula...

Teach me how to do it!
I'll... --

They say that everyone in the country are disappointed too.

I fail to do it every morning, and make Alessa sad. I feel so cornered.

I'll give it my best!!

Primula... is being so serious...

I'll help you too!

"Help me"!?

What happens then?

Then move it up and down.

Like this?

I understand... Can you hold it with your hand?

and it'll start to feel good...

I begin to feel ticklish in my chest,

Primula's slender fingers that I've always dreamt of are...

Roos, does it feel good?

Please grip it with all your might.

That's right. You're a man as expected, Primula.

Like this? It doesn't hurt?

It feels like it's all getting squeezed out...

So strong...

I want to see! Show me your semen, Roos!

Is it coming out? Is your semen about to come out, Roos?

Ye-Yes!

Is it good? Does this feel good, Roos?

Primula... So rough...!

I... I can't... hold on anymore... Primula...!

Show me! Show me when it comes out!

It got even harder!

Then how's this?

But I've got to do it inside Alessa.
It seems it can only come out with your mouth...

It... it's embarrassing... Stop...

And stop tasting it each time too...

Primula. You've started to cum very thick semen every time now.

That thing
I do with
Alessa...

We made love every day. Although under the pretext that it was for Alessa's sake.

It's as if...

Hm?

10 months later

The false princess and the cursed prince --

I was so surprised when you told me that it was only possible if Roos was 'with you' from behind...

Honestly...

were finally able to give birth to an heir.

The false princess told the two all about how the royal court were plotting against them.

Then... I'll leave this place together with Primula.

However, everyone in the royal court found it objectionable to keep the cursed prince in the royal palace.

Will you be all right...?

and as long as I'm with Roos, I'll be fine.

I want to see what the outside is like...

getting to return to being a man again after 6 years isn't so bad either!

Alessa...

You have been like a brother and sister to me.

I'll be lonely, but it's more important for you two to keep on living.

I see...

Now, my angels,

Thank you.

I have been preparing a small gift for this evening.

bid a last farewell to your father.

And thus, the shadow of the curse disappeared and everyone in the royal palace returned to peace.

The country was once more ushered in prosperity.

As the sun sets, the cursed prince and his servant got on the horse and left the castle behind.

The cursed prince and his servant gently watched over the royal palace.

And in the forest at the outskirts of the country,

And they lived happily ever after.

End.

Primula

A boy that's forced by circumstances to wear female clothing. His actual age is 25. His unawareness of his homosexuality spells various disasters. The curse causes his body's aging curve to come to a halt at around 20 years of age. In case he was a normal young man that wasn't cursed, it's likely that it still wouldn't solve the problem of having a homosexual as the successor. His life span is no different from a normal person's. If you don't count his age, his natural death will come across as sudden. He's named after the genus of Primula, which includes such plants as primroses, cowslips and cyclamens.

それから、装丁について。

昔からずっとやりたかったことを織り込んでみました。大昔の同人バブルの装丁にはまだまだ及ばないものですが、やりたいことを少しはできたと思います。口絵に小さく記載しているのですが、絵のあるところを指でこすつてやると甘い匂いがすると思います。ぜひ「こた！」と思ったところをこすつてくんかくんかしてやってください。女装少年をこすつてくんかくんかする同人誌というのも、今回のテーマです（嘘です後付しました）。

ハードカバーにしろ、香りにしろ、箔や金砂にしろ、デジタル書籍の台頭する昨今で、紙でこそ味わえる質感みたいなものを思いつくままに表現できるのも、また同人誌の良いところだとおもっています。商業連載をデジタルコミックでもさせていただいているのですが、元々の紙・印刷技術フエチで、さらにデジタルガジェットも好き、となると両方のいいところをどうやったらだしていただけるの

か、とか考えてしまいます。現在は、以前のペースで同人活動をしていくのが非常に難しくなってきましたが、上手い棲み分けみたいなものを個人でも考えていければとおもっております。

なぜ今回ハードカバーでこんなロマンな装丁なのかというのは、絵本のような内容で絵本のような同人誌を作ってみたかったのです。

女装の工口同人誌に装丁なんか要らない。工口さえ読めればいい、と思われろんだらうな、と思ったりはしたのですが（しかも、お話や心情重視で描きたかったので工口描写も結構ソフトになってしまいました）、やりたいことをやるのが同人誌です。少々お値段の張るものになってしまっているかもしれないませんが、今実際に本を手にとってみてください。ありがとうございます。

童話にはいろんなお姫様の話がたくさんあります。お姫様というのは、女の子ならだれでも憧れるような、女の子の夢の頂点に立つお姫様という立場に男の子を放り込んでやったらどうなるだろう。そして、お姫様が絶対的な立場にならない、王室ファンタジーをやってみたい。そんな気持ちで呪わ

Ross

A boy that's forced by authority to wear female clothing. On the grounds that his body had sexual features, he was employed when he was a child to work in the royal court by a middle-aged lady. He was instructed to be the Princess' servant as a side job, and when he saw Primula's beauty for the first time, his "primary job" became impossible. He was almost fired as a result, but he continues to indirectly take care the princess, as a pawn of the authority. He's named after a real life movie producer.

れ姫プリムラを描いてみました。でもだいたい歴史上のお姫様ってあまり絶対的な立場になってませんよね。（このお話では意図的に、前権力者の罪被りをさせられているからおさらです）

女装少年の魅力はいろいろありますが、歪さにこそ魅力を感じます。あまりうまくない、男を隠しきれない女装による歪さ。素晴らしい女装で男を感じさせないのに、スカートをめくると女の子ではないという、歪さ。その場の空気を歪められ、心が引きずり込まれる感覚こそ、魅力ではないかとおもいます。決して、美少女の亜種ではないと思っています。

そしてこれは去年、ゲスト原稿『返り血姫』を寄稿したときのコメントに書いたのですが、女装少年はかわいければいい、だけじゃないと思っています。理由があり、葛藤がある。少年の未熟さゆえに、過ちを犯してしまう危うさ。少年ゆえに戦う男らしさと相反する外見の可愛らしさがあるのです。

こういったものを掲げて作品をこれからも作っていければと思います。

またいつか、よろしくお願い致します。

Before the death of the queen, princess sisters know the
truth, I searched through the woods.

"Father, please come back."

The forest remains quiet.
The wind brings the scent of flowers only.

Eventually, the two sisters found a little old house.
The little house is empty.
However, there are pink flowers bloom, butterflies dancing
was golden.

Like butterflies love the flowers.
Flower stands as a dwelling place was a butterfly.

Gentle breeze and the scent is consoled her sister.

Forever, forever.
