

GAKI

Cannibalistic demons from the eastern continent. They're called Ogres in the west. They once used to have a similar spiritual existence as Elves, but after God saw them eat members of the same race, they were cursed with the body they have now. Their life span used to be 500 years, but has now been shortened by dozens of years. Due to the curse, they can only eat meat and cannot drink water. Because of this, they began to suck blood to quench their thirst. But no matter how much they eat or drink, they can never feel satisfied. They are constantly hungry.

Their aging and metabolism is fast, while their physical strength and resilience is tremendous. If one of their limbs is cut off, it will immediately regenerate. They can impregnate any female mammals, but the children they give birth to are Gaki. Their staple food is the meat of other species. They also keep pigs as livestock, but only so they can eat them in case of emergency. Since they ran out of other species to eat on their continent, they are crossing the sea to the western continent.

Little White Butterflies

Guide • Elves

Elves

All the men and women of this race are beautiful with blond hair and blue eyes. In ancient times, they were spirits who loved the earth and were consequently incarnated and descended down. They live for somewhere between 500 and 1000 years. They only age for 20 years, and after that they will not show any signs of aging whatsoever until their last days alive. They can not contract diseases, and their ability to recuperate is remarkable. They eat fruits and vegetables instead of meat, but even if they don't eat anything, they will not grow weak. They live in solitude around the mountain provinces of the western continent.

Their sexual desire is poor. During their entire life span, they will only have 1 or 2 children. They used to prosper as a huge unified state, but the lack of mating caused a natural decline. Nowadays, the continent is scattered with several villages and cities that consist of 100 - 1000 Elves.

DAMN GAKIS!!

GATHER THE REMAINING FEMALES.

KILL THE MALES AND FEED THEM TO THE PIGS.

THIS'LL BE ENOUGH FOOD AND MEAT-HOLES FOR A GOOD WHILE.

YOU ALL LOOK REALLY TASTY WITH ALL THAT FAT.

HEHEH, WHAT A NICE FLOCK YOU'VE GOT HERE.

WHA-

ELVES THAT HAVE LIVED FOR HUNDREDS OF YEARS
GET RIDICULED, RAPED, BUTCHERED AND THEN EATEN
JUST TO SATISFY THE GAKIS' MOMENTARY HUNGER.
ALL IN AN INSTANT, THE WOMEN'S LIFE AND HISTORY
GETS CONSUMED LIKE MEAT BY A PREDATOR.

HOW MUCH OF AN INCENTIVE DID THE GAKIS HAVE TO MAKE
THEIR VIOLENT ENTRY, AND TAKE THE PUBLIC PEACE AND
LIVES AWAY FROM THE ELVES WHO HADN'T HAD ANY
CHANGE OR ENJOYMENT FOR THOUSANDS OF YEARS?
WHILE TEARS FELL FROM THE LIGHTLESS EYES THE MOMENT
THE WOMEN SAW THE MEN GETTING ERADICATED IN FRONT
OF THEM, AND THEMSELVES GIVING BIRTH TO THE GAKIS'
CHILDREN, THEY ALSO HAD THE GREATEST SMILE ON THEIR FACE THAT
THEY'VE EVER HAD IN THEIR SEVERAL HUNDRED YEARS LONG LIVES.

ONLY BONES REMAINED OF THE ELVEN MEN WHO HAD VANISHED INTO THE RIGGS' STOMACHS. THE RIGGS THEN PROCEEDED TO RAPE THE WOMEN, LIKE THEY HAD BEEN POSSESSED BY THE ELVEN MEN'S HAIRE. THE EXCREMENT MADE FROM ELVES THAT THE GAKIS AND RIGGS HAD EATEN BECAME THE WOMENS ONLY FOOD, WHO AT THIS POINT HAD BECOME BEASTS.

THERE ARE WOMEN IN DESPAIR, OTHERS WHO FIND PLEASURE IN VIOLENCE, SOME WHO ARE GOING CRAZY FROM SEX, AND EVEN A FEW WHO ADORE THE GAKIS. THE HIGH CLASS ELVEN RACE AS WE KNOW IT WAS ALREADY EXTINCT. NOW THEY WERE JUST A LOW GRADE LIVESTOCK, ONLY WAITING TO GET SLAUGHTERED. FOR THEIR MASTERS' SAKE, THE FEMALES EAT EACH OTHER TO GAIN FAT ON THEIR LIMBS. ONLY A MERE 29 REMAIN OF THE 2000 FEMALES.

THE WEAK WOMEN BECOME MEAT,
AND THE STRONG MEN EAT THE CONTINENT.
WHAT SPECIES' FEMALES WILL THEY EAT UP NEXT?
