Early this morning
I abruptly decided
to take a
one way trip north.

I'm Miharū
Tsurugashima.
28 years old,
average job.
I'm a good wife,
but today I
am taking a
trip away from
my husband.

Heading back
to the small
village where
I was born.

All because
I received
this letter
the other day
about a
class reunion.

同窓会

Hard
to believe
it's still
standing...

It was
already
too old
back
then.

HIRO

As much
as it
deserved to
be closed,

I have
such fond
memories
of then.

Are you
two
blind?!

Miharu,
we keep
telling you
he's just the
janitor!

Look at
his face!
I know he's
up to no
good!

Today we
find out what
that strange
looking man
is up to!

EEEEEE
EEEYAA
AAAAA!

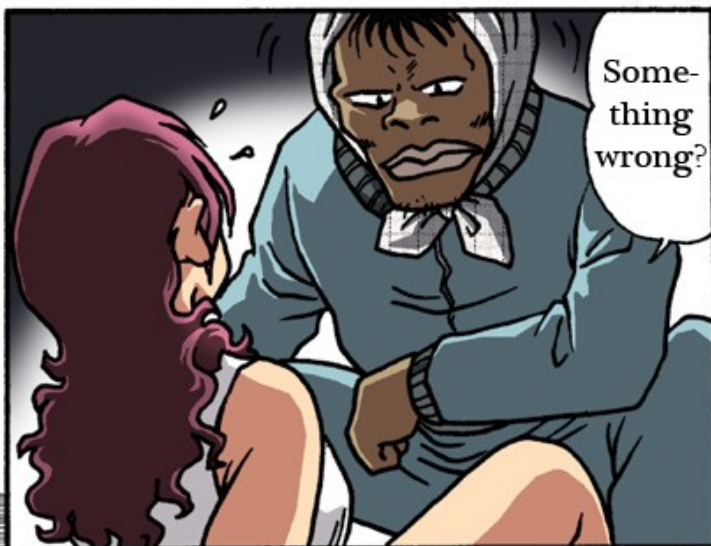

God!
Are you
two even
listening?!

You two know that
the peace of Japan
is only upheld by
teams of young
girl detectives!

Erm...

Something wrong?

NOOOOOOOOOO!

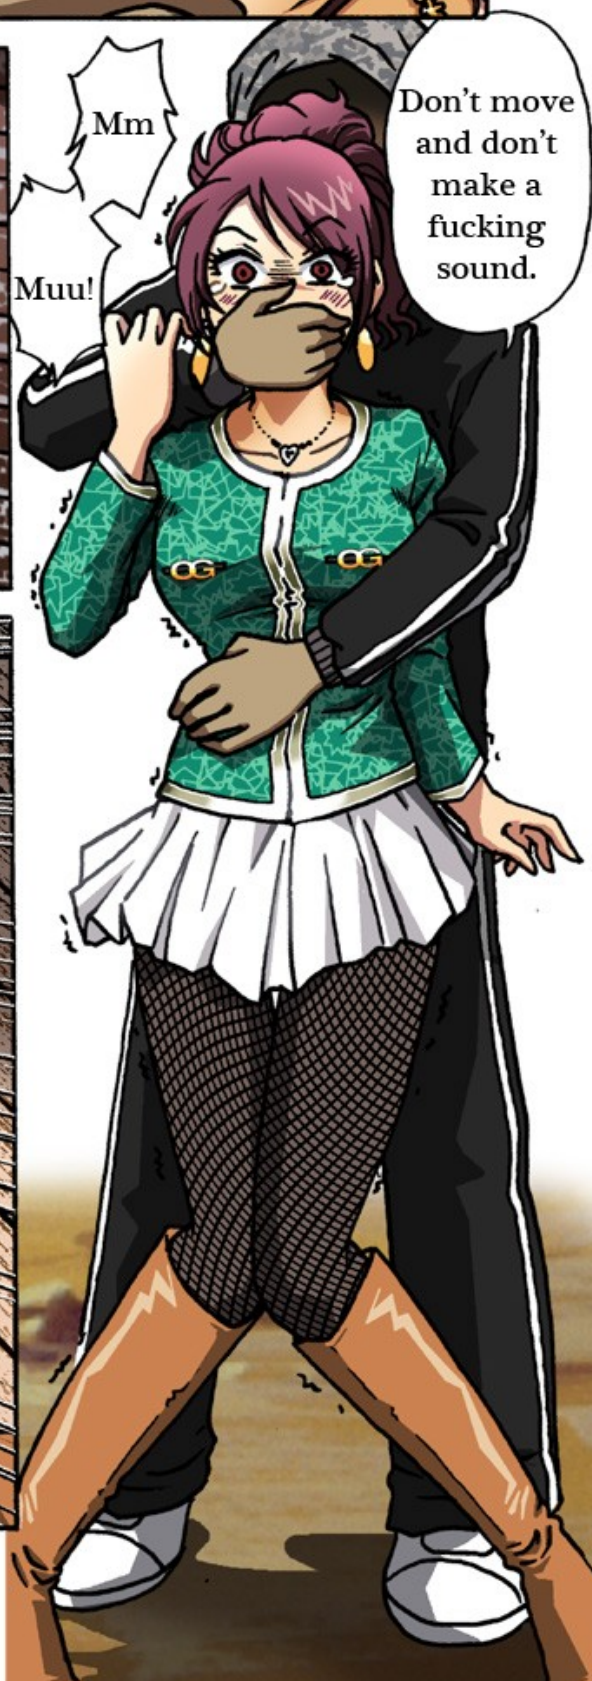

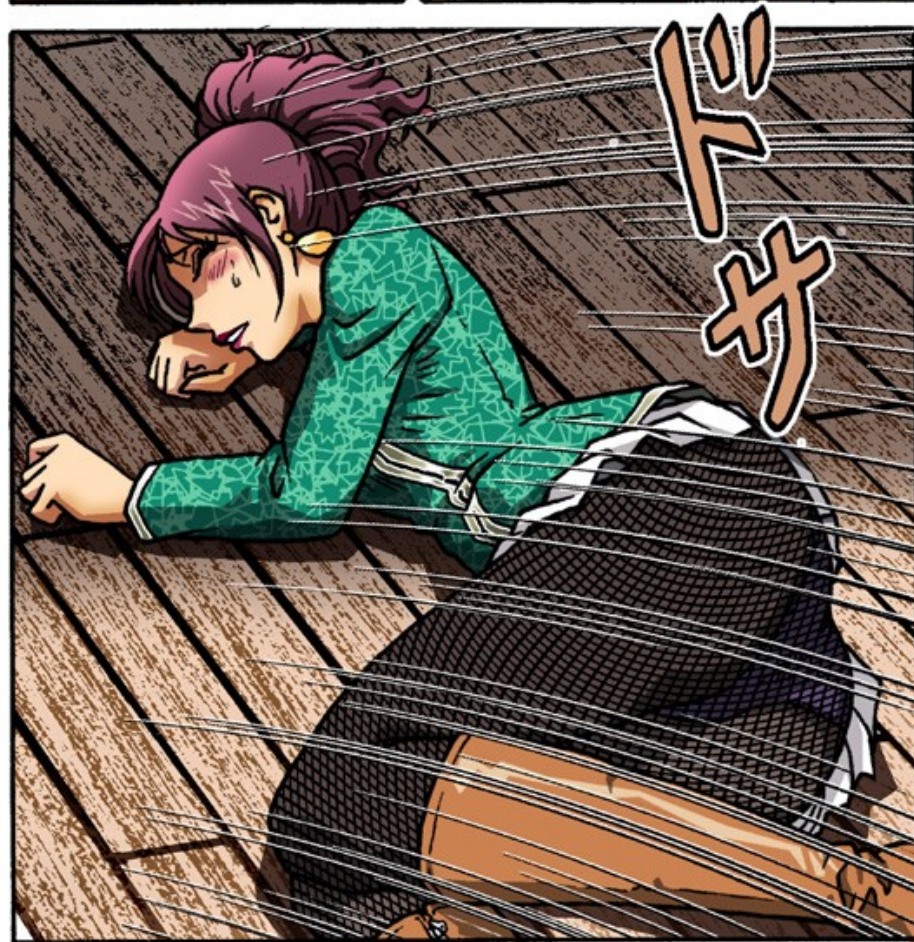

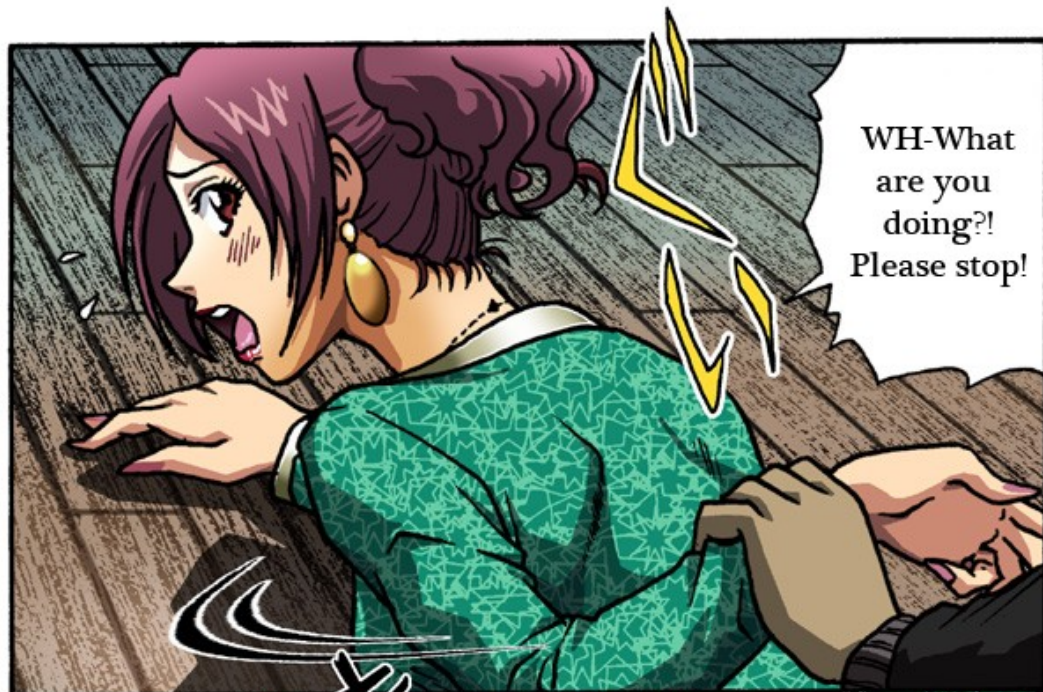

Forgot all about that until now.

Feh.
Some girl detective
I was...

WH-What
are you
doing?!!
Please stop!

I-I'm from
Tokyo! If
you want
money there's
plenty in my
purse!

Please! I'm only
here for a
class reunion!

I'm married!
My husband is
here too! Please
don't do anything
to me!

No one
other than
my husband
has been in

All I wanted
was to have
drinks with my
old friends!

Why is
this happening
to me?!

Save me,
dear!

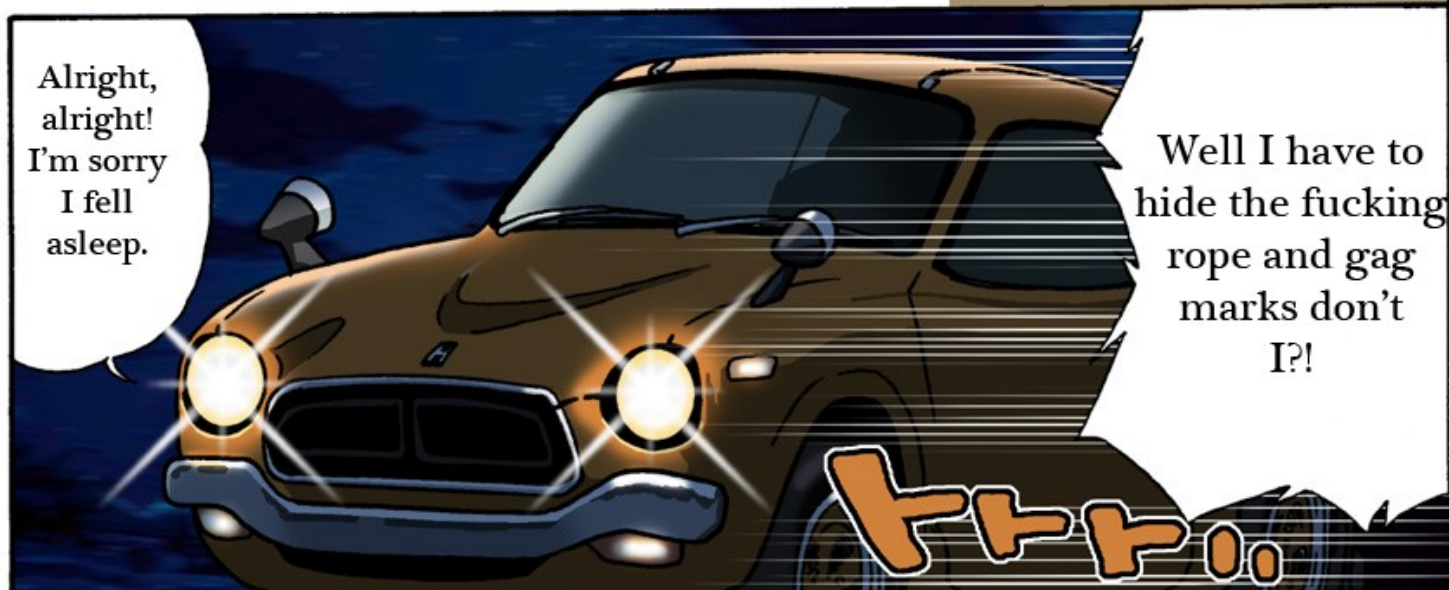

Do you really need to put on makeup in the car?

You're suppose to avoid the potholes!

ブオオオ...

Alright, alright!
I'm sorry
I fell asleep.

Well I have to
hide the fucking
rope and gag
marks don't
I?!

トトロ!

SHUT THE

MIND YOUR
OWN
BUSINESS!

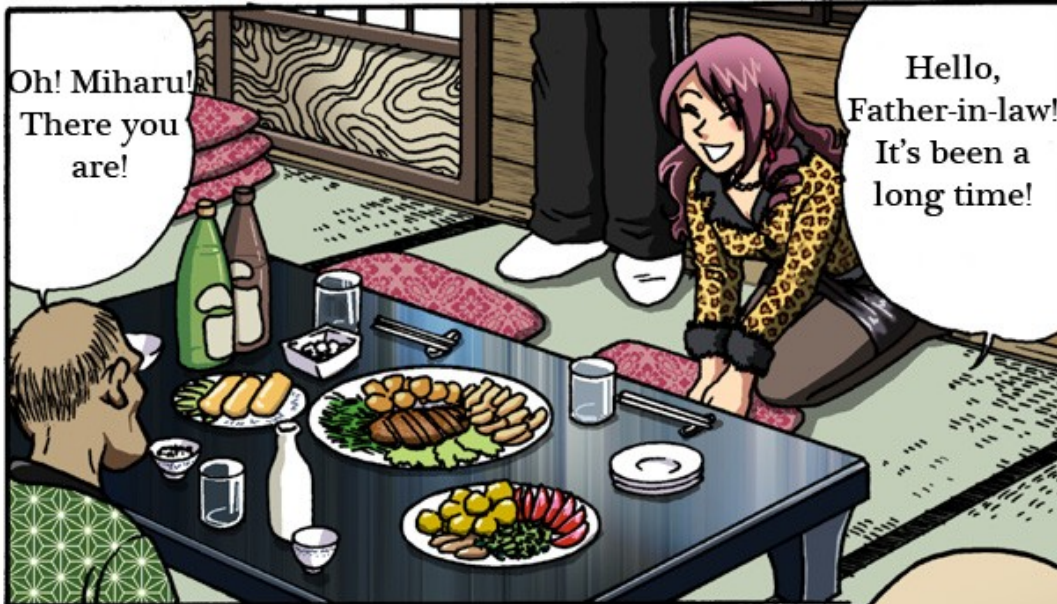

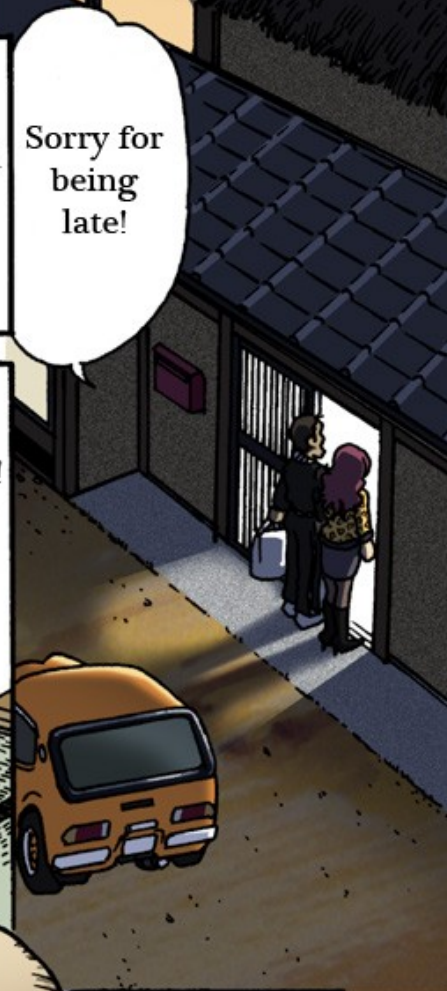

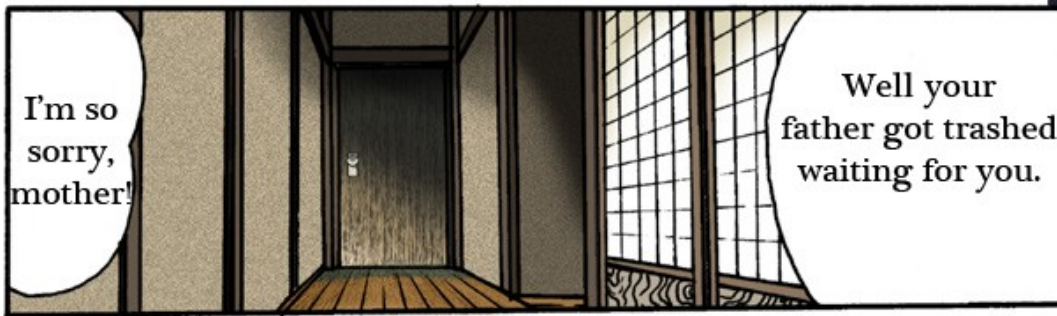

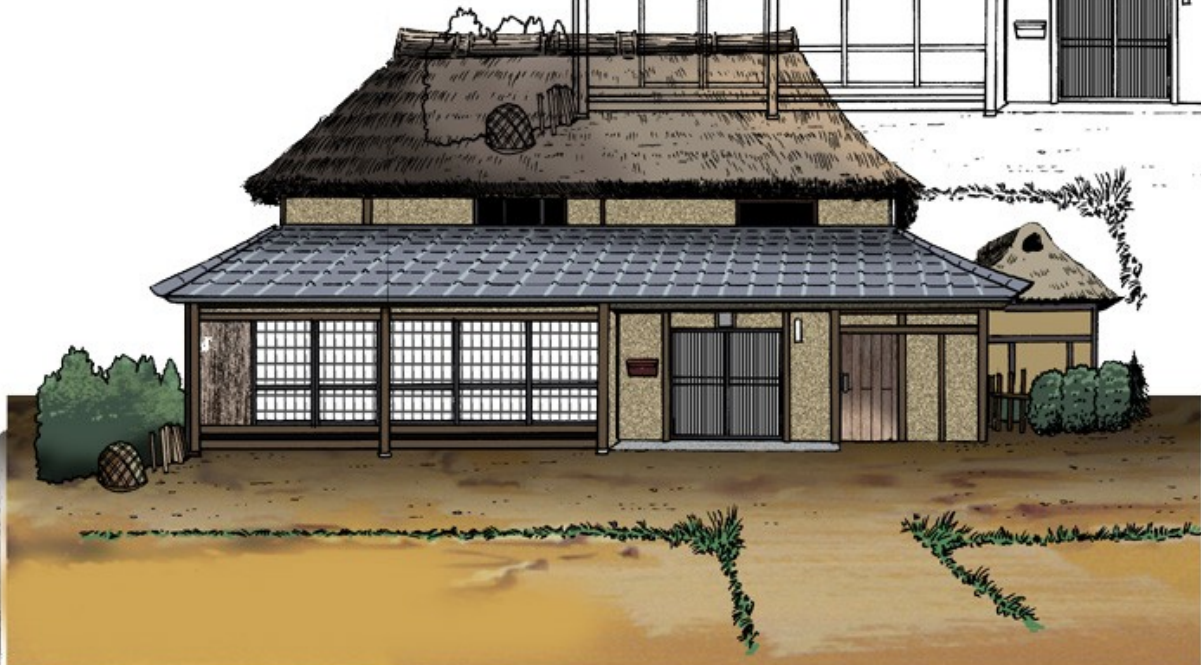

What?

I was just
doing what
I thought
you wanted.

But, I was just
doing everything you
usually like. Why are
you so pissed? You like
being tied up for a
long time.

OTHER STORY

美春のおもいで

Looks like
the two who
married
made it!

Hey everyone!
Tsurugashima
Miharu is
finally here!

Shut up!
You don't
hear me
calling you
baldy do
you?

Whoa!
Someone
got fat!

He turned
out to be
a client
for my
company.
So I ran
into him
one day.

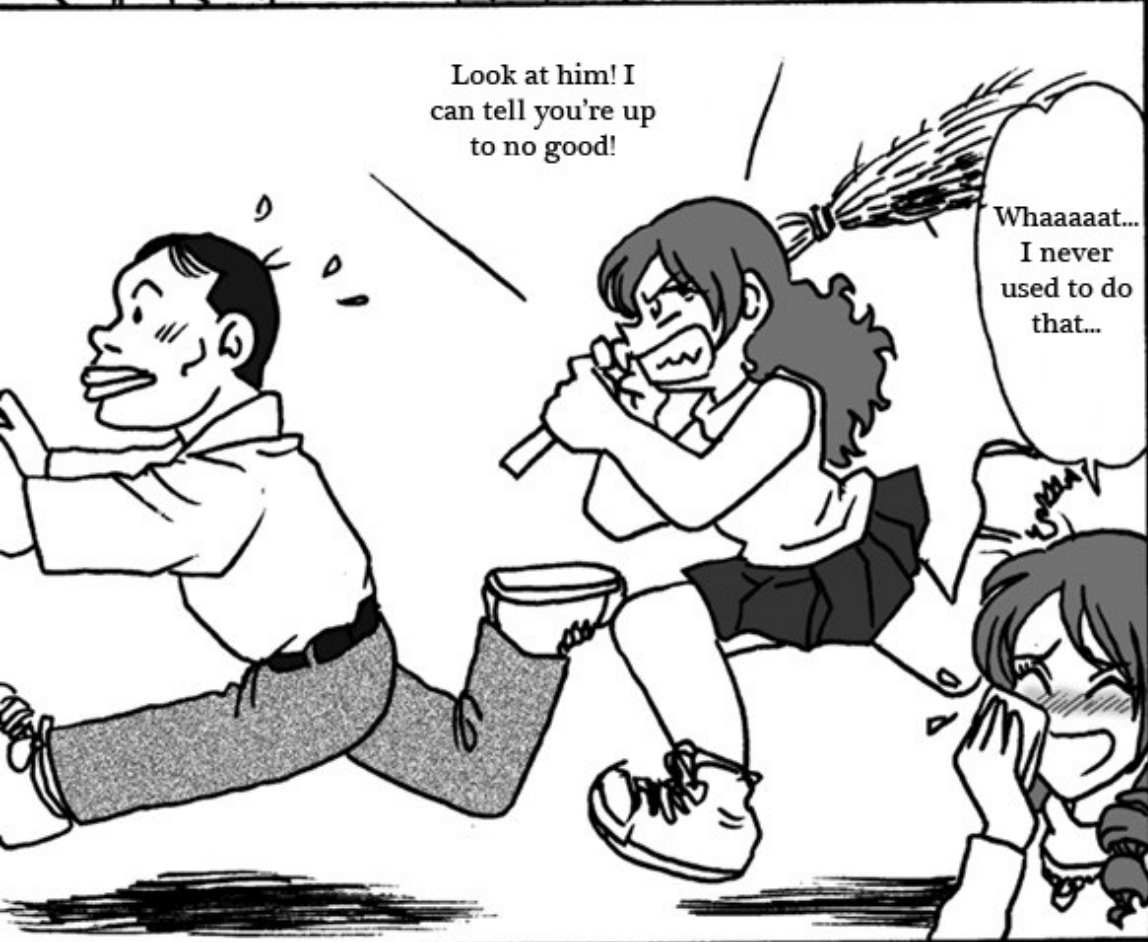

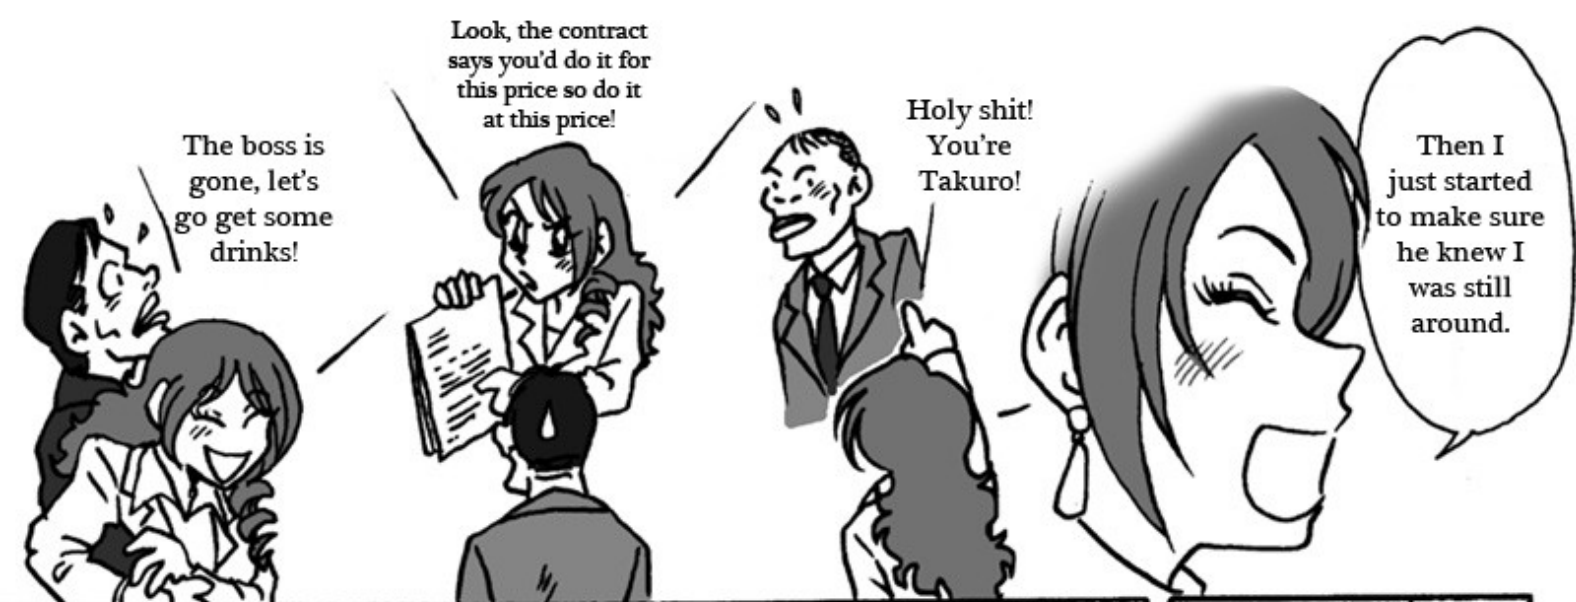

You have
to tell us
how it
started
with him!

So you really
did marry
Netaro!

ASA!
YUKA!
It's been
so long!

Special training?

Today will be special training for "Counter Measures!"

YES!
That is why we have to check out every mysterious person we come across!

Look, think about it! He is just disguising himself as a janitor!

He's got to be part of an evil group trying to conquer the world!

And who are the only people who can stop evil groups?!

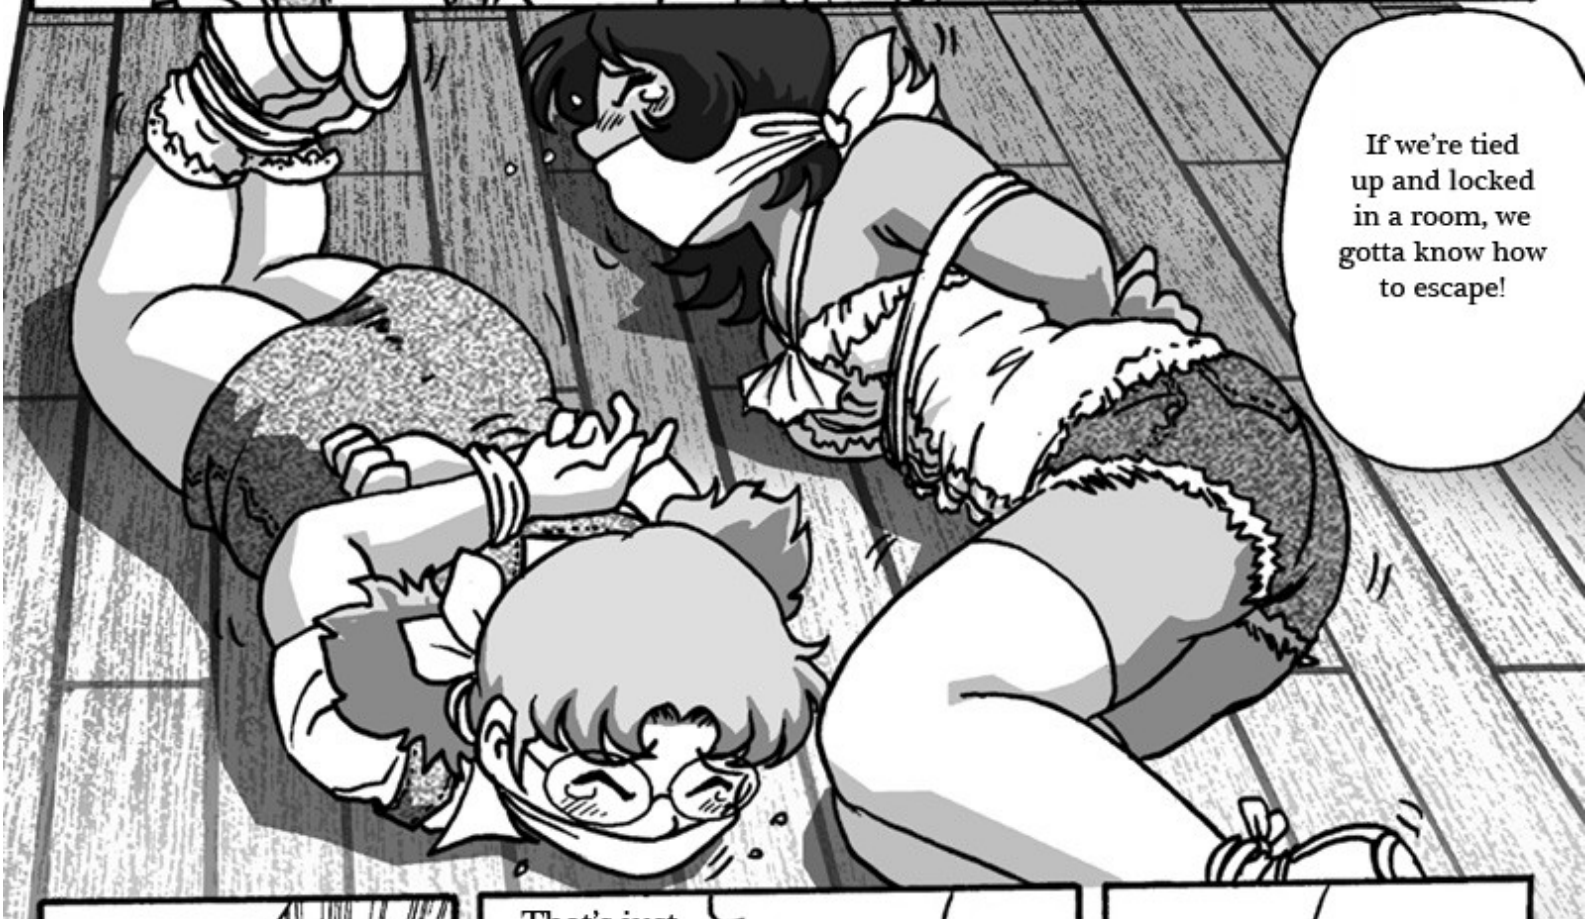

Young girl detectives of course! That is why I started this group!

He's just a janitor...

...So this evil group is starting by conquering Japan first?

So today is escape training!
In case you are ever caught by a bad guy!

If we're tied up and locked in a room, we gotta know how to escape!

You know what?! I'll just show you how it works!

That's just bullshit from TV!
In real life you'll have a cloth stuffed in your mouth too!
You can't talk!

You know, like having a towel or rag tied over your mouth. But you can still talk easily...

Gag?
What's that?

No good!
You are gagged too!

All we have to do is yell for help really loud.

Roll up a handkerchief and stuff it in my mouth. Then tie a towel around my mouth so I can't spit it out.

What should we use to gag you with?

Tie me up, gag me and lock me in the gym storage room. Then I'll show you how to escape.

Here, use these jump ropes to tie my hand and legs.

Mm

MPH!

Oh no!
I've been
caught by
bad guys!

What's going
to happen to
the beautiful
leader of the
detective club?

Fmm

Nng Mgmnn

They're going
to turn me into
shark food!

Umf

Mmmf

Ahhh someone
please save me!

Noooo!
What's
happening?!

Something
is making my
panties wet!

Asa! Yuka!
Open the door!
I want to stop
the training!

GGNUUF
MMMMUFF!

MPPGM
GMMMF
NNNMF!

It's way too
early for my
period!

It's too
slimy to be
blood...

Wait...
Could they
have...

Oh god!
My body is
so hot.
AM I SICK?!

Could they
have actually
been kidnapped
out there?!

You were
yelling?
We didn't
hear a thing.

YOU
ASSHOLES!
DIDN'T YOU
HEAR ME
YELLING?!

Wh-What

あとがき風マンガ 同窓会誕生秘話

あれは一年前：
三ろは
綺麗に着飾った
熟女が縛られていた
姿が描きたかった

とりあえず
描いてみた

そして…

色を付けながら
考えた

背景は？
お洒落に着飾る
理由となる場所が
いいだろう
旧友たちに自分の
“華やかな姿を見せる
同窓会”が浮かんだ

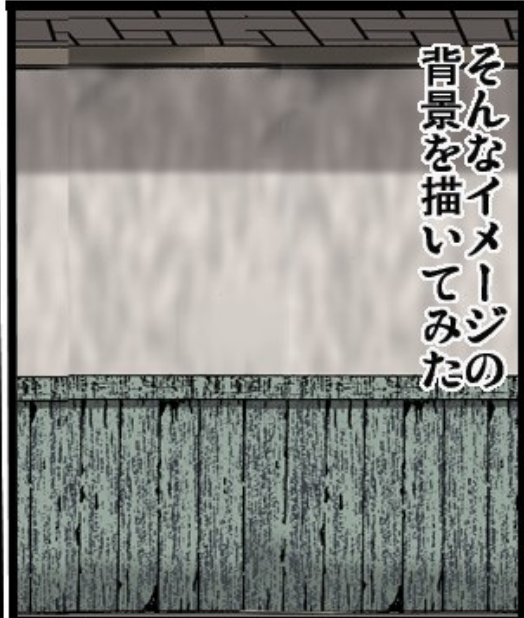

お嬢様で
有名な
女子大？

いや、
田舎の
いい学校が

そんなイメージの
背景を描いてみた

ついでに
効果音・効果線、
セリフも入れてみた
