The Growing Body Girl SKETCHES 2
breast growth + butt growth

Now,
the
teacher's
lounge...
is open!

I kept it
open just
before I
got back
here~

Ayame
Kiriu,
Age 15

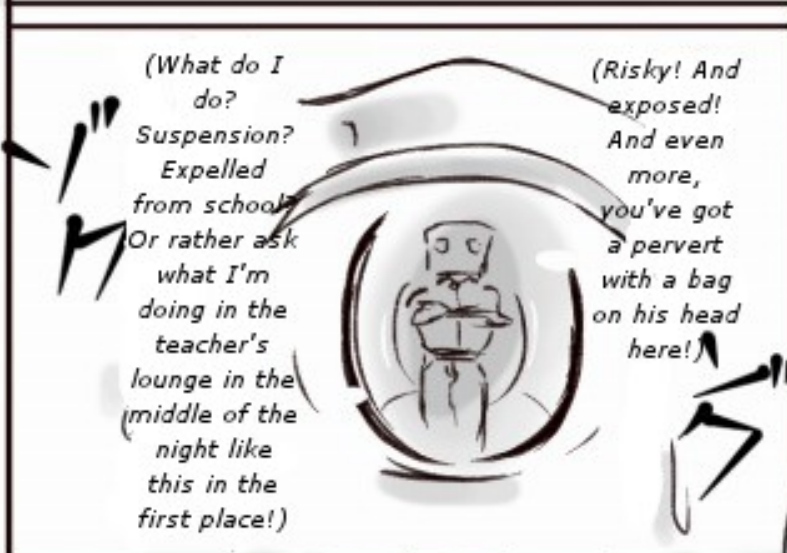

Since
it's
night,
no one
should
be here,
right?

Huh?

So now,
the
answer
sheet to
tomorrow's
final
exam can
be found.
Awesome!

I can't get out

What?
I can't
get
out?

Eh,
what?
What the
heck is
happ-
ening?
My tits!?

Wait,
don't be
so angry!
You're
not even
big, be
ha-happy!

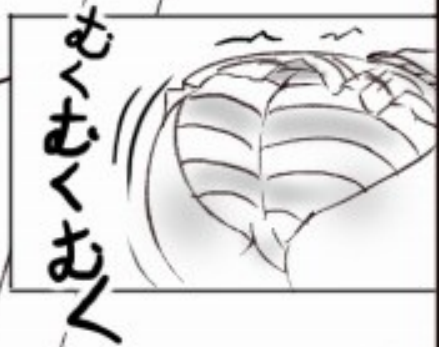

Looks as
simple as
that. You
did this, so
change me
back!

Are you
turned
on by
this, I
wonder?

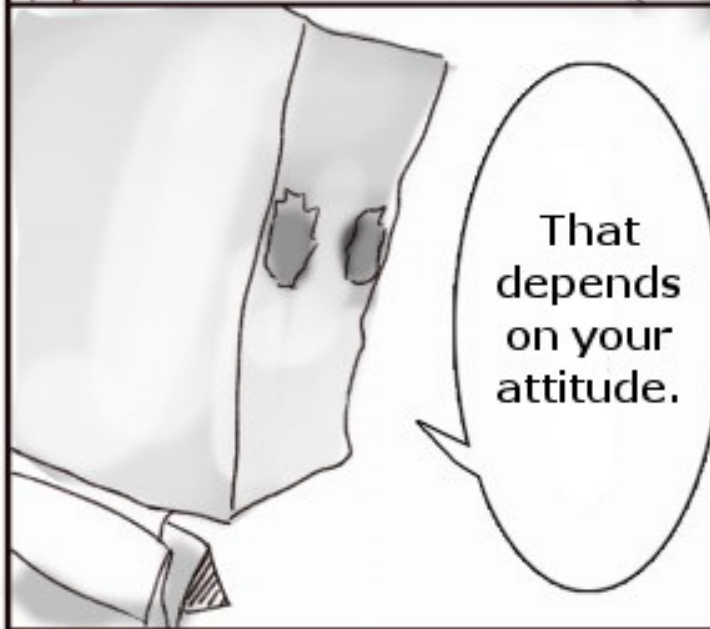

I can't
get in, it
can't be
helped, I
can get
inside
temp-
orarily

No way,
someone's
coming!
If I don't
hide...!

This time
it's my
ass that's
surging!?

Hahah,
you
don't
say? The
guard
fetched
himself
a huge
ass.

and
that
rubbing,
aaa...!

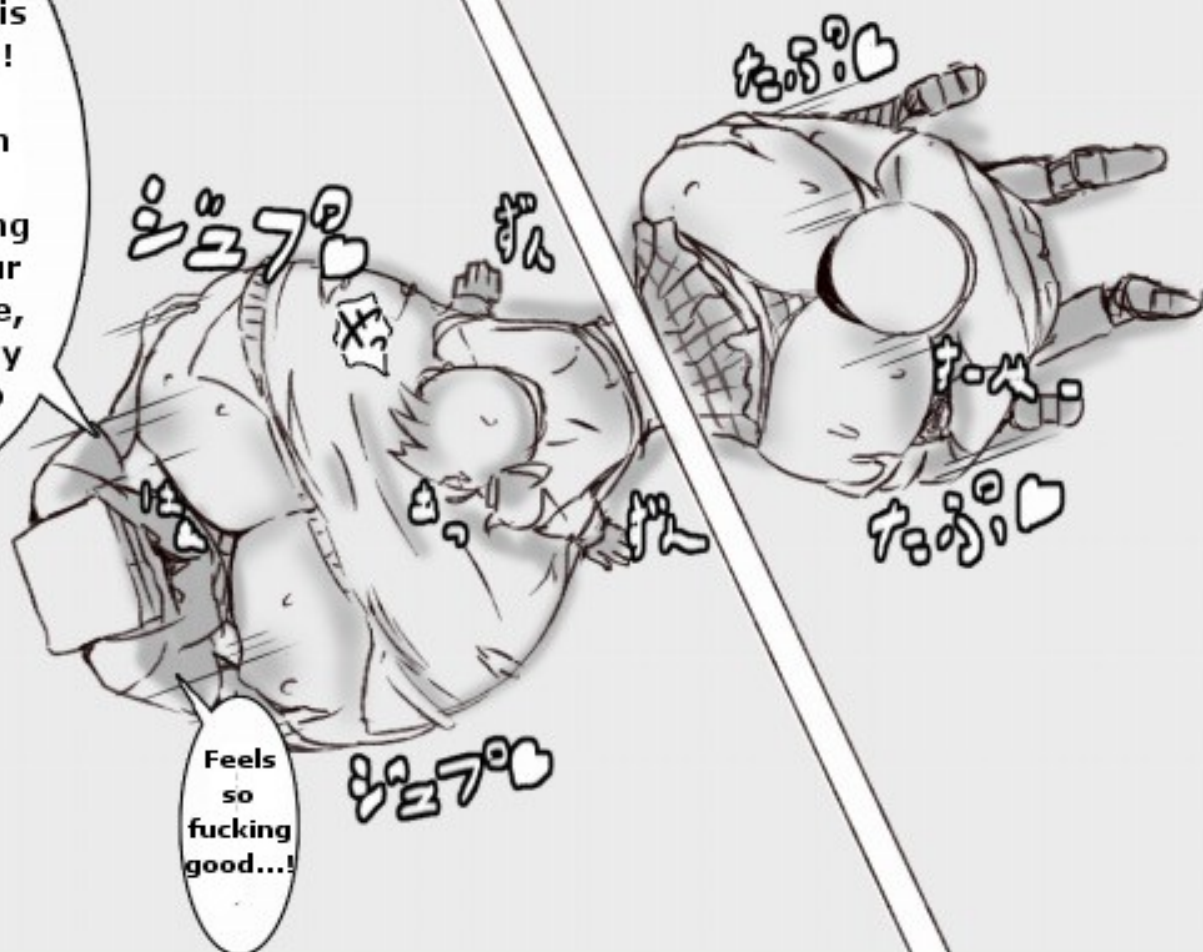

Iiyaa,
he's
sucking
on my
ass!

Now
then,
shall I
get right
in front
and give
you a
titfuck~?

(Eep! I don't
want this
guy's think
in there, but
my breasts
are too big,
I can't even
wiggle. Aah,
I feel him
pushing into
my cleavage
forcefully...)

Aaa, the
force in
your tits is
amazing!
Really
now, I'm
just
benefitting
from your
existence,
letting my
lust into
you.

Feels
so
fucking
good...!

I'm totally letting it all out! Your flesh is so fully packed, tits so plump and full and filling more!

Hoo! All refreshed. Full, mega-tit titfucks are the best.

It's no use, to tell the truth.

Now change me back

That was good, I suppose?

Heheh, you're not able to be any more patient, fine being the middle girl.

After all the time the guard's been thrusting your ass, your breasts are getting bigger, inch by inch, till they're as big as the room, hah!

You friendly girl. Do the same thing again. Repeat it, and do it thoroughly.

あ、
Please
don't
do it...

Well,
I'm
getting
in!

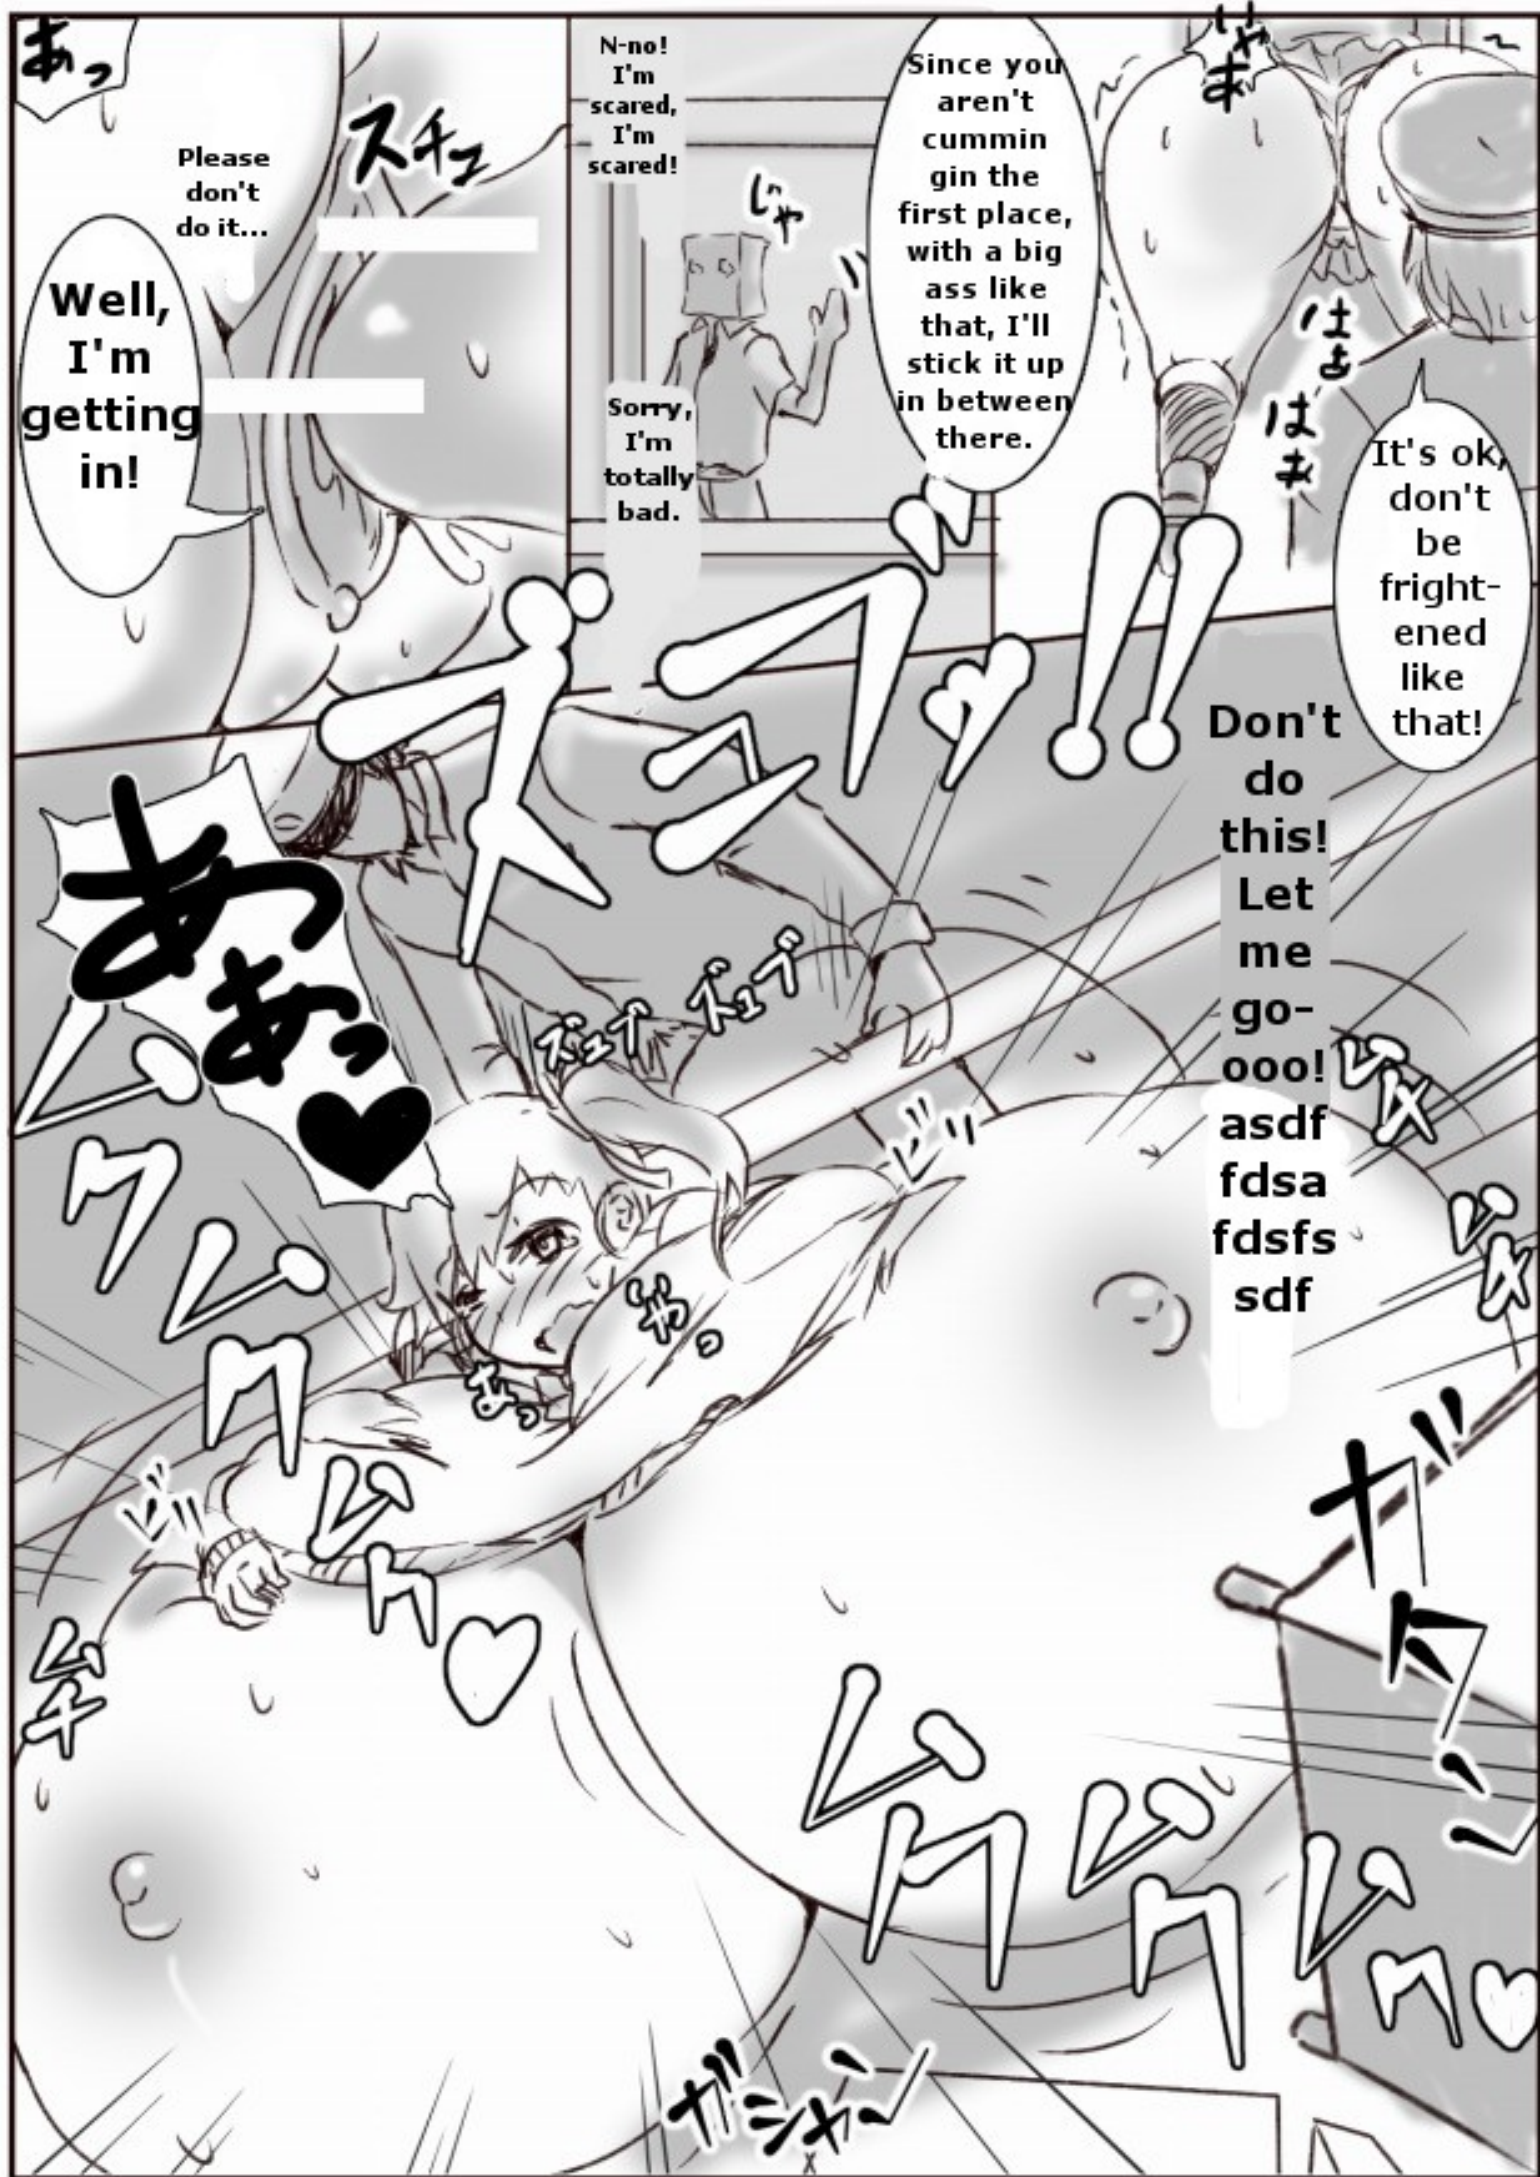

スズ
N-no!
I'm
scared,
I'm
scared!

Sorry,
I'm
totally
bad.

Since you
aren't
cummin
gin the
first place,
with a big
ass like
that, I'll
stick it up
in between
there.

It's ok,
don't
be fright-
ened
like
that!

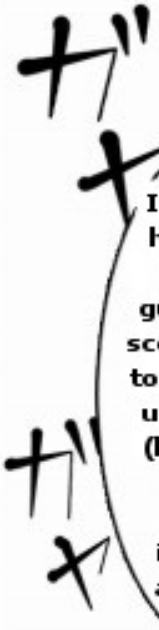

Don't
do
this!
Let
me
go-
ooo!
asdf
fdsa
fdsfs

So, after this, let's go to karaoke! I'm glad I got up for this trouble! Hah!

The thing that's being said is today's final exam is postponed! Lucky!

I heard this high school girl and a guard at the scene seemed to have fallen unconscious (but it looks like there were no injuries or anything).

Yeah, yeah, you know? Last night, the guard that woke up could have done it.

Every-thing's really about this bad guy...
