Eh?

Well, your clothes
are wet.
You can't keep
wearing them.

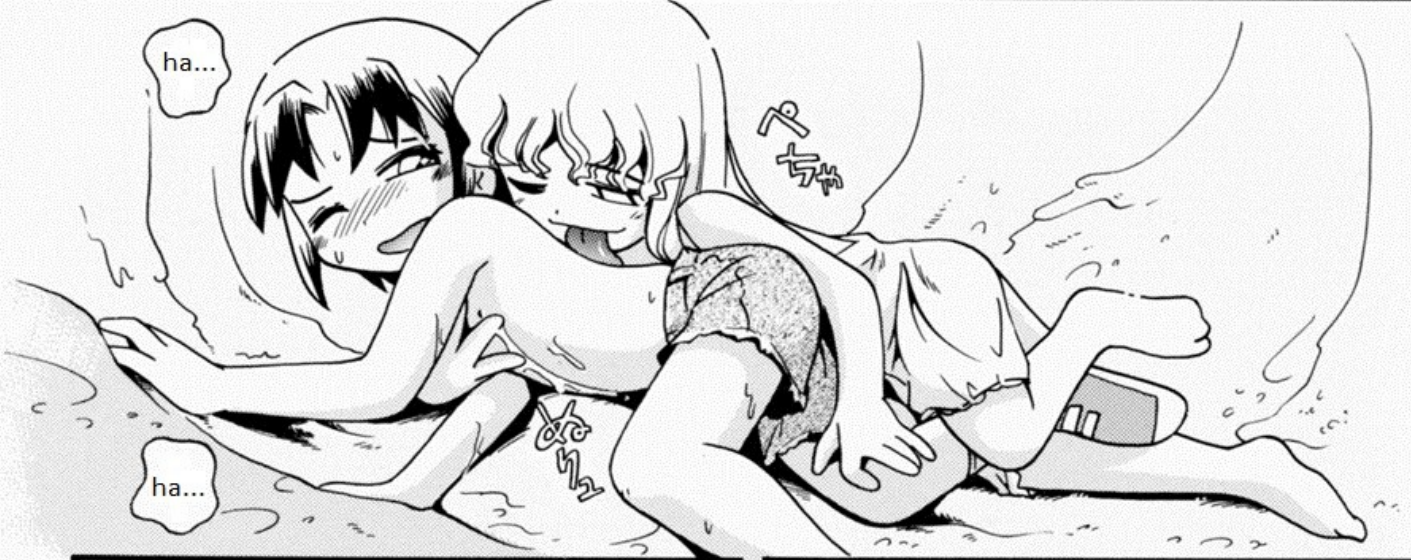

Makoto-chan,
your body is very
warm.

mind being wet. Ahaha.
Gimme back
my shirt.

Hey, what
are you
doing...!!

What's this wet sticky stuff...

Wah!?

Now, take off everything you're wearing.

S.. Stop.

You can't leave. It's still raining outside.

I'm always watching you. You're so energetic.

I'm glad we're able to be so close.

It feels good, huh? Look, your body is already opening up. ♡

I've been watching the whole time from the trees of the park, and the shadow of the grass...

It's energetically squeezing my finger. Cute. ♡

Ahh... Warm.

your very pretty vagina...

At long last I've
joined with
Makoto-chan.

Every time I cum,
your pussy meat
twitches wildly.

It's not over yet.
I'll cum again and
again and fill up
your belly.
