One of the four knights of the Holy Knights of the Kingdom of Aldetia, Reginleif, is the tall-nosed elf knight Elnose, known as Elnose of Heavenly Flowers. However, when the great nation of Philslave invades, the four knights are sold as slaves to a nobleman. Elnose is bought by the nobleman Hojild, also known as the "Nose Hunter," and her captivating tall nose is trained in a perverted way, leading to her becoming corrupted, and now she is Hojild's wife, leading a lascivious yet peaceful life...

As the night deepens...The date changes...The two of them come to the toilet in a park on the outskirts of town.Elnose gets permission from his master to defecate. In fact, he has been ordered to eat feces in the mansion, and is even forbidden to swallow it...

Hojild encourages Elnose to defecate. However, his penis is inserted in her ass. It's not like she can defecate like that... When Elnose strains, the vibrator in her nostril comes off, and she defecates from her nose... Her nose becomes not only a genital organ, but also anus...
