■ Hello and nice to meet you, Suika here.

It seems like NatsuComi just happened but now it's already FuyuComi. It went by in a flash. And now Freeze is on it's 15th release, all the Demon Lords are together in this one.

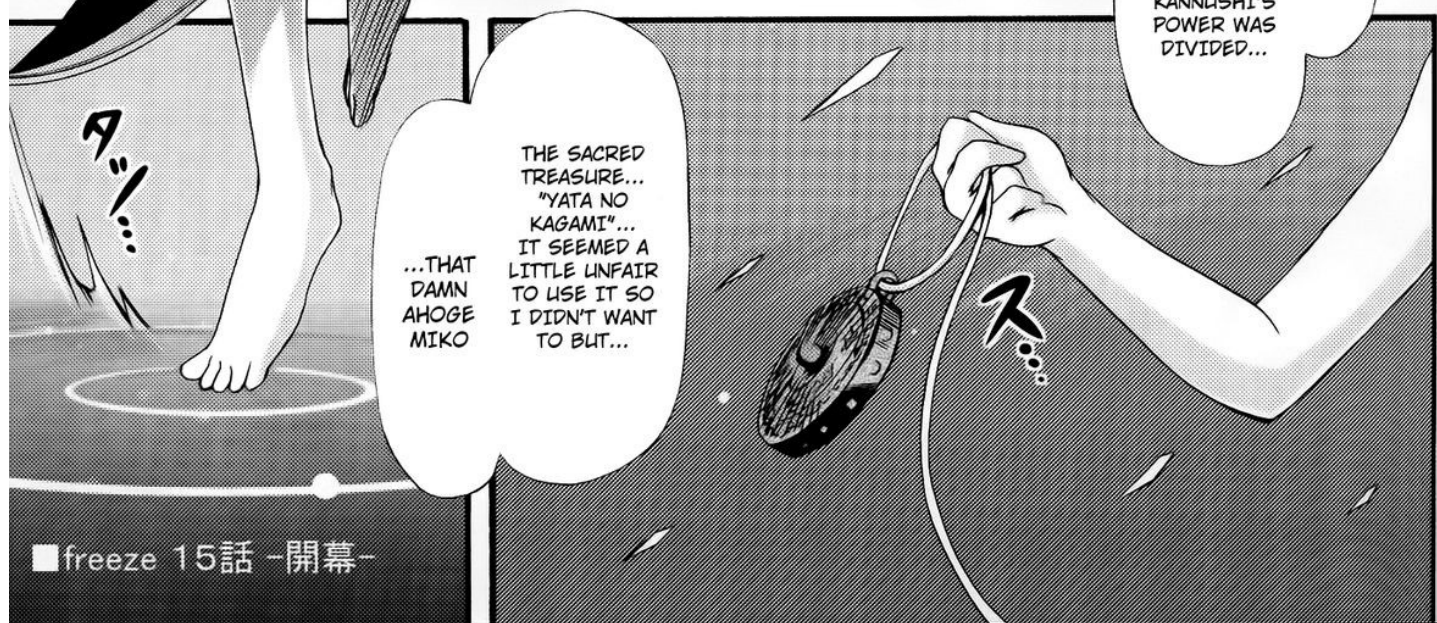

Feels like a prelude to a battle.

■ Freeze's basic Summary

To summarize, Kinoko-chan undid a 600-year-old seal that unleashed all the Demon Lords on the world. Now she'll have to seal them all away again before they go out of control. Though it's been more ero-oriented lately.

■ Omake 1
Characters

■ Harusaki Kinoko

An airheaded, mushroom-loving girl.
Former main character.

Until she freed Roine-san from her seal she lived a very ordinary life, but then found herself angled up in the fight with the Demon Lord, and gets sexually harassed by Roine-san almost every day. She has the power to dispel Roine's seals.

Water and Ice manipulation are her specialities. She can create frozen seals, etc.

■ He Roine

A sexual harasser who doesn't keep up with the times.

600 years ago she sealed away the Demon Lord, however the backlash from using the holy treasures sealed her as well, the Miko of the Stars. Having lost her powers after being revived, she could temporarily borrow some of Kinoko-chan's power by sexually harassing her, however Shizune helped her recover her fully powers.

Swordplay is her speciality. She can also use ice magic.

■ Ito Shizune

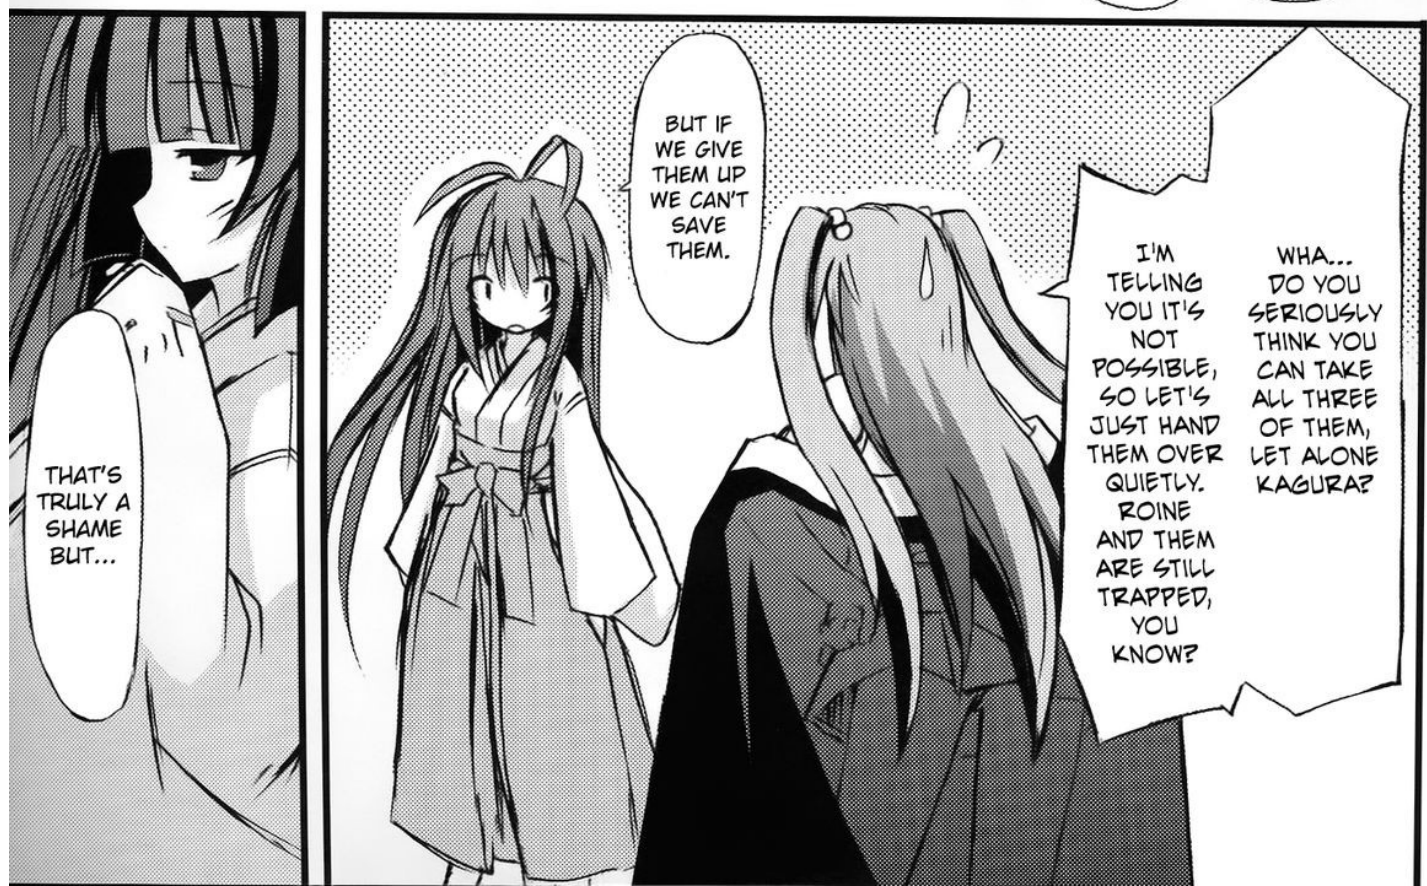

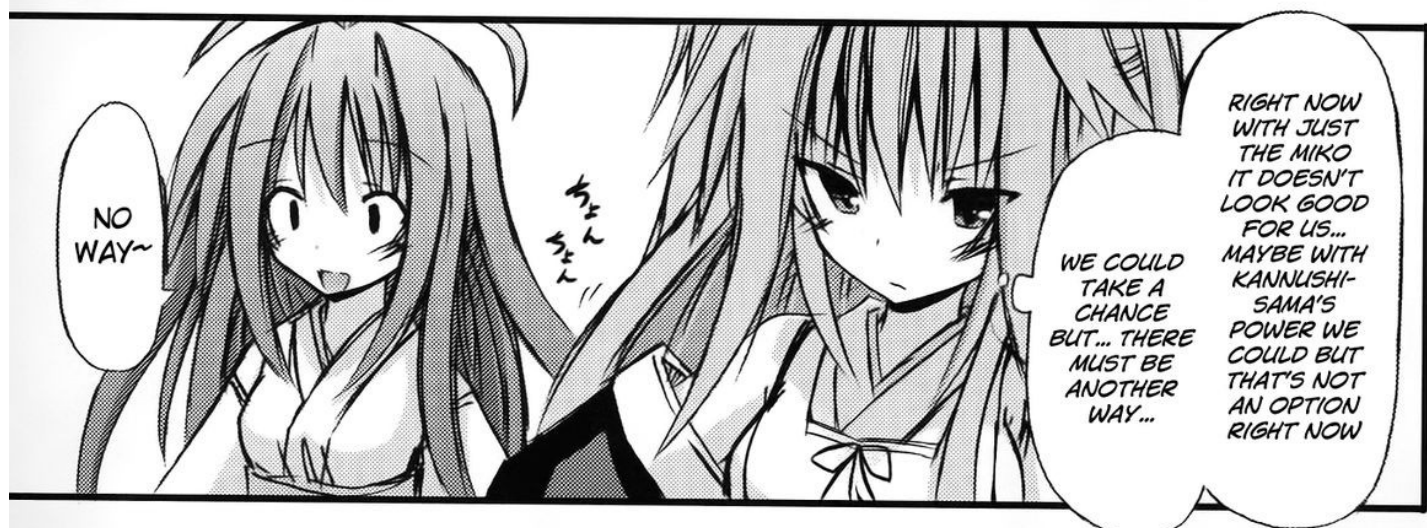

A girl in the prime of her womanhood who's also a miko like Roine.

Along with Kinoko-chan, she restored Roine's powers. Before she knew it, she was acting alongside Kinoko-chan and her friends but... She also became the target of Roine's sexual harassment.

Mist magic is her speciality. Supporting type.

■ Blue Demon Lord (Aoi-chan).
Red Demon Lord's Sister-in-law.
Lives on the Tower's first floor.

WE'LL
HAVE
TO TAKE
THEM BY
FORCE!

THIS WOULD'VE

AFRAID♡

■ Thanks for braving the cold to buy this.

Kagura-san sure is troublingly strong as ever.

One or two more and this will probably be settled...

This time I had a little bit more leverage, so I added a little second half.

Though by the end my pens were running out.

This year was a really rough year. However I'm glad that I didn't have to cancel any events, and all the books came out fine.

I think I'll be trying my best in the coming year too.

It's New Year's Eve, so Happy New Year. See you.
