Ah,

It'd be

Totsuka-

indecisive...

Y-Y-Y-

HERE!

Oh?

Senkawa-
senpai,
so...

Even
though
it's hot
in here,

E-Even...

Ah...
This

Anyway,
you've been
taking good
care of it,
haven't
you?

Uhh...
Y-Yes. For
the new
students
in spring.

As
committee
chariman,
did I ever
tell you
to grow
that?

HAUU!

Is that a
Schizan-
thus?

.....

O-Of
course...

I just
assumed

you were
planning
to give it to
someone

as a
gift.

Uh...
Umm...

Is that
REALLY
true?

HIHI!?

Really?

Is
that
true?

N-no,
nothing
like that.

H-Hey,
did you
know?
In the
language
of flowers,
Schizan-
thus means
"harmony".

Pretty
neat
flower,
huh?

did you really think I wouldn't know the meaning of Schizanthus?

Totsuka-kun... As chairman of the gardening committee,

It's true, honest...

In the language of the flowers,

Schizanthus means "together with you",

as well as "together forever" and things like that.

Is that really how you want to confess?

So...

Who do you intend to give this to, I wonder...?

S-SHTOP IT, SENPAI!

Ah, well, you see...

Weren't
you going
to do that
anyway?

If you
won't
tell me,
I'll roughly
rub this
squishy
stomach
of yours.

Oh?

Ah!
That
...

Well,
if you
tell me,
I'll rub it
gently.

You're
going to rub
it either
way?!
