Adapting simulation results of personality data....

Body information is being constructed from scan results...

...reconstruction is complete. Start with the base personality...

Here it comes!

Started reconstruction.

Awesome!!!

I can't quit teaching at this school because of this~

Transformed

...boot up complete.

Good morning, Master... orders please.

Yeah it's really bad enough to be able to fuck your favorite girl as many times as you want.

Run a teacher comfort program in an up-to-date environment. Collect the personalities data in parallel from today's interview.

Yes, master

So it's no wonder I look at my students so erotically, and they hate me for it!

...Ah, what I...?

...Aha♥ Sensei picked me again♥

Hey! Say that quickly!

Then integrate it with their own memories and order them to seduce me from their side.

...Sensei, we was able to get quite a bit of data from today's interview, so her mother also can now recreate the personality.

OK, I'll build it with those conditions...

Hey, isn't this one... too different from her usual character?

Nice...ugh, I got so excited I ejaculated.

Well...she is so sweet like this to her boyfriend.

I asked doll of another student the other day

Um...how are you feeling...?

Your boobs are clumsy

...but I will serve you to the best of my ability...

Oh, um... This is the kind of thing that Only with my husband....

Well... that's enough for today....but I'm going to use it again, so be prepared, okay?

Yes♥ Please fuck us anytime!

Sensei~♥♥ I'm so glad you invited my mom too!

Then... make me feel good.

Sure♥
