

Lilíoch

～白百合の花～

【NOTE】

- ・修道女と聖歌隊の少年の相思相愛イチャラブ。
詩的な雰囲気で誤魔化してますが(?)、性描写があるので成人向けです。
- ・次ページのあらすじはあくまで雰囲気を出す為の文章ですので、いろいろと間違っている可能性があります。ただし本編で端折っている部分を少し補完しておりますので、怪しい英語ですが興味のある方は読んでみて下さい。
- ・登場人物二人はタイトルと同じゲール語で話している設定です。

※この漫画の舞台の国は…いくらゲール語で話していると言っても、アイルランド国内だと他にわかる人間がいるかもしれないので、英国かな～？架空のカトリック教会かな～？？とアバウトな感じでw

Lilíoch —White Lily—

Synopsis

Rónán Pádraig Ó Mordha is a 13-year-old Irish boy who is the head chorister of the cathedral. One day, he met a beautiful 24-year-old Irish nun named Aoife Treasa Ní Siodhachain at the cathedral. He fell in love with her and she was fascinated by him, but he was still a minor and she was a nun, so there was no romantic touch and they never even kissed each other's lips.

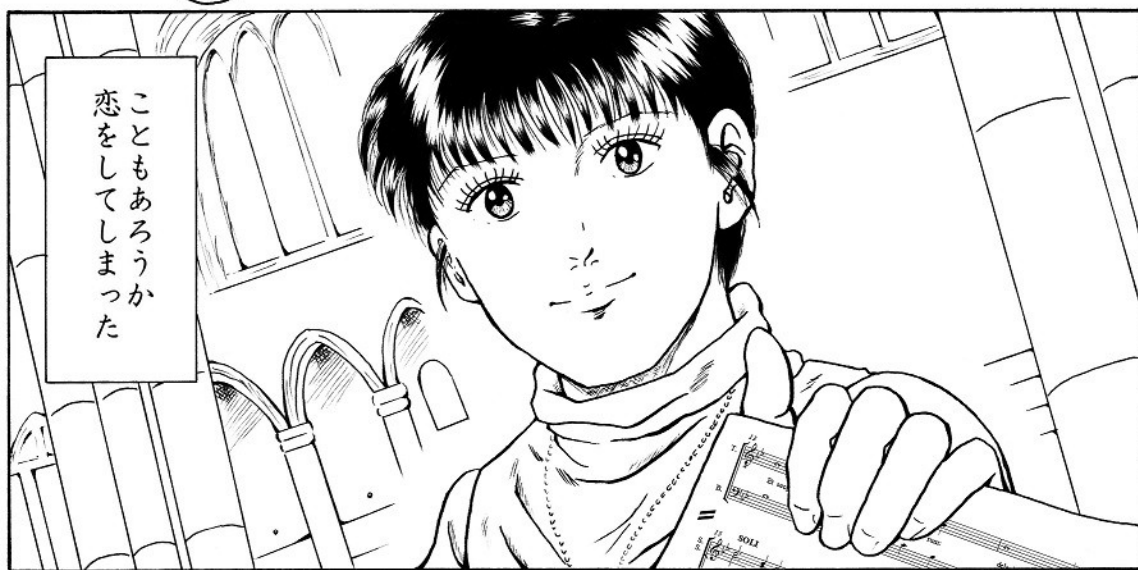

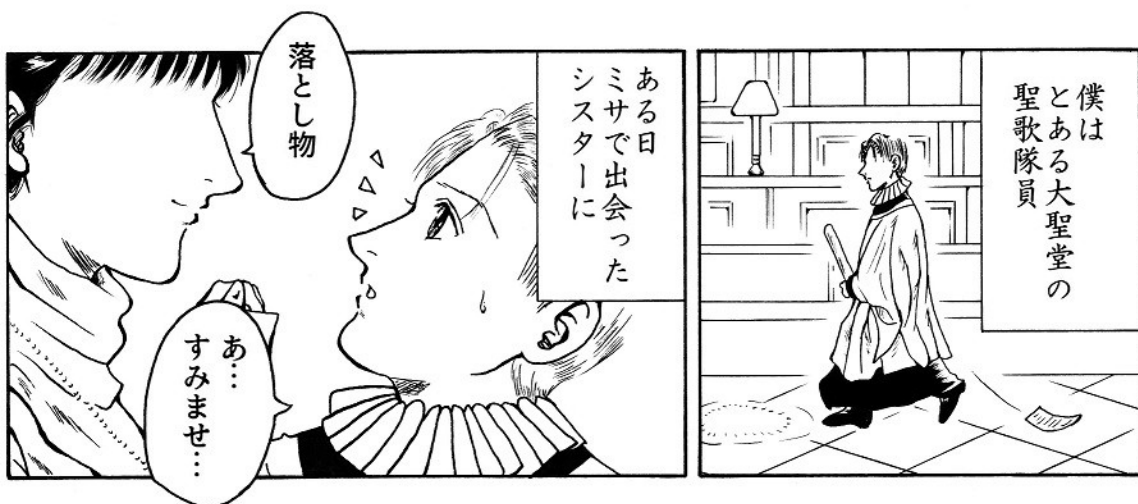

But Rónán wants to do naughty things with her, so he confesses to her about it. Aoife was a little embarrassed to hear that, but she held his hand and took him to the Music Practice Room. — The room can be locked from the inside so that the gasping voice cannot be heard from the outside. In the Music Practice Room, she said, "Ní dhéanaim tada, ach más mian leat (I do nothing, but if you want)." Upon hearing that, Rónán kissed Aoife's lips and inserted his tongue into her mouth. In addition, he tasted her saliva like sweet honey and sucked her tongue violently. Aoife felt it was very sexual, but she didn't stop him from doing so.

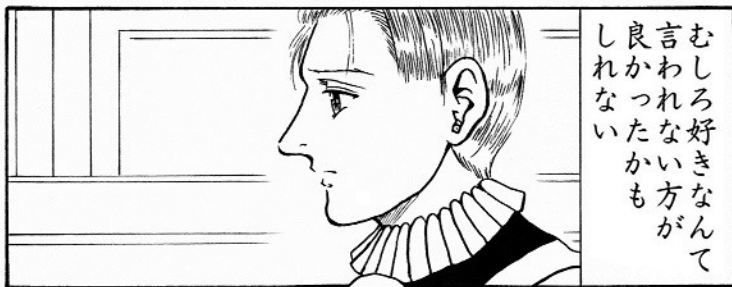

Then he asked her "Suigh ar an tolg le do thoil, Deirfiúr? (Please sit on the couch, Sister?)". And after Aoife sat on the couch, Rónán stripped Aoife's panties, he saw the realm of her solemn virginity, and gently but suddenly licked it with his tongue. Aoife gasps, unable to withstand her stimuli, grasps Rónán's head firmly with her hands and entrusts herself to his caress. Of course, she was confused as to why he did this, but at the same time she felt her pleasure.

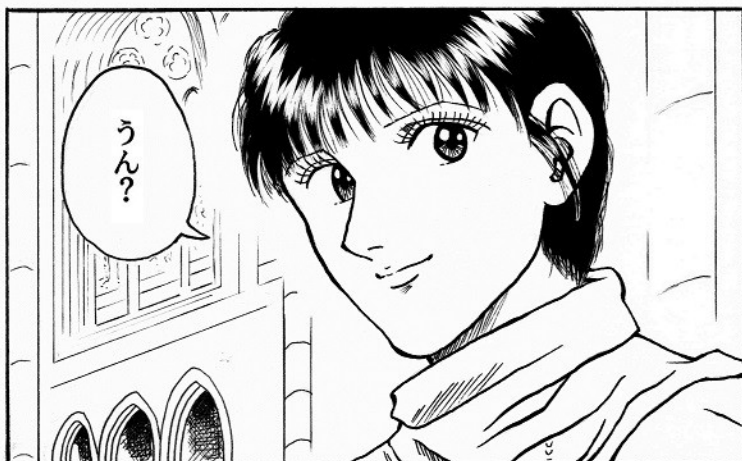

As Rónán gently licks and sucks her beautiful pearl-like and pink colored clitoris, Aoife squeals more pleasingly, burning herself in that overwhelming pleasure and feeling it was ecstasy. So Rónán has decided to continue to caress her clitoris with his tongue and lips until she reaches orgasm. And when Rónán sucked and chewed the clitoris softly and gently, Aoife reached her first orgasm in her life ...

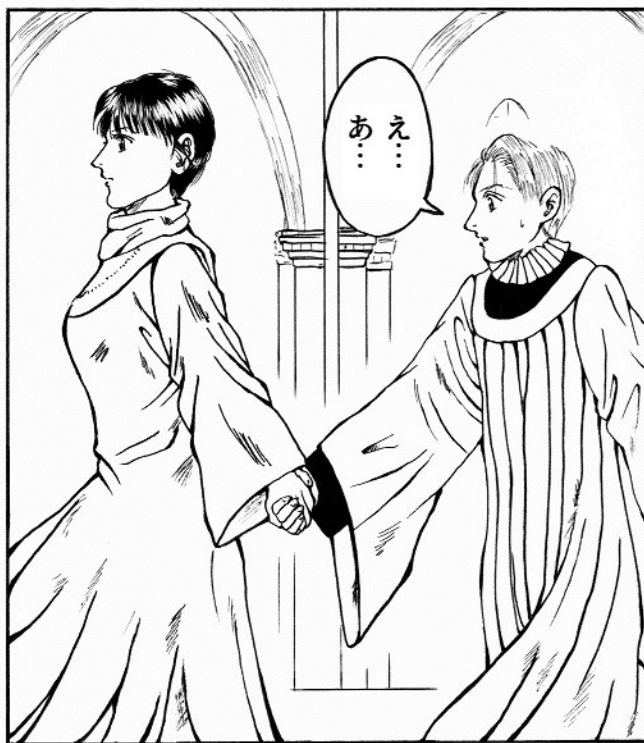

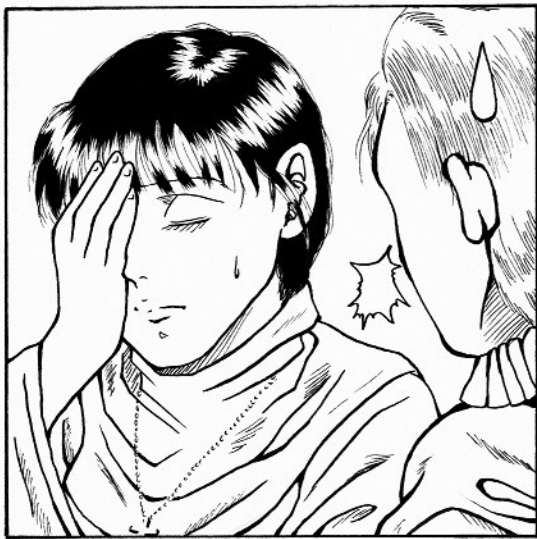

我らは愛に傾倒し、ただ一人の愛する者に自らの心を捧げん
「求める者には与えよ」とあなたが言われた通り、互いにこの身さえ尽くさん
それが罪であるならば、ああ寛大なる神よ、
日ごと、夜ごと、贖いの為にあなを賛美せん

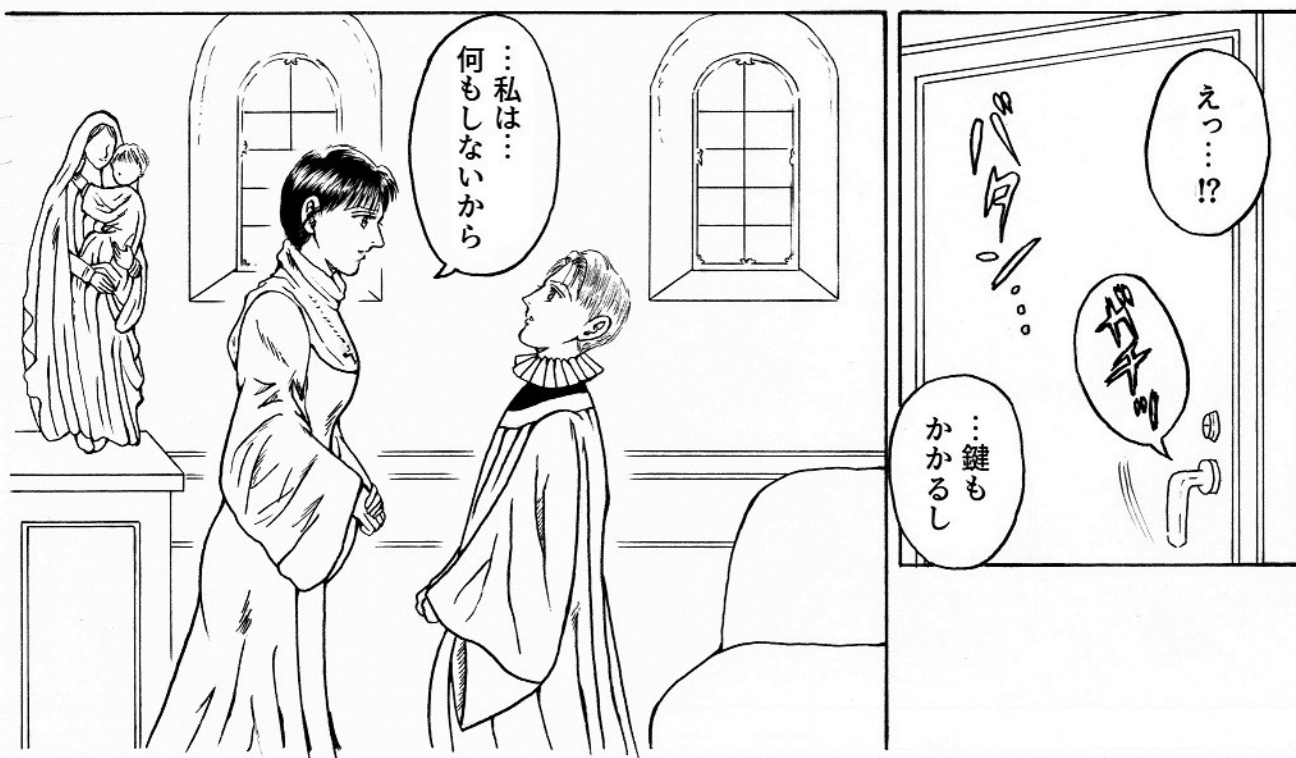

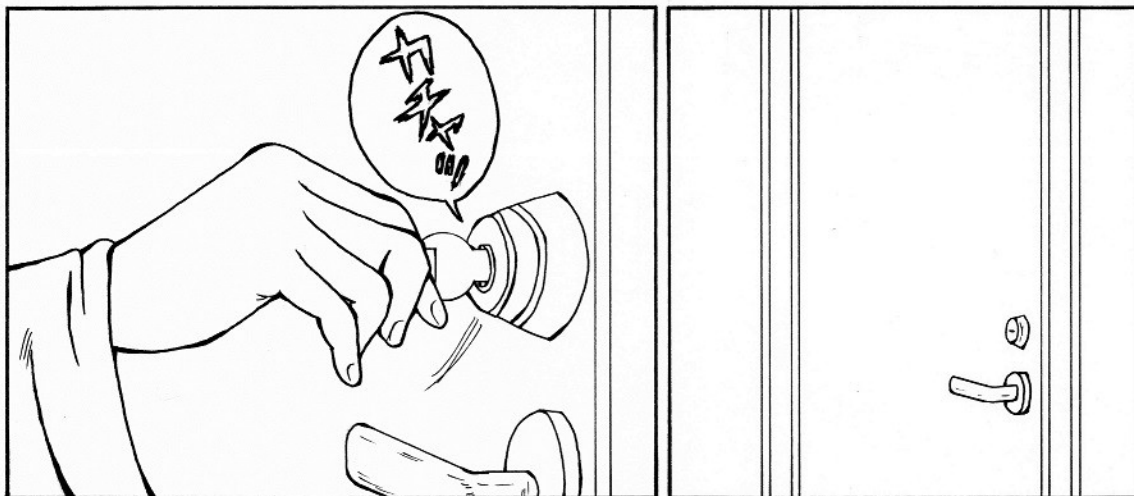

*Tiomnaímid féin chun grá agus tiomnaímid é
do dhuine amháin a bhfuil grá aige do chroíthe a chéile.
Chomh maith leis sin, dúirt Dia, "Tabhair é dóibh siúd a lorgaíonn é,"
mar sin caithimid ár gcorp chun a chéile a dhéanamh sona.
Ó, dia flaitiúil, Má deir tú gur peaca é,
moladh duit ó lá go lá, ó oíche go hoíche, as a fhuascailt.*
