■ I've come to want to draw an outspoken twin-tails character.
I haven't decided yet on my character for the next work.

Your breasts are so small and soft, they're unbelievable.

Haa

Haa

Ah

Grope

Grope

Uooo

Uuh

Your pervert juices are steadily flowing out.

Your pussy is amazing! Amazing!

So sexy.

So erotic!

■ Before I had realized it, I've gotten to the point where I'm only drawing non-human aquatic girls.
I have been thinking that I want to draw a human story at least every once and a while, but I haven't had the chance to yet.
I've always wanted to draw a proper big-breasts story as well.

By the way, since my furry and non-human girls tankoubun came out in the summer I would be very grateful if you would read that as well.
