Bitter~...
It tastes so bad~...

A...haha...

swallow

Oh, you got it down

Can you drink it like that?

Nnh...

He's happy about me drinking it...

How weird...

I'd just be happy if you were able to get used to it

Don't push yourself if you don't like it

Why does sperm taste like this...

Ahaha...

But, you did your best. Thank you

Ah

Ah

Fuh-

Ah...

Nh...

I'd be happy to feel it directly

I'd really like to do it raw

But, y'know

Me too...

Hey...

Onii-
chan's...

Kiss
here
too

.....

Ah...

Ah,
geez...

They're
so
soft...

The
tip,
like
always...
Ah...
my
little
Haru
sister's
lips

Have
you
already
done
this
kind of
thing
with
your
Yuuji
boyfriend?

It
feels
crazy
good,
Haru

Look...

Your
pussy
is still
as pretty
as when
you were
a kid

You're
still a
kid who
hasn't
grown
any
hair yet

Now
that I think
on it, when
you were little
I got scolded
by Mom for
touching it

I
wonder
if it's
okay
today...

Before
some guy
like Yuuji,
cumming
inside..

I've always left it up to here but..

I can't hold back anymore, so it's okay, right... Haru

Onii-chan has to be connected to you, too...

Even Haru would be happy...?

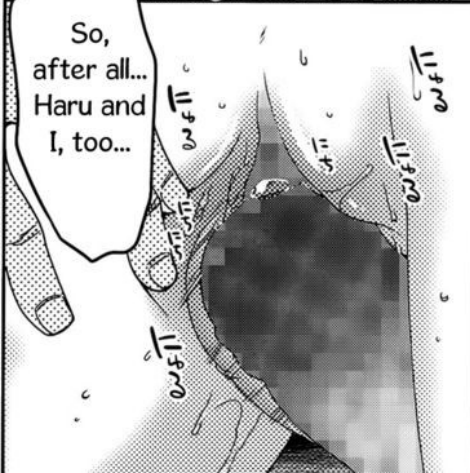

The three of us have always been together

So, after all... Haru and I, too...

Hey, Haru...

Yuuji That guy is like family to you

Take in all of my dick..!

I'm stretching this tiny pussy out

Feeling it this much while asleep...

It's overflowing with sticky juices

Haru really is happy to be connected with me...

Hey...

Hey, Haru...

The truth is that you really wanted to do it with onii-chan, didn't you?

Haru's insides are so slippery, they feel great...!

If I'd done this earlier...!

Then you'd actually be with me...!

Even though your pussy's getting this wet doing it with onii-chan's raw dick...

Are you dreaming about doing it with Yuuji?

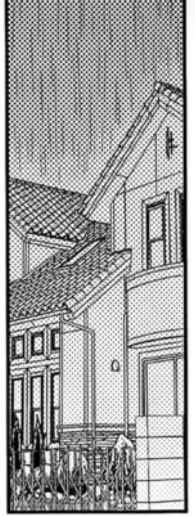

In spite of feeling good from my dick...!

Hey...
