Sup~

Aha-ha...

Just when I thought we were free from the hellish club activities, we're thrown into Studying Hell~

That's too much to deal with, don't ya think?

And I hate it~

Did you all have summer classes today?

Sure did~

I was just called out here by these guys.

Huh? Acchan, what are you...

But hey, Atsushi...

If you have a lot of spare time, why aren't you helping Akira-chan out?

Eh?!

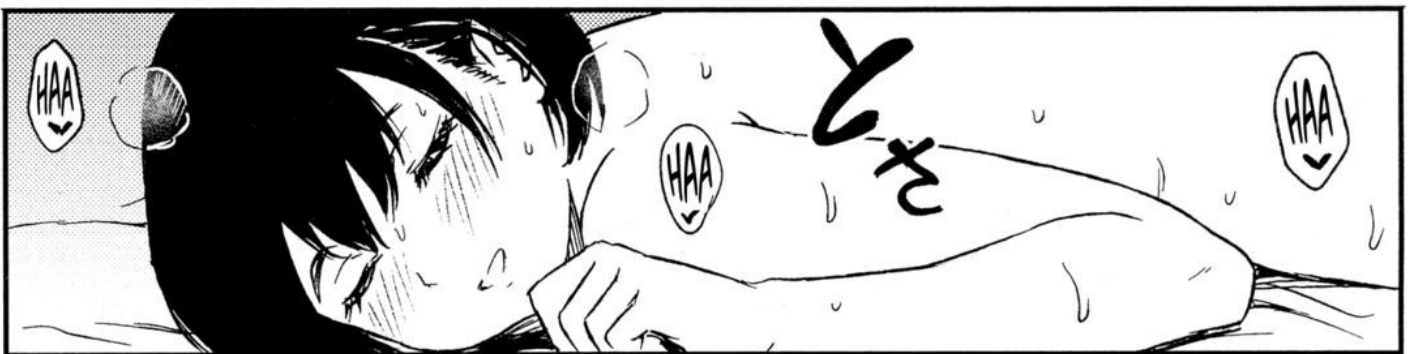

Yeah, we thought you'd start feeling lonely, so we decided to spend a little time with you today~

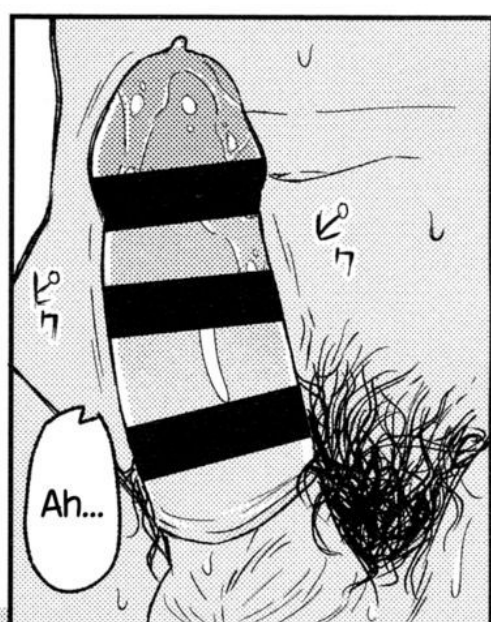

Stop complaining~ You're one of the job-hunters now, so you have nothing but free time, right~?

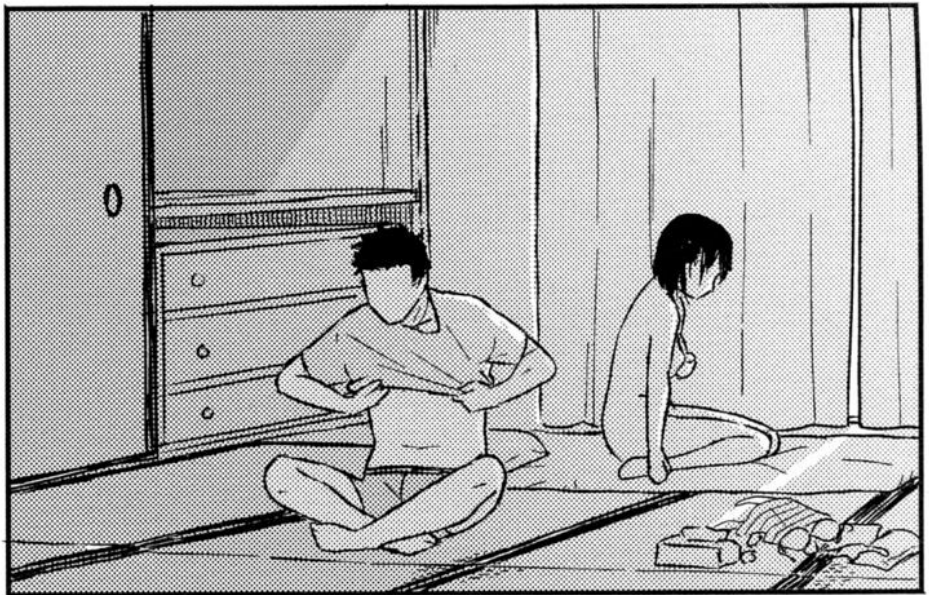

Oh, thanks. Not. Mind your own business.

Look at all the people here...

Atami, here we are~!

Can't we?

You sure you'll still have room for dinner after them?

I'll be fine!

Here, here!

You wanna start eating right off the bat, huh...

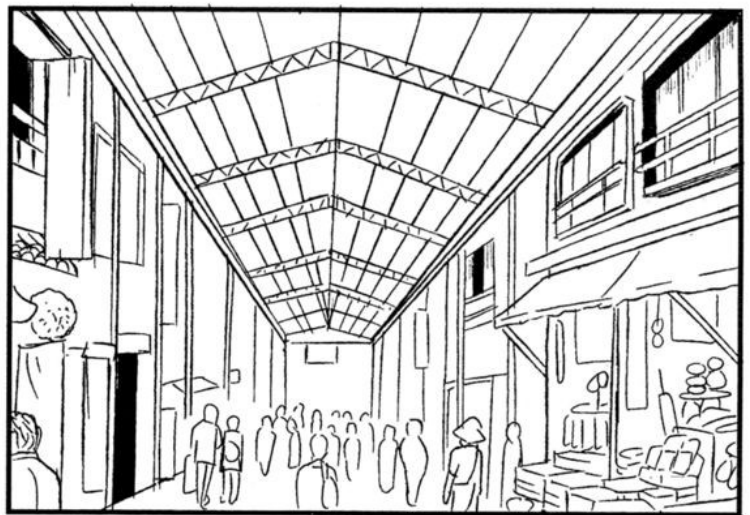

I want to try onsen manjū!

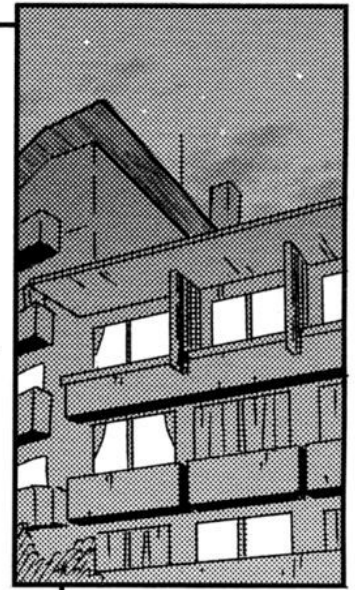

If I remember correctly... Our hotel check-in is at...

At 4PM!

I see... So, what should we do first?

Did you
taste that
kinmedai
they had?
That was
so good!

Geez~
Acchan,
you seriously
don't have
any interest
in food,
do you?

Really?
Isn't it
just
another
fish?

Shaddup.

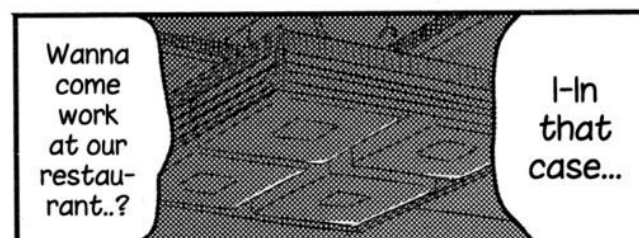

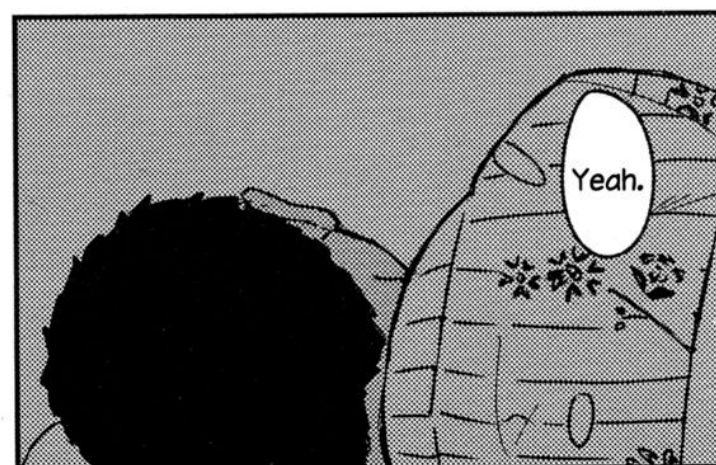

Sounds
like we'll
have to
walk a lot,
so let's go
to sleep
early.

Okay~

So we'll
go see the
Jougasaki
suspension
bridge and
go on a
cruise
tomor-
row...

And those
steamed
abalones...
They were
lovely...

So...
What do you think?

Yeah...
Let's see...

That monster granny would, huh...

And I think grandma would be happy if it was you...

You shouldn't call her that...

No-That...
I only said that because everyone was there...

Didn't you say you already had enough people?

So having a guy around... would be a huge help.

You see, grandma's legs have been getting worse lately...

A-Along with all these perks... You'll get me as a freebie!

A-Also, one more thing..!

Since we get a lot of regulars, our profits are pretty good...

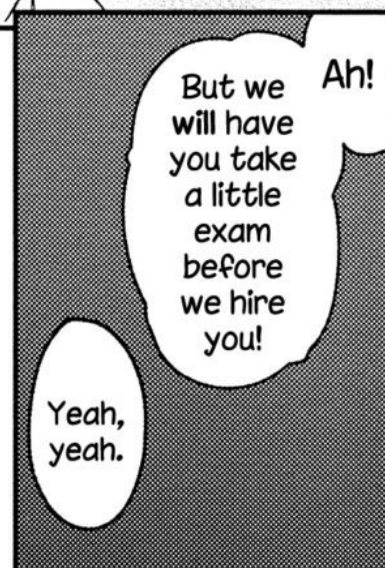

O-Oh, and guess what?

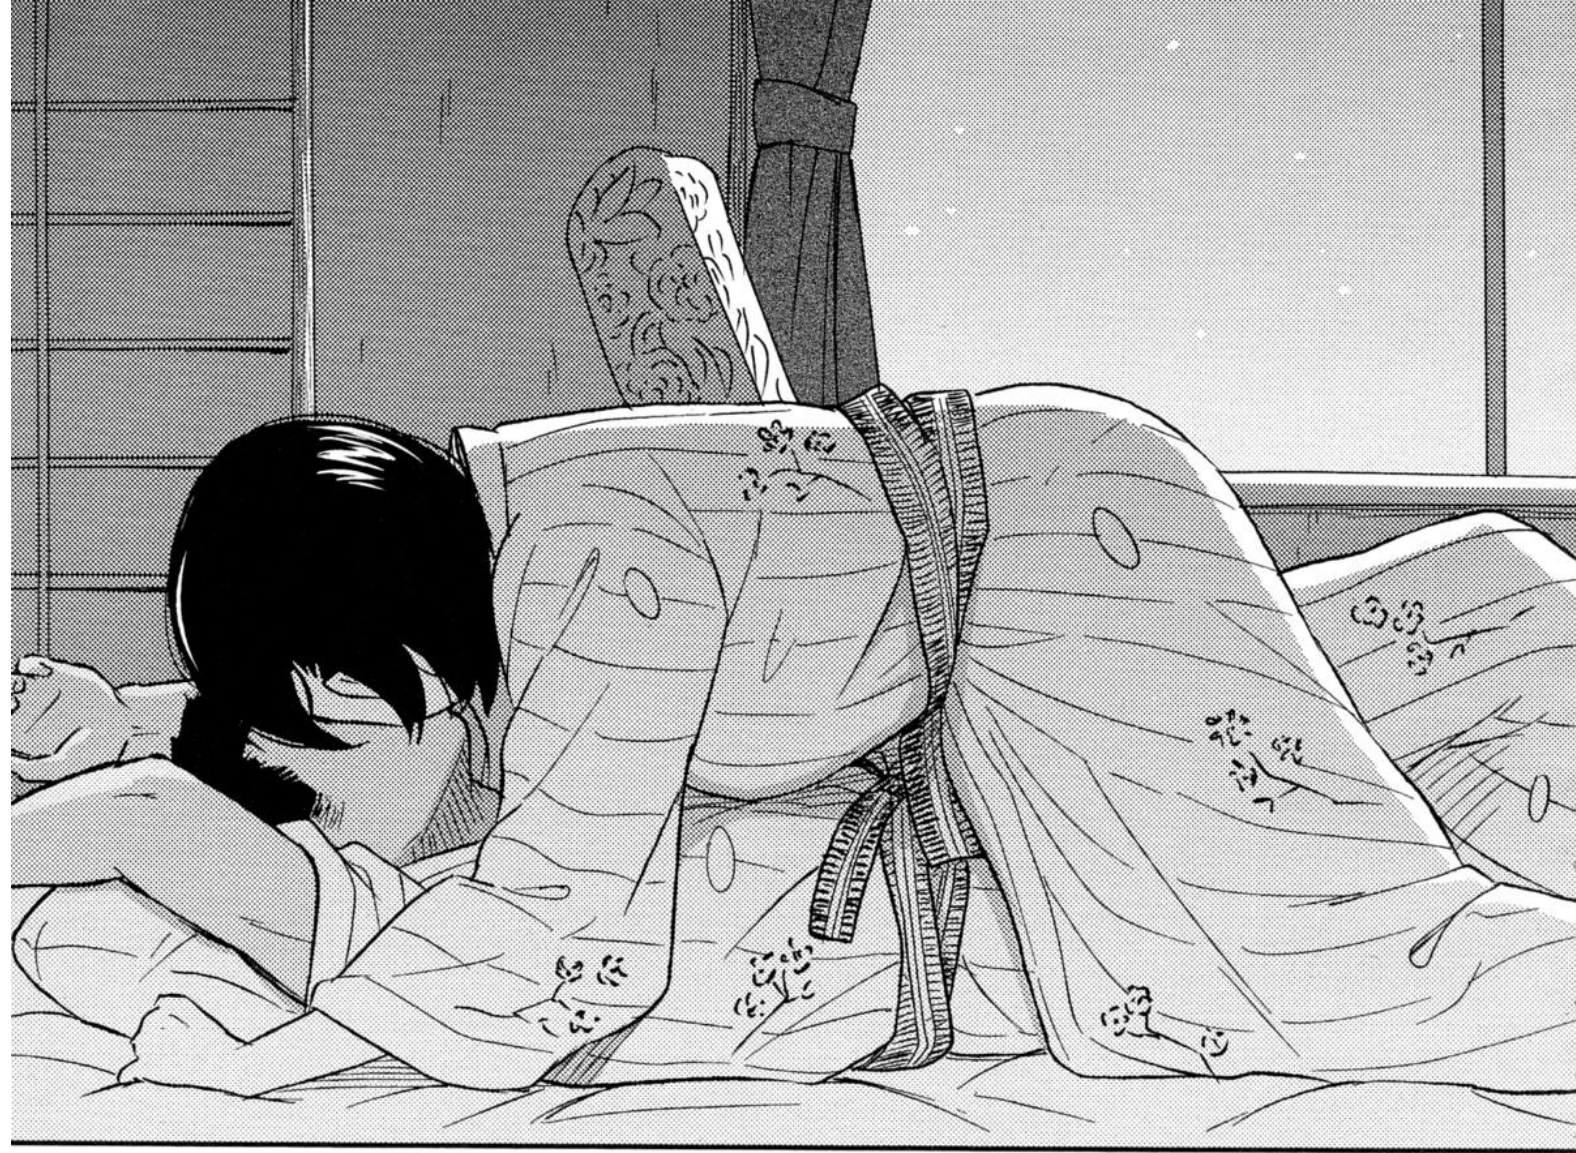

And you won't have to worry about food...

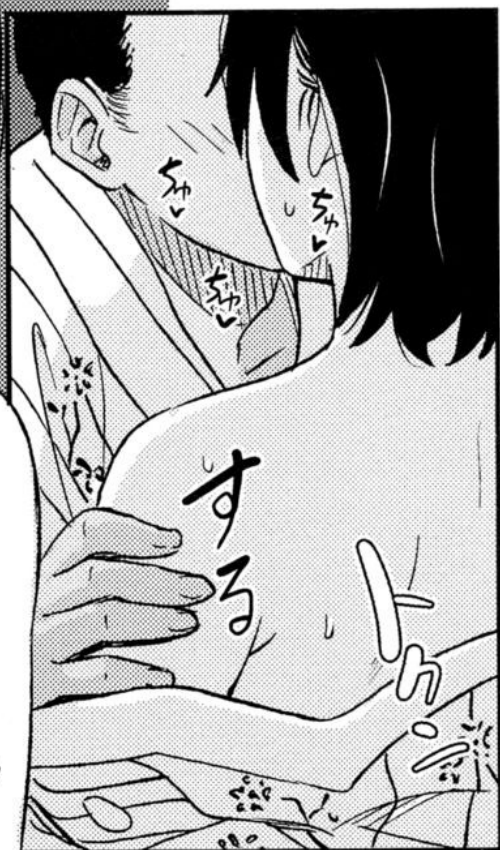

...Or something.

.....

What are you talking about...

Well, you know...

Having good compatibility is important for co-workers...

This is my job interview, huh...

HN

フッ
フッ

Why would you worry about our compatibility now?

We've been together from the time we were both wearing diapers.

AH

!!

Hn..!

Geez... You're so mean...

What, are you angry?

I know all your weak spots and everything.

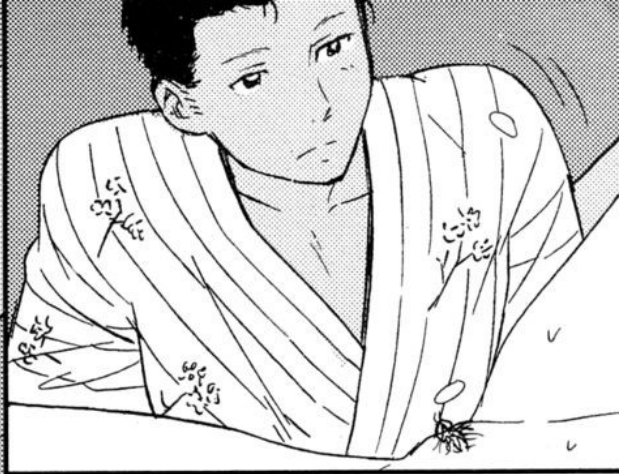

Noo~!

キエウウ

Hey...
Spread
your
legs.

...Why
did you
stop
there?

AH...

PU
HA

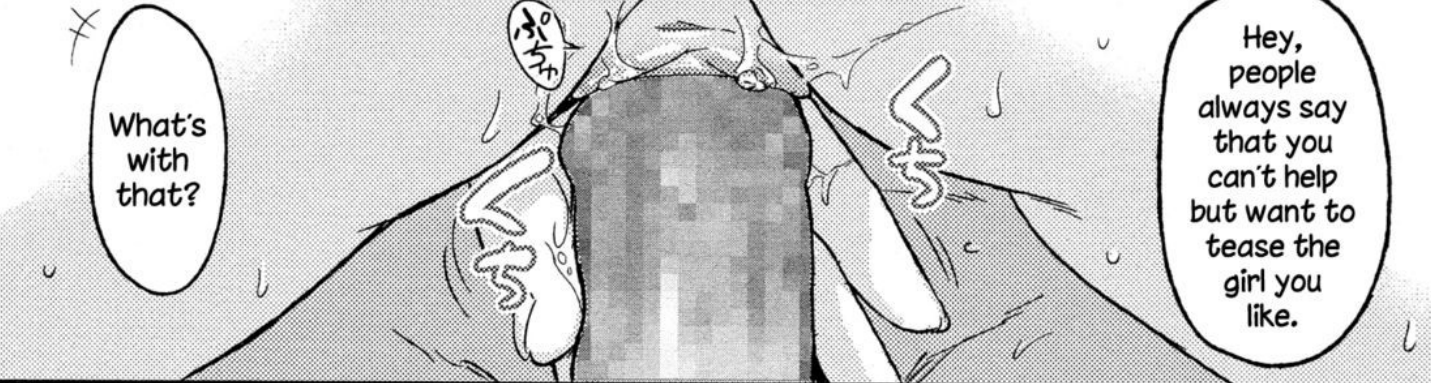

If you
don't
want it in,
we can go
to bed
now.

You're
being
mean
again...

What,
are you
fine with
just
getting
licked?

Ah!
You're
right!

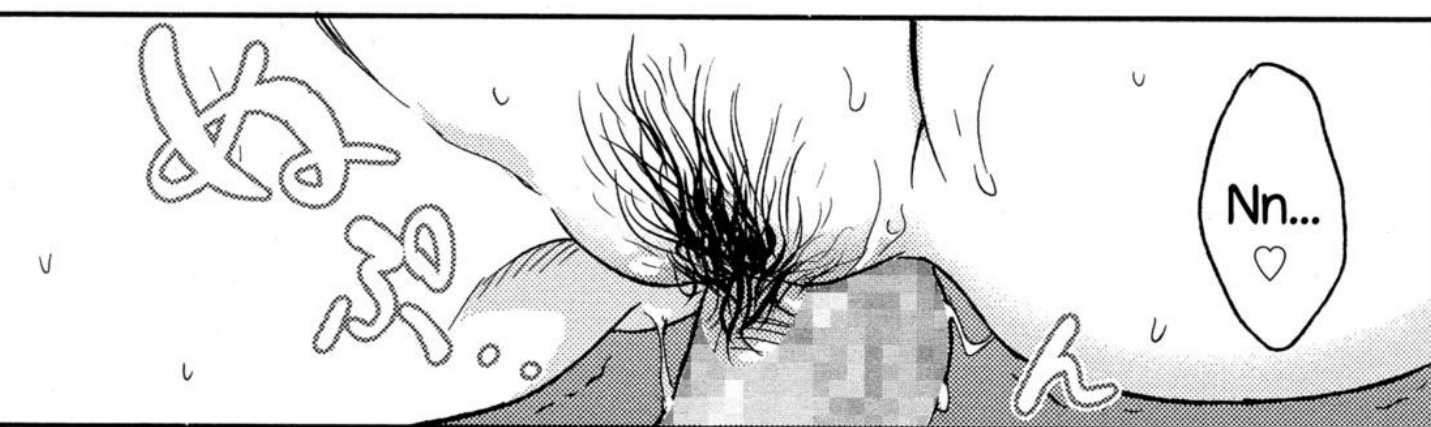

What's with that?

Hey, people always say that you can't help but want to tease the girl you like.

That's because men never really grow up.

Acchan, you're like a little kid~

Nn...

Oh, drop it.

How weird...

Yeah...

Wanna
change
posi-
tions?

ぐい

Yeah.

That's
good to
hear...

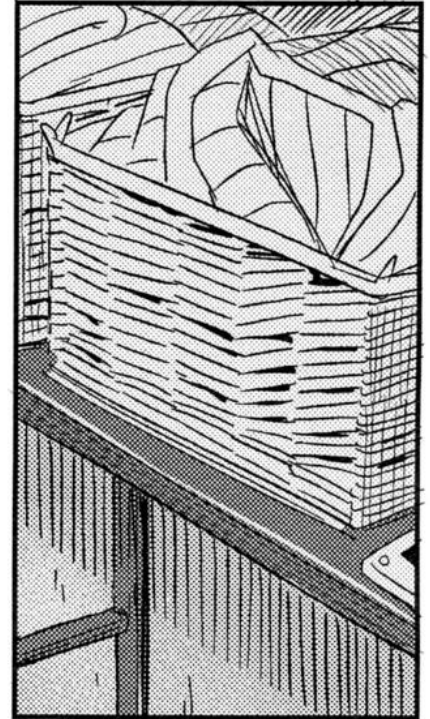

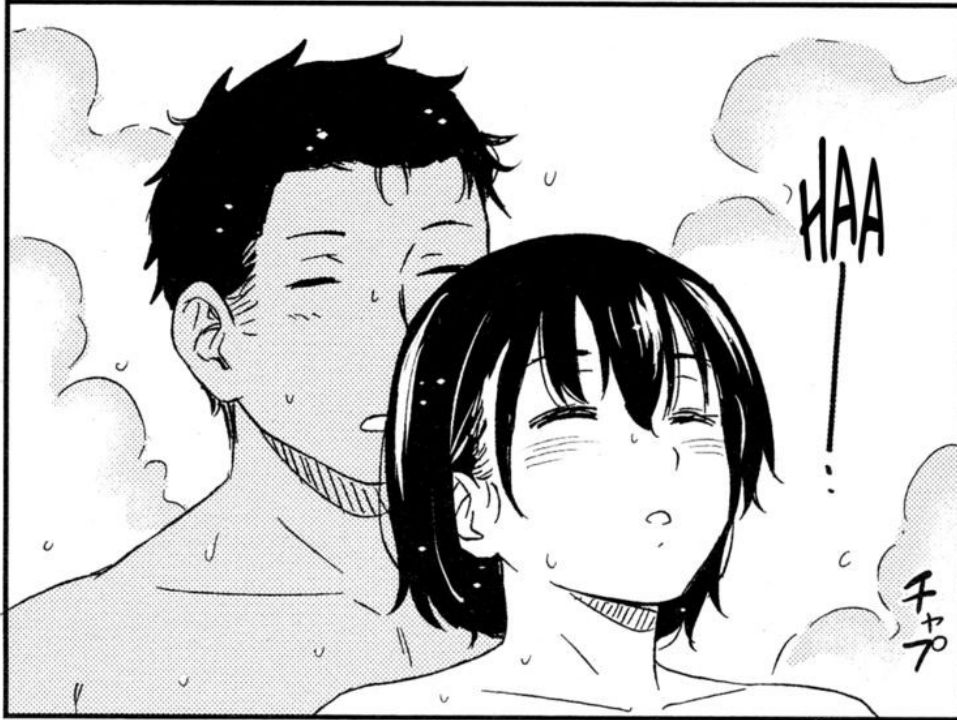

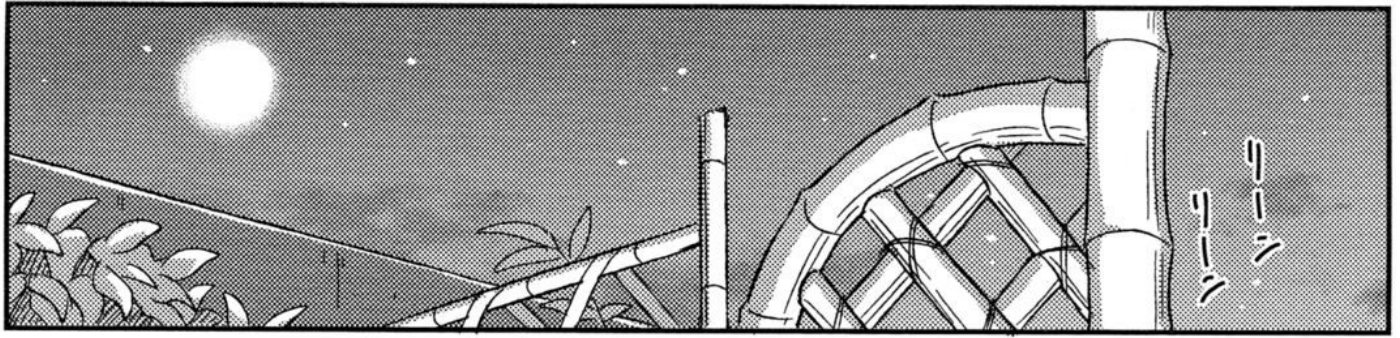

ちゅ

Acchan...
Are you
feeling
good?

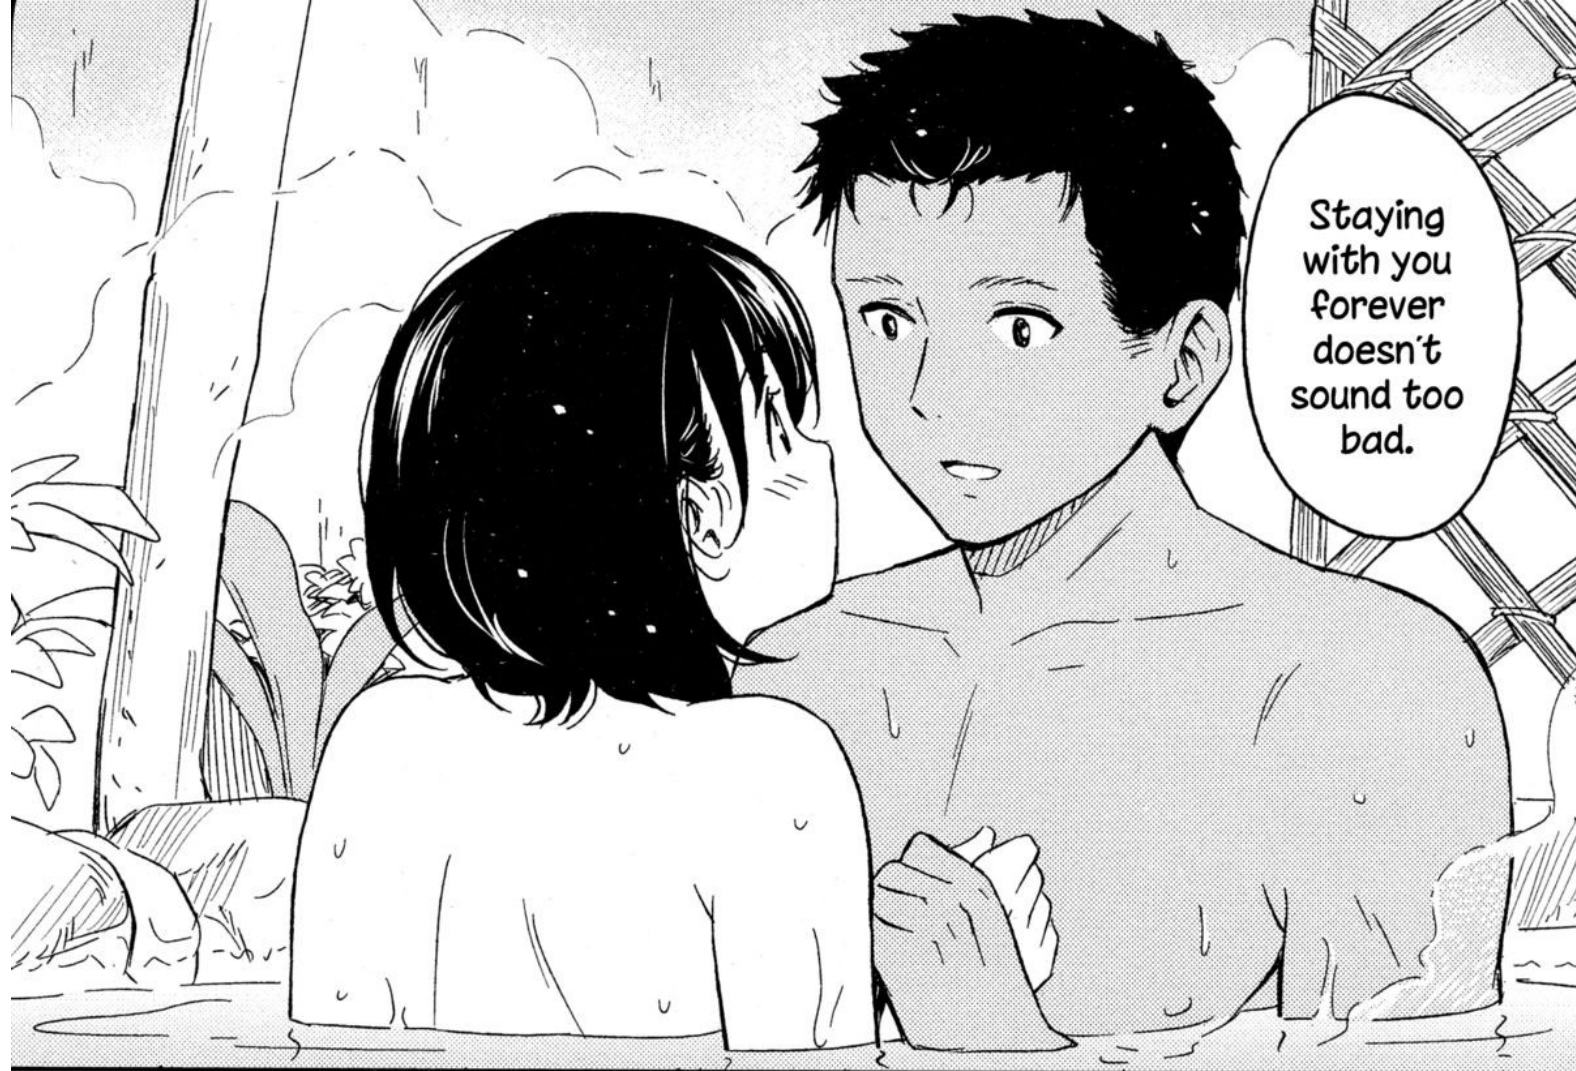

Last
time...
Only I
came,
so...

What's
with you
now?

ちゅ

Staying
with you
forever
doesn't
sound too
bad.

I'm not
confident
I'll be of
much help
at the restau-
rant...

But
I'm sure
things'll
work out.
Some-
how.

Really..?

And
then...
After
that...
Let's
see...

You'll
definitely
have to
start off
in the
dining
area!

After
that, I'll
teach
you how
to operate
the cash
register!

Let's
continue
when we
get back
home,
okay...

It'll be fine!
I'll teach you
everything
you need
to know!

I'm
counting
on ya,
Senpai.

Yeah.

Come on in.

Yo.

Hello~

The hell was that "come on in", man?

That looks terrible on you~!

See? I told ya!

Ohh! He's seriously here!

Eh?! I'm sorry...

Dude, don't make Akira-chan cry!

Don't get carried away!

Sorry~! I appreciate it, but if Acchan says no, it's a no~

Should I switch places with someone, huh?

Akira-chan!

Hi everyone, welcome!

An army of idiots arrived...

Eeh~? What should I do~

Hey, what the hell.

Should I change places with him?

He's completely useless, isn't he?

How's Atsushi?
